SATURDAY EVENING, SEPTEMBER 20, IS ELECTION PARTY NIGHT

This entire evening will be devoted to campaigning. The entire club is turned over to the candidates and most anything can happen and usually does. Votes are solicited, bought and sold. It's quite a hassle!

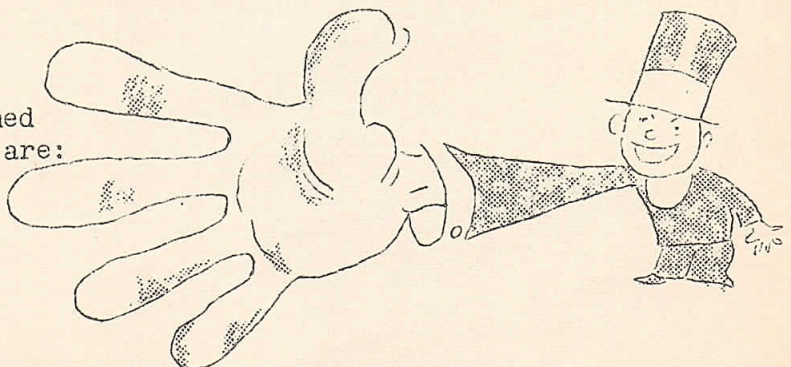

Candidates are urged to keep their campaign expenses to a minimum. Let's don't spoil it by going overboard in spending.

We urge all new members to attend this election party. Many new and most unusual stunts pop up. You can expect anything. You never know just what will happen and it cost you nothing.

THE LADIES AUXILIARY will also elect their officers on the same date. Two candidates have been named for the office of Secretary. They are:

PAULINE FRIEDMAN

LILLIAN WILSON

ARE YOU REGISTERED?

CAN YOU VOTE NOV. 4TH?

29,000,000 citizens of the United States failed to register in 1948. Yessir! And ... about 50% of the people living in the state of Ohio lost their vote in 1948.

ARE YOU REGISTERED? CAN YOU VOTE? ... If you live in Columbus, and wish to register, take five minutes and go down to the Board of Elections at 214 1/2 South High St. They will take care of you in a jiffy. SEPTEMBER 24TH IS THE DEADLINE FOR REGISTRATION.

THE BUCKEYE LAKE YACHT CLUB has just about closed it's fiscal year. It has been a good year. Let's look at the record!

* OUR MEMBERSHIP STANDS AT AN ALL TIME HIGH. Do you know that we have taken in about sixty five new members in the past two years?

** WE HAVE MORE ACTIVE MEMBERS than in any other period.

*** WE HAVE MORE BOATS AT THE CLUB than at any other period. In fact, we have a waiting list for boat slips.

**** WE HAVE HAD MORE ENTERTAINMENT FEATURES this year as compared with previous periods.

***** MORE PEOPLE HAVE ATTENDED OUR CLUB SPONSORED entertainment features than in any other year.

***** OUR RACING SCHEDULE is the most comprehensive in history and MORE BOATS ARE RACING than in any other year.

***** WE HAVE MORE MONEY IN THE BANK.

***** ABOVE ALL ... MORE MEMBERS are enjoying the facilities of our Club than in any other year. THAT'S WHAT COUNTS.

We welcome the following new members to the Buckeye Lake Yacht Club.

John R. Schwartz	318 N. Ardmore Rd.	Columbus, O.
George A. Offenber	253 N. Stanwood	" "
John K. Emery	110 Water St.	Sandusky, O.
Harry J. Hill	625 Yearling Rd	Columbus, O.
Clin Parrett	2360 Arlington Ave	" "
Herman J. Ebert	1665 Westwood Ave	" "
Paul Winkhouse	R-1	Hebron, O.

WE REGRET TO REPORT ... that we have two jailbirds in our membership. Yessir! Brother Harold Miller was tagged while driving through Reynoldsburg to the tune of 18 bucks. He tried to talk himself out of it, but, no soap.

