LOG

FROM THE BRIDGE ☆ ☆ ☆

JUNE 1980

May was a busy month at the club as many members came out for dinner, the parties, the holiday week-end, and to fit out their boats for the summer season. It is good to see all the activity and so many of you back at the club. As we go into the boating season, please remember "Safe boating is no accident." Observe the safety rules.

The semi-annual meeting was held on Sunday May 4th. The attendance was disappointing as we did not have enough members for a quorum. I hope that this was not a sign of apathy in our members. It is your club and, as in most things, what you receive tends to be proportionate to what you give.

Now that the weather is better, Gov. Bateman has several "fixup-paint" projects which require some help. We could use two or three mini work days. If you would talk to a friend or two and schedule 3 to 4 hours to work with Virgil, I'm sure he would be most appreciative.

It has come to my attention that some members are parking in the church lot. A couple of years ago, we had the same problem, and we were asked not to park there. I'm sure we have some new members who are not aware of this. Let's be good neighbors.

The board was asked and agreed to host the Ohio District Lightning Regatta, July 17-20. This event will bring over 100 visitors to our club. Committees have been formed and are working to plan this event. You will enjoy seeing these sailors compete. Also, in the last week of July, the junior quarter finals will be held at Put-In-Bay. Many members enjoy visiting the islands at this time, and we usually have a BLYC get-together during this week. If you can make it, I guarantee you will have a super time.

The Commodore's Steak Fry on June 21 is an event which is always well attended. Please make your reservations early. BLYC members who are members of CPS should plan to attend the meeting Thursday, June 5, at the club.

Hope you have a great boating season.

Juniors

Terry Ottenweller

The club level elimination series for the Skipper for the 1980 Sears, Bemis, and the Smythe quarter finals was completed on the weekend of April 26th and 27th. Our Sears Cup skipper this year will be Dan Dressel. His crew will be Michael Hein Jr. and Charlie Ballenger. Phillip Schell finished 2nd in the series and will sail the Laser in the Smythe quarter finals in June. Best of Luck goes to both our young skippers. I'm sure they will be great representatives for our club. I would like to thank Jim Dressel, Ed Ballenger, and Randy Knilans for their help in this years sail-off.

The Junior Spaghetti Dinner fund-raising party will be held on Saturday, May 31st, at 6:30 p.m. with our juniors doing the serving. A flyer concerning this event has previously been sent to all members. We hope for a lot of support for the Juniors as well as a successful and enjoyable evening.

The Junior Sailing Camp is scheduled for the week of June 16-21. Please see details within this Log issue. Last years camp was a great success and we anticipate the same this year!!

GOVERNOR GEORGE RISING

Commodore Haggard and Arthelda did a superb job in making an outstanding success of Las Vegas Night. The decorations of large silver and gold coins and the white and black dice all hanging from the ceiling as well as the lights ringing the black and gold entrance sign created a real Casino atmosphere. The food was excellent as was the service. Last year this was a real knockout of a party but this year it was even better. Over 100 meals were served and some people joined the party after dinner. All-in-all about as many were in attendance as there were at the New Year's Eve Party. Dwight and Arthelda want to express their thanks to the hard-working committee of Bill and Lorraine O'Donnell, Jack and Mary Kraker, Mike and Joan Hein, and "Mac" and George Rising. Thanks also are due all those other members who helped during this very successful evening, namely, Ed Ballinger, Steve Belhorn, Lou Cartwright, John Doneff, Jim Dressel, Bob Dye, Tom Flynn, Woody Johnson, Whitey Limes, Terry Ottenweller, Fred Rosser, Gus Schell, Mac Wood and George Sherrard. (If I've missed anybody, thanks anyhow and please accept my apologies.) This was truly a great party and one that will be hard to beat.

On Saturday the 24th of May, George and Marty Fisher will host the Commodore's Ball. By that time most of the boats will be in the water and the racing season will be underway. Since the Log deadline is the 20th, you will have to wait until the July Log to read about it. However, hopefully most all of you attended and had the opportunity to enjoy the party first-hand. Many thanks in advance to George and Marty!!

Monday, the 26th (assuming the weather and wind co-operated) the Edward C. Metzger Long Distance Race was sailed. After the race, Lew served a special lunch which he termed "The Longest Sub Sandwich ever seen at Buckeye Lake". (I understand he had promised to furnish Roloids to those who overate.)

One of the outstanding early summer events at BLYC will take place on Saturday, June 21st - what is it?? - you all know - it's the Commodores Steak Fry. This is such a popular event that I don't even send out a flyer on it. Dave and June Cox are chairing the event and you will find a page in this Log that will give you the other details. The main thing to remember is that all these guys worked awfully hard for you and BLYC in the past, so all you're doing is giving them a refresher course - letting them work for you again!! So be sure to choose your favorite cooking Commodore to prepare you're steak in the fashion to which you are accustomed. One important thing to remember is that if you DON'T make reservations you DON'T get a steak!! So get your reservations in early!!

RACE

and

REGATTA

GOV. FRANK FOSTER

Racing at BLYC began on Sunday, May 11, for the Ventures with eight Ventures in the race. The first winner was Russ Crist. On May 18th ten Ventures raced and the winner was Frank Foster. The Highlanders were also scheduled to begin on May 11, but only one Highlander sailor showed up. It was new member Ed Conrad.

Races are scheduled for all fleets every Sunday and Wednesday in June. On Sundays, Lightnings start at 11:00 A.M. and everyone else at 2:00 P.M. The Wednesday races begin June 4th and start at 7:00 P.M.

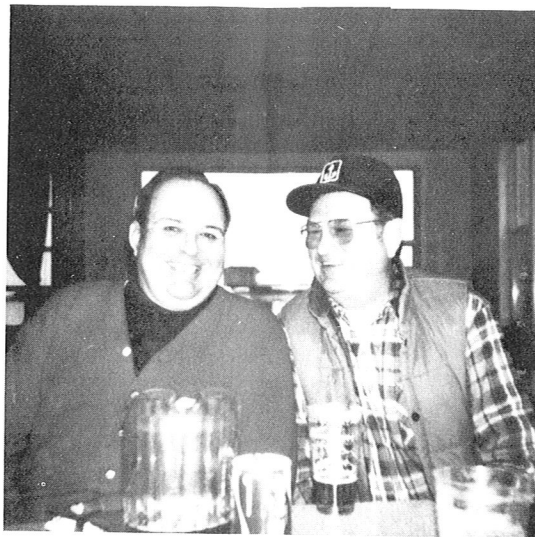

Plan now to spend the Independence Day Weekend at BLYC and join in the races. Friday, July 4, at 11:00 A.M. is the Commodore Williams Long Distance Race which also counts for the weekend five race series for each fleet. On Saturday and Sunday there will be two races starting at 1:00 P.M. on Saturday and at 2:00 P.M. on Sunday, except for the Lightnings whose first race on Sunday will be at 11:00 A.M.
