

**RE-ELECT  
GOVERNOR  
THOM**

BLYC Members,

For those that don't know me, my name is Brian Thom.  
I have been serving on the BLYC Board of Governors for the last 4 years.

I currently work for Klaus Roofing Systems of Ohio and together with my wife, Amy, own a photography studio here at the lake. We have 2 daughters Avarie and Laykin and live just a short walk from the Club.

It has been a pleasure to work with the current board and members and I look forward to serving again with the help of your vote on September 20th, 2020.

It is my goal to help keep the BLYC the "best kept secret" on the lake.

Our Club has so much to offer and I am excited to be a part of creating ways to evolve and improve. The best is yet to come!

Lastly, I would like to thank past commodore and head trustee, Chuck Wadley for endorsing me. The leadership and experience that our club has to offer is second to none. Your vote is important to continue this grand tradition.

Thank you for your consideration.

Respectfully,

Brian Thom  
BLYC Governor

Dear Member,

I have been on the Board of Trustees the last 5 years, and served as Head Trustee this past year.

I have been able to observe the dedication and hard work of Governor Brian Thom. Brian has served on the Board of Governors for the past 4 years. His areas of responsibility have included, House & Grounds, Membership, and Docks & Rentals.

Brian's experience on the Board of Governors and his professional career in home improvements, adds a valuable resource that would benefit the operation of the Buckeye Lake Yacht Club.

I am endorsing Governor Brian Thom for re-election to the Board of Governors.  
Vote - Brian Thom, on Sunday September 22, 2020.

Thank you, for your support.
