## ELECTION RESULTS

The annual election of Flag Officers and Members of the Board of Governors of the Buckeye Lake Yacht Club was held on September 23, 1951. The following were elected,

COMMODORE	HARRY A. NATION
VICE COMMODORE	RAY FISHER Sr.
REAR COMMODORE	NEWTON DAVIS
SECY-TREASURER	CLIFFORD DUM

Elected to the Board of Governors for one year were,

NEWTON DAVIS  
RAY FISHER SR.  
ROY LOVELL  
HAROLD MILLER  
NORMAN YOERGER

Continued on the Board of Governors with one year to serve, are

LON BICKEL  
CLIFF DUM  
HARRY NATION  
BOB SLATTERY

Elected to the Board of Trustees for a period of five years

GUS SCHELL

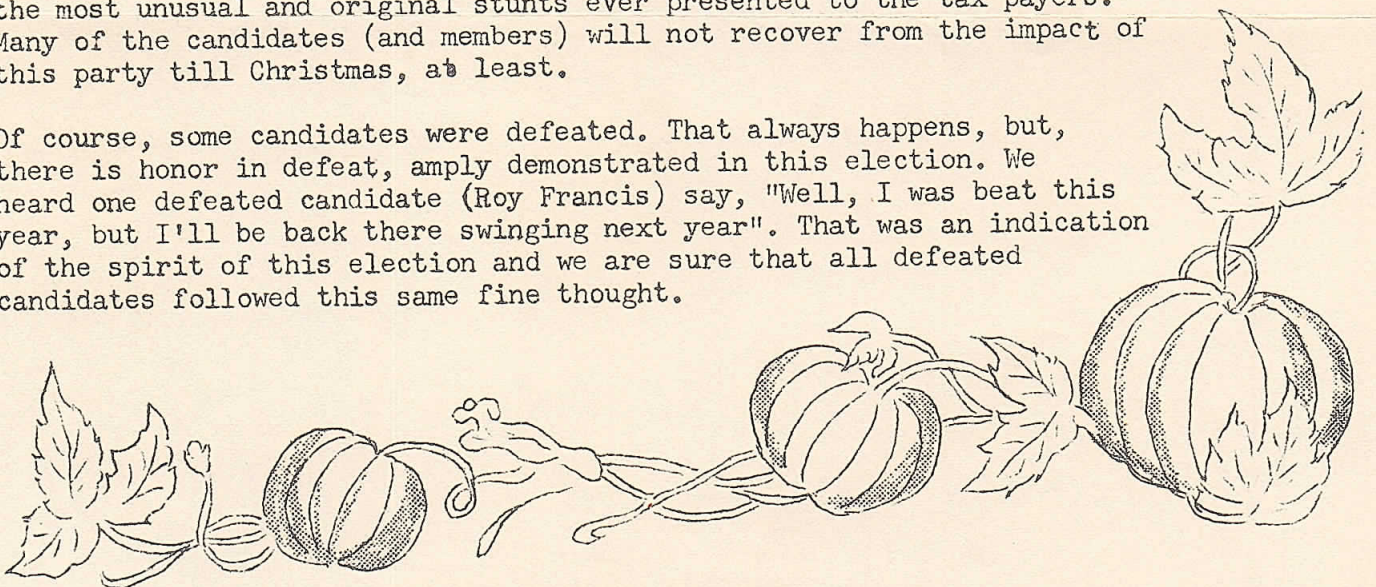

The election for the officers of the Ladies Auxiliary resulted as follows

PRESIDENT	MRS C. S. DUM
VICE PRESIDENT	MRS RAY FISHER SR.
SECY-TREASURER	MRS NEWTON DAVIS

THE ELECTION CAMPAIGN was something to behold. It resulted in an all time high around these parts. Prior to the election, the candidates flooded the mails with propaganda. Appointed and self-appointed campaign managers swung into action.

THE CAMPAIGN PARTY on Saturday evening, September 22, was by far the biggest, the noisiest, the most successful party of the season. The candidates sponsored some of the most unusual and original stunts ever presented to the tax payers. Many of the candidates (and members) will not recover from the impact of this party till Christmas, at least.

Of course, some candidates were defeated. That always happens, but, there is honor in defeat, amply demonstrated in this election. We heard one defeated candidate (Roy Francis) say, "Well, I was beat this year, but I'll be back there swinging next year". That was an indication of the spirit of this election and we are sure that all defeated candidates followed this same fine thought.

YOU CAN'T GO WRONG

OXYGEN RESPIRATORY

One of the high spots of the Fall Meeting was the presentation of the Oxygen Respiratory Equipment from the Board of Trustees, Bert McAllister making the presentation. This gift to our Club is most welcome and most constructive. This equipment is practically the same as used by the emergency squads of the Columbus police force.

This equipment may save a life. It may be used for many emergency cases including drownings, shock, heart failure, etc. It will be displayed for use in the main lounge together with full instructions for use. We extend our profound appreciation to Bert McAllister and the Board of Trustees for this splendid contribution to our club.

GROUNDS COMMITTEE, PLEASE NOTE

ROY LOVELL, recently appointed as Chairman of the Grounds Committee, is right on the job and addresses the following message to his committee....

"Grounds Committee or the 'grass cutters' and 'tree choppers'...At this time of the year, the tree chopping and grass cutting is about over. T'would be nice to let the committee members rest up for an active year, come next Spring, but things are a little different NOW."

"What do I mean? Well, this... remember the fun that was had in the sand beach this summer, and the ramp and steps and float. It would be nice to have them next year too, so I guess we'd better take care of them. Guess we'll have to pile up the sand and cover it over before the winter winds get at it, or, we may find it on the other side of the club, if we find it at all."

"Also, there is the ground under the club, you know, where the boats are stored. Yep, I guess we better clean that up too so we can get the boats stored, 'cause there's going to be a lot of boats on the island this winter. The shuffle board court must be nestled down for the winter. Time is short. The first thing is getting underneath the club cleaned out. The firewood piled on the porch and the beach equipment put away. Cleaning under the club is not an easy job. It has been said 'Many hands make light labor'. A work party is called for SATURDAY, OCTOBER 13. WILL EVERYONE LEND A HAND?"

Roy Lovell

There, you have it...the first bid for help from a committee chairman. Why not cooperate with Roy Lovell on SATURDAY, OCTOBER 13. Let's get things done!
