June 1981

FROM THE BRIDGE ☆ ☆ ☆

It's good to see all the activity at our club. Our dinner parties, Commodore's Ball and week-end sailboat racing have been well attended. I hope we are going to have all owr club's members and friends help celebrate our club's 75th Anniversary over July 3rd and 4th. This promises to be our biggest week-end ever through the efforts of your Board of Governors and entertainment chairman Gov. Bob Walters. Details will follow.

Even though we didn't have a quorum for our semi-annual meeting on May 3rd, I feel it was very informative for those members who did attend. Our club facilities are in good shape with the exception of the shingles on the second level roof which will be replaced soon. The maintenance of our docks is always a problem but overall they are in good condition. Our BLYC neon sign from the front porch has been reconditioned and new lights have been installed on the front porch.

We have accepted 22 new members into our club as of May 14th. Our goal for the entire year was 20 so keep the new member applications coming! We still are short of our 250 member maxium.

The Commodore's Steak Fry will be held June 25th. This is always a great event so make your reservations early.

See you at the club.

Jim Dressel Commodore

JUNIOR TRAINING

With certain exclaimations, I want to thank those who joined us for the Junior Spaghetti Dinner. I was floored, dumbfounded, and flabbergasted to find out that we had served 128 dinners. Thanks go out to the kid and parents who made and served the dinner. John Doneff did the bulk of the preparation with John Hoermle and Ed Ballenger supplying necessary ingredients. My thanks go out to the families that helped serve - Dressels, Heins, Millers, Ottenwellers, Hardys, Ballengers, Headlees, Jacops, Ericksons, Hoermles, Risings, Burgers, and the others who I have no doubt missed. We made money for the Junior Program.

BEGINNING AND INTERMEDIATE SAILING - June 22 - 26, 9 AM - 4 PM.

INSTRUCTORS: Mike Hein and Dan Dressel.

Heath, Ohio 43055. 323 - 1562.

Sailboat races began Mother's Day with some complaints for the racing mothers. At the starting line, there was one Highlander, one K-boat, and eight MacVentures. It was a reaching race with the western most mark being Journal Island. The second Sunday race was called for lack of wind. Racing season is making a slow beginning this year. Not many boats are in the water at this writing.

LADIES AUXILIARY

The May meeting was a luncheon meeting held at the Bryn Mawr with 28 members present. Hostesses Marty Fisher and Annette Lawler planned a delightful luncheon and provided geranium plants as center pieces and door prizes.

Grand prize winners were: George Hedges, Marty Headlee, Jim Lawler-Deb Baskin-Fran Miller, Dr. Petersilge, Thelma Hicks, Diane Koman, Mary Walters, Anna Kakis, and Jack Beeson. Congratulations to all these lucky gamblers. And a big thanks to Judy for a job well done!!

June Jacobs reported that the theme for this years' card party is "Rainbow Garden". All members of the auxiliary are asked to please donate to the Country Corner and/or the door prizes. Further information will be found in this log.

Our next meeting will be at the yacht club on June 10th. And the card party will be June 17th. Please mark these important dates on your calendars.

DOCKS & FACILITIES

R.C. FRANK FOSTER

ROOMS AND LOCKERS are available for rent. Two rooms are available upstairs at an annual rent of \$165.00. Metal lockers upstairs are available at an annual rent of \$5.00. Wooden lockers under the club are also available. See or call me if you are interested.

OAK WOOD in a limited amount is available for sale by the Club. I ordered a bit more than we will need for the next few years. The 4x4's are at least 14 feet long and will be sold for \$10.00 each. The 2x8's, 8feet long, are \$5.00 each. We want to sell some in order that we need not store so many under the building.

DOCK REPAIRS. If you would like to make some dock repairs on your dock see me for materials. We have sufficient materials that every dock should be in first class repair.

EMPTY DOCK SPACE is so limited it is nearly non-existent. For those who are awaiting a slip, I will expect to find out about Mid-June if there is anyone not renewing his slip rental from last year.
