COMMODORE RICKIE SUE GRUNDEN

When I was a child, I always wrote a letter to Santa and gave him my Christmas List. As I look around Watkins Island all decked out for Christmas and New Years, I noticed that our Past Commodores made a list and they must have checked it twice!

Santa has brought us so many nice gifts — The complete seawall around Watkins Island has been done with new docks and an extended patio that gives us a great place to play, relax, and enjoy the sunset. We have a back staircase that can survive a tropical storm that leads to a completely remodeled upstairs that now includes modern offices, a library, a lounge, a Junior Sailing room, and a newly remodeled kitchen and bar storage area for all the accoutrements to make our dining and parties perfect.

Santa has had some helpers over the years. We have had our Lakeview dining area and foyer gifted to the club by Commodore Donald Dick (2019) and Peggy Mativi Dick. Our beloved porch and stairs were remodeled by Club members who volunteered their time. Our Auxiliary has gifted chairs for our dining rooms, outdoor tables and chairs for the pool, and $34,000 for the new pool decking and patio bar. The Commodore's Association is paying for the remodeling of the men's bathroom. The Watkins Island Foundation donated funds to make the restrooms ADA compliant. The outdoor lift was recently replaced so all of our members can access the Club.

This year I am asking for the additional decking for the pool and a patio/pool bar to add to our enjoyment of the patio and pool. Santa's helpers in the last month contributed $37,984 plus the $34,000 from the Auxiliary. We are well on our way to a Merry Christmas!

To ensure we have a New Year that is cheery and bright, we do need to increase our membership fees to include the rising costs of insurance, taxes, utilities, food and labor costs. We are also in the process of hiring a new chef who will bring a fresh approach to our dining experience and to the production of the kitchen. As we complete the budgeting process, we have already implemented programs that minimize our costs in the kitchen and house & grounds. We also have received

COMMODORE

Continued from p. 1

payment from ODOT for the land they have taken for the Route 79 expansion. These funds are allocated to capital and operations, reducing our annual fees. Because we are undergoing major personnel changes, we continue to scrutinize our budget. As a result, our Annual Membership Fees for 2027 will increase between $200 and $300.

As we go to sleep and dreams of sugarplums dance in our heads, may you have a...

Merry Christmas and a Happy New Year!

BAR & KITCHEN

– Vice Commodore Bob Hegedus

Ahoy, Fellow Members!

It has certainly been a busy and eventful month here at the Buckeye Lake Yacht Club! As we navigate a few exciting developments and transitions around the club, I wanted to share a quick update from the Bar & Kitchen and the Bridge.

Bar & Kitchen Transition – As previously communicated, Josh, Kodi, and their family have made the difficult decision to relocate so they can be closer to their family. While we are sad to see them go, we wish them nothing but the very best in this next chapter. We are deeply grateful for their hard work, dedication, and all they have done for our club during their time with us — they will truly be missed.
Looking ahead, we have had a fantastic response to the open position, with many strong candidates applying. We are currently in the process of actively interviewing applicants to find the right fit for our club's culture and standards. In the interim, our team is doing our absolute best to maintain seamless restaurant operations and continue serving our members at the level you expect. Thank you so much for your continued support, understanding, and patience as we work through this transition together.

Entertainment, Special Events & Guest Bartenders –On the social front, the club has been buzzing! A huge thank you goes out to Governor Cottongim and Ish, who have been doing an incredible job organizing our entertainment and special events. They have some fantastic plans in the works for the coming months, so be sure to keep a close eye on the club calendar and your inbox so you don't miss out on the fun.

Speaking of fun behind the bar – We are thrilled to announce that we are bringing back Guest Bartender Nights! These evenings are always a highlight for our Fmembership, and we are currently looking for enthusiastic volunteers to step behind the bar. Whether you want to team up with a friend or two or fly solo for a shift, we would love to have you. Please reach out to me directly if you would like to join in on the fun and let me know which month you would like to book!

Thank you all for making BLYC such a wonderful place to gather. I look forward to seeing you around the club soon!

Warm regards,

Bob Hegedus

– Governor Joe Giovannelli

It's hard to believe it's December!

Another year at the Buckeye Lake Yacht Club is quickly coming to a close! Before anything else, I'm very happy to welcome our newest members and First Mates to the Club:

Lisa and Bruce Treiber

Daniel Eppley and Lori Mitchell

Larry and Cathy Kincaid

Please join me in congratulating them and giving them a warm BLYC welcome! When you see them around the Club, be sure to introduce yourself, say hello, and help make them feel at home as part of our community.

