Help the BLYC Junior Sailors get NEW BOATS for Our FLEET.

We have the opportunity to obtain New Zim ZForce C420 Club boats at a deep discount. These are the boats being used at the US Sailing Junior Women's and Junior Championships this summer on Lake Erie. After the races the boats are available for purchase giving us a rare opportunity to replace those in poor condition. With your financial support, we plan to purchase two boats to prepare for future growth of our Jr. Sailing program. Payment is due **August 1<sup>st</sup>**.

For more information, please call Mike Bruckelmeyer, Jr. Training Governor, at 740-503-0386.
