# DID YOU KNOW ? ? ?

**H.W. Limes**

Who was Commodore Fifty Years Ago?

Sidney N. Lord was born on 4 September 1884, near the town of Manchester, England. In 1912, at the age of 18 he emigrated to Canada, where he entered college.

His college education was interrupted in 1914 because of World War I. Sidney Lord served in the Canadian Army from 1914 to 1918. During this time he had command of a Trench Mortar Battalion. After the war he finished his education in Toronto in 1918 with a degree of B.S.A. (Bachelor of Science in Agriculture.)

In 1918 he moved to Columbus, Ohio and enrolled in Ohio State Univ. He graduated from O.S.U. in 1923 with a degree in Medicine. (M.D.)

Dr. Lord as he may now be called, since receiving his degree in medicine became an American citizen in 1930. The same year he was Commodore of Buckeye Lake Yacht Club.

During the 2nd. World War, from 1942 to 1945 he served as an Honorary Colonel in the 4th. Armored Division under General Craighton Abrams.

In 1968 Dr. Lord was appointed Honorary Commodore of the United States Atlantic Fleet.

In 1973 he was made Honorary Lieut. Governor of the state of Ohio. In the same year he was made a Kentucky Colonel.

In 1975 Dr. Lord was forced to retire from active Medical practice as the result of a severe heart attack.

In 1976 and in 1978 he received Outstanding Senior Citizens Awards at the Ohio State Fair.

In 1978 he received a Certificate of Merit from the Grand Lodge of Ohio Free and Accepted Masons.

In 1979 he received an Outstanding Senior Citizens Award in New Lexington Ohio. In the same year he received a similar award from the South-Eastern Council of Senior Citizens of Perry County.

He holds a Certificate of Merit from the Congress of the United States for services rendered in the Selective Service, signed by Harry S. Truman and Lewis Hershey.

He is also a member of the 50 Year Club of American Medicine of the American Academy of Medicine.

On 21 September 1980, Dr. Lord was presented a plaque in honor of his having been a past Commodore of Buckeye Lake Yacht Club for 50 years.

A man of his age, and with the above accomplishments, surely makes him a great inspiration for all of us at B.L.Y.C..

COME TO THE CLUB!!!!  
YOU MAY BE NEEDED AS CREW

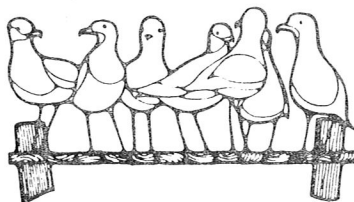

GOVERNOR GEORGE RISING

Well, as I told you in the last log the Labor Day Dance was fabulous. Ed and Judy Ballenger came up with a real winner. The food was excellent - particularly the special prime rib that Ed arranged to get for the club. The "surprise" cocktails turned everyone on as they were a nice change from our regular manhattans and martinis. Then after the cocktail hour and dinner came that great group - The Capitol City Jazz Band. There are many people who feel this group is the best jazz band in Central Ohio and they sure sold a lot of BLYC members on that very fact. Thanks to Mike and June Jacobs and the Risings for helping with the reservations, but Ed and Judy deserve a real pat on the back for a wonderful party. I might add that there were some 125 in attendance and those who were not there missed a great evening.

The Election Eve Party was a huge success thanks to Mike and Joan Hein. Instead of just having the usual speeches from the campaign managers and the candidates, there was a skit by the ladies portraying their version of what happens at a Governors' Meeting (and they all had jackets and hats on). This was really hilarious - but I still won't reveal what actually does go on!! Then we were entertained by the "Singing Commodores". They all sang the same words but singing in the same key could be questioned. However, it was a lot of fun and certainly added to the Election Eve Party. Many thanks to all those who participated but special thanks to Mike and Joan.

Coming up in October are the two Snowball Weekends which are covered elsewhere in the Log. Also, on Saturday, October 25th is the Halloween Dance with the New Timers (Dan Emmenegger). The football game is at Michigan State so let's have a good turnout.

Since this is my last report as Governor in charge of Entertainment, I wish to thank all those members and their wives who have worked on the committees for the parties. It is time consuming and I want you to know that I sincerely appreciate the help you have given me.

RACE

and

REGATTA

GOV. FRANK FOSTER

BUCKEYE LAKE YACHT CLUB'S OWN REGATTA, the Snowball, will be held the first two weekends in October as shown elsewhere. This regatta is for participating sailors as well as those who enjoy coming to the club and watching the races. Everyone is welcome to come to the Saturday evening party. No matter how much you have raced this year, don't miss this final opportunity which climaxes the sailing season on Buckeye Lake.

THE ANNUAL AWARDS DAY AND TROPHY PRESENTATIONS will be Sunday, November 16. Lunch will be served. Although this is a little over a month away, mark your calendars now.