This time of year always gives us an opportunity to reflect on the people and places that mean the most to us. As we move through the holiday season, I continue to be incredibly appreciative of the friendships, connections, and sense of community that make Buckeye Lake Yacht Club such a special place. I hope everyone has an opportunity over the coming weeks to enjoy time with family and friends, celebrate the season, and make some wonderful memories here at the Club.

The holidays are also a wonderful time to introduce friends and family to BLYC and share with them what makes our Club special. We absolutely want members to bring guests and introduce others to our community. With that in mind, I do want to offer an important reminder regarding guest privileges.

A non-member may visit the Club as a guest a maximum of three times per calendar year. That limit applies to the individual guest, regardless of which member brings them to the Club.

Unfortunately, we have recently become aware of two non-members who have repeatedly circumvented this policy by entering as guests of different members and have reportedly joked that there is no reason for them to become members or pay dues when they can continue finding ways into the Club — That is not acceptable.

Our members make a financial commitment to BLYC, and deliberately using guest privileges as a means of avoiding membership is unfair to those who support the Club. Appropriate steps have already been initiated to address these individuals, and repeated or intentional abuse of guest privileges will not be permitted to continue.

Our goal is not to discourage members from bringing friends, family, or prospective members to BLYC. Quite the opposite - we want people to experience the Club and hopefully decide they would like to become part of our community. We simply ask that everyone respect the policies that help keep membership fair and meaningful.

And as we look toward welcoming even more people into that community in 2027, I am continuing to work with the Board on opportunities to make membership more accessible and create additional pathways for those interested in joining. One area of particular focus is the continued development and expansion of Associate Membership.

If you have friends or family members who have expressed interest in joining BLYC, please encourage them to reach out. I would be happy to speak with them about Associate Membership, the membership process, and the options available for becoming part of the Club.

As always, I gladly welcome your feedback, ideas, and questions regarding membership. Please feel free to reach out to me anytime at membership@buckeyelakeyc.com. Thank you to everyone for your support throughout the year. I hope you and your families have a wonderful holiday season, and I'm looking forward to everything the new year will bring for BLYC.

See you at the Club!

DOCKS & RENTALS

– Governor Bill Ghiz

I hope everyone had a wonderful Thanksgiving filled with good food and great company.

Things are quiet with docks and rentals this time of year. Most members who use our boatyard have already winterized and put their boats away for the season. However, we still have some availability if you are in need of last-minute winter storage. I want to extend a sincere thank you to everyone who utilized our storage facilities or rented our docks this past season. It was fantastic seeing so many of you out enjoying the lake.

Looking ahead, we will have docks available for next year. Whether you are a returning renter or looking to secure a slip for the first time, please drop me a line. I would be happy to answer any questions for you or help you get your spot locked in early so you are ready to go as soon as the warm weather returns.

I would like to wish all the members of this great club a very Merry Christmas and a safe, Happy New Year. The camaraderie at BLYC is what makes this place so special, and this has been a truly fantastic year for the club. I look forward to celebrating the holidays with many of you and helping make 2027 another great year at the club.

Cheers to a Great Year!

HOUSE & GROUNDS

– Rear Commodore Brian Thom

Happy Holidays!

I hope everyone had a great Thanksgiving and now Christmas is just around the corner. Your House & Grounds crew will remain busy as they continue to work on the bathroom remodels. Thank you for your patience during the construction, but it will be worth it! It has been a fun project and, of course, you never know what's behind the walls when you open them up. A few minor surprises have occurred, but nothing we can't handle.

The grounds crew will also be busy getting the club decorated for Christmas and New Year's festivities.

We are excited for the upcoming new year and look forward to what it brings. Phase one of the new patio/pool bar is underway!

Stay tuned as things progress. We look forward to seeing everyone at the club and wish everyone a Happy Holliday and New Years! The best is yet to come!

ENTERTAINMENT

– Governor Kendall Cottongim

A Season of Entertainment, Friendship & Holiday Cheer!

What an exciting couple of months it has been at the Buckeye Lake Yacht Club! Our entertainment calendar has been filled with new experiences, wonderful talent, opportunities to learn something new, and, most importantly, plenty of laughter and fellowship. It has been such a pleasure watching our community come together, welcoming new faces, and enjoying all that our entertainment program has to offer.

