

Dear BLYC Members and Friends,

My name is Stephanie Dolan and I am running for the 2021-2022 Board of Governors at BLYC. My husband, Kevin, and I have been members of BLYC since 2019. My family's journey started by bringing our daughter, Colleen, to the pool for relief during hot summer days. However, it was not long before we recognized just how special our yacht club really is. There is no question that BLYC is the gem of Buckeye Lake. My family was welcomed with open arms by the wonderful members of BLYC, who since have become a second family to us. Our daughter was immediately asking when she could join junior sailing and when our next family dinner date night was at the club. Quickly, we knew that joining BLYC was one of the best decisions we could have made.

Within our first week of membership, I knew that I wanted to be actively involved in the club. Since 2019, I have had the pleasure of working with the incredible members of the Auxiliary and was fortunate enough to serve as the Auxiliary Co-Vice President during the 2020-2021 year. I have come to know many members while spearheading the planning for various activities hosted at the club, most recently water aerobics and yoga. I also serve as a member of the newly established membership committee. Playing an active part in navigating the pathway for the future of membership at BLYC is a source of both pride and motivation for me.

I consider it a privilege and an honor to have been selected as a candidate for the Board of Governors. If elected, I will work hard to serve the club, the community and YOU, the incredible members of BLYC. I intend to lead with an open mind and ear and believe that we can work together to continue to make BLYC a wonderful place to be, now and for future generations to come. Our club has so much to offer, and the future is SO BRIGHT! With a positive mindset, an open mind and the ability to work together, the sky is truly the limit at BLYC. It would be an honor to serve all of you on the Board of Governors and I ask that you please grant me that honor and your VOTE on Election Day!

Sincerely,

Stephanie Dolan

BLYC Board of Governors Candidate

Fellow BLYC Members,

BLYC Commodores are a unique group. Just like the Board of Governors, we represent a wide array of experiences and perspectives. The one thing we all have in common, however, is a true love and dedication towards BLYC — the same as all want to see in any Board Member. I have the pleasure this year of endorsing the candidacy of someone who possesses that same dedication and will certainly serve BLYC well — Stephanie Dolan.

Stephanie and her husband Kevin reside in Pickerington and joined BLYC in 2019. Almost immediately, they immediately became very active in activity at the Club. She became involved in the Auxiliary and has served as co-Vice President the past year. She has been a driving force behind many of the new activities the Auxiliary has brought to our Club — yoga, water aerobics, line dancing, etc. You can frequently find Stephanie & Kevin, along with their six- (almost seven) year-old daughter, Colleen at BLYC participating in and enjoying all that BLYC has to offer.

A 2002 graduate of Newark High School and 2006 graduate of Rio Grande College of Nursing, Stephanie earned her Masters of Science in Nursing from Otterbein in 2009. Professionally, she works as a Nurse Practitioner at the James Cancer Center at OSU. Along with her education and experience, Stephanie has shown that she will bring new ideas and a fresh perspective to the Board and has the dedication and drive to improve our Club for all. I strongly encourage you to support her candidacy and ask you to give her your vote on September 19th. **VOTE FOR STEPHANIE!**
