

Buckeye Lake Yacht Club

LOG

FROM THE BRIDGE ☆ ☆ ☆

May, 1981

Special thanks to all the people that helped on Work Day. Governors White, Doneff and Foster organized our efforts and much was accomplished. Thanks to the women in the Ladies Auxiliary who gave our club a good spring cleaning. It is impossible to list all who helped, but your Board of Governors is appreciative of the fine turn out.

Since our boating activities start this month, I would like to encourage all our youngsters under 12 years old to wear life jackets on the island and area 8. Why take unnecessary chances?

Please plan to attend BLYC'S semi-annual meeting at 3 P.M., Sunday, May 3rd.

Governor Bob Zeiher has a supply of our 75th Anniversary Lapel pins which we are selling at our cost of \$5.00 each. This is a very attractive pin designed by Commodore Whitely Limes. Thanks Whitey! Governor Bob Walters is planning a super weekend of activities over the 4th of July to honor our club's 75 years. Please contact Bob if you want to help. Festivities are being planned for Friday, Saturday and Sunday. This promises to be a tremendous weekend.

Saturday, May 23rd - You are invited to attend our annual Commodore's Ball over Memorial Day weekend. Details of this Dinner-Dance can be found in this Log.

You are past due, if you have not paid your dues. See you at the club.

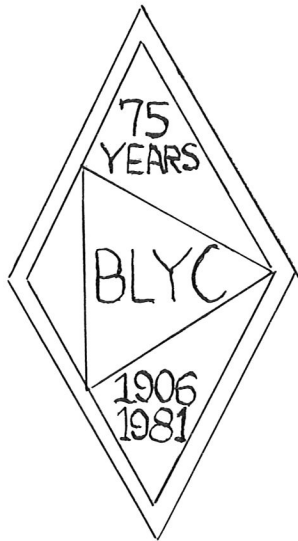

Jim Dressel,
Commodore

H.W. Limes

DID YOU KNOW THAT? ? ?

1981 is the 75th Anniversary of Buckeye Lake Yacht Club ! !

In spite of much apprehension an "inland yacht club" was conceived and born in late April 1906.

The blessed event took place at "Leachmens" in Columbus on the evening of 24 April, 1906. In attendance were about forty people out of a hundred or so that were invited.

The above two paragraphs are an almost verbatim copy from the pages of Past Comm. Kyle Armstrong's book, "Story of Buckeye Lake Yacht Club".

Now we come to 1981. This is the 75th Anniversary of B.L.Y.C.

In the latter part of 1980, Comm. J.M.Dressel asked me to design and submit a drawing of a 75th Anniversary pin. After he and his Board of Governors approved the drawing, the pin was produced in Columbus.

The drawing, above, is an enlarged copy of the pin. In order to eliminate the cost of a second color printing, the copy is done in black and white.

The pin is 5/8" tall by 7/16" wide. It is a Lapel Pin or a Tie-Tac which ever way you wish to wear it.

The top triangle is Red with the words 75 Years in it, the center triangle is White with the letters BLYC in it, the bottom triangle is Blue with the numerals 1906 - 1981 in it.

This pin would be attractive as a Lapel Pin, Tie-Tac or even on a Ladies blouse.

Comm. Dressel appointed Gov. R. Zeiher to take care of the selling of the pins.

Remember the 75th Anniversary of B.L.Y.C., as with any other organization only comes once. I am sure all of you would like to have one of these pins.

ATTENTION All Past Commodores! !

I must have the 300 word resume of your year as Commodore, that I requested on 1 March 1981 by 1 May 1981. After that it is too late. HURRY.

June Jacobs, Card Party Chairman, announced the date for our annual card party as June 17th at the club. Plans are being started, so mark your calendar now.

BLYC
Sailboat Racing Rules

1. All races shall be in accordance with the USYRU Yacht Racing Rules, Class Racing Rules, BLYC fleet rules and the following rules.
2. Only boats operated by BLYC members in good standing or their immediate family may officially participate in a race.
3. At least three boats must be in the starting area for a race to be started. If a fleet is late in getting three boats to the starting area their start will be postponed until the other fleets have an opportunity to start.
4. A long distance race must be abandoned, postponed or cancelled if no boat which is racing makes it to the first mark within one hour after the start if the first mark is West of the Club and within 45 minutes if the first mark is to the East of the Club.
5. A race must be abandoned, postponed or cancelled if no boat finishes within two hours except that the time limit is three and one half hours for a long distance race.
6. Fouls may be exonerated by 720 degree turns unless fleet or class rules are otherwise.
7. Protests must be filed within one hour of the finish by the protesting boat unless the race committee instructs otherwise in writing before the race by fair notice.
8. Scoring will be as follows except for the Long Distance Races or where written racing instructions provide otherwise:

First Place	3/4 point
Other places	points equal to finish position
Disqualified (DSQ)	points equal to 1 plus the number of boats finishing
Did Not Finish (DNF)	points equal to the number of boats starting
Did Not Start (DNS)	same as DNF

In the event of a point tie for a series, the boat which beat the other the most times is given the higher position. If that doesn't resolve the tie, the boat with the best finish for the series will be given the high position. If that does not resolve the tie, the race committee will award positions as it deems fair.

9. Protests will be heard after the race if a protest committee can be assembled. All such protests may be appealed to the BLYC Protest/Appeals Committee which will also hear original appeals when a protest committee can not be assembled after a race.
