JUNE 1979

## FROM THE BRIDGE ☆ ☆ ☆

In case you haven't noticed, the new docks are in place, -- no covers over them yet, but that will come later this year. Governor Ballenger tells me he has more requests for docks than he has space available. I am glad I don't have his job, but, knowing Ed, I am sure he will have everyone happy -- eventually.

The rough work on the dining room extension is just about complete. When the ceiling is finished, Virgil Bateman and Gale Roshon will be ready for the decorators to move in. The kitchen, with its shiny, washable walls, new floor, bathroom, new hood, and S-P-A-C-E is becoming the show place of the club.

The Semi-Annual meeting, held May 6th with a quorum present, heard many favorable reports. The Club is being used more this year, the operating financial picture is good, docks and club additions are progressing. The Juniors have had their Sail-off and are getting out to regattas with the new Thistle. The Venture sailors are shoring up Area #8 with club furnished lumber and sailor furnished man-power. --- That's really great-- a club that works together, plays together. (pardon the plagiarism) Dr. Charles Greiner was elected club member-at-large on the nominating committee for the Governors to be elected on Sept. 16, 1979.

Keeping an accurate, up to date list of members' correct addresses continues to be a problem. Please, if you change your address, or know of a club member who is not receiving club publications, Please send the correct name and address to Sec. John Snyder, 3035 Valley View Drive, Lancaster, Ohio, 43130 and to Governor George Rogers, P.O. Box 1791, Buckeye Lake, Ohio 43008.

Sec.-Treas. John Snyder has sent the Governors and Trustees a rather long list of members whose dues and accounts are not paid as of May 15th. Some of these may be members for whom we have incorrect addresses. Remind your BLYC member friends to be sure they have paid their BLYC club dues and, incidentally, check your checkbook stubs to be sure your own membership is active. If there is some question about dock fees or assignments-- pay your dues now, (\$191. active or \$71. non-resident) and settle about the other things later.

Let's all enjoy a banner year at BLYC.

COMM. CARL PETERSILGE

## RACING COMMITTEE

GOV. GEORGE RISING

The racing season started at BLYC on May 13th when the Venture Fleet sailed their first race of Sunday series #1. The wind died after the start and it was necessary to shorten the course. Phil Ragno got off to a good season start by taking first place followed by Dave Miller, Jeff Wagner, Tom Erickson, Gordon Forster, Leigh Rising, Frank Foster and Bob Zeiher. Unfortunately, the wind (lack thereof) caused cancellation of the race on the 20th before it ever got started.

The Highlanders have not started their series yet but intend to do so in the near future.

The Laser Fleet likewise has not started their series yet mainly because the fleet has been sailing elsewhere. However, they too intend to start soon.

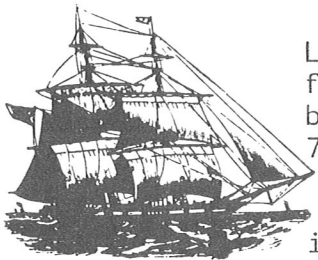

The Sears team had a practice session of working together in the Club's new Thistle when they sailed in a Junior Regatta at Leatherlips on May 13th. The team consisting of Dan Dressel, Mike Hein and Philip Schell placed 14th among the 47 boats taking part.

The Lightning Fleet has advised the Race Committee that they will have no formal series at BLYC but will have races from time to time when their busy off-lake schedule will permit. To say the least they have been active off-lake as have some of our other sailors.

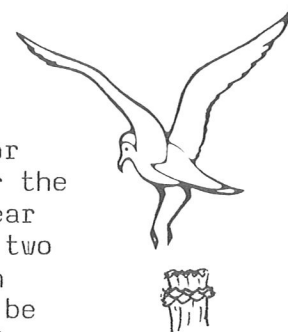

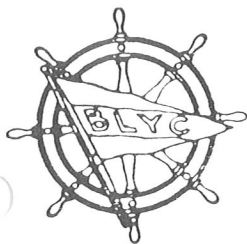

In March Greg Fisher sailed in the Thistle Mid-Winter at St. Petersburg and also in two Snipe Mid-Winters at Miami and Clearwater, Florida. A week later the Lightning sailors were represented on the Lightning Southern Circuit which included regattas at Savannah, St. Petersburg and Miami. Participating in these races were George Fisher, Matt Fisher, Willie Petersilge with Steve Beeson crewing, Jim Dressel with wife Nancy and son Dan crewing, Terry Ottenweller with wife Pat and Randy Knilans crewing and Dan Roshon. Willie and Terry also participated in races at Sanford, Florida. With all the races involved it is impossible to list all the placements but as usual the BLYC representatives did well.