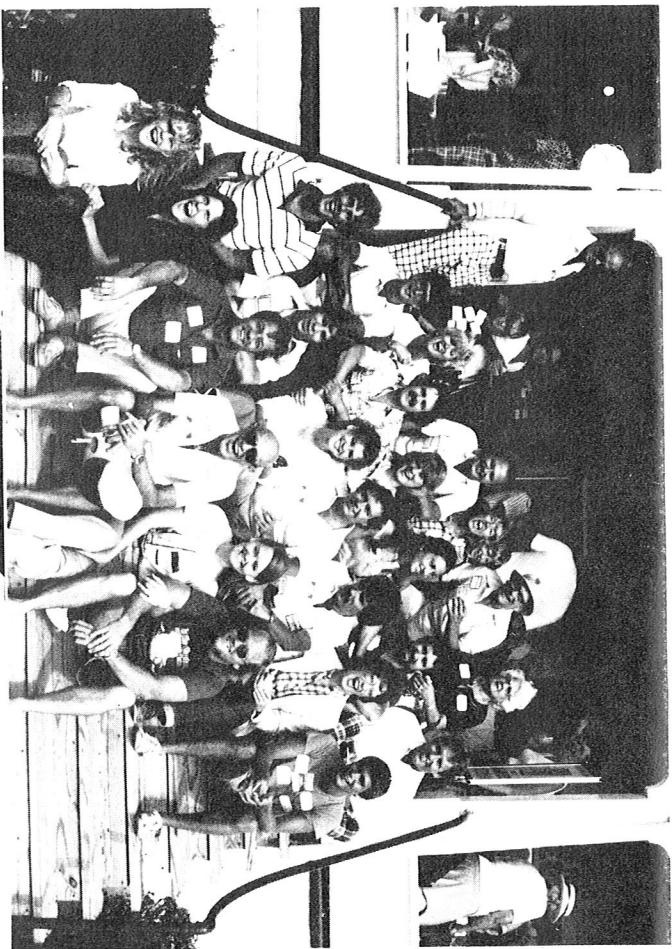

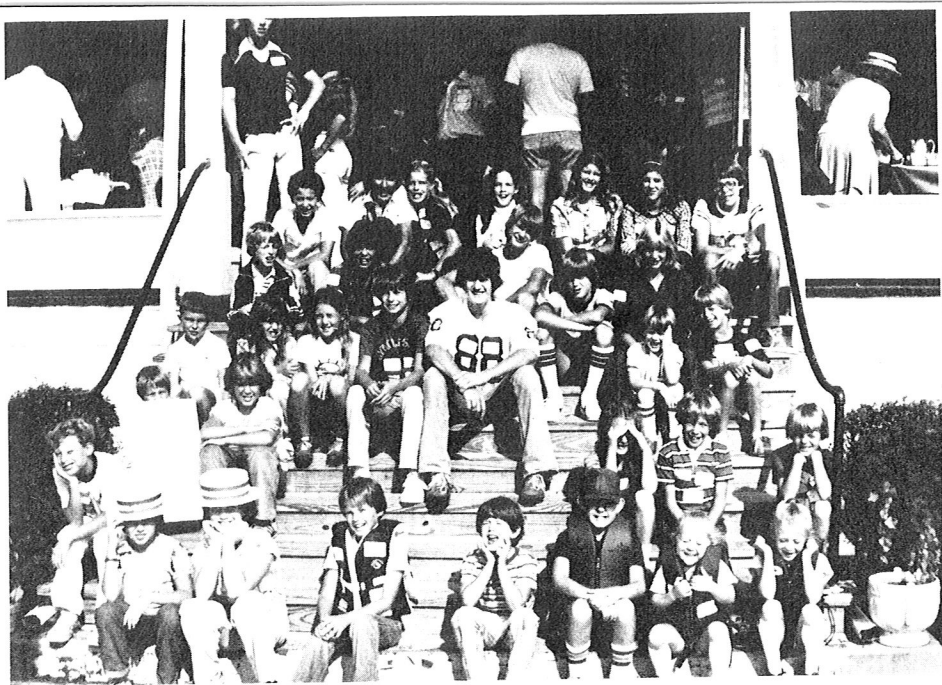

THE MASTERS SERIES this year is scheduled to be raced on September 27 and 28. The series is to be raced in Lightnings. Dan Dressel will represent the Lightning fleet, Russ Crist the Venture fleet and Jack Oberfield the Highlander fleet. The other fleets did not race enough to permit participation. On behalf of the club I wish to thank the Dressels, Heins and Petersilges for permitting the club to use their Lightnings.

I suspect that the Laser fleet may see a rebirth next year. There are several young sailors who will begin taking over in the footsteps of our juniors who in the past have done so well representing Buckeye Lake Yacht Club.

