

Buckeye Lake Yacht Club

LOG

DECEMBER 1979

FROM THE BRIDGE ☆ ☆ ☆

Our ice boaters are starting to think "ice", the snowmobilers are thinking "snow" and our snowbirds are planning their trips south. Sure signs that the winter season is upon us.

The Board of Governors decided that due the low participation of the bar and kitchen facilities during the winter and the high cost of utilities that it would be best to close the club kitchen and bar during January. We will open only for scheduled events such as ice-breakers, club parties, private parties, etc.

If you desire to beat the increase in dues, mail your check before February 1. We will not be sending early statements, so just pay on last year's basis and it will be credited to your account. Wives, if you are out of ideas for Christmas, you could pay your husbands' club dues.

Our New Year's Eve party is always well attended. The committee is working hard to make this year's party another first class affair. Again, reservations are required and the number is limited, so check inside this log for details and make your reservations early.

The Trustees, Board of Governors, and I wish you and yours a very Merry Christmas and smooth sailing throughout the New Year.

HAPPY HOLIDAYS !

GALE ROSHON

The Snow Ball Regatta went off quite smoothly headed by Velma Leiberman and Debbie Bope and the tremendous help from all the gals that participated in bringing goody trays. I especially want to thank everyone who helped with that, it couldn't have been so successful without your assistance.

The Ladies Auxiliary will be decorating the Club on Friday, December 7th for the Christmas Holidays. Everyone is encouraged to come out and help. Decorating will begin at 12:00 noon. Please come and begin the holiday spirit with us.

Sunday, December 9th at 4:30 P.M. is the Children's & Family Christmas Party. Santa Claus will be present, carols will be sung and games played. Dinner will be served for the children and their parents beginning at 5:00 P.M. Each child is asked to bring a gift wrapped for another child at LEAD'S (please mark for girl or boy and the age). Reservations to be made with Sandy Foster, Jan Kerr, Marion Petersilge or with Lou at the Club.

All ladies of BLYC are invited to join in with us.

GOVERNOR GEORGE RISING

The OSU Band Party as usual was a huge success with over 180 band lovers there to enjoy the music of 20 of the elite from TBDBITL. Commodore Roshon was superb with his toilet-plunger baton and with Dwight Hudson graduating who knows what the future may bring. Many thanks to Jim Dressel for making the arrangements for the band and to Mary Walters and "Mac" Rising for the great decorating job. The club looked wonderful in its Scarlet and Gray trimmings.

The Awards Presentation Day was also a great day. This was chaired by 1979 Race Committee Governor George Rising but many thanks are due Commodore Petersilge and Jack Beeson for their assistance. Commodore Petersilge awarded all of the Club Trophies. Jack Beeson was responsible for seeing that all the trophies and plaques were properly engraved. This is no small task as engraving errors are not uncommon. A special write-up on the awards is presented elsewhere in the Log.

The next big event and for that matter the last event of 1979 will be the New Year's Party. All of the information on this gala event is presented elsewhere in the Log but certain important items bear repeating. There will be no flyer. Only 150 reservations can be accepted so get your reservations in early by mailing the form and your check to Governor George R. Rising today. No telephone reservations will be accepted!!

AWARDS PRESENTATION DAY

GEORGE RISING, 1979 RACE COMMITTEE GOVERNOR

The Awards Presentation ceremony was held on Sunday, November 18th. It was a beautiful day with temperatures in the sixties. Over 70 people turned out to see the sailors receive their awards. Certificates were given to those Junior sailors who took the instruction course. Then Commodore Schell advised those in attendance that he would receive a charter from ILYA at their fall meeting to present trophies for the 4th and 5th place finishes in the Sears Quarterfinals. In the meantime, he had received permission to make these awards prior to the fall meeting. He and his wife, Martha, were pleased to be able to present trophies to BLYC 4th place finishers Dan Dressel, skipper and crew members Philip Schell and Mike Hein II. It is truly a fine gesture for Gus to set up these awards for these previously "forgotten" Junior sailors.

Dick Loesch who was awarded the Tartan award as Highlander Fleet Champion presented awards to the Highlander Fleet. Jack Beeson on behalf of Lowell Christman presented the Cartwright award to the crew of the Wednesday Highlander Series Champion. This award was presented to Phyllis Rogers and "Mac" Rising. Dan Dressel handed out the Laser trophies. Tom Erickson, the Venture Fleet Captain, presented the Venture awards and also presented a special award to Jack Beeson for his work at the race shack. Two other Venture awards were given earlier at the Annual Venture Party at the Erickson's home on Friday, November 16th. The Most Improved Venture Sailor award was presented to George Hedges since George was to be out-of-town Sunday. The other award was presented at the party because it was deemed inappropriate to present it elsewhere. This was the Purple Navel (note spelling) award based on seven different qualifications which was presented to Belinda Ayers as the all-around Venture female crew member. Ask Belinda or any of the Venture fleet for a description of the trophy.

