

Greetings Buckeye Lake Yacht Club Members,

My name is Jeff Hamilton. I am the current Entertainment Governor for the Buckeye Lake Yacht Club (BLYC) and asking if you can help re-elect me to a second term?

Since joining the Club in 2014, I have always been a very active member including the last two years serving as the Entertainment Governor. Initially, when Commodore Dick assigned me this position, I was very excited yet I was also a little nervous about disappointing any of our members – *they can be a tough crowd if you know what I mean*. I knew that I loved music, working with people, and the Club. Additionally, I knew that I wanted to raise the entertainment bar just a little. By soliciting great help from others and some hard work, I believe I have been able to successfully expand the variety of music and musicians. Today, as a member you now have a wide variety of new and old Club favorite acts that play year-round.

Prior to being elected to the Board of Governors in 2018, for two years (2016 and 2017) I lead the BLYC Auxiliary as the President. It was a fun group where the emphasis was on the members goals and a good time. One night a couple of others and myself envisioned a groundbreaking fundraiser for the Auxiliary, a "White Hot Summer Night". The initial goal was to have it be "the" premier BLYC summer event within 5 years. Within the first two years, we crushed the fundraising records of the annual Auxiliary Fundraiser. The raised funds have helped with the much needed and appreciated improvements to our club. I have passed the reigns on to some talented people and today the Auxiliary Board and the fundraising committee successfully continue this legacy.

I feel that my enthusiasm, dedication, hard work and past experiences with both the Auxiliary and the Board of Governors have proven that **I am willing to do whatever it takes for the betterment of our Club.**

As I continue my BLYC adventure, I would humbly appreciate your vote of support for Governor on September 20th, 2020.

Sincerely,

September 2020

Dear BLYC Member,

It is my pleasure to sponsor Jeff Hamilton to the Board of Governors for BLYC.

Jeff has been a very active member since joining in 2014. In 2016 and 2017 Jeff served as the President of the auxiliary. Jeff started the "white night" fund raising event for the Auxiliary; this event became the Grand Gala of the Summer that everyone looked forward to attending and contributing to the Club. Money raised from these events paid for a new roof over the Kitchen, the awning/entrance over the east steps to the Club, landscaping, and many more projects are completed with the money raised by the Auxiliary.

In 2018 Jeff was elected to the Board of Governors and for the past two years has been responsible for Entertainment. Jeff has continued the traditional events for the Club and he has introduced new Bands and events— which have been a welcomed success. COVID-19 has thrown a twist into some of Jeff's planned entertainment, as it has with everything, however Jeff has worked closely with the Board, the staff and the Entertainers to provide safe, socially distant events for our Members.

Jeff has a proven track record of hard work, dedication, and a willingness to do whatever is needed for the Club. Please join me in voting to re-elect Jeff to the Board of Governors.

Sincerely,
