LOG

FROM THE BRIDGE ☆ ☆ ☆

NOVEMBER 1978

The 1978-79 BLYC Board of Governors has met and agreed to work toward the completion of the two large club improvements proposed by the 1977-78 Board.

The boathouses will be razed, probably by the end of October under the direction of RC Jim Dressel. This is a mammoth project and I hope many of you will be helping in clearing away the debris and reinforcing the Sea Wall this fall and winter. New slips, with or without roofing, will be built next spring.

The addition to the Kitchen and Dining room, will start under the direction of Virgil Bateman and VC Gale Roshon. Detailed architects plans were drawn by member Ray Sherman. State Engineering Dept. approval has been secured. Mack Wood, (our friendly contractor) will start construction of Phase I this month. This will be the exterior only. Interior finishing, insulation, cabinets, plumbing, etc. will progress through the winter largely, with the club members input. Ask Virgil Bateman or Gale Roshon how YOU can help.

These two projects will be accomplished with considerable borrowed money and donated time and materials. The Board feels these are things the club members want in order to improve the club facilities. The increased participation in club activities this past year, supports this feeling.

I hope you will get a friend to join BLYC so we will utilize our increased and improved facilities.

We have just completed two marvelous Snow Ball regattas. This was accomplished through the organization of general Snow Ball chairman, Gordon Forester.

We have many club members to thank for their work which made this all happen, including the Ladies Auxillary, who provided fantastic decorations, abundant delicious hors d'oeuvres and registration.

Eighty to one-hundred people were sailing each weekend and about an equal number of our sailing club members turned out for the dinner-dance parties each weekend. This proves to us that BLYC IS THE PLACE TO BE.

MEMBERSHIP

Gov. Ed Ballinger

I would like to do one major thing this year in regards to membership and that is to increase our membership rolls by at least 25. In order to do this, I need the help of all our present members.

Bring your neighbors or boating friends to our club and to some of the social events. Our club offers many advantages and there is always a good party to attend.

LADIES AUXILIARY

Patti Greiner, Secretary

President Jan Kerr held her first evening meeting at the Club October 10th with thirty eight ladies present. Phyllis Rogers and Catherine Woodward were thanked for the lovely job they did as hostesses. The centerpieces of wine and grapes were won by Julie Shaw, June Cox, Helen Limes and Phyllis Rogers.

Commodore Petersilge visited us and thanked the ladies for the work done for the club and asked our continued support. Commodore Petersilge also said if we have any questions or suggestions to feel free to mention them to any Board member or to the Commodore himself. Hopefully he will not be sorry he said that!!!!

Committee chairmen for the year not mentioned in the September Log are:
Project - Mary Montag and Martha Schell
Snowball - Debbie Bope, Velma Lieberman, Diane Koman

Speaking of the Snowball, June Jacobs and Hilda Lahey would like to give a very special thanks to all the ladies for their donations and hors d'oeuvres for the two Snowball Regattas and all the ladies who worked behind the scenes preparing the trays, replenishment of the trays, and the clean up after the cocktail parties. The ladies received many compliments for the parties this year, so the tradition will stand that ours is one of the nicest and the best cocktail parties of all the places the sailors travel.

We would like to take this opportunity to thank June Jacobs and Hilda Lahey for being in charge of the cocktail parties, Peg Beeson for being in charge of registration, Diane Koman for the lovely job she did on the decorations and thanks to Jane Keck for the festive centerpieces, "Mac" Rising for the hard work on the Snowball flags, and the ladies who helped the chairmen. We would like to give you all a BIG "THANK YOU." The Snowball Regattas were a success because of your help!

Our next meeting will be at Reeb's Restaurant, Tuesday, November 14th, not an unfamiliar place, hostesses will be Nora Ballenger, Sue Headlee, June Jacobs, not unfamiliar names, so we would like to see the familiar faces and some unfamiliar faces. The menu will be choice of Roast Long Island Duckling w/orange sauce, Rib Eye Steak or Seafood Platter. Any new member who would like to attend and are not on our mailing list yet, please contact one of the above ladies, Nora's # 237-7710, Sue's # 837-3353, June's # 927-7212. Friendship Hour 6:00 P.M. and Dinner at 7:00 P.M.