Commodore Petersilge gave the awards for the Long Distance Races: The Commodore Edward C. Metzger - Tom Erickson, the Commodore Earl Williams - Jim Dressel and the Commodore Dwight Haggard - Mike Hein II. The Eaton Award for the First Lightning to cross the finish line in the Commodore Earl Williams race was presented by Commodore Petersilge to Jim Dressel while the Walter Knapp Trophy for the last place finisher went to Venture sailor Dave Miller. The Commodore also presented the Jane Keck Race Committee Trophy to the 1979 Race Committee Governor, George Rising. Awards for the 1978 and 1979 Most Improved Junior Sailors were presented respectively to Jeff Miltimore and Mike Hein II. (Grandfather Bob Dye accepted for Mike who was unable to be there.) Most Improved Sailor awards for 1978 and 1979 went to Dick Loesch and Tom Erickson respectively. Congratulations to all the award winners. The awarding of the Masters Trophies was delayed pending an ILYA decision on a protest appeal.

Some final race results that have not previously been reported in the Log are Highlander Wednesday Series with Lowell Christman first and Art Heitman second, the Highlander Sunday Series with Dick Loesch first, Lowell Christman second and Art Heitman third and the Venture Fleet Sunday Series #3 which Tom Erickson won with Gordon Forster second, Frank Foster third, Dave Miller fourth and Phil Ragno fifth. The Laser Fleet split their Sunday races into two Series with Mike Hein II winning the First Series. Will Petersilge took second and Philip Schell third. The Laser Second Sunday Series was also won by Mike Hein II (Fleet Champion) with Dan Dressel second and George Fisher third.

GOV. FRANK FOSTER

BUCKEYE LAKE YACHT CLUB IS THE PLACE TO RACE. Prepare yourself early for racing participation next summer. I am arranging for all sailing fleets to meet on February 3, 1980 at 1:00 P.M. at the club if they have not previously scheduled their own meeting. The topic for each fleet will be their racing schedule and other racing plans. More about that later, but please mark your calendar. A full summer schedule of racing will be set up for each fleet. The fun of racing is dependent upon the presence of other good sailors at the starting line. BLYC has some of the finest sailors in Ohio against whom you can test your skills. Tell your friends to buy a Lightning, Highlander, Laser, Lido or Venture this winter, join BLYC and start studying and practicing sailing.

RACING RULES AND TACTICS CLASSES will be offered this winter at a bargain cost to encourage participation and improve knowledge. We will cover topics of interest to racing sailors to help make you more knowledgeable in the rules, how to use them to your advantage and how to make your boat go faster, all for the purpose of helping you get over the finish line first. I have placed elsewhere in this Log further information about these classes, the topics and the cost.

THE OHIO DISTRICT LIGHTNING FINALS are to be held the weekend of July 10. These races qualify the skippers to go to the nationals. BLYC is going to put in a bid seeking to host these Ohio Finals. I hope we will be the successful bidder so that we will have an opportunity to show off our club, our hospitality and our regatta skills as well as participating in more first class racing.

I NEED YOUR HELP. The following is a list of people who own or race boats in fleets having four or more boats. If I missed someone or if I erroneously included someone, please let me know. I am trying to compile a mailing list of prospective racing sailors.

DID YOU KNOW ? ? ?

H.W.Limes.

The drawing on the left above is a drawing of the original Club flag of Buckeye Lake Yacht Club.

It was approved along with the original Constitution (which has been amended several times) at the organizational meeting of Buckeye Lake Yacht Club. The meeting was held on Sunday, May 6, 1906, at the cottage of Mr. Charles W. Miller on Orchard Island.

The specifications were as follows: A triangular pennant, the hoist of which was to be $\frac{2}{3}$ s of the length. A blue field extended to a line parallel to the hoist $\frac{5}{12}$ s of the overall length. A field of red extended from this line to the tip of the pennant.

The Club emblem, consisting of an eight spoke ship's wheel with B on the upper vertical spoke, L on the left horizontal spoke, Y on the right horizontal spoke and C on the lower vertical spoke on a field of white was centrally located on the blue field.

This burgee was the official flag of the Club until the fifth annual meeting of the Club, held on 18 September 1910. During this meeting, under "New Business". Article III of the Constitution was amended changing the Club's emblem and flag to those still in use today.

My interpretation of the above specifications appear in a poster paint drawing in the Commodore's Lounge.
