LADIES OF B.L.Y.C. AUXILIARY

I want to take this opportunity to thank the Auxiliary Officers, Marjorie Henery, Vice-Pres., Gladie Lawrence, Secretary., and Marty Fisher, Treasurer., for their help and co-operation during the past year, in which I have had the honor of being your President.

I wish to thank all of our members for their support in all of our projects and activities, for without your help the Chairman of these projects could not have done the splendid work they did all year.

I want to thank my Chairmen for a wonderful year of hard work and to know I appreciate all their efforts. The telephone committee, Eva Bartling, Sylvia Schwoerer, and Grayce Daugherty. Pat Carroll for our publicity, Maxine Yoerger and Rusty McGinnis for news in the Log. Arthelda Haggard, Maintenance, Jean Sherman, Project Chairman, and her committee. Ella Woolley, Chairman of Ways and Means, and her committee. Helen Dressel, Chairman of our Card Party, and her committee. Mary Miller Chairman of the White Elephant Sale and her committee. LaVerne Hill in charge of our Corn Roast Entertainment. LaVerne and her committee did a wonderful job and I am sure you all enjoyed it. To all of the Hostess's of the Monthly Meetings.

Thanks again to all the members of the Auxiliary for their help and even though I have enjoyed being your President and tried to do the job well, I will be glad to be back with the listener's next year, and I am sure you will all enjoy a new face to look at.

Annabelle Johnson.

Just one last favor. The Snowball Regatta is our next big event, so be thinking of what you will fix or the ingredients you will bring. Bernice Greiner will be Chairman of the Hors 'D our vere's and I am sure she will be glad to hear from all of you.

AUXILIARY NEWS

Lowell and Ellen Frost attended the Raven Nationals at Marble Head, Massachusetts, August 23rd, 24th, and 25th. Earl Williams went along as crew, and as Jim Dressel was visiting at Bar Harbor at the time, Lowell called, and asked him to stay over and sail with them. Virginia and Chet DeMary, Helen and Mel Dressel left on Sunday the 21st to join them.

The Auxiliary Corn Roast and Variety Show was a huge success. The delicious corn was again donated by our generous friends, Alma and George Crites. One Hundred thirty Members and their wives enjoyed the Buffet of corn, hot dogs, potato salad, slices tomatoes and green onions.

LaVerne Hill needs an extra word of thanks for the Show. She made the clever Hawaiian costumes for the "Guys and Dolls" and taught them the dance they did, while Gus Schell sang the Hukilau. Lil Wilson and Gladie Lawrence were Co-Chairman.

Dale Lawrence was a suave "M.C." and introduced Lorraine Langley as the first act, she is a very adept accordian player. Lil Wilson Pantomined Johnny Ray's "Glad Rag Doll" to Betty Williams and what a couple of dolls they were. Linda McAllister showed a remarkable memory with her recitation of "Patch Work Quilt". "Doc Woodward, Catherine Woodward and Helen Corne brought down the house with their Hawaiian comedy skit. Jim Mason and Douglas Ritz as the Kingston Duo received a big hand playing guitars and singing, then Gussie sang, while Lil Wilson, Kay Poston, Gladie Lawrence, Ginny DeMary, Martha Schell and Velma Lieberman came on and danced the Hukilau. Then LaVerne Hill with uli uli's (feathered gourds) did the Hawaiian Hula, it was all so professional and very lovely. Last but not least, Charlie Hill, Ernie Wilson, Gus Schell, Woody Johnson, Pete Burns, and Earl Williams as Hawaiian chorus boys showed us how the Hukilau shouldn't be done. - Need I add that it was a great evening?

The Auxiliary had a special summer luncheon at Headley Inn on Sept. 13th. Mildred Miller of Zanesville had us for cocktails preceeding the luncheon, and we played cards later. Our sincere thanks to our Zanesville hostesses for a wonderful day.

See you at the Club,
Maxine.

WITH THE SAIL FLEET

The Luchtenberg Handicap Long Distance Trophy Race was held during the morning of July Fourth. Results were as follows:

First	--	George Fisher
Second	--	Bob Mann
Third	--	Jay Limbaugh
Fourth	--	John Schneider

The results of this race were surprising in that the first four places were taken by Lightening boats. The larger Ravens and Highlanders could not make their time allowance.

