

September 2021

To: The Membership of BLYC

I am truly humbled to be considered for the board of the Buckeye Lake Yacht Club. I was introduced to the to the Yacht Club the mid-90s and joined in 2004. My wife, Tami Schroeder has been part of the BLYC family her whole life as a third-generation member, in fact, her father Marty Headlee is the longest tenured member. Tami and I raised our children, Susannah, Katy, and Lily at this club. Susannah and Katy are currently coaches and instructors for the sailing program and are continuing the family enthusiasm for the club.

I am asking for your vote today because I have been given the gift of friendship and enjoyment by being a member of BLYC and I want to help provide the same opportunity for generations. I want to preserve the club physically and financially for the future so others can enjoy family, friendship, and fun of boating through our great club.

I graduated from The Ohio State University and have had various positions with several large corporations. After a few decades, I realized I needed to build my own organization and as a result, for the past 12 years I own and run Emerald Green Pros a commercial landscape service provider.

Over the years I have seen many Yacht Clubs while being involved in the Junior Regattas, and not found one as unique and as special as ours. I look forward to contributing to the future of the BLYC anyway I can.

Respectfully,

Victor J. Schroeder

September 2021

Dear Club Members and Friends,

One of our most important responsibilities for the future success for our Club is the annual elections, where we will choose those who will lead us into the future.

I am sponsoring Vic Schroeder who has been a BLYC member since 2004. Vic is one of many of our members, while not an officer of our club, is looked upon by others as a leader. He is a graduate of The Ohio State University and a highly successful business owner in commercial landscaping. Vic has volunteered his time and materials for a number of projects to improve our club.

Vic is also linked to our junior sailing program. He married into one of the best sailing families in BLYC history: 7 governors and 4 commodores. Since 2016, Vic has demonstrated his leadership skills at Jr. Bay Week as the leader of "launch and recovery," getting boats in and out of the water for the races each day. This year, his team broke the record - 90 boats launched in 17 minutes! He has also been trailering the juniors' boats all over Ohio for racing opportunities.

We have a great opportunity to strengthen our Board with Vic's leadership and enthusiasm. I have been a governor or trustee going on 10 years, and I know good Board potential. Vic definitely will be a great governor and continue to move our club forward! Vote with me - for Vic!

Dave Lawrence  
Commodore, 2017

I also want to weigh in on Dave's support of Vic Schroeder. Vic is a big supporter of the Yacht Club and Yacht Club activities. As mentioned above, he has always been a big supporter of BLYC junior sailing activities. In addition, two of his daughters, Susannah and Katy, were important members of our Junior sailing team and act as sailing instructors today. Vic is also a frequent attendee of Yacht Club activities, including donating time and effort to projects. With his business development and management skills he brings important capabilities to our board. One of Vic's character traits is enthusiasm for whatever he is working on. Enthusiasm is an important element for Yacht Club governors as it helps them to encourage others to participate in the completion of projects. I believe that Vic would be an important addition to our Yacht Club team. Please help us elect Vic Schroeder to the Board of the BLYC!

David Luttenberger  
Commodore, 2016
