B.L.Y.C. 1951

Hi There, Guys and Gals.....

Just as sure as the world goes 'round, the sun is going to shine some day. Did you ever see such a Spring in your life? It is an actual fact that, right now, as we are writing this bulletin, it is snowing outside!

YOUR BOARD OF GOVERNORS have approved the construction of a SHUFFLE BOARD COURT. It will be built directly to the left of the entrance to the island alongside the boat houses.

It is the thinking of the Board that this Shuffle Board will add greatly to the many attractions at the Club. Shuffle Boards are very popular down Florida way and it is possible that many members will enjoy this new form of relaxation and pleasure.

The first thought was to build one court, but, Ray Fisher Sr, who is in charge of this project has sharpened his pencil and it may be possible to build two courts within the amount of money originally ear-marked for the job. It is quite a problem too, for these courts will cover an area about 16 feet wide and 52 feet long.

By the time this bulletin reaches you, the work will be in progress. It is hoped that much of the excavation work will be done by the members. This is quite a job but it will be done.

NOTICE

We published a notice in the April Log that CLOSING TIME for the kitchen and bar is 1:00 AM during the week and 2:30 AM on Saturday nights.

THIS RULING WILL BE ENFORCED. The kitchen and bar will be closed at the designated time and the beer cooler will be locked up at 2:30 AM on week ends. This action has been approved by the Board of Governors.

DECORATION DAY DANCE. Newt Davis, Chairman of the Entertainment Committee has just announced that the Decoration Day Dance will be held at the club house on SATURDAY EVENING, MAY 26. This event is the lead off shindig of the summer season and a fine turn-out is anticipated.

B.L.Y.C. CAP EMBLEM...Cap emblems, carrying the official B.L.Y.C. insignia are now available. These screw type buttons are very well designed and may be obtained from the club Secretary, Cliff Dum for \$1.50 each.

OUR CONGRATS TO RAY FISHER SR., on his election as President of the Columbus Industrial Association. This is quite an honor and a lot of responsibility and we know of no man better fitted for the position than our Rear Commodore, Ray Fisher.

PAY YOUR CLUB DUES...Cliff Dum reports that the return on his billing has been satisfactory but...some members always delay payment for some reason or another. PAY THOSE DUES NOW..you never made a better investment in your life.

MONEY does not make you happy, but it quiets the nerves.

Some speak from experience; others, from experience, don't speak.

SPRING MEETING

B.L.Y.C.

YACHT CLUB

The Buckeye Lake Yacht Club will hold it's SPRING MEETING on SUNDAY, MAY 6, 1951 at 3:00 PM.

All members are invited to attend.

OLD TIMERS will probably remember C. H. JULIAN. He was a life member. Cliff Dum reports that his mail was returned marked 'deceased'.

PLEASE NOTE... The Atlas Linen Service has been discontinued at the Club. Many members who occupy cottages near the Club have picked up sheets, pillow cases, etc from the Steward on a rental basis. This practice is discontinued at once. You may obtain these items on the same basis from the Licking Laundry who maintain a branch at Buckeye Lake Park just east of the post office.

A PAT ON THE BACK .. to Dwight R. Haggard, one of our new members. He was presented a certificate of distinction from Brand Names Foundation's third annual "Retailer of the Year" award in New York recently. He is associated with Budd & Co, Columbus.

THE HEBERDINGS are in their new home at 2728 Wellesly Rd. THE FINNERANS are all set in their home at 3131 Broadmoore Ave. THE CORNELS and the CARLSONS are still waiting for the plasterers, painters, carpenters and what-nots to finish their future homes.

FROM DOTTY DUM OF THE LADIES AUXILIARY.. "The next meeting of the Auxiliary will be at Ilonka's Provincial House, 4040 E. Broad St. The date has been changed to Tuesday May 15 with dinner at 6:00 PM instead of 7:00 PM. Hope you will all attend, this being the last meeting of the year. A big welcome to two new members, MRS DWIGHT HAGGARD and MRS HOWARD BARR. It was nice to see LUELLA MULLIGAN at our last meeting. She had been vacationing in Florida most of the winter. BETTY DICK, looking a little peaked after her recent operation but still as pert as ever, was at the Club Saturday."

"Sorry to learn of the death of GLADYS FAST'S father. AUDREY MANN is sure busy these days helping their daughter Fritzie get ready for her June wedding. Speaking of weddings, MARIE WOOD just returned from Florida where Mary Ann was married April 8th. Did you know that we have a new landlord? SLIM and HARRY NATION have bought the B.L.Y.C. ANNEX and it is really bursting at the seams. MAXINE YOERGER and the LOVELLS are the newest additions.

FROM CLIFF DUM.."There will be one locker available downstairs May 1st. This rents for \$5 for the year. There are several lockers upstairs available at a lower rental. The assignment of slips for sail boats will be announced by May 6th with a list posted on the bulletin board. Very few requests for changes were received but it will be necessary to assign a different slip to a few of the boats this year."

"Plans are underway so that B.L.Y.C. will have a Junior team entered in the Sears Cup Elimination races to be held this summer. This team will be selected from the members of our Jato organization on their ability to work as a racing crew, their knowledge of seamanship and willingness to train for this big racing event. The North American Yacht Racing Union has been the sponsor of the Sears Cup National Junior Championship for quite a few years but we have never entered a team. Entrants must be under 18 years old and be properly entered by a yacht club that is a member of NAYRU. Elimination races will be held on Lake Erie about the 1st of August and the team winning will then go to a selected club on the Atlantic coast for competition with teams from all over the country. The Inter-Lake Yachting Association will govern the elimination races on Lake Erie. Training will start early this year and a number of our skippers have been assigned as sailing instructors. Details of the plan will be announced later."