The Ohio-Indiana District Lightening Class Championship was sailed June 24th, 25th, and 26th at Pymatuning Reservoir. BLYC was represented by seven boats. George Fisher captured first place and Jay Limbaugh second place. The winner of the district competition represents his district in the national contest to be held at San Diego, California the weekend of August 19th. Due to business commitments, George Fisher who would normally be the representative, cannot attend, therefore, Jay Limbaugh, who captured second place, will make the trip. Best of Luck, Jay, on your racing endeavors so far from home.

Eliminations to determine the BLYC representatives for the Sears Cup to be held at Toronto, Canada, are now in progress by sail-off eliminations. Tommy Greiner is in first place and Jackie Davis in second. Tommy Greiner will be skipper of the crew representing our Club. The other crew members are now being determined by a sail-off competition.

John Schneider was second out of 25 boats at the Pow-Wow Regatta held July 16th at the Leatherlips Yacht Club.

AUXILIARY NEWS

Our 50th State with its flowers and bright Muu Muus has become a decorator's dream and Ella Wooley and Jane Longley, Co-Chairmen for the card party were quick to take advantage of it. Their committee and our officers were dressed Hawaiian style, punch was served from two large bowls on the front porch. Even the weather was in the mood which allowed the over-flow of members and guests to have their lunch and play cards on the porch. The buffet lunch, prizes and crowd were tops and everyone connected with the party can take a bow on a beautiful and successful party.

Rusty and "Mac" McGinnis had the beer flowing freely for their 25th Anniversary Party at the Club. Grayce and Charlie Daugherty presented them with a small cake with a new twenty-five cent piece baked in the center. Marie Francis brought over a mock marriage license which everyone signed and gave to them along with some rather odd reading cards. Hope more anniversaries come along.

Charlie Daugherty, that past master in sailing "K" boats, got a kick out of his first Lightening race. He crewed for Jay Limbaugh one Saturday afternoon.

Bob and Nancy Yoerger matched the Cromptons and Dunkles. Red-haired William Fess Yoerger was born June 15th.

~~We are all so dressed-up on the towpath that no one refers to us as "Trash Alley" any more.~~

Everyone enjoyed Bruce Crompton's too short of a stay at the lake. All of us that had enjoyed his island and cook-outs, had a feeling of nostalgia when he sold the island while here.

Audrey and Bob Mann are selling their house and have bought a co-op apartment in the new French Quarter in Arlington.

Past Commodore Ernie Wilson was elected to the Board of our Jets Baseball Club and rightly so as he has been an enthusiastic supporter of the club--even goes to Florida to watch them in Spring training.

Winnie Ebert left on the first of July for a visit with her daughter and family in San Bruno, California.

Notice to all Past Presidents of the Auxiliary--there will be a meeting of the Marie Wood Cancer Ray at Ella Wooley's cottage at the lake on Thursday afternoon, July 27th at one (1) o'clock.

Here is verbatim the note I receive from Alice Clum after her accident which resulted in a broken arm: "Dear Friends at Buckeye Lake: I want to thank you all for your expressions of sympathy in my last illness. Want to thank the Ladies Auxiliary for the lovely flowers they sent me and last but not least, the place mat that was signed by all the members that were at the Club on Sunday and mailed to me. It was so 'thouty' and heart-warming to know you have so many well-wishers. It surely should make me well, especially when you're feeling so low. Thanks again, Alice Clum."

Pauline Friedmann has been in the Newark Hospital having a series of tests and treatment, but is back home now. We all send our best wishes with the sincere hope that she continues to improve. Jane Keck has also been on the ailing list. Her doctor thinks, with a good rest at home, she will be around soon and getting her fishing gear in order for a trip to Canada.

Moonlight, Candles and Romance could have been the theme of the July 1st dance at the Club. A power failure on the north bank put the lights out for a time and members dined by candlelight before the dance.

Regina Smith, Mildred Miller and Bernice Bollinger were in charge of the Auxiliary Luncheon at the Club on July 12th. A social hour (polite word for cocktails) was held before the lunch. Sorry I had to miss it but heard it was a lovely party. Anyone that would be interested in the old dining room furniture can buy the chairs at fifty cents a piece and tables for two-fifty. It has long been the hope of the Auxiliary to buy new furniture for the dining room and this has been realized.

