

BUCKEYE LAKE YACHT CLUB

LOG

JUNE, 1965

Notes from the Commodore

The Club recently acquired 50 used folding metal chairs. These chairs were in fine condition, but the finish was scared. Thanks to P/C Ernie Wilson and George Benedict they have been given an auto-type finish and are now like new. We also express our thanks to Norm Yoerger for installing the permanent wiring for the patio lights.

At the "Change of Watch" party held by the Power Squadron on May 6 the "Ten Year Merit Mark Award" was presented to P/C Ernie Wilson, P/C Gus Schell and P/C Lieberman. Congratulations for this service recognition. Joe Waldeck was awarded the grade of Advanced Pilot, having successfully passed the recent examination.

It was a pleasant surprise to see John Schneider around the Club the past few weeks. John tells me that he is now associated with the Goodyear Tire & Rubber Co., Aero Space Division, Akron, Ohio. This fall he will enter Harvard Business School for post graduate work.

As the Log goes to press all but 24 members have paid their Club accounts. We greatly appreciate the promptness of most of our members in meeting their obligations. The 24 delinquent members have been sent their third and final notice before being posted on June 1. Again, we urge that the delinquent members pay up and avoid the embarrassment of having their names posted.

***** Commodore Paul W. Holstein

* William Rosebraugh (May 21, 1883 - May 7, 1965) *
*
* We were shocked to learn of the sudden and untimely death on May 7, 1965 *
* of "Bill", as he was affectionately known. As proprietor of the Yacht *
* Club parking lot, he has known about all the members since the beginning *
* of the Club. *
*
* As a boy Bill played on the Club Island when it was a sand bar with a *
* few willow trees on it. It was with the greatest pleasure that we pre- *
* sented Bill with a Yacht Club cap during the Ladies Auxiliary party on *
* April 23 (see Log pictures). We wished that he wear the cap long and in *
* good health. Little did we realize that the time would be so short. *
*
* Bill was an honorary member of the Club, a member of Hebron Masonic *
* Lodge No. 116, Eastern Star, and a 50-year member of the Knights of *
* Pythias. He is survived by two daughters, Alice Rosebraugh and Anna *
* Boling, and two grandchildren, JoAnne and David Boling. We wish him fair *
* weather and eternal good fishing in the waters of the great unknown. *

BLYC Ladies Auxiliary News - Rusty McGinnis

The BLYC Ladies Auxiliary held their monthly meeting on May 11 at the beautiful Walnut Hill Country Club. This is our last town meeting until fall. Future meetings will be at the Club on the second Wednesday of the month. We urge all members, and especially new ones, to attend these summer meetings as they are always most enjoyable. ***** Everyone has received their letter regarding our annual card party to be held at the Club on June 23. The committee has wonderful plans for this is our Silver Anniversary Party. Let's all plan now to bring our friends and enjoy this day at the Club. If we all work together, we can make this the biggest success we have ever had. ***** Anyone who did not attend the Patio Party on April 24 missed one of the most enjoyable evenings at the Club in a long time. Not only did our young members act as waitresses, but put on a fine floor show. They had a lovely chorus line and specialty numbers. The husbands and friends were on in the show or worked with the girls. Our hats are off to: Nancy & Jim Dressel, Judy & Eddie Ballenger, Ginny & Chet DeMary, Carol & Sam Hays, Barbara & Pete Kline, LaRae & Eddie Peters, Marianne & John Rogers, Suzi & Ivan Rollitt, Carol & Gary Wilson, Susie & Steve Butsko, Jure Ballanger, Tim Fisher, Dottie & Tom Davis. George Fisher acted as master of ceremonies, and did his usual fine job. We all thank them for a wonderful party and hope they will do it again. ***** Jane Holstein recently had a group in her home for a brunch. This party was to benefit the Ladies Aux., and everyone had a good time. I understand a group of ladies played cards for three hours before they discovered the deck was SHORT five cards. Someone had the missing cards still in her purse, but no one will tell who it was. ***** The Fisher-Henery-Wood Cancer Ray will hold their next meeting on May 26 at the home of Gladys Lawrence.

