

B.L.Y.C. 1951
JULY

Hi There, Guys and Gals.....

SPECIAL MEETING

Commodore Schell has called a special meeting of the Buckeye Lake Yacht Club at 3:00 PM, Sunday, July 15, 1951. At this time, an amendment proposed by Past Commodore Kyle Armstrong, duly submitted and posted, will be acted upon.

This amendment clarifies our election procedure to a very great extent and will permit the members to decide whether the term of office of the elected Governors shall be 1 year, 2 years or 3 years. This constitutes your notice of this meeting on Sunday, July 15, 1951 at the B.L.Y.C. clubhouse.

THE DATE OF THE FALL MEETING of the Buckeye Lake Yacht Club has been set for Sunday, September 23, 1951.

GUEST CARDS are available from Secretary Cliff Dum. Most members have not used these cards but, if you want them, they are available.

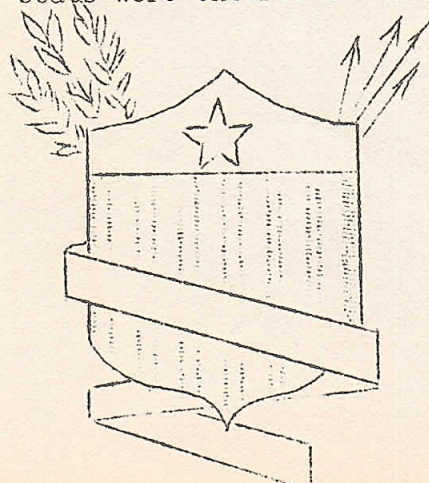

THE SHUFFLE BOARD COURTS have proven to be a great attraction at our club. Members have entered into this added facility with great enthusiasm. Crowds gather around to watch the players and it looks like a very fine investment for B.L.Y.C. Full thanks and appreciation is extended to those members who gave so freely of their time and efforts in building these courts. It was a fine job, well done.

THE LONG DISTANCE RACE held on July 4th, was rough. The wind was strong and kicked up the lake quite a bit. 13 boats entered and they had quite a ride. The first three boats to finish were Finneran, Heberding and Cooper. Finneran and his "Sail Bad The Sinner 11" grabbed both trophies offered in this race.

Jud Ortman brought over the new Highlander and sailed the boat in it's first race. This boat really goes but was not tuned to perfection by any means. They finished first after quite a battle with Fin but was not qualified in the race.

GEORGE FISHER and RUSS LUCHTENBERG sailed in the Pymatuning Regatta of July 4th. George raced his new Lightning and from all reports, it is very fast. He experienced some bad luck with his center board and rudder and finished out of the top spots. A local boat won, Yaudas from Toledo was second and Luchtenberg 3rd. They sailed three races in one day and the last race was sailed in a thunder storm. Two boats were touched by lightning and the crews reported that they felt the stuff run down their arms.

On the previous Sunday, the LUCHTENBERGS sailed in the Hamilton Y.C. Regatta. 31 boats were entered and Krouse of Toledo won.

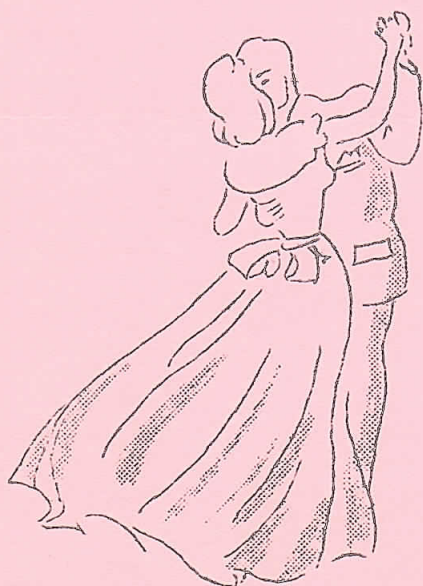

The big Inter Lake Regatta will be held August 11-15 at Put In Bay. Several members of B.L.Y.C. plan to attend the big mid-western show.

ONE OF OUR YOUNGER MEMBERS was drafted the other day. "Do you have any physical defects?" the army doctor asked. "Yes sir!" the draftee answered promptly, "No guts".

ANYHOW... A hangover is something to occupy a head that wasn't used the night before.

REGATTA NEWS, Bob Slattery reporting.....

The Spring Series is all over and the winners are, 1st, George Fisher, 2nd, Russ Luchtenberg, 3rd, Bob Mann.

The race for the Governor's Trophy, sailed on Sunday, July 8th resulted as follows, 1st, George Fisher, 2nd, Roy Poston, 3rd, Luchtenberg.

THE SUMMER SERIES is getting hotter and hotter and the Lightning fleet now totals 17 boats.

THE WEDNESDAY PM SERIES is very close between Fisher, Poston and Cooper.

One of our skippers, Lightning 869, is a very proud father. Nice to see Jim Poston out there with his K 11.

LADIES AUXILIARY NEWS, Dotty Dum reporting

We attended the lovely wedding of FRTZIE MANN and PAUL SILCOTT. Fritzie was a beautiful bride and Bob had reason to strut when he escorted her down the aisle. At the reception at Ilonkas, Audrey was in such a dither that she wasn't conscious of anything or anybody. Well, who wouldn't be?

MARTHA SCHELL and DOTTY SLATTERY were the first of the ladies to play on the new shuffle board courts. We understand that EDITH BLAZER has been visiting in Akron to see her new grandson, Congratulations. BETTY DICK has been buying a new wardrobe for her forthcoming trip to Europe. We have heard a lot of nice compliments about Betty; Isn't she nice and slim?

LUCILLE BICKEL is all tired out after moving into her new home on Roosevelt Ave. JEAN PALMER's sister and family spent the week of the 4th at the lake. They are out of town members of our club. Every time we mention Chippewa Lake to DORIS WOMELDORF, she says, "We had a wonderful time, you should have been there." And, she's right.

To prove that there is more ways than one to get to a party, HELEN PAULSON sailed over in her canoe, had lunch, played bridge and sailed back. Looks like the Ladies Auxiliary will be quite active this season. A nice turnout, July 3rd. This was held at the club and was more or less impromptu. The next meeting at MCALLISTERS and you will be notified by card. Will you please return your card promptly. We also hear that BESS SMITH wants us at her cottage sometime in August.

Nice to see PEG NANGLE and EDITH BAKER again. BEULAH LOVELL tells us that she visited the CLARKS when she and Roy were down east recently.

GINNY FINNERAN dunked herself in the lake last week. Gus Schell helped to pull her out and there are rumors that Fin pushed her.

THE COOPERS, Bert and George have decided to discard the traditional out-house in back of their cottage and replace same with a modern bath room. They are also building a very modern kitchen in their cottage.

NORM YOERGER is one of the hardest working guys we ever met. He don't say much but he certainly gets things done.

CHUCK WILLIAMS and ART SCHWOERER are a-feudin' via the shuffle board. So far, Chuck has the best of it. By the way, if some member would set up a linament concession over at the club, he would do right well. This shuffle board business has resulted in a lot of aches and pains among our weaker members.

That's not a Christmas tree you see on the west side of the club come night time. It is a series of colored flood light shining up through the trees a la Florida.

Moe and Joe went fishing. Suddenly Joe felt a jerk on his line. "Moe" he said, "I got me a haddock". "Vell", said Moe, "vy don't you take it an aspirin?"

We notice that the new roster of club members now posted in the club, lists eighty members as boat owners. That's pretty good. 30