What Past President of the Auxiliary would meet a Past Commodore at the intersection of Rt. 30 and 70 with his pants that had been left behind?
(Answer in next log.)

See you at the Club

Maxine

The Club was put to bed for the Winter on Sunday, October 30th. We were fortunate that the weather was sunny and warm, making it pleasant to accomplish the out-of-doors task. More than fifty ladies, junior members and members turned out for the Work Day, and that splendid turnout of workers lightened the task for all. As usual, the most back-breaking task was the installation of the air bubble system to protect the docks from ice. The usual frustrations were experienced in this job - blowouts of couplings, rubber hose, etc. The annual installation and removal of the bubble system is one of the most difficult and time consuming tasks around the Club. It was evident to your Editor, that the work and time involved could be reduced if a permanent supply pipe from the blower and header along the wall were installed in a permanent fashion. Refreshments and a buffet dinner were served to those who participated in the work. Commodore Williams wishes to express his thanks to all the willing "hands" that turned out for the Fall Work Day.

TROPHY PRESENTATION PARTY

The presentation of the trophies for the season's sail boat racing events took place at the Club House on Saturday, Nov. 12th. The presentation ceremonies were conducted by Past Commodore George Fisher, Past Commodore Dwight Haggard and Vice Commodore Pete Burns. Commodore Earl Williams was unable to preside due to business commitments. The trophies were very beautiful and will be a fine addition to the collections of the various fortunate winners. A cocktail party and buffet supper were served to those in attendance. The program concluded with excellent movies of the principal sail boat racing events of the year. Due to a lack of space in this edition of the Log, your Editor will defer the publishing of the various winners until the December issue.

SICK CALL

We are sorry to learn that Past Commodore Charles Fast has been under the weather. "Get well quick", Charlie!!!!

NOTICE

All items for publication in the Log must be submitted to your Editor no later than the fifteenth of the month in which the item is to appear.

AUXILARY NEWS

The Yacht Club was well represented on the Chamber of Commerce train to Lansing for the Michigan State game - Lil and Ernie Wilson, Gale and Gladie Lawrence, Helen and Mel Dressel, the DeMarys and their daughter and her husband, Kay and Bus Poston, Gen and Chris Yoerger and George Benedict. They shared half of a pullman and had a wonderful time, especially Annie, who took over the selling of candy with the promise of a floor show later for the buyers, or was it boys?

Marie Wood left Sunday morning, October 30th, for Florida where she will stay with daughter, Mary Ann and Bill Whitson in Hollywood until Woody can drive down and open up their home. A long time friend, Ruth Howard, was a passenger on the same plane, they sat

together and talked about old times around the Club. Just out of Tampa the plane developed an oil leak and they had to change planes to Miami. La Vere Hill was a passenger on the same flight and upon her return, she and Charlie will take off for Tucson and a vacation on a dude ranch, guess they can't get enough of horses.

Our President has completed her list of Committee members:

At meetings of clubs, by an effort of will, I always contrive to keep perfectly still - For if I utter a word of doubt or pity-- WHAM! There I am, on another committee. (Thanks to Philip Armour).

Bernice and Doctor Greiner plan on eating their turkey in their new house on Thanksgiving. We hope it will be an extra happy day for them.

Do we have another kind of a race on besides sailing? Dr. Keith Crompton, Pete Dunkle and Bob Yoerger grew up together around the Club and all three have small daughters - comes Spring, and I'm wondering if they all want sons?

The Auxiliary dinner meeting was held at Reeb's on election night with Dotty Slattery as chairman, assisted by Fannie Fisher and Helen Corne. We had a wonderful attendance and it seems, regardless of weather, Ella Woolley, Bernie McAllister and Pauline Friedman always make it from the lake. Our dinners were delicious and as our President called the meeting before dinner was served so we could have a cocktail (bar's not opened until 7:30) everyone was ravenous. Better plan on attending the Christmas cocktail party and dinner as some lovely plans are being made. It was decided that the gift exchange would limit the cost of the gift to two dollars this year. You will receive more information about this party later.

Barbara and Pete Kline presented "Eddie" with a new granddaughter.

Pat Carroll got tangled up with her car in the driveway - unfortunately the car won and put Pat in the hospital with a badly lacerated leg. but she has recovered sufficiently to leave for Florida and some sun - Moral - Be sure your brakes are set.

