LOG

FROM THE BRIDGE ☆☆☆

OCTOBER - NOVEMBER 1977

I want to thank all of the members of B.L.Y.C. for their fine turnout for the recent election party and Fall meeting. You have voted in a fine Board of Governors and I feel certain they will fulfill their election promises, and make you proud of their selection, with the progress of the Club during the coming year.

I have reassigned Governors to new positions with the hope that it will work for the success of the Club. I know we are getting the Log out later than usual, as most chairmen are not ready with their articles, however, in a short period of time we will have the ship on an even keel.

Sunday, October 23rd will be work day for the Club, starting at 10:00 A.M. The more members that come out will make the job easier, and we will get it done a lot faster. Please offer your help to the following: Bob Preston, on docks and bubbler system (a must); Bill Koman, on porch and grounds; and Ralph Gardner on the house. You can also help in tapping a keg of beer.

Governors and their assignments are:

Vice Comm. Ivan Rollit - Docks & Facilities; Rear Comm. Carl Petersilge
Kitchen & Bar; Governor Gale Rashon - Junior Training;
Governor Virgil Bateman - Log & Directory; Governor Paul Travis -
Entertainment; Governor Wm. Koman - House Porch & Grounds;
Governor George Rodgers - Race & Regatta; Governor Lou Cartwright -
Membership; Secretary-Treasurer - John W. Snyder.

BLYC JUNIORS BRING TOP SEARS TROPHY HOME

The Sears Cup is the emblem of the National Junior Sailing Championship of the United States Yacht Racing Union. This cup has been competed for annually by boys and girls aged 13 through 16 years since 1921.

The National Junior Sears 1977 Championship was won by The BLYC team in Lightening at Rush Creek Yacht Club in Dallas, Texas August 25th thru August 28th, 1977. BLYC was representing the Inter Lake Yachting Association and the Area "E" of the U.S. Yacht Racing Union. This is the first time an Area "E" Yacht Club has won the Sears Cup in over 20 years.

Eight Champion Teams from the eight USYRU Areas sailed eight marvelous races. The competition was really tough but the combination of team work, attention to detail, sailing know how and sheer determination to win put Will Petersilge, Dan Roshon, and Dan Dressel in first place after the fourth race, a position they held for the rest of the Series.

The winds were always there, running from 10-20 mph and at times to 30-50 mph. One race was abandoned because of high winds. The Lightenings all had to drop Sails and be toed in. Another race was abandoned after a Mast (on BLYC's boat) broke at the Spreader.

The hospitality at the Rush Creek Yacht Club was "SUPER". The Club members went to the Air Port and picked up contestants, housed them in their homes which were within walking distance of the Club, provided all meals (which were excellent) and provided spectator boats for parents desiring them. This was done for the Sears, Bemis and Smythe which were run simultaneously on the same course.

The members of the Club also provided the personnel to make repairs. With 24 boats sailing in heavy air there were many many breakdowns, sometimes requiring repair crews working until 4 A.M. Lightening owners provided all new sails for the Sears Junior. A neighboring Dallas Club, the White Rock Yacht Club supplied 8 new Rebels for the Bemis and all new Lasers were provided for the Smythe. (Three of these Lasers were practically destroyed in the first two or three races) and were replaced.

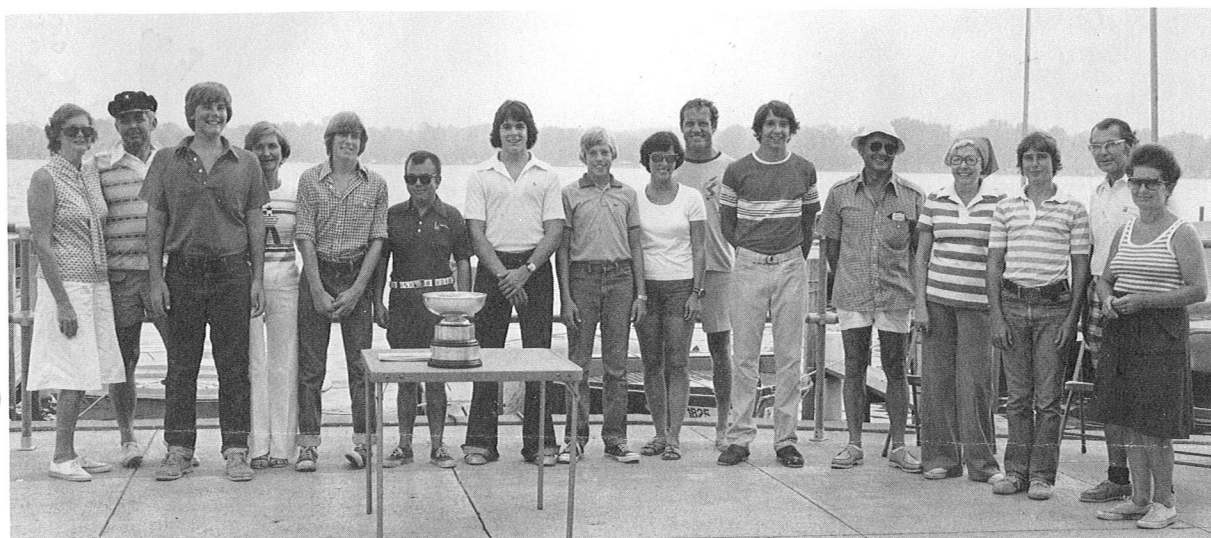

Skippers and Crews of the Champion Team received engraved digital watches as Trophies, "Boy that's really neat".

JUST BELONG

Are you an active member
The kind that would be missed?

Or are you just contented
That your name is on the list?

Do you attend the meetings
And mingle with the flock?

Or do you stay at home
To criticize and knock?

Do you take an active part
To help the work along?

Or are you satisfied to just
Belong?

Do you work with your committee
And get right in the midst?

Or leave the work to just a few
And talk about the cliques?

Think it over, member.....
You know right from wrong!

Are you an active member
Or do you just belong?