Over the past two months, we've introduced some wonderful new activities and experiences. We've welcomed new performing artists as well as some of our past favorites who have shared their talents and entertained us, enjoyed a creative and colorful Paint & Sip, and gathered together for a delightful wine tasting. We also ventured into something new with a Mah Jongg class (thanks to Lynne Collinson for being our instructor), giving members an opportunity to learn a game that combines strategy, concentration, and a little friendly competition!

One of the most exciting additions has been the launch of our first Sunday Jazz Brunch! What a wonderful way to spend a Sunday morning, enjoying good food, great music, and even better company. This is just the beginning of a series we hope will become a favorite gathering for our members.

And now, as we turn the calendar to December, the excitement continues! We have a month packed with entertainment, holiday traditions, special gatherings, and opportunities to make memories.

Here's a peek at what's ahead:

- ***More Outstanding Performing Artists:*** Get ready for more wonderful entertainment and talented performers who will make our December gatherings memorable. There are a few returning artists including our own Lakeside Trio and several new entertainers with a range of genres.
- ***Mah Jongg Beginners Class:*** Missed the first opportunity? Here's another chance to learn this popular game and perhaps discover a new favorite pastime.
- ***Children's Christmas Party***: A special celebration on December 6th filled with holiday magic, smiles, and Christmas fun for our youngest guests. Registration is closed for this event. Please call the Club office if you would like to be placed on a waitlist.
- ***Our Second Sunday Jazz Brunch:*** This popular new event returns with a special holiday twist! Enjoy wonderful jazz music on December 13th featuring Christmas favorites from David Hogrefe and Zack Weese while sharing a delicious Sunday breakfast.
- ***Ugly Sweater Evening:*** Time to dig through your closets, find that wonderfully outrageous holiday sweater, and join us on December 16th for an evening of music with AJ Angelo, laughter and festive fun!
- ***Adult Christmas Party:*** A chance for the grown-ups to celebrate the season, enjoy one another's company, and share in the holiday spirit on December 19th with The David Spires Duo.
- ***Good Neighbor Christmas Giving Event:*** Let's remember the true meaning of the season by coming together to support others and spread kindness throughout our community on December 20th.
- ***New Year's Eve Party:*** And, of course, we'll close out the year in style! Join us as we celebrate the arrival of a new year with an evening of fun, friendship, and festivities.

December is always a special time of year, and I hope you'll take advantage of the many opportunities to participate. Whether you enjoy live music, trying something new, celebrating with friends, or simply gathering with neighbors, there is something for everyone. The above list is not all inclusive, so pay attention to the Weekly E-News and Facebook for all the upcoming events and how to register — and expect even more excitement in the coming months.

A successful entertainment program isn't just about the events on the calendar. It's about the people who attend, the friendships that grow, the new experiences we share, and the memories we create along the way. Thank you for your enthusiasm, your participation, and your continued support. Your involvement is what makes Buckeye Lake Yacht Club such a wonderful and vibrant community. And of course, I would be remiss without mentioning the Entertainment Committee of P/C Jeff Hamilton, David Hogrefe, Ish Howe, Mark Schumacher, Matt Fennen, and Joel Gabor. Thank you!!

Wishing everyone a joyful December, a very Merry Christmas, and a happy, healthy New Year!

Let's Keep The Good Times Rolling!

JUNIOR TRAINING

– Governor jen Lynch

Merry Christmas and Happy Holidays! I hope all our BLYC community has the opportunity to spend time with family and friends to bring in the new year.

I am excited to share that the first Inter-Lake Yachting Association (I-LYA) regatta is at BLYC again this year—on June 5th! By the time you are reading this, we will have attended the fall I-LYA meeting in Detroit, where we do the planning for the 2027 regatta series.

Next month we will kick off our pre-sailing camp meetings and open registrations up for 2027 junior sailing camps. As always, if you are interested in learning more, please reach out!

Boat Floating

"... whatever floats your boat."

— Anonymous

Sometimes it's difficult to track the origin, or etymology, of various words or idioms. This is the situation with the quote above. No one knows for sure to whom the phrase should be attributed, but its use in our culture seemed to explode in the late 1970s.

