## FROM THE BRIDGE ☆ ☆ ☆

APRIL, 1978

Spring has finally arrived according to our callendar. Now if we can get nature to cooperate with us, maybe we can get on with the coming summer season.

Spring work day has been set for Sunday, April 16th, starting at 10:30 a.m. A fine breakfast will be served after 9:00 a.m. Many things need to accomplished so please plan on participating - the more hands the lighter the work. Bill Koman will be in charge. We will tap a keg in the afternoon.

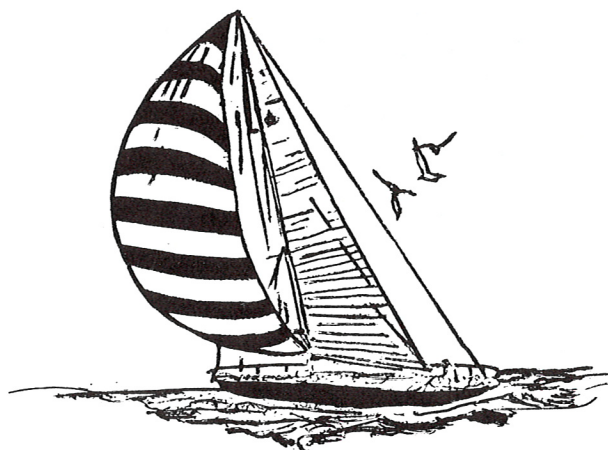

Please mark you callendar for the Semi-annual Meeting, May 7th at 3:00 p.m. It would be nice to have a quorum for this important meeting.

Starting May 7th, white cap covers will be "in season", until after the Fall annual meeting. White trousers and white shoes are optional during the summer season. I would encourage members to wear the club uniform as much as possible this year as it is a part of the tradition of B.L.Y.C.

It has been called to my attention of the death of one of our oldest and nicest members. Bob Slatery passed away on January 2nd, having been a member since 1932. Our sincere condolences to his wife, Dorothy.

Hoping to see you at the Heber Awards Recognition Party.

COMM. WILBUR WUELLNER

## OFFICIAL NOTICE - SPRING MEETING

The following amendment to the B.L.Y.C. Constitution will be submitted to the membership for approval at the spring meeting at 3 p.m., Sunday, May 7, 1978.

The responsibilities and privileges of the ASSOCIATE and CREW memberships are defined in the following amendments of the By Laws which the Board of Governors will enact once the new classes of memberships are created.

Should you have any questions regarding these proposals, please contact Flag Officers or Governors.

Section 10 (a) CREW MEMBERS may be of any place of residence, must be at least 21 years of age and must be invited to join the club and sponsored by an active member who is the owner or skipper of a sail boat regularly docked on Buckeye Lake. These amendments are supported by more than two-thirds of the Board of Governors.

## JUNIOR TRAINING

GALE ROSHON

It is traditional that the winning club at the ILYA sponsored Sears Quarter Finals host a Junior Sailing Symposium. We are planning to have this symposium at the club on May 6 and 7.

Jim Dressel will be the program chairman. I am sure that our program will be in keeping with the BLYC tradition.

Our guests will arrive Saturday morning and will leave at the conclusion of the program at noon on Sunday. Saturday night we need volunteers to provide housing for our guests. They are being instructed to bring sleeping bags, and we hope to keep them entertained at the club until bedtime.

BLYC JUNIORS! We hope you will all attend this program. It's a great chance to improve your sailing knowledge as well as meet and renew friendships with kids from other clubs. The registration fee is \$10.00 which includes Saturday dinner and Sunday breakfast. Also, please don't forget that Sunday, April 16, is work day at the club. We need to get our gear ready for the coming season.

Details on sailing lessons will be in the May issue of the log. Now might be the time to talk to your non-member friends who might want to take our sailing courses. Their fee is only \$20.00 more than members' fees. This additional cost is for the use of the equipment. Lessons will start approximately the middle of June.

## ICE-BREAKERS 1977/1978

HOWARD GLENN

We started off well and then the foul weather hit! Average attendance to date has been 45 per meeting. This results in an income of \$900.00 plus to the Club, plus a very substantial income for the Bar.

The financial income is very important but, in my opinion, is secondary. The primary benefit has been I think, the opportunity for the members to enjoy the informal, congenial and relaxed atmosphere of just being together for an evening of fun. This was the original intent of this program when it was originated in 1968.

Please attend our April 21st dinner. You won't be sorry.

Thanks and we'll see you on the 21st.

PETITION FAVORING A PROPOSED AMENDMENT TO THE  
CONSTITUTION OF THE BUCKEYE LAKE YACHT CLUB

The BLYC Constitution provides that any proposed amendments must be in writing and signed by not less than twenty five (25) eligible and voting members in good standing.

It is proposed that the following two paragraphs be added to Article VII, Section 3 after the presently existing paragraph:

Each candidate or a person designated by him in writing may observe all activities and deliberations of the Judge and the three tellers, including the counting and judging of ballots, and may inspect all ballots. The Judge and the tellers shall safely retain all official ballots whether disallowed or not, for two weeks after the election and for such further time up to 3 months if so requested by any non-elected candidate.

In the event that there is a tie vote, so that nine members can not be declared elected, the Judge and tellers shall be charged with holding an impromptu runoff election at the annual meeting between the tied candidates to break the tie.
