## FROM THE BRIDGE ★ ★ ★

OCTOBER, 1973

To have been elected Commodore of Buckeye Lake Yacht Club is a distinct honor which I humbly, yet proudly, accept. The Board of Governors joins me in expressing to you our sincere appreciation for having given us your support during the recent election. We shall strive to earn your respect and continued support.

The committee assignments have been made, and they read as follows:

Vice Commodore Robert E. Dye . . . . .	Membership/Bar
Rear Commodore Robert E. Preston . . . . .	Kitchen/Recording Secretary
Governor Robert W. Halterman . . . . .	House, Porch & Grounds
Governor Ralph D. Gardner . . . . .	Docks & Facility Assignments
Governor Frank A. Bentz . . . . .	Entertainment/Social
Governor Robert Wachtel . . . . .	Log & Directory
Governor Carl Petersilge . . . . .	Race/Regatta
Governor Thomas Greiner . . . . .	Junior Training

Further, it is the Commodore's responsibility to appoint Duty Officers for the various functions:

Fleet Captain (Sail) . . . . .	Commodore George V. Fisher
Fleet Captain (Power) . . . . .	Robert Baughman
Fleet Surgeon . . . . .	Dr. John F. Perez
Fleet Measurer . . . . .	John C. Beeson
Parliamentarian . . . . .	Commodore Paul W. Holstein
Historian . . . . .	Commodore Edward C. Metzger

Please keep the assignments of the Governors and Duty Officers in mind, and don't hesitate to call upon them if you have questions or suggestions pertaining to their respective areas.

We have spent the last two weeks in becoming organized to allow us to have a successful Snowball Regatta and to continue our programs in a manner to satisfy your expectations. We are fully aware that we need the full support of all the membership to be successful. In the spirit of cooperation and mutual responsibility and support, we are asking you to spare a few hours of your time on Sunday, October 28, starting at 10 a.m. during our WORK DAY. Come out and help us winterize our Club and prepare it for our winter activities. As Commodore Limes used to say (and I see no reason why I shouldn't continue to use it once in a while), "yours for a bigger and better Yacht Club."

# LADIES AUXILIARY

Margaret Bateman

Hi, Everyone -

We're off to another great year. Wasn't election week-end terrific?  
Congratulations to all!

We in the Ladies Auxiliary are all pleased with our new officers also and looking forward to another "bang-up" year with Joan Hein, President; Bernice Greiner, Vice President; Peg Beeson, Secretary; and June Jacobs, Treasurer.

Sad news, - Fran Sayre was stricken with a cerebral hemorrhage on September 15. She is in Riverside Hospital. Let's be sure she knows we miss her and are thinking of her by keeping the cards headed her way.

Happy to know that Sue Metzger is home from Grant Hospital now.

Our October meeting was held on the 9th at Reeb's Restaurant, with 31 members and 3 guests. Had a wonderful dinner! The lovely centerpiece was made by Eleanor Cooper; Patti Greiner was the lucky winner. Sue Headlee, June Jacobs and Nora Ballenger made the adorable favors.

Celebrating birthdays this month are Doris Dye, Winnie Ebert and Helen Limes.

Bev Moyer and her committee have worked hard on the Snowball, and last week-end was certainly a success. Catherine Woodward was Chairman for the Highlander week-end cocktail party. Helen Limes is in charge this coming week-end (Lightning).

NOW HEAR THIS!! President Joan and her committee have a really elegant evening planned for us on Saturday, November 3, from 6 to 10 p.m. A CANDLELIGHT CHAMPAGNE DINNER DANCE. Guests welcome, but reservations must be made in advance. Your check to Sue Metzger is your reservation. Joan and her committee are spending a lot of time and putting forth a lot of effort on what will surely prove to be a tremendous evening, so LET'S ALL BACK THEM UP and plan to BE THERE ON NOVEMBER 3 at 6 p.m. MARK YOUR CALENDAR NOW.

The Halloween Party will be Saturday, October 27. Cocktails at 6:30 p.m.; dinner at 7:30 p.m.; and Dancing from 9 p.m. to 12 midnight. Costumes optional.

November meeting will be held in the Officers' Club at the General Depot.

# ENTERTAINMENT

Governor Frank Béntz

JOIN THE FUN TEAM!!!!!!!!!!!!!!

Dear B.L.Y.C. Member:

Here we are approaching the new year at B.L.Y.C. Another year of fun, fun, fun!!!