One newspaper article in the *Tampa Bay Times* in September 1979 greatly popularized the saying by making a direct nautical connection. The article offered advice on decorating and outfitting pleasure boats and concluded with the line: "You are the ultimate interior decorator for your boat. Remember there are no hard and fast rules, just go with whatever floats your boat." And, interestingly, another early public use of the phrase appeared in a July 1981 issue of the *Newark Advocate* in a piece that defined the meaning of various slang phrases used by teenagers ("at least you're doing what you like = whatever floats your boat").

Garrison Keillor, in a poem titled *Whatever Floats Your Boat*, has a lot of fun with dozens of similar idioms like "Whatever swabs your decks, whatever fills your pies" that all advise the reader to "feel free to do whatever pleases you." The encouragement seems liberating, but is this always the best advice?

The Apostle Paul was a Jew who, before converting to Christianity, strictly obeyed all the dietary rules that are still observed by Orthodox Jews today. But he found new liberty under Christ's less restrictive guidelines. The question of eating meat that had been sacrificed to idols, but was now for sale in the common market, had come up among the believers Paul was mentoring. Paul said he had no problem, personally, eating this food because of his belief that there are no gods but the True God. However, he would never offend another believer's conscience who had stricter views about the issue by eating sacrificed meat in front of them. Paul restricted his own preferences in deference to his sensitive friends. "Therefore, if food makes my brother stumble, I will never eat meat, lest I make my brother stumble" (1 Corinthians 8:13). Paul's love regulated his own liberty.

So, feel free to do whatever floats your boat as long as it does not sink someone else's boat in the process, remembering that "All of us will have to give an account of ourselves to God" (Romans 14:12).

RACE & REGATTA

– Governor Dave Olney

The Holidays are fast approaching and as we think about buying gifts for our friends and loved ones, I would like to remind all of our members that the official BLYC online Merchandise Store has rolled out the fall/winter/Holiday collection. Every time I see members wearing the BLYC logo, not just here at our club but around the Buckeye Lake area, I feel a sense of pride, and it reminds me of how special it is to belong to such a wonderful club! Please check out the site @ www.blycshop.com

The sailboats have been taken out (such a bummer) and are being stowed until spring. However, while the DF95 RC sailing races officially wrapped up in October, the skippers have adopted a "Never Give Up the Ship" attitude and have agreed to continue competing throughout the off-season whenever and wherever they can find open water. To some, this might be a bit much to "fathom", or perhaps you're thinking they have lost their "moorings", but I see it as a testament to the joy and competitive spirit these skippers have towards DF95 RC sailboat racing!

During this off-season the Race Committees will be working together to ensure that all equipment and materials associated with Race & Regatta are accounted for, in working condition, and ready for the upcoming 2027 race season.

2026 is coming to an end but as we make headway towards the Holidays I want to once again express my gratitude to our members for gifting me the opportunity to be your Race & Regatta Governor.

COMMUNICATIONS

– Governor Ward Mitzel

As another boating season comes to a close, it's always a little bittersweet around Buckeye Lake. The lake is being lowered to winter pool, boats are coming out of the water, and we're all coming to terms with the fact that summer has officially left us.

I managed to pick what may have been the coldest, rainiest day of the month to pull my boat. If you're going to wrap up boating season, apparently I prefer to do it the hard way! But it's part of the annual routine, and before we know it, we'll be looking forward to getting those boats back in the water.

While boating season may be winding down, things at the Club certainly aren't slowing down. One of the things I've enjoyed most in my role as Communications Governor is finding ways to keep members informed, connected, and involved. Whether it's highlighting the people and events that make BLYC special, sharing photos from around the Club, expanding our social media presence, or making sure upcoming events get the attention they deserve, the goal is simple: make it easier for everyone to know what's happening and be part of it.

I'm also looking forward to introducing a new social media feature, BLYC Through the Years. With more than 120 years of history, our Club has no shortage of stories, traditions, and memories worth sharing. I'm looking forward to bringing some of that history back to life and giving members another way to celebrate the people and moments that have shaped BLYC. More to come!

As we head into the holiday season, our attention turns to family, friends, and the traditions that make this time of year special. At our house, the excitement is already building, especially for Ramona, who is counting down to Santa's annual visit to the Club. The Children's Christmas Party is one of those special BLYC traditions that brings generations together and creates memories for our youngest members and their families. It's a great reminder that the Club is about more than boating season. It's about the friendships, families, and traditions that keep us connected throughout the year.

