EDITOR'S NOTE

Again this year, I have the honor of being your Editor. I hope to make this year's Log the best one ever in the history of BLYC. To do this, I need your help. Remember, the Log is the Club's vehicle for all news, so please contribute whenever you can.

As in the past, the deadline for articles is the 20th of each month. Articles submitted after that date will appear in the following month's issue, if they are current and applicable to the following month.

The 20th deadline must be enforced for many reasons. The prime reason being that the company doing our printing schedules each month for BLYC. We have excellent results from this company and cannot expect them to delay their other business for us if we are late. Also, now that we have utilized bulk rate in our mailing, time is more critical than ever. To continue having the Log to the membership before the first of the month, we have to adhere to a strict schedule.

I know you will continue to cooperate with us as you have in the past and together we can make this a tremendous year for BLYC.