Sorry I'm running out of space as I had a few more items to report.

See you at the Club -

Maxine

Advance grades and elective courses are also open for enrollment, all classes to start Thursday, February 2nd at 8:00 P.M. at Ives Hall. "Seamanship" is the only advanced grade course being offered in the Spring session. The following elective courses which include Sail, Weather, Engine Maintenance and Marine Radio & Electronics will be offered, provided sufficient registrations are received to justify holding a class. For information or enrollment on these courses, please contact Clark Sweazy, TU 2-4198, 300 East College Avenue, Westerville, Ohio

COAST GUARD AUXILIARY NEWS

Flotilla 13-2 recently held their annual meeting and elected the following officers for 1961: Woody Johnson, Commander; Dick Reidey, Vice Commander; Colonel C. E. Gooding, Training Officer; Dale Lawrence, Secretary-Treasurer; Mel Dressel, Courtesy Motorboat Examinations. Harold Miller was recently elected Rear Commander of the Eastern Section of Division 13 of the Coast Guard Auxiliary. This comprises an area of twenty-seven states.

Flotilla 13-1 and 13-2 are holding a joint formal dinner dance at the Officers Club, Columbus General Depot, on January 21st. Arrangements are in charge of Colonel C. E. Gooding and Mel Dressel.

AUXILIARY NEWS

Our President and officers want to extend to all of you a very happy New Year and hope that you enjoy health and prosperity in 1961.

We all lost a dear and good friend in the passing of Marie Wood at Pompano Beach, Florida. We extend our heartfelt thoughts and deepest sympathy to Everett and daughter Mary Ann. Marie was a past president of the Auxiliary.

Alma and George Crites are leaving next month for Florida, then off on a West Indies cruise.

Gladie and Dale Lawrence decided to escape the snow and are spending a week or so in New Orleans.

Old man stork has been working overtime, next on his list are Mary Alice and Harry Morrison and Arbie and Don Wilson, he just dropped off a new grandson for Audrey and Bob Mann. It will be necessary to install a nursery at the Club if this keeps up.

Mary and Newt Davis had a crowd in for a Christmas night party. It was very gay and I'm sorry I didn't get to talk with half the people there. Kay Poston was having a time trying to make people understand over all the conversations that she had lost her voice. What a dilemma to be in at a party.

I imagine that Zane Sherman was most happy over the turnout for the New Year's weekend. This was the first time in recent years that this party has made money for the Club, with 96 paid admissions there was a profit of \$ 38.84. The last minute bad weather report kept many from attending, that had planned to come over, but regardless of the snow it was the best attended New Year's Eve dance by Club Members in some time.

Because of the snow, we didn't have the ice boating and skating that the Commodore promised, but Earl did manage to get in the middle of a couple of dandy snowball fights.

Your Commodore would like to invite written comments from the club members as to what they did and did not like about the party. Will you please send notes or cards so that your suggestions can be used for future parties.

The Auxiliary extends their deepest sympathy to Claude and Clarice McGinnis on the death of "Mac's" mother, Mrs. Mary E. McGinnis, just before the New Year. We also were saddened over the death of Brownie Cornell. It's hard to lose such an old and dear friend.

Grayce and Charlie Daugherty left for Florida on the 17th of January. They invite all their friends coming down to contact them through the Chamber of Commerce at St. Cloud, Florida.

Mary K. Sterner was back in the hospital for another eye operation. We all wish her a speedy recovery.

Thanks to Colonel C. E. Gooding, the Auxiliary had their dinner meeting Tuesday, January 10th at the Officers Club at the Columbus General Depot, Irene Paxton was Chairman, assisted by Mary Davis and Edie Kline. After cocktails and excellent dinner, our President opened the meeting with a warm welcome to everyone - she asked that all members be sure their cards with names, addresses, telephone numbers and date of birth (year not necessary) be turned in to our Secretary for the new membership directory and for the mailing list.

It was nice having Mary Jane Luchtenberg back from Florida, looking and feeling so well. Your Officers hope to have some interesting news for you later on, regarding a new idea for a party. - See you at the Club - .

