Buckeye Lake Yacht Club

DECEMBER - 1968

COMMODORE COMMENTS: THE BEST TO YOU IN THIS HOLIDAY SEASON! MERRY CHRISTMAS, AND EVERY GOOD WISH FOR THE NEW YEAR!!!! It isn't often a person has an opportunity to express his greetings this way, but this time of the year, who could resist? The fellowship and association with so many fine people brings on a humble feeling, and one of gratitude. Ah! Such a great Club this is!!! My special thanks go to your Board of Governors who have laid the firm foundation which can only mean this year will be one of the best in the history of BLYC. You have my promise of last month that my column would not be as 'windy' this time, so without further delay, below are listed some of the comments you, the Membership, wrote on the recent poll. These are your Christmas 'presents' to the Board of Governors. Serving on the Board seems to attract vocal disagreement on various occasions, and it is seldom that members who do appreciate the efforts of the Board are given the vehicle to express that appreciation. The poll has made it obvious there are many members who do. You can talk about a morale boost, but believe me, this has been one of the greatest!!!!!!!

- *"The Board's decision is the fulfillment of their duties."
- *"I want the officers and Governors to know I really appreciate all the time, work and effort you have put into this very difficult situation."
- *"The Governors seem to have done their homework. Good show!"
- *"The reasoning to elect Governors that have the capabilities to make decisions for the good of the Club and members should not be changed."
- *"Why the hold-up? In the long run, you'll get better members."
- *"I am thankful in this case that I am not a Governor. My decision is whatever you decide...may I take this time to thank you for your extra effort given this matter for I realize it is of great importance."
- *"A well thought-out decision."

Personal thanks go to all Members who commented and returned their opinion of this action.....COMMODORE ED METZGER

IT IS INTERESTING to note the activity of the Liquor Department in regard to non-permit premises. Bear in mind the article states "enforcement agents", and also the premises did not have ANY permit.

*The following is a complete paragraph from The Ohio Department of Liquor Control newsletter, DOLC NEWS:

"Enforcement agents conducted 79 non-permit raids during the third quarter of 1968. The 376 persons arrested were tried on 441 charges 414 of which were proved. Those found guilty received fines of \$20,430. and jail sentences totaling 1,004 days."

Here is another: "Most frequent citation charges (Permit Holders) were:

Sunday sale, 167
Sales to Minors, 129
Minor drinking offences, 90
Sunday Consumption, 74
Furnishing liquor to minors, 38."

*(Complete article from which these were quoted is posted on Club Bulletin Board for your further inspection.)

Everybody is looking forward to an excellent season of Ice Boating, Skating, etc.

CLARICE MCGINNIS: 12/19/11 - 11/21/68. We all mourn the passing of 'Rusty' last month. She leaves quite a void at the Club, and 'Mac' can be assured the members will not soon forget her work around the Club, especially as she was the President of the Ladies Auxiliary this year, and had looked forward to serving even more in that capacity. You have our sympathy, Mac and Joanna.

BLYC expresses their sympathy to R. C. Murray Headlee on the death of his mother.

GOVERNOR RAY WALKER reports that new menus (Gob's Mess) and prices are being printed for the Dining Room and Kitchen and will be available soon.

GOVERNOR HENDERSON will award Burgee for first signature of new membership petition received by March 31st.

Jane and Kenny Merrill have an exciting trip coming up starting December 28th. First, the Rose Bowl, then on to Hawaii and return by way of San Francisco. Have a wonderful time!

We also extend our sympathies to June Headlee on the passing of her step-father.

We wish success to Jane Langley, our new President.
