

Buckeye Lake Yacht Club

LOG

SEPTEMBER, 1976

FROM THE BRIDGE ☆☆☆

Throughout this year, I have written many thanks to individuals who have contributed something special to the Club. Now, I want to thank each and every member of the Club for giving me the support which was so essential in making this a successful year. Buckeye Lake Yacht Club is a wonderful club solely because of the devoted members who make it that way.

Another special thanks to Commodore Rollit for replacing the walkway around the boathouses.

A most special appreciation goes to Commodore Metzger for his service as Secretary-Treasurer during the latter months of this administration.

My deepest appreciation goes to an excellent Board of Governors, who, through their dedicated spirit and superb cooperation, helped to make this an outstanding year for me.

I appeal to all members to participate in the approaching Club election and to give their individual support to the new Board and to the new Commodore.

ROBERT E. PRESTON
Commodore

JUNIOR TRAINING SAILING

LONN MOYER FIRST IN THE SMYTHE SEMI-FINALS

I-LYA and BLYC will be represented in the Smythe Finals at the Biscayne Bay Yacht Club in Miami, Florida where Lonnn Moyer will have his try at the USYRU National Championship for single handed Junior Sailors. The races will be held August 30, 31, September 1, 2, 1976.

Last month the BLYC Log reported that Lonnn had qualified for the USYRU sponsored Smythe Semi-Finals when he sailed at Port Clinton. This month, on August 9, 10, 11, Lonnn sailed a Laser at the Semi-Finals at a small lake north west of Ann Arbor Michigan (Huron Portage Yacht Club) and brought home honor and glory to BLYC by getting into first place and holding in there to the finish to become the USYRU Area "E" Smythe Champion for 1976.

Governor
Dr. Carl Petersilge

It is hard to know just how to express our admiration to Lonnn for the achievement, but we certainly are sincere when we say "GREAT SAILING LONN, WE ARE REALLY PROUD OF YOU" and "Best of luck in Florida".

BLYC BRINGS HOME ANOTHER CUP FROM THE BAY

BLYC's three man team, Will Petersilge, Dan Roshon and Tom Hudgins took the Thistle to Put-In-Bay and sailed the Sears Cup Quarter Finals on August 2nd, 3rd, 4th and 5th. They sailed against 15 other clubs in six races the first two days to qualify for a place in the top five. Then they competed in the Round Robin for five races. In this series, they held second place from the second race through the fourth race, and finished the series in third place with 15-3/4 points. Cleveland Yacht Club finished in second place with 15 points and Mentor Yacht Club took a solid first place with 7-1/4 points.

Put-In-Bay dished out all kinds of weather during the series from ideal 8-15 mile per hour winds to drifters; on the last day there were 20-30 mph winds.

The team will have their names inscribed on the third place cup, a permanent trophy which will be stored and displayed from now on in the Marine Museum in Vermillion, Ohio. Incidentally, the Museum is a fascinating place for visiting. Try it, you'll like it.

BLYC, as usual, was out at the Bay to support our team with eighteen in the cheering section. If we could have taken a picture of them all together, it would have included Commodore Gus Schell and Martha, Phillip Schell, Dr. Charles Greiner, Tom and Patty Greiner, Chuck Selby, Randy and Pat Knilans, Ed Metzger, Jr. and his guest Jennifer, Matt Fisher and his guest Mary Lou, Charles Koontz, Gale Roshon, Bob and Phyllis Hudgins and Carl and Marian Petersilge.

SAILING

ON AND OFF THE LAKE

Jack Beeson

The month of August saw several of the BLYC boats sailing off the lake. Leading off the month was the I-LYA Junior Bay Week with BLYC represented by Willy Petersilge, Dan Roshon and Tom Hudgins. This crew, as well as the Bemis and Smythe crews, were chosen after fierce competition among ten of the junior members. After surviving the cut and placing in the top five boats, BLYC came through with a very respectable third. Boys being boys, Junior Bay Week was not without their on-shore activities. Probably the most notable was the new way to get to the top of Perry's Monument by use of a kite string controlled by our skipper with the other two attempting to make contact, but to no avail.

From a partly personal point of view, let's hope our Junior Program continues to produce the caliber of young gentlemen and sailors we have in the past.

I-LYA Bay week was held on August 9, 10, 11, with the Club being represented by 7 Ventures: Hudgins, Beck, Schnee, Wagner, Foster, Forster and Wachtel, and 3 Lidos, Jones, Ortman and Beeson. After two days of drift sailing and one good day, trophy presentation saw Hudgins with a first and Beck with a third in the Venture fleet. The first place Lido trophy was captured by Jerry Jones with Steve Beeson second and Jud Ortman third. Concurrent with the Bay Week, Lonm Moyer was representing BLYC in the semi-finals of the Smythe Cup. After an altercation with another Laser (strictly the other guy's fault), another slight problem came through with the race committee boat being in the way (What do I do now, coach?). Lonm ended in first place which entitles him to go to the finals (in Force Fives) in Florida the end of August. Good Luck Lonm and bring home the silver.

In the Lightning Fleet, the Districts were initially held in Sandusky, however with the coming through of a line squall that only Lake Erie could produce so forcefully, they were cancelled and re-scheduled for CYC. The final results showed Matt Fisher in first place, Jim Dressel in fourth, and George Fisher in eighth.

Back at the lake, the Ventures have completed their first series with Relativity taking first place, Empathy coming through in second and Vamonos coming in third.

