

Merry Christmas

B.L.Y.C. LOG
DECEMBER 1950

THE OFFICERS
AND
MEMBERS OF THE BOARD OF GOVERNORS
OF THE
BUCKEYE LAKE YACHT CLUB
EXTEND
THEIR VERY BEST WISHES TO ALL MEMBERS
FOR A VERY MERRY CHRISTMAS AND A HAPPY
AND PROSPEROUS NEW YEAR

Is it not true that we of B.L.Y.C are indeed a fortunate group of people? Our little troubles are minor to a very great degree as compared with the tremendous difficulties now existing with many people in many lands.

We are privileged to say and write what we think, go to the Church of our choice, vote for the candidate of our choice, enjoy ourselves as we see fit, each in our own way.

Yes...we can glide over the waters in a boat with white wings, skim over the waves in a power boat, fish a little, or just 'set' and enjoy the composite picture of Yacht Club activities. It is indeed a MERRY CHRISTMAS at B.L.Y.C.

Happy New Year

NOTICE TO ALL MEMBERS The Wednesday Noon Day Luncheon for B.L.Y.C. members at the Southern Hotel will start December 13th. This regular Wednesday luncheon idea was revived last winter with fair success. It affords the membership an opportunity to get together once a week during the winter. If enough members turn out, we can get a private dining room at the Southern. It's a pretty good idea.

THIS NEWS MAY BE OLD NEWS by the time it reaches you....

HAROLD MILLER, Chairman of the House Committee, certainly deserves a lot of credit for all the time and work he has spent on the hot water problem at the Club. It is quite a problem but it is being handled with the complete cooperation of his Committee.

COMMODORE SCHELL and the Flag Officers of B.L.Y.C. have been working on the Stewardship problem at the Club. It may be solved by the time this Log reaches you. We shall keep you informed.

DO NOT FORGET that a membership drive will get under way along about March, 1951. We are going to ask each present member to secure a NEW member. Some of the boys are jumping the gun right now. This is fine...but...we suggest that everyone get doggone busy on those new members right now. You do your friend a real service when you invite him to become a member of B.L.Y.C.

HATS OFF to the Woods, Millers, Dums and Davis family for jumping in on the past week ends in order to provide food for the members at the Club. This has been a real service on an emergency basis and has been greatly appreciated by everyone.

A SPECIAL SHEET of this Log is devoted to the B.L.Y.C. New Year's Party to be held at the Fiesta Club on Sunday evening, December 31st.

We urge everyone to make up a party and attend this shindig. It is not necessary to wear the old 'Tux' if you don't want to. Wear anything. Come down and celebrate the arrival of 1951 with good companionship, dancing and all-round good fun. The way this party is set up; you can't go wrong. The cost will certainly be held at a minimum.