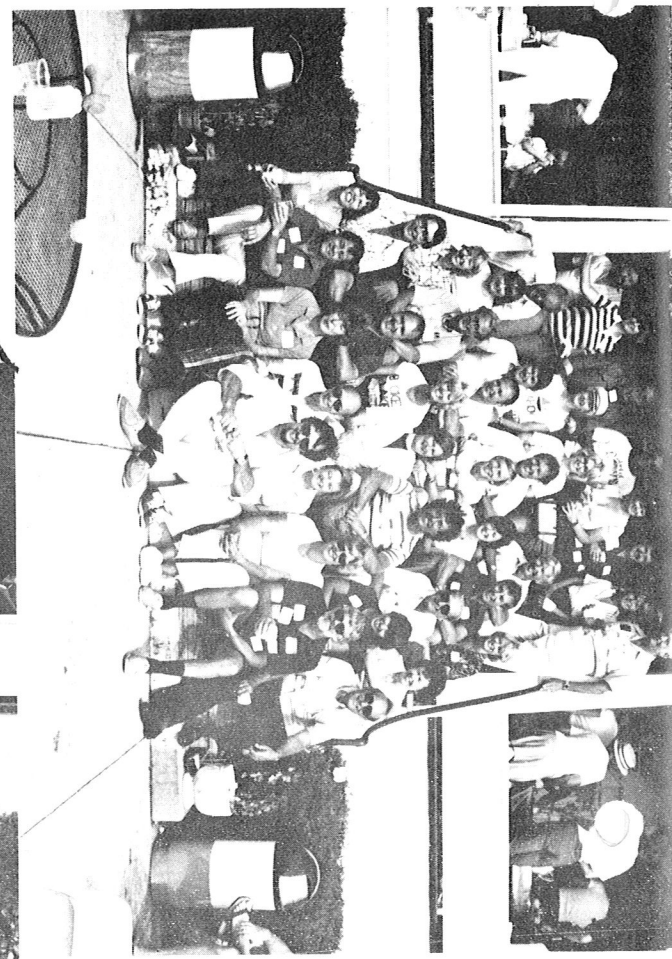

Thanks to all of those who have sailed in the races this summer. Racing is not just competition. It is an opportunity to improve your skills and to use those skills effectively. I hope that those who have been hesitant to join us in the races this year will talk with those who have raced and join us next year.

I also want to thank those many dedicated members of the club who served on the race committee by providing their boats and themselves to help prepare the course and operate these races. Finally, although all sailors deeply appreciate the dedicated service of Jack Beeson, no one is in a better position to appreciate his efforts than the Governor in Charge of Race and Regatta. A special thanks to Jack Beeson.

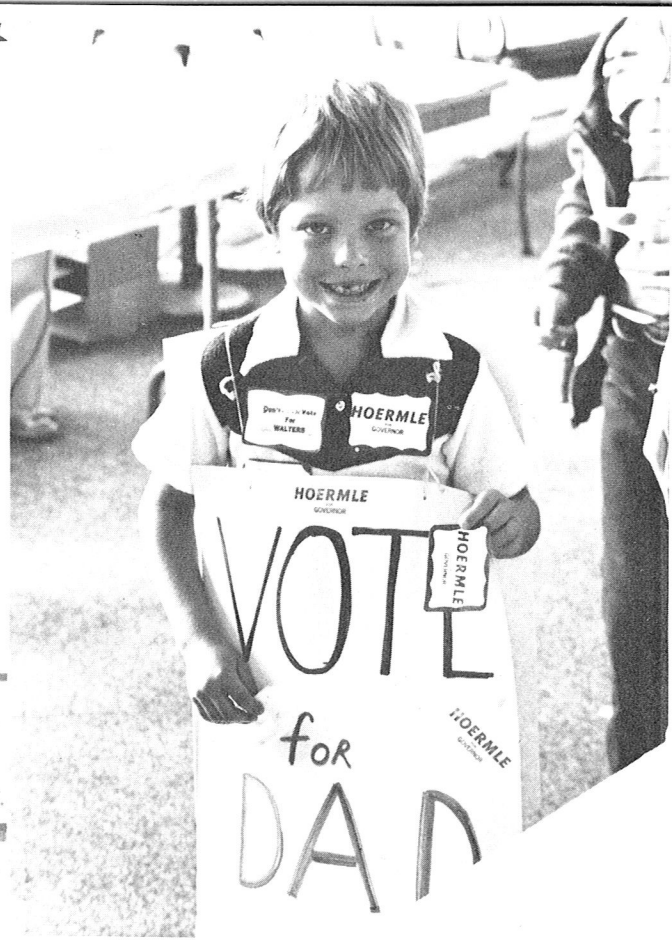

Next year Gov. Gordon Forster will be in charge of Race and Regatta. From working with Gordon over the past several years there is no doubt that next year will feature substantial improvements and innovations over this year. Frankly, I am already anxious for the next sailing season to begin. I also look forward to my new duties and responsibilities with Docks and Facilities.
