Buckeye Lake Yacht Club

JULY 1969

FROM THE BRIDGE: This issue sounds a sad note in one respect. The Secretary must list for the edification of all Members the loss of Members for the year, 1969. The names are in this issue and reflect a sizable number going off the rolls. We regret this very much, as I feel personally this Club is now offering added benefits which just a short time ago were not available. The happy part of this, however, are the new Members. We are really rolling along on this. The new members acquired this year appear to be most interested in the Club and it is hoped they will continue to be for many years to come. I hope we do everything to make them feel at home. The New Members' Party scheduled for August 2nd, will give you just the opportunity. There will be a receiving line of all new members and their wives with the Flag Officers in the Lounge beginning at 6:30 P.M. EVERYONE IS URGED to come through the line when you see it forming, shake their hands, connect the face with a name and show we want them and we are not snobby or snooty or anything else which means the same thing!!!!. The sailing schedules are going well, the Junior Training Program is well off the ground, all partys are being well attended, week nights see a great number of members and their families coming out to the Club for dinner and an evening of just plain enjoyment and association with friends, the bar is doing well and on and on and on..... The Governors have been very busy these past meetings. We do not intend to shrug any duties at this late date, as is evidenced by the almost 40 hours of meetings to date during the year. Naturally, there have been discussions among the Governors in addition to official meetings and added to the many telephone conversations, letters and such, you can rest assured, the Club really got its moneys worth from this Board of Governors!.....I will soon be singing my 'swan song', but will reserve my personal comments for the next issue. It can be said, this year has been one year I will never, never forget. It is certain to bring good things to my mind for years to come and I hope to yours too.....REMEMBER NEW MEMBERS' PARTY: 8/2/69 and THE "BLAST" FOR THE YOUNG PEOPLE noted elsewhere in this issue.....JULY 29th!! BARBERSHOPPERS!!!!.....CORDIALLY, COMMODORE EDWARD C. METZGER

JUNIOR RACE WEEK: PUT IN BAY: JULY 28, 29, 30, 1969! ILYA: BLYC will be represented at Bay Week by Skipper Matt Fisher, and his crew, Jeff Metzger and Jeff Cowden.

Matt, was selected by the results of the five race series in the Ohio-Indiana Districts. He and Gregg, were given the opportunity to choose their best four out of five for their efforts to be chosen as our crew this year. Unfortunately, Gregg, had a disqualified race to his credit and when added up, Matt, came out with more points for the series. We will all want to wish Matt and his crew well in this up-coming event. Bring home the hardware, boys!!!!!! We will all be cheering you on.....

Gov. James Dressell;
Junior Training Chairman

OHIO-INDIANA LIGHTNING DISTRICTS: The annual event was held at Cleveland Yachting Club on July 11, 12, 13. BLYC made a terrific showing as Skipper Jim Dressel, took home top honors by a 3-1-2-1-2, and just edged out Skipper Marty Headlee, by two points. Marty, had a 1-4-3-2-1 in the five race series. The races were held from one to two and a half miles out in the Lake in air from very light, to medium, to heavy! Skipper Ed Ballenger, had tough luck when he went over in the heavy air race in the second of the series. No permanent damage except to his pride....Skippers Gregg and Matt Fisher, were real close in the series with finishes Gregg: 28-16-33-16 and Matt: 26-21-35-15. Then the final race, Gregg fouled and had to drop out, but this race brought in seventh place to Matt, and Ed Ballenger captured a fourth on this one. Out of 43 entries in the field, BLYC can be really proud with the Lightning Fleet. CYC came through also with great people to take spectators out to view the races and your Commodore and his wife were guests Saturday and Sunday of truly gracious people, Mr. and Mrs. Robert L. Hartford aboard their 31' Chris Craft Commander. "Peg" and Bob displayed the traditional courtesy and then some! The CYC Commodore, F. H. Roth, extended the Commodore Ensign to Comm. Metzger, at his table during the banquet, Saturday evening. All of you should some time, take the chance to visit this fine Club. Again, our thanks to CYC for a wonderful, not a "soon-to-be-fortotten" week-end!!! Standings of interest.....

OPEN LETTER TO MEMBERSHIP: It would be impossible to express my gratitude to the many members who wished me a Happy Birthday the week-end of June 27th. I wanted to take this opportunity to make an attempt to at least get some word out that I was a very happy guy with all the well-wishing. It had to be the longest birthday anyone ever had. All Ohio Youth Choir being at the Club. One hundred thirty eight young people who brought tears to many of the members' eyes who came out to hear them; This brought on by hearing the "Battle Hymn of the Republic". The 150 audience were thrilled for the hour and fifteen minutes of a truly delightful evening. Overheard on the porch: "Now, how in the world can the Club top THIS?" Thanks also to the many donations of the food served the choir. Everyone gave when asked and we were able to feed everyone. You can believe this or not, but they thanked US when leaving the island. Commodore Ed Metzger
