

BUCKEYE LAKE YACHT CLUB

LOG

DECEMBER, 1965

Notes From The Commodore

Work Day was well attended and thanks to the many unselfish labors on the part of so many members, the Club is ship-shape for the winter. P/C McGuiness was particularly helpful with his knowledge of the bubble system. Our thanks to all for helping.

The Halloween Dance was a great affair. Some of the costumes are recorded on the picture pages. Gov. Walker and Dale Dupler had a bit of trouble, in that the band they had hired never showed, but no one missed it. The costumes were so intriguing that the judging was delayed as more "Characters" kept coming in. After the judging, Dr. Billy Graham went home to bring back his electronic organ and accompanying stereo and provided best-quality music for the rest of the evening. Bill and his lovely wife, Cece (Cecelia) are new additions to our membership and we welcome them.

Trophy Day was Sunday and it was a good turnout. Tis good that the trophies covered more people this year. The old perennial winners are being pressured by the many newcomers, and this is fine for the sailing fleet. This year we presented the Rosebraugh trophy for the first time. A committee headed by Bob Mann selected Dean Volmer as the most improved skipper in the Club and, as such, is the first winner of this new, valued trophy.

You may be interested to learn that the pathologist's report showed conclusively that Herb Smith did not die of a boating accident, but was victim of a heart attack which was instantly fatal. Mary and Carol Smith are living at 1829 Ardleigh Rd. in Arlington and we hope to see them at the Club during the winter holidays.

We are looking forward to a good ice boating season. The lake will remain at its present level and I would like to express our appreciation to Jack Steele for his cooperation in minimizing ice damage. Eddie Ballenger has again been appointed fleet captain of the ice boating fleet. If the ice boat racing warrants it, we will have trophies for the winners of the races.

Please note the entertainment on December 4th. A good program is planned and we would like to see a good crowd.

New Year's Eve is one of our two traditional occasions; the other one being the Commodore's Ball in the spring. The Board of Governors has been requested to attend the New Year's party in tuxedos, but dress for others is optional. I hope to see you there.

I want to personally thank Joann and Don Downey for the splendid junior party. It was enjoyed by all and they made a great effort to see that the kids had a wonderful time. BLYC is a family Club and we are proud of this.

***** Commodore George A. Offenberger

BLYC Ladies Auxiliary News - Joann Downey

There was a good turnout for the November meeting. Jane Langley had a nice line of Christmas items to offer for sale. A champagne raffle was held. Lois Hill was the winner.

Dorothy Meacham is having a cocktail party at her home, 4196 Astor Avenue, preceding the December meeting. The time is from 6:00 to 7:00.

Marge Cox is hostess for the meeting, to be held at the Walnut Hill Country Club. It will be a Christmas Party -- everyone should bring a \$3.00 gift for exchange.

The Fisher-Henery-Wood Cancer Ray is again sending out an S.O.S. for any old sheets, white shirts and pajamas. If you have any, please contact any past president or bring them to the meeting or the Club. They will certainly be appreciated.

The stork seems to favor the Ladies Aux. this year. We have three who are infanticipating! Nancy Dressel, Susy Rollitt and Ginny DeMary, Jr.

If anyone has any bits of news and items of interest for the Aux., please contact me so we can get it in the Log. Thank you. ***** Joann Downey

Notes from Gov. Ray Walker - Entertainment Chrm.

December 4th -- 9:00 P.M. till midnight -- is a get-together party when we will be entertained by recording stars, the five Blue Grass Ramblers. Dale Dupler and his "tigers" -- Ginny and Chet, Judy and Ed, Annabelle and Woody -- are hopeful that you will get your one dollar's worth of fun and frolic. Why don't you come over to the Club for dinner and make an evening of it. Dance by firelight and sing with all of us.

According to the best statistics available, December 31 is New Year's Eve this year and in celebration of the New Year approach, we are looking forward to a 'history making' New Year's Eve Dance and Breakfast. All the dancing you can crowd into the hours of nine till one -- all the noise makers you can use when the New Year arrives -- and at one o'clock sit down to a delicious Theda breakfast. If all this doesn't strike you as a bargain at only \$5.00 a piece, then come anyway and find out about the surprise events that are being dreamed up. Some men will wear formal and some business suits, but everybody will wear a smile when 9:00 P.M. New Year's Eve starts off with the first dance. Dale Dupler and his committee have promised a good time for all.

Notes from Gov. Gene Hays

At the October meeting of the Board of Governors JOHN A. POE (Margaret) 4611 Ellery Dr., Columbus 27, was accepted as a new member. We welcome him aboard. The Board also accepted as a new member DAVID A. McLAUGHLIN, 907 S. Harris Ave. David is in real estate and was proposed by Richard Nairn and Ray Walker. We also welcome him aboard.

I also wish to announce the new members of the Facilities and the Membership Committees. They are as follows:
Facilities: Bob Mann, Jack Schwartz, John Titus, Gene Hays, chairman. Membership: Woody Johnson, Dale Lawrence, Red Klein, Chester DeMary, Vern Porter, Walter Rosshirt, Harry Shaw, Gene Hays, chairman.

BLYC Gun Club News - Jodi Richards

On Sunday, October 31, an election of officers was held. R. E. "Pete" Burns was elected President; Bob Richards is Vice President; Don Downey was elected Treasurer. The BLYC Gun Club has been actively shooting for the past four Sundays; however, the turnout has been a little disappointing in view of the beautiful weather we've had. We now have 49 members and membership is open to any Buckeye Lake Yacht Club member.

The first 200 Shoot will begin officially Sunday, Jan. 2, 1966 and we hope more members will join us for practice shooting before this date. A General meeting was held

Sunday, Nov. 14, at which a Constitution for the governing of the Club was introduced. This is a most invigorating winter sport and we hope more shooters will join us.

I.L.Y.A. is meeting in Cleveland Dec. 4 and Cliff Dum is our official delegate. Earl Williams and Russ Luchtenberg will also attend. ***** Theda has been instructed by the Board to close the kitchen on Monday and Tuesday effective immediately and to continue until a date in the spring, to be set by Gov. Boswell. She will still be available for special events on these days if you wish to make arrangements with her. The amount of business on Mondays and Tuesdays during this season of the year does not warrant keeping the kitchen open. ***** The Governors have approved the Christmas party of the Coast Guard Aux. to be held at the Club on Saturday, Dec. 11. Members will continue to be served in spite of the party, which will not occupy the Gob's Mess. ***** The Governors have authorized the Commodore to hold new memberships at the total of \$114.00 for a period of a special membership drive. This means that the initiation fee is reduced from \$78.00 to \$56.00, and this makes membership a bargain. A total of \$114.00 pays complete initiation and dues up to May 1 of 1967. Let's get those new member applications. ***** Alice Rosebraugh has very generously offered us free parking at the New Year's Eve Party. This is a wonderful courtesy to all of us and we are continually grateful to Alice for her kindnesses to the Club members. ***** Geoffrey Dum (son of Cliff and Dottie) will arrive home on the 8th of Dec. from Long Beach, Calif. to attend his sister, Carol's, wedding on the 11th at Riverside Methodist Church. He will serve as best man in the wedding. ***** Judy Ballenger advises that a pair of shoes was found in their white station wagon the Lightning week end of the Snowball Regatta. If you lost a pair of shoes, please contact the Ballengers. ***** We are most pleased to report that P/C Lowell Frost left the hospital on the 13th of Nov. We just called him to find out how he was and found he was out at the Scioto Inn with the boys, so it is wonderful news that he is back in circulation. Ellen reports they hope to be at the lake this week end.