As social and entertainment chairman this year, I would appreciate any help or talents you might have. We are looking for ideas. I know many of you have made the statement at one time or another, "I wish we would do this or that again; it was the most fun we had at the Lake." Now is the time to tell someone who can do something about it. Call me or write me any time. I'm a good listener, and I promise you action.

DIAL "FUN" (614/522-1265)

If you would like to serve on the committee, I promise you fun. There is nothing more pleasant than helping people enjoy themselves. For example, if you have an art talent, share it with others by helping decorate the Club, and we will all have a good time.

Your Good Humor Man

# GUN CLUB

Rear Commodore Bob Preston

The B.L.Y.C. Gun Club will open its winter trap shooting season on Sunday, November 18th, at 1 p.m. This delay is due to other Club activities. We are planning on holding two informal shooting periods. These will be for persons desiring a warm-up session before the regular season, or any person desiring instruction or simply wanting to try their hand at a new sport. These will be held on Saturday afternoons, November 3rd and 10th. All shooting is subject to boat traffic.

# STATE OF THE LAKE

## THE CHEMICAL STATUS OF THE WATER OF BUCKEYE LAKE

On Saturday and Sunday, the 6th and 7th of October, a number of water samples were taken from the lake at the Yacht Club. The water of the lake was found to be slightly acid. This would be consistent with past reports. The lake was formerly an acid bog, and this acid condition has continued to the present.

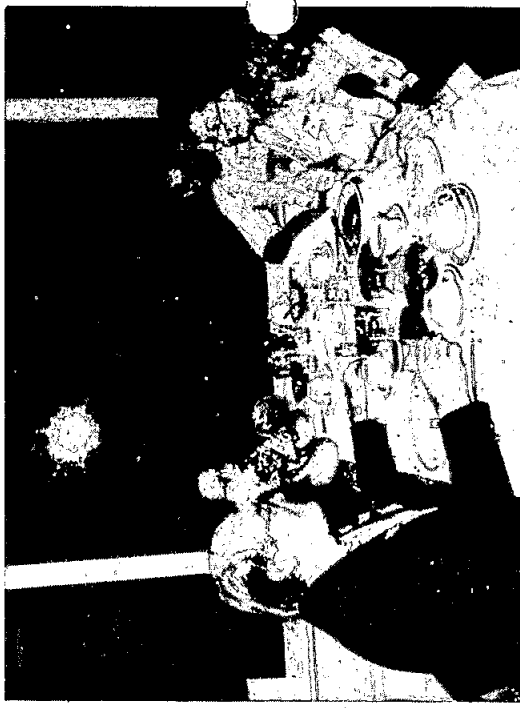

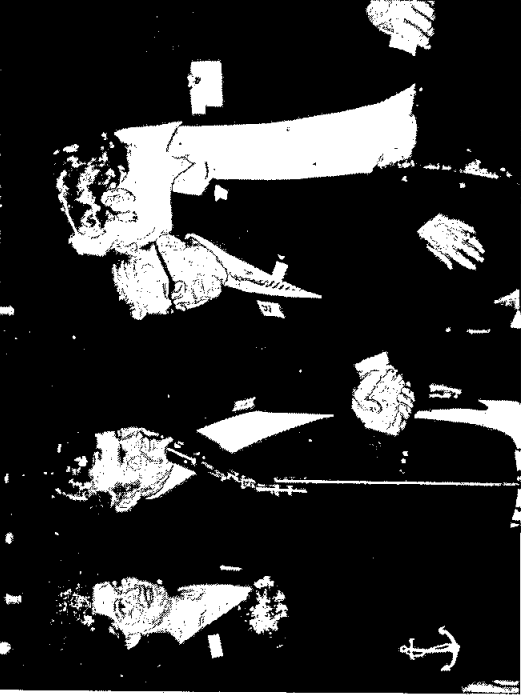

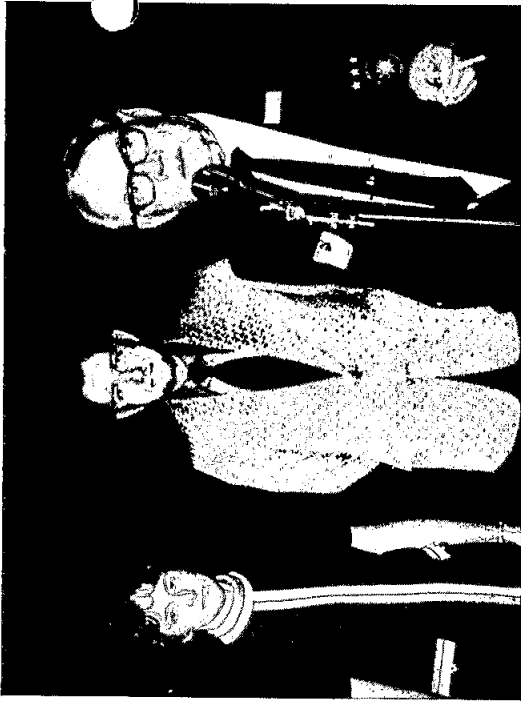

The oxygen content was eight parts dissolved oxygen per million parts water. This high amount of oxygen shows why the lake is well noted for its fishing. In a highly polluted lake, the dissolved oxygen is usually down around zero.