Coming events will be the Labor Day series with the Long Distance Race scheduled on Monday, September 6th, at 11:00 AM. Looking even further ahead, the Snowball Regattas are rapidly approaching and it is sincerely hoped by yours truly that all possible Club boats will compete in this well-known regatta.

ENTERTAINMENT

The Halloween Dance is scheduled for October 30th with a new band, The Odyssey, providing the music. More information later, but save this date!!

The Labor Day Party was a typical BLYC happy time. 112 members and guests enjoyed cocktails, dinner and the music and entertainment of the Tune Timers. A big "thank you" for a great party to Virg Bateman, Chairman, and his hard working committee, Paul and Gladys Travis and Monte and Mary Montag.

JUNIOR SAILING

The Junior Sailors have fun giving Lonny Moyer his victory dip in Buckeye Lake.

HEBER AWARD

JUNIOR TRAINING SAILING

On Sunday, August 22nd, the members of BLYC took time to recognize officially the Junior Sailors who have represented our Club in USYRU competitions. At a recognition ceremony on the terrace in front of the Club, the youngest skipper, Dan Dressel and crew Steve Beeson, were given the opportunity to tell about their experiences at the Beemus Quarter Finals at Port Clinton. Will Petersilge, Dan Roshon and Tom Hudgins told about their experiences at the Bay where they placed third in the Sears Quarter Finals. Lonny Moyer filled us in about how it feels to win a semi-final and allowed as how he would be willing to go on to Miami, Florida to compete in the finals.

Governor
Dr. Carl Petersilge

The Juniors were congratulated for their efforts and skill by Commodore Bob Dye and Commodore Gus Schell. Greg Fisher, a former instructor, complimented the boys on their achievements and thanked the Club for supporting the Junior Program so enthusiastically. Commodore George Fisher commented on how BLYC had reason to be proud of having so many good sailors and urged continued support in what has been a successful Junior Training Program.

SAILING

ON AND OFF THE LAKE

Jack Beeson

Sailing has been progressing at a fairly normal rate this past month with the highlight being the Labor Day Long Distance Race. The air was on the light side, and after all the handicaps were computed, the winner was certainly no stranger to the silver table. Jim Dressel came out with a first, George Fisher was second and Lonny Moyer had a third in his Banshee.

As reported in last month's article, Lonny Moyer represented Area E of USYRU for the Smythe Cup at Coconut Grove Yacht Club in Force Fives. Lonny came home with an 8th place among the cream of the crop of this country's top junior sailors. BLYC should consider itself fortunate to have this top-notch junior sailor among its ranks.

When the Bay Week results were reported last month, there was omitted one of the very important and historic classes. This was the K boat class which was won by Commodore Gus Schell. Again, my apologies Commodore.

The regular sailing season will conclude on Sunday, September 26th and for the Wednesday nighters, the last night will be the 29th of September.

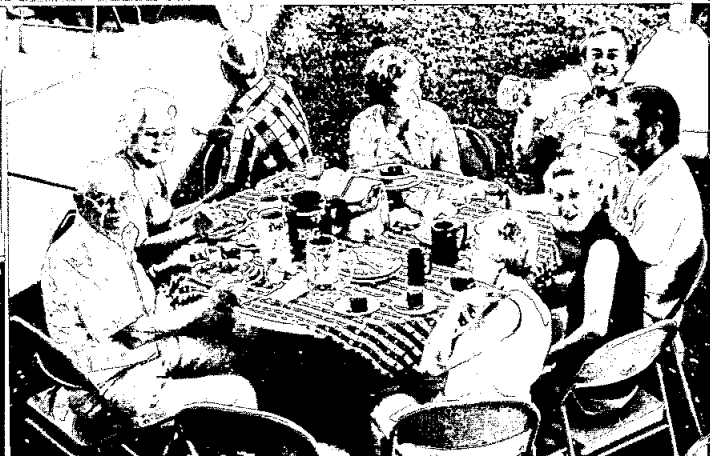

Looking forward, the Highlander, Lido, Laser Snowball Regatta will be held on October 2nd and 3rd and the Lightning Venture Snowball the following weekend on October 9th and 10th. The Masters Races will be forthcoming with the dates and qualifications to be announced. Watch your Log for further details. Trophy presentation is scheduled for November. Again, watch the Log for exact date and time.

There was renewed activity in the 470 fleet with the acquisition by Bob Hudgins of Dick Masheter's 470. Bob and Tom went to Huston Woods for a 470 Regatta on the 18th and 19th of September and Tom, with Bob as crew, had a very respectable fourth place out of 13 boats. Congratulations Tom and Bob.

In closing, the upcoming Snowballs should be on your calendar. Even if you don't sail, there is plenty of fun and super parties for all.

Here we are at the end of another year, and a new one is upon us. It seems as though it just began.

I sincerely hope you have been satisfied with the progress made in the operation of the kitchen. I am aware some problems remain and there is always room for improvement. I am sure this improvement will be made in the upcoming year. It has been a good year in many ways and I hope you feel the same.

The Octoberfest in July was a big, sudsy success. The weather cooperated, the German food was delicious, the hors d'oeuvres supplied by the committee melted away like snow in July, and the accordion and organ music was just right for moonlight dancing. Tom and Patti Greiner assembled a real working committee who put together a happy party. Special thanks to Tom and Patti, The Dressels, Knilians, Heins, Fishers and Metzger II.

+

The New Members Party was hosted by Bud and Peggy Myer and was well-attended by both new and old members. The New Timers supplied the dancable music and the Commodore introduced all the new members present. Our Club can't help but continue to progress with this great group of new members.