The Junior Training Officer has informed me that on December 2, 1978 there will be a Spaghetti Dinner at the Club, served by the Juniors of our club, for a fund raising project, so mark your calendars. I've heard there will be wine, Italian bread, salad, and even meatballs in the sauce. It has been a long time since the Juniors have done something like this and if the ladies support the dinner it cannot be anything but a success.

If any of you know of a member who is ill or in the hospital, if you have an announcement you would like published in the Log or an interesting comment please contact me at 443-6872 or write to me at 23 W. Whittier Street, Columbus, Ohio 43206. Hope to see you at Reeb's!

JUNIOR TRAINING

Governor Tom Greiner

The Junior Sailing Committee has agreed upon the following activities for the coming year:

1. To purchase a new Thistle to replace the eight year old veteran "The Blue Meannie".
2. To purchase a reconditioned outboard motor for the Junior sailing crash boat.
3. To institute two one week sailing camps.

In order to accomplish these ambitious projects we will need additional contributions from the membership. The Junior sailors and their parents are sponsoring a Spaghetti Dinner on December 2nd and all the proceeds will go towards the above projects, however, our needs are far greater than this activity can possibly provide, therefore, Dwight Haggard and Charlie Greiner have agreed to be the official club "arm twisters" to make these goals possible. According to Doc "early donations will prevent the use of Ben Gay" so make your check payable to BLYC Junior Program and mail to Dwight Haggard, P.O. Box 1213, Buckeye Lake, Ohio 43008 before it slips your mind. The ultimate goal of the "arm twisters" is \$2,500 which will enable the Juniors to maintain their competitive edge against other ILYA Area E Junior sailors.

All Juniors are encouraged to contact Tom or Patti Greiner 443-6872 for details of upcoming events or for answers to questions concerning future projects. Remember, we are still trying to update the Junior mailing list.

DOCKS- Rear-Commodore Jim Dressel

If everything progresses as planned, the Old Boat House on the East side of the Yacht Club will be torn-down by the last week in October or the first of November. Arrangements have been made to have the State of Ohio crane and barge remove the old structure.

William Sayre has graciously volunteered to store the boats that would otherwise be wintered in the Boat House, at no cost. Thanks Bud.

If anyone is interested in cutting wood to be burned in the Club fireplace, please call me. I will be happy to organize a work party, otherwise the debris will be burned or hauled to the dump.

I am sure we all feel it will be quite an improvement for the Club without the old Boat House. We are presently working on plans to replace the structure with new-- wider docks next spring. After demolition we will look at the condition of the East Wall to determine the repair or replacement if needed.

Thanks to the many members who have helped us with project, especially Melvin Pillow, with the State of Ohio, and former member Stan Ballard, President of the Buckeye Lake Chamber of Commerce.

Master's Sail Off

Congratulations to Willie Petersilge who is this year's top sailer amongst the BLYC fleets. Willie represented the Lightnings. Lonnie Moyer was second representing the Lazer Fleet. Third was Dick Loesch representing the Highlander Fleet. Fourth went to myself representing the Venture Fleet. (Editorial comment: you don't realize how old you are until you sail a Lazer in stiff competition and breezes).

SNOWBALL REGATTA
LIGHTNING CLASS
October 14 - 15, 1978

The annual Snowball Regatta for the Lightning Class was once again a great success, thanks to all of the members of the Club, the Ladies Auxiliary, the Coast Guard Auxiliary and , specially, Gordon Foster and his fine committee.

The Regatta got off to a fine start Friday evening in spite of the inclement weather which we are sure affected the members present for the Regatta. Although the number in attendance was down from previous years, the quality of the field of sailors was almost unbelievable.

Sailing in the Regatta were three past World Champions, including the current World Champion, Tom Allen, Bruce Goldsmith and Bill Shore. There were also four past North American Champions, including the three just named and Matt Fisher, last year's North American Champion, and the current North American Champion, Bill Shore. The first three winners of the North American, including Jim Dressel, of our own club were in attendance. There were three past Junior North American Champions with Jay Lutz, Matt Bryant and Matt Fisher.

The weather was very wet and windy on Saturday and the first race was started Saturday morning about 11:00A.M. Tom Allen was the winner, followed closely by Bill Shore, Jim Dressel and Matt Fisher. The wind died after lunch and the races were eventually cancelled for the day. In spite of the inclement weather, there were sail boats out brushing well into the evening.