In April, Matt Fisher took second place in a 52 boat Lightning regatta at Red Bank, New Jersey. Greg Fisher took first place sailing a Thistle at Indianapolis. There were 48 boats involved in this. Then Dan Dressel took sixth out of a 72 boat fleet at Indianapolis. Dan was sailing a Laser.

Early in May George Fisher won a regatta at Leatherlips in which 48 Interlakes participated. In the same regatta Greg Fisher took second. You just can't do much better than that. This past week found our BLYC sailors at North Cape, Toledo for a four race series. Jim Dressel with his crew of wife Nancy and Greg Fisher took first place while George Fisher with his crew of Patti Fisher and Dan Dressel took second place. Terry Ottenweller with his wife Pat and Randy Knilans also participated.

What else could possibly be happening!! Well, for one thing Matt Fisher is sailing a Star in preparation for the 1980 Olympic Trials. The pre-trials are in May of this year while the actual trials are in May of 1980. We also have two BLYC crews sailing in the Lightning World Championships in Dallas, June 15-22. There are 45 or more boats that will be sailing but only 17 from the United States qualified and 2 are from BLYC. Nancy Dressel and Greg Fisher will be crewing for Jim Dressel while Matt Fisher will be crewing for George Fisher. We wish you lots of luck. We might even be satisfied with a one-two finish.

That's all the news the Race Committee has to date but there is a lot more coming up this summer. After all, these results are just through May 20, 1979!!

# ENTERTAINMENT

Gov. FRANK FOSTER

THE COMMODORE'S STEAK FRY will be June 16. Details elsewhere in this Log. You won't want to be elsewhere on that Saturday. Put those past Commodores to work for you. They will cook your steak to your personal specifications. Its an informal festival. Bring the family.

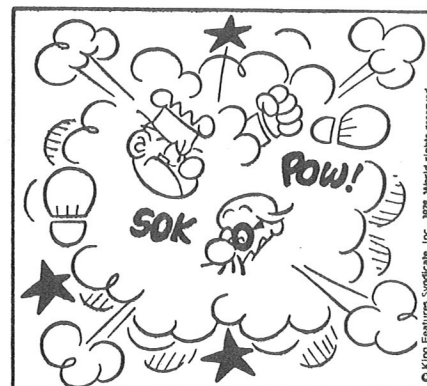

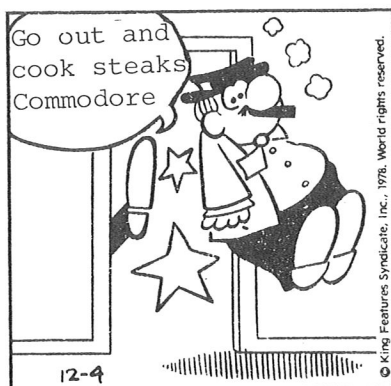

We love our commodores

JULY 4 is on Wednesday but its still a holiday. One day is not enough to visit distant relatives or you will spend all day driving and pay a fortune for gas if you can find it. Nor is it a good day to go to the amusement park or any other nearby public place because everyone else will be there.

Re-live Independence Day. We advocate the violent, if temporary, overthrow of traditional vacations and that you rebel against work, organized hassle and the clock. Declare your independence. The battleground for this revolution will be on the island at BLYC. Come and see who can accomplish the least. Just sail, sit, cruise, eat, drink and take it easy. We all know you deserve it. Give your lawn mower, stove and dishwasher a vacation too.

Two free kegs of beer will be available complements of Bob Preston. Let him buy you a beer. Bratwurst and/or similar sandwich items will be available. There are no previously organized activities or entertainment. No flyer will be mailed out. No speeches and no awards will be given. Call no one for reservations. Bring your own kids, friends and games if you like. Enjoy the sun, the porch, the lake, the food and drink and the people.

THE COMMODORE'S BALL was after the printing deadline for the Log which is the 20th so it is necessary that I submit these comments before the Ball. However, since I know that George and Marty Fisher are the chairmen and have heard Marty's plans, I am able to write before the Ball that it was a lovely and enchanting evening in the best of BLYC tradition. I continue to be thrilled by the long term dedication by so many members who make BLYC a unique place and a pleasant experience.
