## FROM THE BRIDGE

On Sunday, September 20, 1970 our membership has the opportunity and the responsibility to elect nine good men to serve on the Board of Governors for the coming year. The elections take place at the Club from 9:00 A.M. to 1:00 P.M. when the polls close. It is expected that the candidates for this high office will host the rest of us on the porch Sunday morning. So come ready to enjoy the finest in viands and each candidate wocs your vote. This is a very important day for the Club as the management of the Club is actually in the hands of the Governors - so be sure to vote and vote wisely.

Following the election at 3 P.M. on Sunday, September 20th, the Annual Membership Meeting is held. Each Governor will give a report to the members on the operation of the committee that he has been responsible for during the year. The results of the election will be announced along with several announcements of considerable interest - don't miss this.

The Pre-Election get together will be held on Saturday Evening, September 19th. All the club members are invited to a cocktail party this same evening from 7 P.M. to 8 P.M. as guest of the Commodore. After dinner, each canidate for Governor will be presented to the members and will be given an opportunity to be seen and heard.

The Watch on the Bridge is about to change so I would like to express to the Governors of this passing year my personal appreciation for the co-operation and the assistance they have been to your Commodore in the conduct of the Club's business.

It is only proper that I thank the Commodores of previous years for their support and good council during this year. This Club is, indeed, fortunate to have so many Commodores watching over the operation of the Club.

Any Commodore who has had the friendly cooperation of the membership that I have had, is indeed fortunate. I am sure not every member has been entirely happy with the operation of the Club in all its many details, but I must say they have been willing to do their best to "go along". I feel that I have enjoyed the harmony of the Club during this year. This has not always been because we have done everything to please everybody (that would be impossible) but you members have been big enough and loyal enough to the Club to overlook our short-comings. May I thank you all for your help and understanding. - I will always remember the members of this Club as an outstanding group of men capable of working and playing together in sunshine of friendliness, understanding and in harmony with each other.

Thank you all!

Ray Walker  
Commodore

N O T I C E !!!

There is a large accumulation of personal articles that have been left at the club.

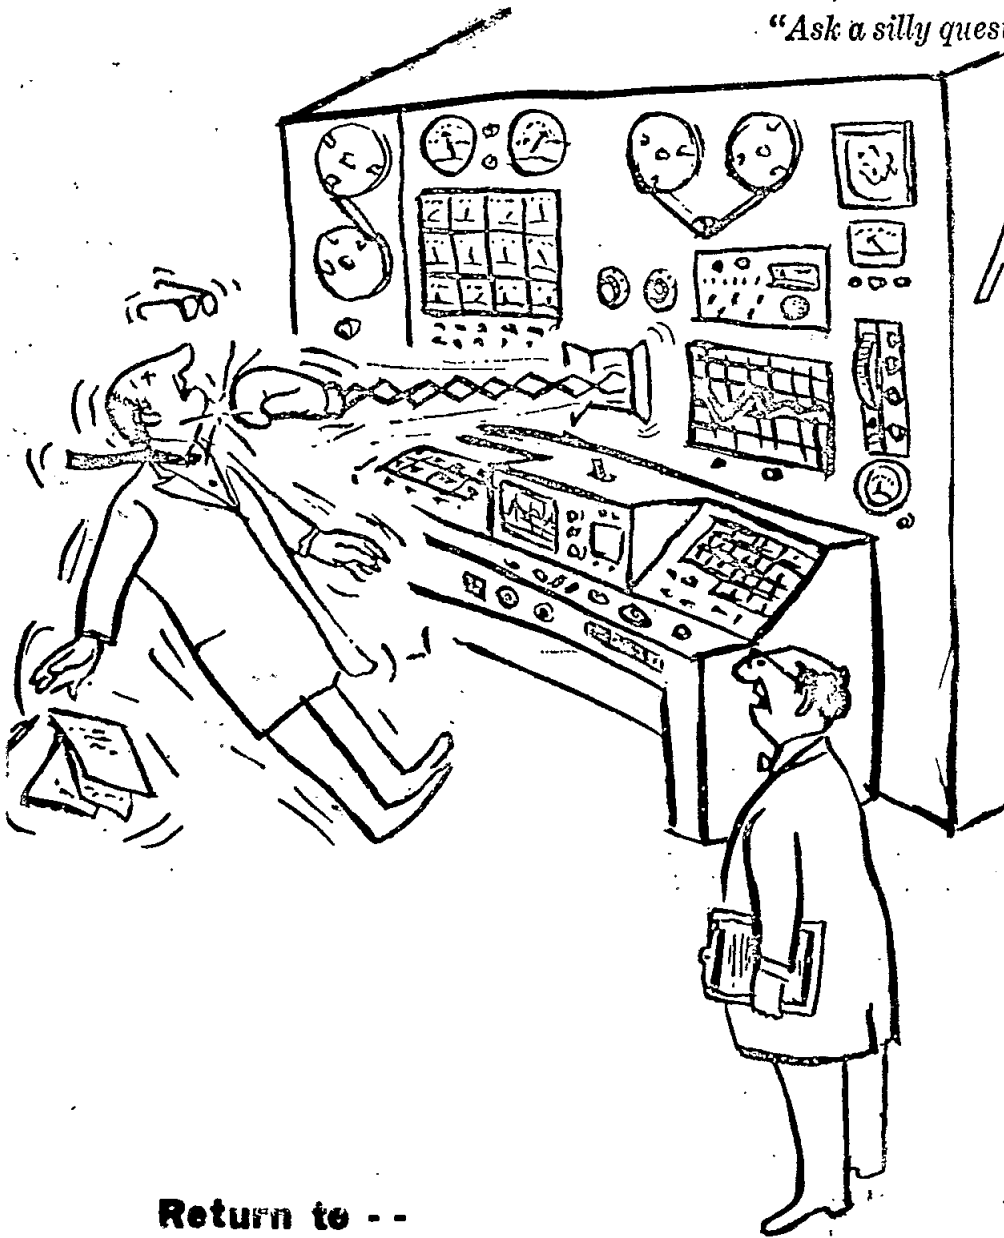

Dorothy has boxed these and if you are missing anything, you should go thru these because they will be disposed of by Oct. 1st. Clothing, bathing suits, life vests, shoes, etc.

Also quite an accumulation of things under the Club. 50 gal. barrels, small boats, cradles, etc. If you place any value on any of this, it must be removed from the island by fall work day. Nothing can be stored under the Club unless prior arrangements are made with the Governor in Charge of facilities.