The Yacht Club put on its world renown cocktail party with all of the trimmings provided by the Ladies Auxiliary, which were, as usual, beautifull and delicious. Our many, many thanks to those loyal friends that help so much to make the Snowball Regatta the great regatta that it is.

The dance that evening was great to a live band, and, as expected, the dancing and fellowship continued well into the late evening hours.

Sunday morning arrived with some of the finest sailing that can ever be enjoyed at Buckeye Lake. The wind direction was dead west between 12 and 18 miles an hour. There were four of the best races that have ever been held in the Snowball Rrgatta in all of its history.

The first two races were won by Bruce Goldsmith, closely followed by Matt Fisher, Bill Shore, Jim Dressel, Greg Fisher and Jay Lutz. The Third race was won by Bill Shore and the fourth race was won by our own Jim Dressel who took the lead in the start and held it throughout the race, holding off some off some of the best sailors in the country. The final five places in the regatta were: Bill Shore - first; Bruce Goldsmith - Second; Matt Fisher - Third; Jim Dressel - fourth; and Jay Lutz - fifth.

Thanks again to all of the Club Members who helped make this regatta such a great success.

George Fisher

ENTERTAINMENT

Governor Frank Foster

BLYC IS THE PLACE TO BE. And if you were there in October, I hope you recovered enough from the Snowballs and Halloween to be ready for the O.S.U. Marching Band and some trophies.

OSU BAND??? When we get a band, WE GET A BAND. On November 11, eat, drink, sing, march or whatever with a contingent of 15 members of the OSU Marching Band right here at your yacht club. See the notice in this Log.

TROPHY BANQUET. On Sunday, November 19, we will have the Annual Trophy Presentation Banquet. Bring your entire family and crew. The dinner will be chicken and noodles, salad, rolls, butter and drink at a cost of \$4.00 for adults and \$2.00 for children 12 and under. Eating starts at 1:30 P.M. with trophy presentations thereafter. Venture sailors beware. Carolyn Erickson has purchased the Venture trophies, says they are a surprise and refuses to tell anyone what they are.

SNOWBALLS. The response to the Snowball was even better than the chronic optimists expected. The overflow crowds at the parties had a great time. My thanks to Gordon Forster and to his crew of committee people who made this traditional BLYC event both fun and a source of pride.

GUESTS. If you have friends who might enjoy one of our parties, make reservations and bring them. We would like to know them and we hope they would enjoy us.

THANKS. We appreciate the work of Fred Schnee and Bob & Linda Wachtel, the Halloween bartenders and of Dick Lindsay and John and Liz Hoermle for the rest of the Halloween party. I also thank those of you who have given me some new ideas and some suggestions for improvements.

FRIENDLINESS. Many of us find it uncomfortable to walk up and introduce ourselves to someone we have not met. Yet we all appreciate it when someone does it to us. I greatly admire those many members who do it so well. Let's all make an effort to do it whenever we are at the club. No one thing can do so much for a club and for the individuals involved.

PARTIES, DANCES AND OTHER NEFARIOUS ACTIVITIES. See the Entertainment Calendar in this Log for the coming year. Read it over and give me your suggestions. Volunteer early for the party committee assignments of your choice while they last. There have been suggestions that we have a stag party and that we have an outdoor roast. We could do these if enough people voice their desires and express a willingness to help.

October 7th and 8th was the Highlander, Lido, Laser Snowball this year. Although the wind was out of the north, it was brisk enough for the Lasers to get in 9 races, the Highlanders 3 races, and the Lidos 5 races.

This was also the Lido 7th District Championship, so congratulations are in order to Jerry Jones and his crew Patty Rogers. I would like to take this opportunity to thank all those who helped on the race, scoring, and protest committees, fortunately the latter committee had very little to do.

Race-Committee Chairman

Jack Beeson

FACILITIES

After checking over our present facilities I have found some boat slips are being used that I do not have a record of being paid for this past season.

Some members will be receiving invoices for these facilities - but, if there is a mistake or your slip has been used for a short part of the season, please contact me and I will make the necessary adjustments.

Also, anyone who is presently using any club facilities and has not been billed for them, please let me know.