Bob Baldwin was the second victim. They invited him to talk to the Justice out Springfield way. 25 bucks for this one. His very nice wife, Francis, says that she is going to tell them a thing or two when she gets the chance.

FIFTY YEARS AGO ... this country used to be known as a 'melting pot'. Today it resembles a 'pressure cooker'.

PAUL WINKHOUSE, our new member, is a wrestling promoter associated with Al Haft. If you wanna rattle, see Paul.

WHEN THE TIME COMES for the meek to inherit the earth, the taxes will probably be so damned high they won't want it.

OUR COMPLIMENTS ... TO DOTTY DUM and the ladies of the Auxiliary for their splendid Corn Roast Party. In our book, this was the best shindig of the year.

It is downright amazing to note the talent existing within our membership. The whole program sparkled with good clean fun, it was a dandy.

JERRY COOPER is doing tricks with his newly acquired Lightning. He is learning fast and will give our top skippers some real trouble next season. Watch him.

CLIFF DUM has performed a real service to our club, not only as Secretary, but as a leader and instructor of the Junior group. They are the sailors of tomorrow and we certainly have a fine crop coming along.

MANY OF OUR MEMBERS attended the Inter-Lake Regatta at Put In Bay. We tried to find out what happened up there but everyone we questioned sadly shook his head and walked away.

DALE LAWRENCE reported that he was up at the crack of dawn every morning but he didn't say when he went to bed.

SEVERAL BOATS are for sale at the club. Among them are the Kouns Kay, Jim Poston's Kay, Max Slaughter's Kay, the Kay owned by Newt Davis and six other guys, Lovell's Lightning and McAllister's Kay.

ART SCHWOERER would buy a Kay but he's a hard man, McGee. You know these used car dealers. They buy low and sell high.

ONE THING that we liked about the old days was that the big spenders spent their own money, not other people's.

BERT MCALLISTER recently got lost out in the hills around Zanesville. He asked a native, "Am I on the right road to Zanesville?", "Well", the character said, "not exactly, Bub, that there road just moseys along a piece, then it turns into a hog trail, then a squirrel track, and finally runs up a scrub pine and ends in a knot hole"

"THE ANNEX" that ancient cottage owned by the Nations has now become "Nation's 19". The reason ... well, 19 people now live in that hotel. The latest addition is the FROSTS. It seemed impossible to squeeze another person in the place but they made it in a room up under the eaves formerly occupied by a blue jay. They plan to hold an open house, one guest at a time.

JIM MC CARTHY has developed into quite a rum player, lots better than Bob Bartling.

ROY POSTON has been having a heck of a time in getting the Kay owners out for a race. Next year? Mebbe?

BOB SLATTERY is breathing a bit easier now that the racing season is drawing to a close. Regatta Chairman is a tough job and Bob has functioned very well indeed.

WE PROTEST ... About half of the Yacht Club attended the annual corn roast down Millersport way last week. That was swell ... but ... among those who attended were a few strange members who went to Millersport with the avowed purpose of winning a duck.

DORIS WOMELDORF seemed to be the ringleader. She simply had to have a duck! The COOPERS were also duck minded. They returned to the club with SIX DUCKS. Now ducks are nice people in their place. But, what happened?

Well ... the Cooper ducks got loose and paraded up and down the towpath all through the wee small hours of the morning. They were lonesome so they called to the other ducks that were stored on the front porch of the Womeldorf domicile. When a flock of ducks start talking, brother, they talk. The Cooper ducks were foot loose and fancy free and they chided the Womeldorf ducks who were closely confined. No sleep was possible within an area of a half mile. The ducks wound up in the roasting pan at long last and all the neighbors breathed a sigh of relief.

WILL SOME BROTHER please step forward and agree to edit this Log as of now? For six long years we have written this thing and it is time for a change. This time, we mean it.