Maxine

RECEIVED 19 JAN 1954
JAN 12 1954
CLUB 11 2000 1954

Fleet #43 is sad to lose a sailor, but we couldn't refuse Uncle Sam to lend John Schneider for 6 months. Jay and Helen had a send-off party for John at their home, July 27th. About 50 came to enjoy Jay's hamburgs and wish John goodby. Since John got his #5559, he has been doing so well the fleet felt he deserved "The Most Improved Sailor" trophy, and presented it to him at the party since he'll be gone for trophy presentation. We're all sorry to see John leave before sailing season is over and wish him all the Good Luck around.

The Limbaugh's and Jeff Dum are on their way to San Diego, California, to race in the International Championship Races. All of us are keeping our fingers crossed, and as soon as any results are received, I'll let you know. In case you start to wonder what happened to the Lightening's racing at the Club, we decided to cancel racing while Helen and Jay are representing BLYC and the O-1 District. We'll be starting again as soon as Jay, Helen and Jeff return.

Judy Ballenger

AUXILIARY NEWS

It was nice seeing Edith and Paul Baker at the Steak Fry August 5th. They are now living in Wilmette, Illinois.

Helen Chase and Martha Schell will host the Past Presidents' Annual Cocktail Party and Dinner at the Club on Friday, August 25th. They always keep it a secret from me how much fun they have so I'm sorry I can't give you more news about the affair.

Bill and Eileen Foyer left on the 10th of August for California for a visit with their son and daughter-in-law and to meet the new grandchild.

Eva and Bob Bartling just returned from their yearly jaunt to northern Michigan.

Jim Dressel will exchange wedding vows with attractive Nancy Stockwell on Sunday, September 10th in the First Presbyterian Church of Bryon, Ohio.

Max and Evelyn Slaughter drove to Palm Beach, Florida for their summer vacation, later took a plane to Nassau where they rented a sail boat for a few days of sailing around the Bahamas..

We were all so sorry to hear of the fatal heart attack of Dan Womeldorf's sister, Dott Thomason on July 17th. We extend our deepest sympathy to Dan and his family.

Katherine and Jim Cooper took off for a vacation in the West. I believe they intend to visit some of the National Parks and do some camping out.

If you have missed Doris Dye around the Club, she has had a case of shingles. Take it a little easier, Gal.

Arthelda and Dwight Haggard have been having a ball with their grandchildren, daughter Jean and her husband, David McLaughlin. They have been over on the island for several weeks and it was nice having Jean as a guest at the auxiliary luncheon meeting at the Club on August 9th. It was an exceptionally well attended party and everyone enjoyed the cocktails served before lunch. The Nominating Committee has come up with a very fine slate for treasurer. Those named are Clarice McGinnis, Jane Longley and Catherine Woodward. Our election will be held on Sunday, September 17th. Please come over and vote for the candidate of your choice. Marie Frances was on a two weeks vacation and had the opportunity of attending a summer meeting. Our thanks to Lil Wilson, Mary Miller and Lucille Bickel for arranging such a nice party for us.

The Auxiliary Corn Roast was held at the Club on the evening of August 12th. Our sincere thanks to Alma and George Crites for again furnishing the corn--it

was so good that nary a kernel was left. We would also like to extend a very large "Thanks" to Cliff Dm for his unusual and interesting narration of the skit that was presented by some of the Auxiliary members. We hope you all had as much fun watching as we had presenting it to you. Several couples on the way to their cottages after the party thought there had been too much corn served (later that is) as they saw a station wagon driving west on the tow-path. The big mystery, even to the driver, was how it got there and where it went the next morning.

See you at the Club

Maxine

THANK YOU

This edition of the Log completes the publications under Commodore Earl Williams and the present Board of Governors. The contributions in the form of news and helpful suggestions made by the officers and members, are greatly appreciated. The support given to the Log by a number of the members in the form of paid advertisements has substantially reduced the cost of the publication to the Club.

I wish to extend special thanks to Judy Ballenger for her column on the activities of the Sailfleet and to my right-hand helper and reporter, Maxine Yoerger who has so ably handled the Auxiliary News.

Your Editor,

Paul Holstein

" AUXILIARY NEWS "

A gay crowd of Yacht Clubbers attended the Agonis Formal dinner dance at Scioto Country Club on January 28th. Ernie and Lil Wilson invited about nine couples to join them for the party - Ernie is a Past President of Agonis.