Notes from Gov. Gil Martinez

Three new members were voted into BLYC on May 14: Loren E. Vinsel (Lydia) of Zanesville, who was proposed by Gov. Jim McLane and Chet Thompson; Paul K. Durant (Josephine) of Newark, proposed by Bernard Morgan and Roy Hazlett; Jerry T. Needham of Hebron, proposed by Don Downey and Gov. Ken Merrill. Overlooked in the last issue of the Log was Gary Lee Wilson's promotion from Junior to full active membership. An additional three new applicants have been proposed for membership: Dr. William W. Graham (Cecilia) of Buckeye Lake, proposed by Gov. Ken Merrill and Jack Schwartz. Bill is an optometrist in Newark, who owns a power boat and indicates he is contemplating buying a Lightning (Jimmy Dressel take note). Frank Vetter, Jr. (Amy) of Columbus where he operates Vettters Frozen Food Locker Service was proposed by P/C Bob Mann and Charles Schulte. James Cartnal of Newark, where he runs a farm, was proposed by P/C Earl Williams and Com. Paul Holstein.

As of May 14 we have added 23 new members (active and non-resident); with the 3 posted applicants, we are up to 26, or 9 shy of Commodore Holstein's goal.

I want to thank the membership for their cooperation in working out slip assignments. It looks as if we'll have about two or three new members without slips. While inconvenient, we can possibly accommodate this by using slips of members who will take their boats out for vacation, travel, etc. I would appreciate it if those members who intend to take their boats out for any period of time would let me know so that we can plan these temporary assignments in advance. *****

BLYC Gun Club News - Jodi Richards

This past fall saw the appearance of a new and exciting recreation at BLYC. The BLYC Gun Club was organized with Paul Travis being elected its first president. The first order of business was to compile and abide by a complete list of safety rules. These have been posted all winter on the bulletin board for all to consult. Since its inception the club has grown by leaps and bounds and from 7 charter members, has grown to boast over 30. This number does not count the ladies who also enjoy participating in the shooting. During the season there have been several trophies awarded for our sharpshooters. They were received by Jean Sherman and Jo Ann Downey, representing the distaff side, and Zane Sherman and Bob Richards, early leaders in the men's competition.

As the season progressed the club initiated a new revolving trophy, presented for the best score of 200 shots by a member, with a retainer trophy presented each year -- the challenge trophy to be retired if won 3 consecutive years by the same member. The trophy this year was won by "Eagle Eye" Downey -- perhaps equally well known as Don -- for his exceptional skill with his beloved Mossburg.

A special thanks is due Dale Dupler, who, even though not yet an active participant, helped greatly in instigating and promoting enthusiasm for the newborn club. We still have hopes of indoctrinating Bea Dupler as a regular ladies member.

All of the gun club members wish to express their appreciation of the excellent groundwork laid down by their first president, Paul Travis. He devoted many hours and much thought to this new club. He and wife, Gladys, also an enthusiastic participant, have reiterated repeatedly the need for new and enthusiastic members. As a climax to the current season BLYC Gun Club held its first annual post-season banquet at the yacht club on Sunday, May 2. Again, we wish to thank Dale Dupler for his generosity in supplying liquid refreshments, and certainly a special thanks to Ed Wolfe for donating pheasant to make this a real game dinner. I think we can safely say, we closed the season with a bang.

* BOAT PARADE - July 4 *
* It's later than you think. Prepare now to *
* decorate your boat and enter BLYC's annual *
* Independence Day Parade. *

It is very pleasing to note that this month we had more good pictures than we could carry on even two picture pages. Some additional good pictures from the Patio Party and from the Gun Club annual meeting and pheasant dinner (courtesy of Ed Wolfe) will be forthcoming in the next issue. All persons leaving trailers in the parking lot are requested to make appropriate arrangements with Alice Rosebraugh. The usual 15¢ parking fee does not cover the storage of trailers and we should be careful not to abuse parking lot privileges. New boats are breaking out with spring. Paul and Amy Doritan have a beautiful new Trojan 25 ft. cruiser and in the picture section, you will see them aboard the deck of it. George and Pat Perry also have a new Owens cruiser which we hope to see frequently at the Club. Dewey Sehring has snapped his Achilles tendon in the process of demonstrating how you should play basketball. Dewey has had a rough three months with the healing process, complicated by a fall on a rainy day, which reopened the stitches. He is off crutches now and hobbling around. We wish him an early and complete recovery.

