

Buckeye Lake Yacht Club

LOG

FROM THE BRIDGE * * *

MAY, 1971

The spring meeting was well attended, and the Board would like to thank the members for their interest and attendance.

We are sorry for the inconvenience caused by the construction, but it must be done when weather and manpower is available.

There are 28 new members among us so far this year and 7 or 8 more being considered for membership. We certainly want to welcome them and hope all old members do all possible to make them feel at home. I would like to suggest that the new members read the rules in the blue 1969 roster which was sent to them. I'm certain it will help to know what can and cannot be done on club property. One of the more important of these rules concerns safety. All children under 12 must wear life preservers when on the island. I'm sure the Dressels will agree with this. Amy caught a 6-inch fish and she claims it pulled her in. No harm done; she had on her preserver.

Spring is here for sure now. Kyle Armstrong and the Martins have arrived, and this is a sure sign. So come on out and enjoy the Club.

MURRAY A. HEADLEE

LADIES AUXILIARY

Nancy Dressel

The May meeting was held at the Kahiki and was a most enjoyable evening. The party room was lovely and the food was excellent. There were twenty-six members and four guests present. B. J. Henderson was the lucky recipient of the pretty Bird of Paradise arrangement.

Susi Headlee wants to thank her committee for all their help on the May 1st auction. So thanks to June Jacobs, Dottie Davis, Sue Metzger, Annabelle Johnson and Cece Graham. The ladies auxiliary says Hats Off to Susi and her committee for a job well done. The evening was a smashing success and produced a grand total of \$1,100.00 for our treasury. A very special thanks to our auctioneer, Ivan Rollit. For without him, this party would not have been the same. He truly made the evening a success and we are all very grateful to him.

I am very sorry to report your good friend Maxine Yoerger is in Riverside Hospital where she has recently undergone major surgery. I am sure all cards and thoughts will be appreciated. We hope to have her back with us very soon.

Cliff and Dottie Dum are proud grandparents of a grandson. Son Geff and wife Carol are the parents. They reside in San Gabriel, Calif.

The Ladies Auxiliary has presented the club with a new portable bar to replace the old one. The next time you are at the club take a look at this newest addition.

LaRae Peters has been in the hospital in traction with a back problem. She is home now but still having trouble. We all hope she is up and around again real soon.

Ginny Rosshirt, Maintenance Chairman, in behalf of the Ladies Auxiliary would like to thank Clark Converse for renovating the exhaust fan in the ladies restroom. Clark donated his time and effort and all the ladies thank Clark for being so thoughtful.

Ladies, let's get busy and sell our raffle tickets for the June card party. Anyone who cannot sell her tickets please return them to Joan so she can give them to someone who will.

The June luncheon will be at the Yacht Club the second Wednesday of the month. Please mark this date on your calendar. Hope to see you there.

JUNIOR TRAINING

Gov. Jim Boudrie

We are fortunate to have Chip Ballough returning to B.L.Y.C. for the 1971 season. Most of you will remember Chip as an ardent and dedicated skipper with a wealth of intercollegiate and regatta experience. We are fortunate to have such an enthusiastic and competent young man to head up our program.

We will again offer the Apprentice, Mate, Skipper and Master Sailor courses. Also, if there is sufficient interest, we will initiate one of more courses for ladies. This is your chance, gals, to become familiar with the basics or even to become a skipper (skipperette?). Whatever your choice, sign aboard for a lot of fun.

The Sears Cup competition will again be held at Put-in-Bay and, as in the past, we plan to send a team to represent B.L.Y.C. In the past, our youngsters have distinguished themselves as outstanding young ladies and gentlemen and also proven themselves to be extremely capable sailors. All 13 to 17-year-olds are eligible and further information regarding try-outs for the four team positions will be announced later.

The Sailing season is just around the corner, so send us your application today! Remember, all children 7 years old and up are eligible for at least one of the courses. Ladies, - any age - are especially welcome.

1971 INSTRUCTION SCHEDULE

GOOD SAILING!

SPOT LIGHT

You have all recently received a letter asking your support in the drive to raise funds for the purchase of a Thistle class sailboat to be used in the Sears Cup competition at Put-in-Bay and other inter-club events in which our junior sailors will compete. This drive was authorized at the semi-annual meeting and a committee has been appointed consisting of the following members: Ed Ballenger, Jim Boudrie, John Moore, Jud Ortman, Ivan Rollit.

We hope to accomplish our objective by asking B.L.Y.C. members to support this most worthy endeavor by purchasing a plank in the B.L.Y.C. Thistle. A plank will cost \$25.00 and plank purchasers will be suitably remembered by having their names inscribed on a plaque which will be presented to the Club for permanent display.

The Board of Governors has promised a \$500.00 donation and between fifty and sixty planks have been either sold or subscriptions promised. Let's all get behind this and give our JUNIORS the support they deserve. Send your check to any of the above committee members.

PORCH AND GROUNDS

Gov. Vern Porter

Cement work including new sidewalks, repair of the existing ones, and extension of the patio should be completed by Memorial Day. The porch floor has had two coats of paint. The shrubbery is trimmed, edged and mulched. Flowers are blooming in the flower bed. Work day volunteers were "ready, willing, and able." Their spirit and efficiency were most commendable (see below). The porch is ready---all we need is some warm weather. Please help keep the porch and grounds attractive by not throwing debris on the ground or into the shrubs.

WORK DAY CREW included Wilbur Wuellner (7), Gov. Jack Beeson (8) and V.C. Limes, Comm. Headlee, Walter Rosshirt, Gov. Hein and Woody Johnson (9). Jeff Metzger (10) and Comm. Wilson going great guns (11). Dr. Charles Greiner shows new member Hinton Morris how the session is traditionally concluded as Gov. Ira Korst looks on with approval (12). Over 40 members turned out and much was accomplished. We are now ready for the summer season

Random shots of the Ladies Auxiliary party and auction on May 1, show Bev McClure (1). The untiring Ivan Rollit who was a real pro (2), with Anabel Johnson and others to deliver the purchases. (3) Judy Ballenger makes presentation of the new portable bar. (4) Merchandise on display, all donated. Committee chairman Suzi Headlee with June Jacobs and Judy Ballenger (5). Martha Schell and Phillip ponder a bid (6).