Dan Womeldorf's mother had a surprise 25th wedding anniversary party for he and Doris, February 11th. We all wish them many more years of happiness together.

It's hearts and flowers for George and Marty Fisher who celebrate their 8th wedding anniversary on St. Valentine's Day in St. Pete, Florida.

Sorry to report that Blanche Marks has been ill for the past two weeks but she and Jim hope they can leave for Palm Beach Shores on Singer Island, Riviera Beach, by March 2nd. Helen Orr is driving down with them for several weeks and will fly back. Their address will be 2435 Park Avenue, Telephone VI 4-0783.

Mark up one boy for Dr. Keith and Ruth Crompton - Congratulations.

Pat and Jim Carroll are having fun in Las Vegas and Doris and Bob Dye with daughter Joan and her husband are taking in the sights and sun at Miami Beach.

The Press Club bulged at the seams the evening of February 14th when the Auxiliary had their dinner meeting there. Helen Dressel was chairman for the party, assisted by Doloress Dutoit and Charlotte Petrie. A small take home dish filled with candy hearts was placed at each place and the center piece was a large heart shaped box of candy to be won by the lucky number pasted on the underside of the candy dish. Bernie McAllister was in from the lake and I was sorry to hear that "Mac" had been in the hospital for the removal of a tumor from his upper chest, however, he is home now and doing fine.

Lowell and Ellen Frost are showing Florida to the newest member of their family, a little French poodle, I imagine they will be seeing Slim and Harry Nation while on the East coast.

Lil and Ken Ross have given up their apartment for a one floor plan home at 1547 Cunard Road.

Alma and George Crites, with Alma's sister Anne Yunker and Lee are vacationing on Porto Rico.

"AUXILIARY NEWS"

The Auxiliary had an enthusiastic crowd for the White Elephant Sale. Harold Miller and Mel Dressel did a great job on the auction, and \$192.00 was cleared. Helen Chase was Cashier and Gladie Lawrence, Doris Womeldorf, Helen Corne, Mary Davis, Fannie Fisher and Your's Truly worked on the floor. It really was a fun evening. Dale and Gladie Lawrence went away the proud parents of a pet duck, and I'm still wondering what Bill and Helen Corne did with the curtain stretchers.

I didn't make the July Luncheon at the Club, but I was told that it was a very lovely party. The center piece on the table was made up of fruit, and flowers, and was later sold to benefit the Auxiliary. Jane Langley and Bernice McAllister were the Hostesses.

The "Beer Bust" put on by the Lambrechts, Postons, Womeldorfs, Shells, Cornes, and Johnsons, was really something. The gals were especially fetching in shorts with short frilly aprons and head bands. Our hosts wore side burns, mustaches, sleeve holders and fancy vests. We were lucky in the presence of a guest, Captain Russell Frey, he can really make a piano talk, you name it and he can play it, and How - - . He is from New Jersey, flies Jet planes, and is spending his free time on Crompton's Island. We hope to have him around more week-ends.

Alma and George Crites have moved into their new house in Knollwood Village, three miles east of Circleville. Understand it is very ultra.

Glad to report that June Headlee is looking wonderful after her stay in Doctor's Hospital and that our Vice-President Marg Henery, after her operation in Mt. Carmel is as spry as ever.

Aloha - Laverne Hill, Chairman of the floor show for the Corn Roast on August 20th, will go Polynesian for the evening. The show is always such a pleasant surprise and all I know about it is that the theme will be Hawaiian, and should be a lot of fun to watch.

"Auxiliary News".

The very tasty Hors d'oeuvres that were served at the Ohio Inner Lake Cocktail Party held on the front and side porch of the Club were made by the following Auxiliary Members. Annie Johnson, Arthelda Haggard, Mary Davis, Margery Henery, Lil Wilson, Virginia DeMary, Gladie Lawrence, Velma Lieberman, Helen Corne, Helen Dressel, Doris Womeldorf, Alice Clum, Marie Wood, Martha Schell, and Lil Ross. It was a very lovely and fancy party, with Champagne Cocktails spouting from a silver fountain. What will Zane Sherman think of next?