You meet the nicest people on a Honda, and some of them pick up rocks from the road in their face. Zane Sherman took a spill while demonstrating how to ride a Honda and has had considerable medical repair digging the gravel out of his complexion. We would suggest sailing, Zane, as a safer sport. ***** Marty Headlee has announced his engagement to Mary Ann Kavanaugh. You will see them pictured. The wedding date has not been set and we will give you more news as it develops. All of our bachelors are getting taken out of circulation. Pete Burns and Joe Outwaite claim to be the only real true bachelors left in the Club. Sorry a picture of the two of them did not turn out properly. **** The Commodore requests that all children stay off the hoist. This is dangerous and can cause heartbreak and physical disability. All parents are requested to help enforce this rule no matter whose children they see climbing on the boat hoist. **** Tim McLane has made an outstanding record for himself as a freshman. He has played freshman football, including two games with the varsity during his first year. Scored a 32 yard touchdown run at fullback in his first game. Has played junior varsity basketball and received a varsity letter in track as a freshman. Excels in shotput and discus, 100 yd. (2.5 seconds) and the 880 relay. Even his brain works, he is a good student and is a member of the student council also in his freshman year. Betty and Jim should certainly be proud of their son, as we all are, and it demonstrates once again what a fine group of youngsters we have around BLYC. **** As we go to press, only 14 members from last year have not paid. This is a remarkable record and a great credit to our very efficient Secretary-Treasurer, Gov. Ed Metzger. We hope these 14 will come through promptly and establish new records for membership with this administration. **** We understand Paul Silcott has bought a penguin for his youngsters and Marty says this brings the fleet up to 4 penguins to race this summer. ***** Anyone wanting to crew on a sailboat, please contact fleet captain, Dave Reynolds, for placement. ***** Gov. Ken Merrill requests that we remind you of the luau under the direction of Bob and Jodi Richards and Dale and Bea Dupler; also the Venetian Nite Party, July 30 -- in charge is Ellen and Lowell Frost. Yardarm Party is August 21; September 4 is the Stinkpoters Party. At the spring meeting of the membership P/C Gus Schell was elected to the nominating committee to represent the membership at large.

* Gov. Ken Merrill announces the Memorial Day Dance *
* Saturday Night, May 29, as usual, beginning at *
* 9:00 PM. Price of admission \$1.50. Everyone come *
* and have a good time. *

The O.I.C.Y.A. 20th Annual Regatta will be held at Atwood June 19th and 20th. Invitations to all are extended by the Vice Commodore, James Tidball.

Another accomplishment of the Holstein Adm. has been to rehabilitate the hoist on the island. The runway has been extended the full length of the hoist for safety, the distance between the rails has been regulated and 4 x 4 rub posts have been put on the inside of the hoist and on the rounded edge of the sea wall to protect boats from damage. Also, an "I" beam is being installed which with the purchase of another electric hoist, will permit a variation of the distance between lifting rings when hoisting boats.

Dear Member:

I am happy to join with our Chief Commander and other National Officers in extending to you a hearty "Welcome Aboard."

You will be interested to know that a "National Headquarters" is maintained for the Squadrons at Englewood, New Jersey. Here the membership and dues records, mailing lists for THE ENSIGN and the stocks of USPS educational course materials are maintained. If you have any questions or require any information, consult with your Squadron Commander or Squadron Secretary. However, if need be, our staff of employees at National Headquarters will be glad to be of assistance.

I enclose herewith your membership card, a USPS lapel button, the CONSTITUTION AND BY-LAWS, and other current items which, as a member, will be of interest to you.

Sincerely,

Nick Tiburzi, N
