

September 2021

Fellow Buckeye Lake Yacht Club Friends;

It has been an honor and privilege to serve these past four years as Governor of the Buckeye Lake Yacht Club. That is why I am running for another two year term.

I did not realize when I took on the challenge of being the Junior Training Governor how much I would enjoy working with the parents, children, grandparents, grandchildren and friends of the Junior program. I have gained lifelong friendships and memories that will last a lifetime.

I have also had the opportunity to work with other Governors, Trustees and Past Commodores of the Buckeye Lake Yacht Club. The dedication, devotion and vision these individuals possess have inspired me to give my best to the Juniors and Club.

You will continue to see me, my wife Julie and son Evan around the Club at Spring and Fall work days, Auxiliary events like the Christmas and Easter Parties as well the many the many social events we all enjoy. You may even see me participate in the "Cannon Ball" contests at the pool. Note; I don't have anywhere near the talent in that endeavor as my son Evan!

We have overcome many difficulties and yet have accomplished a lot at the Club, but there is still more to do to make it better and assure its future for years to come. I look forward to working with the new Board, have a positive impact and guide the Buckeye Lake Yacht Club into the future.

I would like to thank the members of the Buckeye Lake Yacht Club for electing me as Governor and ask that you vote for me again on Election Day, September 19.

Best Regards,

Mike Bruckelmeyer
(Evan's Dad and Julie's Husband)

September 2021

Dear BLYC Member,

Constitution of the Buckeye Lake Yacht Club

Article II . Objects

“The object of the Club shall be the promotion of yachting and aquatic sports, cultivation of sociability among its members and the improvement of Buckeye Lake for boating purposes.”

Mike Bruckelmeyer exemplifies our Clubs Objective!

Mike has taken our Junior Training program to the next level! In 2018 we had two Junior training camps, in 2021 we had five camps with a waiting list. Mike, along with his Coaches, the kids, their families, and other volunteers have developed a sense of excitement for the program.

Our members look forward to volunteering for the travelers series race hosted at BLYC, we look forward to supporting the Juniors fundraising events and traveling to Put-n-Bay to support our Coaches and racing teams – this year there were over 50 BLYC members at Bay week.

Four years ago, with low water and the difficulty of running a program from other locations and holding our regatta at Hoover, Mike accepted this challenge and promised to make the program better than ever – Mike has delivered on that promise.

Mike is committed to the betterment of the future of our Club.

Please join me on September 19th in voting for Mike Bruckelmeyer!

Sincerely,

Rose McEntire

2018 BLYC Commodore