Our Annual Card Party was one of the nicest, and we would like to send a special word of thanks to Jean and Ray Touvell, Catherine, and the other help in the kitchen for working so long and hard to set up a beautiful Buffet Table. Lincoln Lodge couldn't have arranged it nicer. The Auxiliary are also most thankful to our good friends who were so generous in donating prizes: Larry Wade, Woody Johnson, Earl Williams, Ken Ross, Pete Burns, Art Schwoerer, Wilson Blackwood, John Campbell, Charles Schulte, Earl Fisher, Bus Poston, and to our own Bess Smith for sending us over a wonderful ham.

The Past Presidents of the Auxiliary held their annual get-to-gehbher at the Club on June 30th, with a Cocktail Party and Dinner. The Hostesses for same were Helen Corne and Dorothy Slattery, understand by the grapevine all had a ball.

Anyone interested in a "K" boat. Bernie McAllister says she doesn't mind being chief cook and bottle washer (or is it cork puller) but to turn into a skipper is another story, so Burt has the "K" up For Sale.

Lillian Ross has just returned from visiting her Mother in New Orleans, and looking up her old friends there.

Herman Eberly flew out to San Francisco on the 15th of July, for a three week visit with his daughter and her family.

Roy and Marie Francis leave in August for California, for a visit with Roy, Jr.,

I know you all offer Jean Touvell your condolences in the death of her brother.

See you at the Club -

Maxine.

Commodore Williams has designated Sunday, October 30th as Fall work day at the Club. The time of year has now arrived when the Club must be put in shape for the winter. The more people who volunteer to help on this day, the easier the job for all. As is customary, the Club will provide refreshments and dinner for those who work.

IN MEMORIAM

Past Commodore George O. Doyle, October 1960 - Commodore 1932-33. Those of us who knew him will always remember his untiring efforts in promoting the welfare of the Club and his active participation as sportsman in all phases of the Club activities.

The 2nd Coast Guard District meeting was held at the Peabody Hotel in Memphis, Tennessee, October 6th, 7th & 8th. Harold Miller, Division Captain and his wife Mary attended the meeting. Harold was presented the XIII Div. Coast Guard Auxiliary Trophy for the highest Division in Courtesy Motor Boat inspections. Our own B.L.Y.C. flotilla 13-02 played a big part. He also brought home a trophy which goes to Russell Smith, Commander of flotilla 13-01 for the highest ten inspector examiners in the XIII Division. Harold was elected Rear Commodore of the Eastern Division.

CONGRATULATIONS HAROLD!!

LADIES OF B.L.Y.C. AUXILIARY

I wonder if the "Star" has noticed an increase in sales this past summer? I for one and others have bought the weekly just to read Judy Ballenger's interesting articles on the Lighting Class.

It has always been traditional on election day for the gals to kiss the winner of the "Heber Award" and such was the fate of Mel Dressel. I never realized they made so many shades in lipstick.

Helen Chase finally hit the jack pot by winning a thousand dollars by holding the lucky ticket in a church donation lottery.

We all look forward to the Sno-Ball Regatta and no one was disappointed this year but the sailors because of the lack of wind. Jan Fisher and Betty Williams did their usual competent job at the registration desk. Rusty McGinnis, Hannalee Schwartz and Martha Scheel decorated the club. Annie Johnson and Bernice Griener had charge of the Hors-D'Oeuvres with the members of the auxiliary preparing the Canapes and keeping the trays filled. It was a fun weekend along with serious sailing. Grayce Daugherty had an impromptu dance Saturday evening when the drummer spied her and dropped his sticks and swooped her up in a dance.

Paul and Jean Thompson took off for New York after the election for some fun and to see some of the Broadway hits, they will probably run into Julie Shaw who is there to take in some of the shows.

The first in town dinner meeting was held at D'Ascanio's, Tuesday October 11th, Kay Giehl was chairman for the party, assisted by Rusty McGinnis and Winnie Glenn. A beautiful center piece of fall flowers and brown candles was on the Speaker's table which later was sent to Marie Mood to say "Happy Birthday" to her. Our new president, Marjorie Henery, opened the meeting with a welcome to members and guests and introduced her officers, Gladys Lawrence, Vice President; Marty Fisher, Secretary; and Mary Jane Luchtenberg, Treasurer. She also named her committees but space doesn't permit me to list them at this time but I will give them to you in the next log. We voted to have a 1960-1961 directory printed and as our charity project to send \$50.00 to the Charity Newsies for their work with children at Christmas time. We later played Card Bingo for prizes. It was a wonderful party and our sincere thanks to our hostesses.

