

BLYC Members,

Hello, my name is Debbie Haptonstall and I would appreciate your vote for Governor of the BLYC. My husband Bill and I have been members since March 2018. My professional background and my volunteering at the club make me a great candidate for this position. My professional experience is in education. I have been a Teacher (7 years), Curriculum Coordinator (2 years), Adjunct Professor (3 years), and Principal (19 years). All of these positions require leadership, organization and communication skills. All of these skills would be helpful in this position.

I have always been the type of person who volunteers at church and my community. Since becoming a member of the club I have volunteered at the club in many ways. I have served as Co Vice President of the Auxiliary, helped with cleaning and painting day at the club, helped with the shopping for the kids at Christmas, baking cookies for the Christmas party and I also played Mrs. Clause for the Christmas party. I have helped with White Hot Summer Nights and I have organized dance lessons and wine tasting at the club.

My husband and I really enjoy coming to the club and we have made a lot of good friends here. I would really appreciate your vote so I can help in other aspects of the club.

Respectfully,

A handwritten signature in cursive script that reads "Debbie Haptonstall". The signature is written in black ink and is positioned above the printed name.

Fellow Members of the Buckeye Lake Yacht Club

I am proud to sponsor Debbie Haptonstall as a candidate for BLYC Board of Governors! Anna and I met Debbie and Bill when they were applying to be members of the Club in 2018. It's been a pleasure to get to know them better over the last few years and I am confident Debbie has the skills and personality to be successful on your board. In the short time, I've had an opportunity to witness Debbie's commitment to BLYC and her desire to become more active in a leadership role.

As a principal for 19 years, Debbie is surely qualified to serve on the Board of the Yacht Club. Anyone who can manage their way around school boards, parents, teachers and students on a daily basis for nearly 20 years, I'm confident can expertly navigate through the expectations and demands of the members, staff, board and trustees at the Yacht Club.

A couple of the key traits Debbie brings to the table are her organization skills and dedication to BLYC. In just a short time she has volunteered for several important roles from Auxiliary Vice President to being Mrs. Claus at the children's Christmas party. She has assisted with the White Hot Summer Nights fundraiser and also stepped in to organize a wine tasting and dance lessons, and who doesn't like wine tastings.

She has my utmost trust and confidence and I strongly encourage you to cast your vote for Debbie Haptonstall!
