**Hello Buckeye Lake Yacht Club Members,**

**My name is Barb Hein. When I was born, I was brought home to a cottage on the north bank of Buckeye Lake. Right across the towpath was the Buckeye Lake Yacht Club. I grew up spending my summers sailing, swimming in the lake, and water skiing. I was lucky enough to see my father and grandfather serve as Governors, and then Commodores.**

**I am blessed to have become a mother 14 years ago. Zebediah is now a 9<sup>th</sup> grader, is active in marching band, FFA, and runs cross country. He is sailing a Laser and a 420, preparing to compete at Put-In-Bay next summer representing BLYC.**

**We have volunteered our time helping with the BLYC junior sailing program. We have sailed in the Snowball Regatta, and plan to do so again this year. I competed at I-LYA Bay Week Regatta earlier this summer. I also participate in the Sunday races here at BLYC, just as I did as a kid.**

**Buckeye Lake and the Yacht Club are marvelous places to be. Many memories have been made with friends. With the excitement of what is to come, I am asking for your support (and your vote!) on September 16<sup>th</sup>. It will be my honor and pleasure to serve as a Governor of BLYC. Let's create new friends and memories together.**

To: BLYC Members

I am pleased to have the opportunity to sponsor a truly outstanding candidate for the Board of Governors, BARB HEIN.

Barb grew up at the Buckeye Lake Yacht Club, and was one of our more successful junior sailors. Later, as a young adult, she relocated to Colorado. She returned about five years ago, put down roots, purchased a home in Millersport, and joined BLYC.

She immediately became involved in club activities, and has volunteered at every opportunity. Among other things, she has been involved with junior sailing, race committee, work day, and the Sunday euchre tournaments.

I am confident that she will be an active and effective Governor. Please come to the porch party and elections on Sunday, September 16<sup>th</sup>, and cast your vote for BARB HEIN!