Our President, officers and members want to welcome the following new members into our auxiliary - Marjorie Cox, Jean Thompson, Fay Robinson, Julie Shaw, Margaret Myer, Dorothea Stewart, Dorothy Doak, Holly Van Atta, Jeanne Beggs, Bee Hunt, Jodi Richards, Kathryn Richey, Ruther Follmer, Freida Poter, Helen Hunthey, Judy Ballenter, Lucille Contos and Amelia Phelps. We hope you enjoy the auxiliary and participate in all our activities.

Congratulations to Jeff Dum, he has been admitted to the Ohio State Dental College.

See you at the Club -

DON'T FORGET YOUR RESERVATIONS AND PLAN TO ATTEND THE CLAM BAKE ON SUNDAY, OCTOBER 23rd.

Your Editor is fortunate in again recruiting Maxine Yoerger to cover the Ladies Auxiliary news. In addition Judy Ballinger has been appointed to report on the activities of the sailing fleet. We know that Judy's fine reporting in the Star and we'll count on fine coverage on sailing events this coming year.

AUXILIARY NEWS

Mary Jane and George Offenbergs entertained the Ravin skippers, crew and wives with a cocktail party on Friday evening, April 7th, at their lovely remodeled and decorated cottage at the lake. A dinner meeting was held later at the club.

Harry Nation is in the hospital in West Palm Beach having a cataract operation on his eye. We all send our very best wishes and look forward to seeing both he and Slim at the lake this summer.

The Auxiliary party Saturday night, April 8th, at the club was a scene out of Maverick - "Maggie" Davis, "Lilly" Wilson and "Aggie" Haggard were the "gals" that planned the evening with the help of our President. A gay time was promised and it was all of that. The Committee dug into old trunks and came up with an amazing array of costumes, very short skirted ones for those that served trays of cocktails and some fancy ones for those that sold money (play) and saw that the party moved along. The men, bless their hearts, that ran the gambling for us were decked out in fancy vests, derbies, sleeve holders, side burns, etc. The big gamblers like "Jackson" Schwartz and "Rubie" Ballinger bet thousands on a throw of the dice. Prizes were awarded for the most money won and Quentin Walker, Lloyd Ballinger and Larry Wade were way out in front. Judy Richards in filling out stubs for chances she bought on the T.V. set wrote her dog Skippy's name down and yes, you guessed it - Skippy now has a T.V. all his own. It was really a wonderful party and the nicest thing about it was that we made money.

The Auxiliary sends a big "hello" to Charlie Fast and hopes that he has recovered from his operation.

Do you all have a new Directory? There are a few changes to be made - Mrs. Robert Bartling (Eva) to 3478 Greenwich St.-Am 2-2092 and Mrs. Martin Meacham (Dorothy) to 4196 Aster Ave. There are a few more which I will give you later as Marty Fisher is staying at the hospital with her young son who had a hernia operation. Thanks to President Henery and Secretary Fisher the type is black and heavy enough that most of us won't need to get our glasses out to read it.

Seventeen women, all Past Presidents of our Auxiliary, in memory of Marie Wood, have just formed the "Marie Wood Cancer Ray" and as each of our Presidents go out of office they will become members of the Ray. They will drive the station wagon one month of the year, taking patients to the clinic and will deliver supplies every Thursday, they will make pads and bandages for the clinic and will need lots of old sheets, pillow cases, pajamas and robes. Please save these items for them and we can feel that we have some small part in their project.

Just received a card from Ellen Frost, she and Lowell are really living it up in New York, staying at the Waldorf Astoria and had been to see Lucille Ball in "Wilcat".

Thirty two members met at the Athletic Club, Tuesday April 11th for the Auxiliary dinner meeting. It was a lovely party with pretty table decorations and candlelight. After the meeting, cards were played. The party was arranged by Lillian Ross and Katherine Cooper.

See you at the club-

MAXINE

RACE COMMITTEE NEEDS HELP !!!

Governors Paul Giehl and Chet Thompson, Co-Chairmen of the Sail Boat Racing Committee, need some help with this very important activity. Anyone who can assist Paul and Chet, please contact either one and offer your services.
