LOG

FROM THE BRIDGE ☆ ☆ ☆

December 1981

As we quickly approach the holiday season and new year, it's natural to think back over the year we are about to finish. As B.L.Y.C.'s 75th Anniverary, it has certainly been a fun and rewarding year for Club members.

Looking forward to the coming months, B.L.Y.C. has many exciting events planned. The first is New Year's Eve, which promises to be a great party. Let's all celebrate at the Club and start the New Year out together.

Enclosed in this Log I have included the questionnaire filled out by the voters at the fall election. The results will be taken into consideration by your Board of Governors for any new improvements or changes at the club. Not all questions were answered on each questionnaire, and therefore, the total votes on any one question may differ from another.

The OSU Band Party was well attended and, as usual, was one of the most outstanding parties of the year. Thanks to the members of the OSU Band who played for our enjoyment and also to Alumni Band member R.C. Bob Walters who joined them.

Trophy Day was held November 15th to confer sailing awards for this past season. Congratulations to all winning sailors; I know your rewards are well earned. A special congratulations to Karl Erickson, Most Improved Junior Sailor, and Tom Eisert, Most Improved Overall Sailor.

Don't forget to attend the Ice Breakers and the Gun Club functions.

The Board of Governors, Trustees, and I wish you and yours a very Happy Holiday Season and a Prosperous New Year----

Join us at the Club!

DID YOU KNOW THAT ? ? ?

Did you know that there are between 25 and 30 islands in Buckeye Lake. Most of the islands are off the south shore of the lake.

They range from "Neel Island" at the entrance to Thornport Passage at the east end of the lake to "Castle Island" a little northeast of Summerland Beach at the west end of the lake.

Some of the islands are inhabited, at least in the summer season, some are not inhabited at all. Some were used for camping purposes. This is true of "Boy Scout Island", also known as "Charleston Island". Why "Boy Scout Island" was finally abandoned is not known to this writer. It could have been the result of lack of maintenance, insects, or even vandalism by local marauders.

The largest island in the lake is "Freeman Island" better known as "Harbor Hills". The greater majority of residents in "Harbor Hills" live on "Freeman Island".

If you read the first letters of a group of islands starting with "Circle Island" just west of "Shell Beach" on the south bank and south west across the lake from BLYC, and if you change the name of "Journal Island" to "Wolf's Island" they (the first letters) spell C R O W. The group includes "Circle", "Round", "Orchard" and "Wolf's" or "Journal" islands.

For those members of BLYC who do not know it, the club house is erected on "Watkins Island", which was originally know as "Sunken Island". It was called "Sunken Island" because in the early days of the lake, during the spring rains, the island would disappear under water.

An interesting note concerning "Onion Island" just east of "Lieb's Island", at the west end of the lake, is that, Captain Eddie Rickenbacker, the World War I air ace spent his honeymoon on "Onion Island". "Onion Island" is the only one named for a vegetable. Maybe onions grow well on it. Incidentally Lieb is a German Word meaning Love.

Four of the islands are named after trees. They are, Hickory, Buckeye, Elm and Beech. You can locate them on the large chart of Buckeye Lake on the south wall of the "Gob's Mess".

Many of the islands are named for people. In all probability the people owned the particular islands, such as, Bove, Patterson, Ridenaur, Sherman, Roberts, Lewis, Gibson, Goble and Keller.

There is a "Monkey Island", a "Ducks Island" and a "Mud Island". "Mud Island" is located along the west bank of the "New Lake". It is used by the State Park Authority to store heavy equipment such as, bulldozers, trucks, cranes etc.

In the summer, espically during the hot months, such as July, August and early September, floating "Islands" appear in what is known as "Middle Passage" and "Cranberry Basin". These "islands" are caused by gas from the rotting vegetation, which makes up most of the bottom, gathering under clumps of the vegetation and debris and causing it to come to the surface. They can be large or small, but to say the least they are a menace to boat operation since they do not rise very far above the surface.

