LOG

FROM THE BRIDGE ☆ ☆ ☆

November, 1980

October is always one of the most active months for BLYC. Along with generally beautiful weather, we have hosted two Snowball Regattas, held a Halloween party and dance, and had our fall workday. It's hard to believe winter is fast approaching.

Thanks to all the members who helped so vigorously with these events. It is great to see so many dedicated people working for the club.

Your newly elected Board of Governors met Thursday, October 16, 1980. The budget for the coming year was approved by the Trustees. Considering inflationary cost pressures and a definite obligation to maintain our club facilities, the board passed a \$15.00 dues increase for the new year. All other facility charges will remain the same as last year. Although our operating budget is tight, we feel we will again end the year in the black.

Since we have such a fine club and boating facility, I personally feel every BLYC member should obligate himself to ask his non-member friends to consider joining our club. Through my travels over the years visiting other Yacht Clubs, I have yet to find one any better which has more to offer then ours for the money. Let's share our good fortune with others!

We are making plans for another OSU Band Party on November 8. Watch your mail for a flyer. This event has been great fun for all. Plan to attend!

Come out to the club Sunday, November 16th for Trophy Day. This is traditionally a good opportunity to honor the efforts of our sailors. Also coming up on November is our first Icebreaker.

The bar and kitchen will be closed Monday through Thursday except for special events. Check Lew's "Special" for Friday, Saturday and Sundays.

DID YOU KNOW ? ? ?

H.W. Limes

Commodore Dr. Sidney Lord was born in the year 1894 instead of 1984 as stated in the last Log. I apologize, Commodore, for the mistake.

For the first Snowball, held in 1946, which was hosted by our own Lightning Fleet #43, the "off the lake" sailors were invited to sail boats provided by BLYC members.

Speaking of Snowballs and Lightnings, two of our members are, or have been President of the International Lightning Association. Past Commodore Robert Mann in 1963 and Past Commodore Geo.V. Fisher who is the present President of the Lightning Association.

Two of our members are running for office on the Village Council of Buckeye Lake, Ohio, which was recently Incorporated by the state of Ohio. Namely, Past Commodore Wilbur J. Wuellner and Richard E. Wolf.

Two of our members were elected to the Bd. of Trustees of the Buckeye Lake Civic Association, Don Best and Francis Baughman, each for 2 years.

Just a word of caution to all boat owners. The Lake Patrol has made an announcement to the effect that they will start lowering the level of the Lake on 1 November. The Patrol intends to drop the level some 42 inches. Depending on the number of "gates" they open at the spillway, this should be accomplished by 15 November. Govern yourself accordingly.

DOCKS & FACILITIES

R.C. FRANK FOSTER

DO YOU WANT YOUR DOCK FOR 1981? Please come to the club and indicate on a chart whether or not you will want to rent your dock next year. If you prefer, you may write or call me at my office and indicate your desire to have the same dock next year. If you would like a change in your dock you must make such a request in writing to me. If you do so, please also indicate whether you will want your same dock so that if a new dock cannot be provided you will still have a slip in which to keep your boat.

The slip request priority list will be published this winter. The by-laws require payment of dock rental fees by May 15th. There is a long list of people who want your dock and will be standing there with check in hand. Please pay before May 1 in order to make my job simple, comfortable and a lot easier.

ALL LOCKS SAWN FROM LOCKERS - REAR COMMODORE GOES BERSERK. Not yet, but if you have a locker I wanted to get your attention. If you have a locker upstairs or underneath the club, please write your name on it, call me, write me or somehow communicate to me that you have that locker. This spring I intend to determine who has what lockers and bill accordingly. In the spring I can saw the locks off the other lockers to open them for use by other members.

