

APRIL LOG

1952

WELCOME TO THREE NEW MEMBERS OF B.L.Y.C., Richard Hubbel and Peter Dunkle of Columbus and Spencer Davis of Cincinnati. We invite them to make full use of our facilities. A total of 12 new members have been added to our club this year to date.

COLLEGE REGATTA will be held at the Buckeye Lake Yacht Club, April 26-27.

PROOF OF THE PUDDING ... On Sunday, April 6th, Mr and Mrs Hirst, new Stewards at our club served a complimentary dinner to the committee members and their wives including the Flag Officers of the club. We can report to our members that this dinner was 'tops in every respect. Mrs Hirst demonstrated the type of dinner that she expects to serve our members in the months to come. It was swell!

WE COMPLIMENT THE LADIES AUXILIARY ... It is an absolute fact that the Ladies Auxiliary of B.L.Y.C. are functioning to a very high standard. Their winter meetings have been exceptionally well attended and, above all, they have created an objective and worked to the attainment of that objective.

You will remember that they started a money raising drive and it was most successful. They raised a sizable fund and then asked permission from the Board of Governors to spend that money in a remodeling program for the ladies rest rooms. They obtained that request and the job is just about completed. We think that this type of complete cooperation on the part of the ladies is most outstanding. It has been done year after year and, in our opinion, constitutes one of the many reasons why the Buckeye Lake Yacht Club is the best Yacht Club in the mid-west.

CLUB PROJECTS ... Last Fall, following the election of the new officers and Board of Governors, we outlined several projects listed for the good of the club and to be completed in the 1952 season. We have re-examined some of those projects today and find that the program, as listed, cannot be completed. The reason MONEY.

It is still our opinion that we must guard our finances most carefully. We are ECONOMY MINDED and we think it to be good business. Here are two major projects that WILL BE completed this Spring.

1. THE YACHT BASIN ... In the opinion of your Board, the completion of the docks and yacht basin is a MUST in 1952. More boats are coming in, more slips are needed. The docks will be fully protected by sheeting this year. This is necessary in order to protect the boats moored in the basin. The entrance to the basin will be narrowed to further protect the water in the basin. New slips will be added and repairs made to the old slips.
2. THE CLUB WILL BE PAINTED ... This is a major project and a necessary one. Two coats of white paint will be applied and this should improve our property very much.
3. A CONCRETE STRIP will be constructed between the shuffle board court and the walk. The original plan called for a black topping all around the courts, but costs have increased to an alarming degree so this must be by-passed this year.

Other projects are listed entailing lesser costs but project #1 and #2 are most important.

It costs a heap of money to operate our club and we assure you that your Board of Governors are spending only those amounts deemed necessary to maintain our property to the full interest of our members.

Spring Dance

THE ENTERTAINMENT COMMITTEE OF THE BUCKEYE
LAKE YACHT CLUB WILL OPEN THE 1952 SEASON
WITH A BRAND NEW FEATURE.

A SPRING DANCE ON SATURDAY EVENING, MAY 3RD

"THE FOUR JACKS AND A JILL"
IS THE ORCHESTRA SELECTED
FOR THIS OCCASION, DANCING
FROM 10:00 PM TO 1:00 AM.

THE COST ... \$1 PER PERSON AND GUESTS ARE
INVITED. MAKE UP A PARTY; THE MORE THE
MERRIER.

BRING A PROSPECTIVE MEMBER
SHOW HIM THE ADVANTAGES OF
A MEMBERSHIP IN OUR CLUB.

FRANKLY ... This added dance is an experiment
on the part of the Entertainment Committee.
We do think that our members will like it.

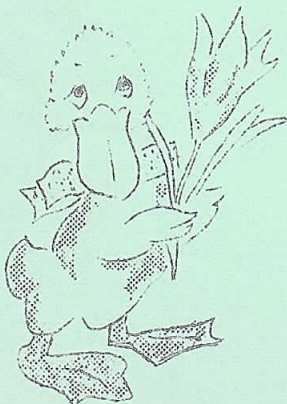

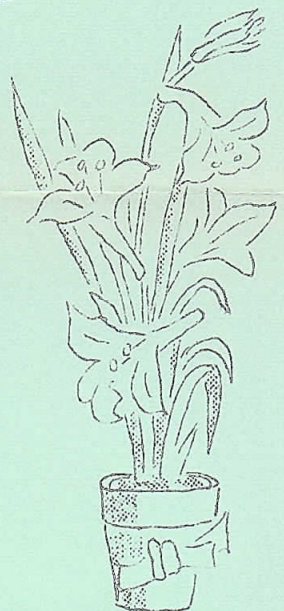

We think that our members will be glad to get together
as soon as possible following the long, drab winter. This
is the opportunity. LET'S ALL TURN OUT.

We are now in splendid position to offer you top
service from our new Steward. Everything will be
ship-shape from that angle.

SATURDAY EVENING, MAY 3RD

EVERYBODY COME

Newt Davis, Chairman
Entertainment Committee.