It was surprising to find that the total amount of phosphate in the water was only three milligrams per liter. This is a fairly high amount, but not what was expected with the amount of detergent suds floating on the surface of the water during the past month. The reason for the low test is probably because of the acid condition of the lake water.

Carbon dioxide gas in the water was found at a fairly high level of ten milligrams per liter of water. This would also contribute to the acid condition found in the lake.

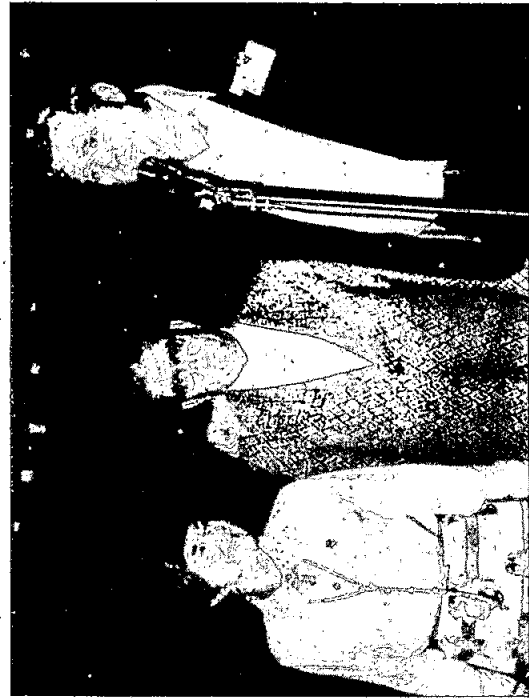

The chemical test for ammonia showed point seven milligrams per liter of water. This is a fairly low level and shows that the lake is not being overly polluted with raw sewage. This type of sewage is being treated before the affluent is dumped into the lake or its tributaries. The one concern is the abundance of detergent in the lake water. There must be a number of open drains from kitchen sinks and from washing machines pouring detergents directly into the lake without treatment.

Over all, the chemical status of the lake water looks good!

## COMMODORES ASSOCIATION

Edward A. Metzger  
Historian

The COMMODORES' ASSOCIATION has presented to the Club a plaque honoring the crews representing B.L.Y.C. at Put-In-Bay at the I-LYA Junior Regatta. The year it begins is 1968, and it will accept a total of twenty years' listing of all the names of the young people regardless of where they ended up, and in fact will not show the finish at all. This is intended to give some recognition to these people who, after all, are a reflection of our Club in their behavior and sportsmanship while involved in this competition. The records indicate the following crews prior to the year 1968 and who went to the Bay beginning with 1963. The year 1965 is blank, as the record does not show this crew. If someone knows who went that year, please call me at 237-5449.

## NOTEWORTHY

Our sympathy and prayers to Fran Sayre during her serious illness. Cards and flowers may be sent to Riverside Hospital

Congratulations to Murray Headlee on his retirement. At a party honoring him, first prize went to the giver of a horseshoe whose gift was intended to bring him good luck.

Sue Metzger is home from the hospital and still confined to her home, but doing great. She might appreciate a call.

Many thanks to Winnie and Howard Glenn for their donation to the Club of a cut glass salad serving set.

Anyone wishing to donate old Christmas decorations and lights for Club decorating, call Doris Dye at 231-4326. We'll pick up if necessary.

The picture spread this month is compliments of Earl Williams. On short notice and with borrowed equipment, Earl took a busman's holiday and shot the election eve party. Thanks, Earl. (You can find Earl at Howard Studios in Newark if you need some work done.)

New member John Condit is a marine biologist. After hearing many conflicting reports about the lake, John volunteered to test it for us. His report is on Page 5. We hope that John will do other articles about the Lake for us.

This will be the last education of the Log on slick paper. By its nature, we need a quick printing procedure for the Log, and these presses are not able to use the quick dry ink needed for slick paper. We have already picked out a good quality replacement. If you have any ideas to contribute, call the editor immediately.