YOU DESERVE: Relaxed friendly dining overlooking the shimmering reflection of the moon and stars.

REWARD YOURSELVES AT BLYC: Mix the beauty of winter, the dreams of summer, good food and beverages.

And while at the bar, look at our collection of yacht club burgees. My recent perusal of old Logs and minutes supplied by Commodores Ballenger and Hein and a conversation with Comm. Gus Schell revealed how we came to have them and what they are. Below are copies of parts of a press release and letter, both by a friend of BLYC recently lost to us, Comm. Ed Metzger. In addition, Comm. Gus Schell, while Commodore of the ILYA, visited member clubs and traded burgees.

BURGEE EXCHANGE

A collection of club burgees from the various member clubs of I-LYA is being attempted by BLYC at the Spring Meeting in Akron, Ohio on March 31, 1973. Edward C. Metzger, member of BLYC will bring 50 of his club Burgees to the meeting in the hope that any other club interested in obtaining their own collection of a colorful display will bring their club burgee and trade 'even' with him. This would make a real nice display in your club bar-room, or lounge. It would also be a great item to be used for parties or other special events. Ed is asking you to look him up at the meeting for the exchange. He tells us the ones he is bringing are the high-quality nylon burgee, 10 x 16.

Here is the current listing of burgees in the Club:

The Log is sorry to report that the death of GEORGE H. SHERRARD on Aug. 8, 1981 was not previously noted in this publication. George was on vacation with his wife and friends in Canada. Our sympathy is extended to his family. We will all miss his friendly face at the Club.

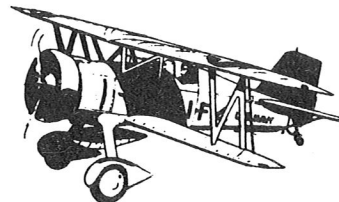

The Log extends its sympathy to the family of Randolph M. Sherrard on the death this past month of his wife Jane after a protracted illness. Jane exhibited a cheerfullness and strength of character in her adversity that was an inspiration to all of us.

NEED GIFT IDEAS?

The Ladies Auxiliary Showcase is full of ideal gifts for club members and friends!

We still have some lined jackets left, as well as the unlined, regular sweatshirts (some with the large ship's wheel & burgee), hooded sweatshirts, and zippered hooded sweatshirts. We have Distress Flags (good stocking stuffers at \$1.25), Poetry Books (all poems have been written by women - one of which is an auxiliary member - do you know which one?) at \$3.00, and a new book put out by the Fairfield Heritage Association that includes quite a lot of Buckeye Lake history for \$20.00. Feel free to stop by the Showcase and glance through these books - they'd make great gifts, too. Don't forget that a gift of napkins and plastic glasses with our BLYC emblem make thoughtful reminders of our club to your friends from other clubs.

We have a nice selection of handmade Christmas decorations for your home or as gifts, at very reasonable prices (from \$2.50-\$20.00).

And, hopefully by the time you read this our Club Burgees will have arrived.

Editors note !! The Club Burgees are IN. They make good decorations during any season.

The Harvest Ball, held on October 31st, was attended by 67 members and guests. The parade of costumes was enjoyed by all as were the decorations. Thanks to Judy Ballenger and my wife, Pat, for decorating the club for this party. The prizes went to Bob Walters for Ugliest (and certainly we can't include Mary in this category!), Tom and Phyllis Flynn for best-looking couple, and Monty & Mary Montag for most original costumes.

As always, the O.S.U. Band Party was well attended and everyone had a great time. The mini-concert presented by the members of the "Best Damn Band in the Land" was enjoyed by all and gave everyone something to cheer about!

Looking ahead to December, don't forget "Ice Breakers" on Friday, December 18th - Come out and enjoy a good meal, a warm fire, and the friendship BLYC always offers.

The annual New Year's Eve party is scheduled for Thursday, December 31. Mike and Joan Hein will be your host and hostess. Details of this party and information concerning reservations are found within this LOG.
