LOG

FROM THE BRIDGE ☆ ☆ ☆

MARCH, 1976

About sixty days have passed since your last Log and your Governors have been busy compiling the coming events. The summer calendar is filling nicely with hopes for an excellent season. The unofficial season starter will be Spring Workday on April 7th, and the more official event will be the semi-annual meeting on May 2nd. Please try to attend both of these important Club activities.

Bill Rushay has asked to be replaced as Secretary-Treasurer because of pressing business responsibilities. I sincerely thank Bill for the dedicated duties he performed during his tenure. The Club underwent a pressing financial period, and Bill was instrumental in providing the information and recommendations required for good management. The job was really well done.

Commodore Metzger has graciously accepted, again, to come out of semi-retirement and serve as Secretary-Treasurer; Commodore Lambrecht has agreed to chair a Long Range Planning Committee for the betterment of the Club. This is a noteworthy activity and I ask each member to give his full support to Chris. A report will be presented at the Annual Meeting; Commodore Cox has volunteered to install some additional landscaping for the area behind the Club; Commodore Rollit has again contributed several hundred pounds (tons ?) of steel. This time for improvements of the service area. It is very nice to see all of the Commodores appear in February. Can Spring be far off?

I close on a note of sorrow. With a heavy heart I mark the passing of Ed Peters. He was a good friend to all and much more to many.

ROBERT E. PRESTON
Commodore

SAILING

VENTURE FLEET

Dave Miller
Fleet Captain

The next Venture Fleet Meeting will be March 20th at BLYC. All Venture sailors and friends are invited to have dinner at the Club. Plans for spring will be firmed up following dinner. Many owners are planning to put in around April 1st. Anyone who needs help launching can find all he wants at this meeting.

The January dinner meeting saw Dr. Harry Triffin elected 1976 Fleet Captain by popular acclaim. Many activities, including racing, cruising on and off the lake, and much good fellowship are well in the planning stage.

GUN CLUB

The 200 shoot is in its third week as this goes to press. So, in spite of rain, ice and high winds, scores are running high with seven shooters posting averages over 20.

The first Gun Club brunch was well attended with Lou Reuter putting out a great lasagne feed. The steaks have been picked out for the annual banquet May 8th. Be sure to get this on your calendar.

V/C Robert Wachtel
Gun Club President

Work Day is April 4th. We have scheduled a pre-work day dinner (Dutch) for April 3rd. It's a chance to have a good dinner with our wives and friends and tell some tall shooting stories. Come on out and join the gang. A full menu will be available and Lou is planning a "special" for that night too. Let Lou know you're coming if possible. All BLYC members welcome.

JUNIOR TRAINING

Governor
Dr. Carl Petersilge

Announcements of the BLYC hosted Junior Symposium to be held on March 27 & 28, 1976, have been sent to Commodores of all I-LYA Yacht Clubs and to Juniors who participated at the Bay last summer.

We are hoping that most of our BLYC Juniors will come out for this two day symposium and meet Juniors from other clubs.

George Fisher is our Program Chairman and is getting together one of the fine informative programs for which he is so well known.

Marian Petersilge is going to find housing for our Junior guests. You will make her task easier if you will contact her and offer sleeping space, especially if you live near the Club. Call 344-1417.

Incidentally, our own Junior Sailing Class will start in just a little over three months from now. See if your kids are interested. If you know of non-members who have children interested in learning to sail, tell them about our program and invite them to join the Club and get their children involved in a life-long sport.

My daughter, Michelle Lynn, was born February 2, 1976, weighing in at 6 pounds 13 ounces. Ellie and I are very happy and proud about our new family member. We wish to thank you all for being so kind.

I would like to give thanks to member George "Mac" Wood. "Mac" has been my oasis in a storm during my time on the Board of Governors. Whenever there has been some emergency or routine work to be done, "Mac" has been there to help me out. Also, during the last few months when funds have been at a minimum, he has let payment ride until our funds have built up again. Thanks "Mac", the Club and I appreciate it.

Big plans are being made for the upcoming season. Come out and join in the fun and fellowship.

ENTERTAINMENT

The Sweetheart's Ball on Valentines Day was a really great party. Over 130 members and guests enjoyed cocktails of their choice, champagne, and a delicious dinner featuring roast breast of chicken. The swinging music of the Joe Grant Orchestra was appreciated by all.

The Club was never more beautiful with huge red hearts to walk through at the front door and in the hallway -- the sweetheart tree -- red heart balloons and table decorations with the theme " LOVE IS "...

Governor George Beck

Special thanks go to the hard-working committee who put it all together: Lloyd and Inez Goodman, Roger and Ruth Dubble, Mike and Marilyn Acton, Ben and Debbie Bope and John and Inge Snyder.

FACILITIES

DOCK AND STORAGE RULES

Paragraph 4 a. provides "A list of slip applications and date of priority will be published semi-annually in the Log and maintained continuously on the bulletin board."

b. provides "All slip assignments, both new and transfers, will be posted on the bulletin board."

Paragraph 2 provides "Assignment of docks or slips will be based on: a. Date of completed dock application form or letter."

There is now posted on the bulletin board a map of Buckeye Lake Yacht Club dock facilities as rent was paid for those facilities for the year 1975. There have been no changes or transfers since the end of the 1975 sailing year. There are now some facilities available. Assignment of facilities, other than those assigned and paid for in 1975 which will be billed again for 1976 at the same location, will be made according to Dock and Storage Rules as soon as we have a better idea of available facilities.

We encourage anyone who paid for facilities in 1975 who does not intend using them in 1976 to please advise the Governor in charge of facilities as promptly as possible, even in advance of payment of dues.