I hope everyone has an opportunity to slow down, enjoy the season, and spend some quality time with the people who matter most. Whether you're celebrating at home, traveling, or enjoying the holidays here at the lake, I wish you and your families a very Merry Christmas and a happy, healthy New Year.

From my family to yours, ***Merry Christmas and Happy Holidays***. I look forward to seeing everyone around the Club!

BLYC SPEAKER SERIES

CALL FOR SPEAKERS!

The 2027 BLYC Speaker Series begins in January and we're looking to fill out the schedule.

Each year, this series brings our community together during the off-season to learn, share stories, and stay connected. The strength of this program relies on the diverse experiences, expertise, and passions of our members–and we want to hear from you!

We are currently seeking speakers for this year's winter lineup. You don't need to be a professional presenter – just someone with a great story, specialized knowledge, or a unique passion to share.

History of the BLYC Good Neighbor Committee

Upon ascending to the office of Commodore on Sunday, September 15, 2002, Commodore Jim Thompson announced a new endeavor for the Club. In his first *Log* article a few weeks later, he announced the following:

> *"Our Club exists as an island of prosperity in the middle of one of the poorest villages in the state. A committee of Ron Byers, Steve McLane, and Head Trustee and Mayor Frank Foster IV, has been appointed to see if we can become better citizens of the Buckeye Lake area in some ways."*

That initial committee developed into what we now know as the "Good Neighbor Committee."

The first year was spent working to identify needs in the local community and what the Club could do specifically and directly to address those needs. The first Good Neighbor events were in August of 2003. The Junior Sailing program provided scholarships so that two local children from the Village of Buckeye Lake could attend sailing camp and learn how to sail. That same month, the Committee hosted a "Back-to-School" Pool Party for local children, providing them with a fun day of swimming, snacks, and much-needed school supplies. That party continued for another year, but was later scrapped in favor of the Christmas event.

The first Good Neighbor Christmas Party was held on December 5, 2004 at 6:00 pm – after the Club's Children's Christmas Party. Member Jim "JJ" Jennie played the role of Santa and Rosa Clark, Commodore Howard Clark's (2000) First Lady, was Mrs. Claus. Many members donated their time, talent and monies to help in other ways too. Santa and Mrs. Claus gave the children gifts from their gift lists. They were treated to Pizza Cottage pizza, donated by Kevin Gorham along with Ann Levacy's famous cookies. Member Stuart Brooks donated winter gloves from Rocky Boots for each child and Rear Commodore Dan Knaul led the children in a Christmas carol sing-along.

Commodore Thompson welcomes the kids from the neighborhood

As I wrote in my January, 2005 Commodore article for the *Log* recapping the events of the day...

> *"The outpouring of support from the membership was amazing. Anyone who attended the party for these kids will certainly agree that this was a worthy and meaningful cause for the Club. It was very touching to see the generosity of our members and the genuine appreciation of the children. We can all be proud of how our Club is reaching out to help those in need."*

Good Neighbor Committee

Our first annual Christmas party for the children of the area will be held at 6:00 p.m. on Sunday, December 5th.

In the evening after the Christmas party for our BLYC children. Governor Joe Campbell has arranged for Santa to be there and the Club will be assisting 33 families. Donations will be accepted to aid these families at Christmas. Everyone who can attend is cordially invited. If you want to see what Christmas is all about, please come.

Happy Holidays,
Commodore Jim Thompson

That same year, his first on the Board, Commodore Joe Campbell (2008) and First Lady Joni got involved with the Committee — a commitee which they would spearhead and substantially grow over the next 15 years. Joe took over chairmanship of the committee in 2010 and continued in that role for the next decade, when Commodore Greg Miller (1992) and his daughter Mallory would assume the helm.

Over the years, the work of the committee has changed, adding high-school-aged students in the 2010s, moving to an outside "drive-through" event in 2021, and much more, but the intent — and the good works accomplished — have stayed the same. It probably isn't possible to calculate the sheer numbers of needy area children that the programs have helped over the last two plus decades — this year will be the 23rd party — but I believe that we continue to honor Jim's vision and that we can still all be proud of how our Club is reaching out to help those in need.

THERE'S STILL TIME TO BE A PART OF MAKING THIS YEAR'S EVENT GREAT!

The Good Neighbor Committee is still accepting donations and looking for volunteer shoppers. Please contact us at GoodNeighborCommittee@gmail.com if you would be willing to shop.