DOCK REPAIRS. There are some dock repairs needed, principally wood replacement. I plan to wait until next spring to survey the total repair needs including any damage caused by ice. Dry sails are owned by the slip renter because they were originally built by members and the by-laws provide that they, not the club, are responsible for maintenance. The club is responsible only for a walkway sufficient to enable you to step onto your boat. The 24ft. 2X10's between dry sails were placed there to support the dry sails and therefore are the maintenance responsibility of the slip owners. The club, however, will provide the top decking for those slips with dry sails.

DOCK PLANNING COMMITTEE. I plan to appoint a Dock Planning Committee late this fall or winter. They will be requested to investigate and evaluate the coming needs of Buckeye Lake Yacht Club with respect to Docks and to make recommendations as to how those needs might be best met. It is my expectation that this committee will need more than one year to complete its work, although some interim recommendations may be generated. Please let me know if you would like to serve on this committee.

The Snowballs are over and a "THANKS" to all those who pitched in to make both weekends successful. Greg Alspach, the General Chairman, did a splendid job coordinating the overall activities and making certain the details were covered.

ANNUAL AWARDS DAY - NOVEMBER 16th. LUNCH AT 12:30 PM with awards being presented at 1:30 PM.

Please bring back your rotating trophies. Look on your shelves, in your closets, everywhere. We need the Memorial Day, Fourth of July, Labor Day, etc. rotating trophies!!!!

Next year we are planning a number of new races and regatta activities. These will be coordinated by the newly appointed Sail Fleet Captain - Bob Kuhn and the newly appointed Power Fleet Captain - Bill Hoermle. As in the past, Jack Beeson has agreed to do his usual splendid job as Race Committee Chairman. These new activities will be detailed later.

During the coming racing year, we have designated Sunday afternoon from 12 noon on and Wednesday evenings where daylight allows as race time. We will provide a Race Committee for these fleet racing times as well as regular club races such as Memorial Day, Fourth of July, Labor Day, et cetera. Club fleets will race during these regularly scheduled times. This arrangement will make Race Committee coverage easier to obtain. The mutual fleet race times will add to the spectator participation.

We have had an astonishing observation lately. The Junior Fleet is almost 70 percent little ladies. I caught my older daughter warming up on a Laser this summer.

Did you see the pictures and the article on the Snowball in the Newark Advocate - we need more of these!!!!

LADIES AUXILIARY

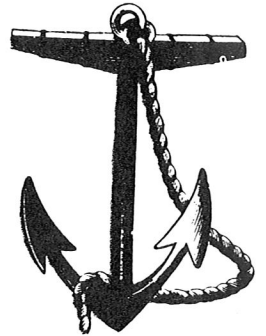

A dinner meeting of the ladies auxiliary was held on October 14th at Reeb's Restaurant with Moran Ballenger, Judy Ballenger, and June Jacobs hostesses. A lovely cocktail party and dinner preceeded the business meeting conducted by President, Sue Headlee. There were 30 members present and one guest. A discussion of meeting times and meeting places continued from the September meeting. It was decided to have luncheon meetings as opposed to dinner meetings during the Winter months on a trial basis with the hostesses choosing the meeting place. The hostesses for the November meeting will be Velma Lieberman and Polly Sherritt and the luncheon will be at Ilonka's on November 11, 1980.

The cocktail parties for both snowball regattas were reported as successful by Marian Petersilge and Lexie Montague and all who helped by providing trays and/or service were thanked.

Membership & Directory

Governor Robert Zeiher

Frank Resch, proposed by V C Ed Ballenger and second by Comm. Jim Dressel Frank is the owner of Resch's Bakery. Franks wife is Jeri and they have three children.

A Challenge To The Membership

At a time when your church, your business, your government, and everyone else you are associated with wants donations, so does your yacht club.

However, we make our request in a unique way. We would like for you to dig down in your pocket and come up with enough money to bring a friend to dinner. Then sell him on your club.

The board promises to try to make this club an easy sell. Let us work together for a bigger and better year.

Many thanks to all of you for your support.

REGRETFUL NOTE
