JUNE 1982

MAY HAS BEEN A VERY BUSY MONTH AT THE CLUB WITH SAILBOAT RACING, POWER BOATING, THE COMMODORE'S BALL, AND OUR VARIOUS CLUB ACTIVITIES GETTING INTO FULL SWING.

JUNE IS HIGHLIGHTED WITH THE COMMODORE'S STEAK FRY ON THE 19TH. MAKE YOUR RESERVATIONS EARLY FOR THIS POPULAR EVENING. JUNIOR SAILING CLASSES BEGIN THIS MONTH, AND DON'T FORGET THE LADIES' CARD PARTY ON THE 16TH.

THE SEMI-ANNUAL MEETING WAS WELL ATTENDED AND MUCH WAS ACCOMPLISHED. THE PROPOSED CONSTITUTIONAL AMENDMENTS WERE APPROVED AND A NEW BOOK CONTAINING THE CONSTITUTION AND BY-LAWS IS IN THE PROCESS OF BEING PRINTED UNDER THE DIRECTION OF VICE-COMMODORE FRANK FOSTER.

GOVERNOR GORDON FORSTER, ALONG WITH NANCY DRESSEL OF THE LADIES AUXILIARY ARE PRESENTLY LOOKING INTO THE RELANDSCAPING OF SOME AREAS ON THE ISLAND. HOPEFULLY, BY THE TIME YOU READ THIS LOG, WORK WILL HAVE BEGUN. THIS WILL BE A JOINT PROJECT BETWEEN THE LADIES AUXILIARY AND THE HOUSE AND GROUNDS COMMITTEE. I'M SURE IT WILL BE A VERY NICE IMPROVEMENT TO THE CLUB- THANK YOU LADIES.

I HAVE RECEIVED MANY COMMENTS, ALL GOOD, ABOUT THE ARTICLE LAST MONTH WHICH REFERS TO OUR UPCOMING TRIP TO PUT-IN-BAY FOR THE JUNIOR WEEK. IT WAS MOST AMUSING AND CERTAINLY MAKES US ALL LOOK FORWARD TO A VERY FUN TIME. THANKS, FRANK.

WE ARE ALL VERY PROUD OF ONE OF OUR JUNIOR MEMBERS, DAN DRESSEL. DAN RECEIVED THE JOYCE MERIT SCHOLARSHIP AWARD, WHICH ENTITLES HIM TO A FULL FOUR YEAR SCHOLARSHIP TO THE UNIVERSITY OF NOTRE DAME. CONGRATULATIONS, DAN.

THE 4TH OF JULY IS NOT FAR AWAY SO BE SURE AND PLAN TO BE AT BLYC FOR THIS SPECIAL WEEKEND. SEE DETAILS INSIDE.

⚓ ⚓ ⚓

The day following the grapefruit episode we took Mrs. Wilcox (Comm. and Mrs. Wuellner's daughter) to the Fort Meyers Airport. She had to return home in Cleveland, Ohio. Fort Meyers Airport is very big, fancy and busy. Something to keep in mind in the future.

The next evening a "Buckeye Lake, Ohio" cocktail party was held. Believe it or not some twenty people from Buckeye Lake Yacht Club attended. From that time on it seemed that every body was having a cocktail party.

Probably the next enjoyable thing I did, was to go "Deep Sea Fishing." We left the dock at 07:00 and after a 2½ hour boat trip or about 50 miles out into the Gulf, we started fishing. Those in the six man party that I was most familiar with were, Lloyd Ballenger and Marty Headlee. We caught Bonita, Grouper, One Hog Snapper (which is a fire red fish) Spot Tails, Trigger Fish, Sheep Head, Marty landed a large Cobia after the Skipper had hooked it. Marty also hooked and landed a Remora, a fish with a suction disc on it's head, by which it attaches itself to a shark and lives off the food that the shark sniffs or misses. All in all a great day.

Another "Buckeye Lake, Ohio Cocktail party on Saturday evening wound up the first 2 weeks of our stay in Florida. This one was even larger than the first as far as people from Lake area was concerned. Newly arrived people outnumbered those who had left for the north.

During a trip to Sanibel Island we went thru the J.N. "Ding" Darling Wild life refuge, a National Bird Sanctuary. Here we saw many types of birds such as Egrets, Ibis, Storks, to name a few. We also saw 4 alligator one was about 4 Ft. long another was 3 Ft. long and two smaller ones. The people from Florida who happened to be there said they were last years models.

Time seems to fly when you are enjoying what you are doing. The Restaurants, the Shopping Centers, the Speciality shops keeps one going from morning till night. Lo and behold the day of our departure was at hand.

One last farewell cocktail party was held and a grand total of 29 people from in and around Buckeye Lake and the Club attended.

On the morning of 1 April we left Ft. Meyers Beach, Florida enroute to Buckeye Lake and Millersport. The first day was rather uneventful, we did stop so the ladies could get some goat milk fudge or candy. We were still in Florida when we stopped for the night.

The second day was a different story. At the first rest stop after a nice bright start, I locked the car keys in the car. After getting going again we finally stopped for lunch and fuel. A sharp eyed gas attendant discovered that the bearing in my Alternator had burned out and had to be replaced, this took about 30 minutes and cost \$135.00. The time was not all lost as the ladies went to a towel factory close by. A wrong turn at Chattanooga by me cost another 30 minutes loss of travel time. As far as I am concerned April 2, 1982 could have been left out of my calendar.

The next day was uneventful. We did stop in Florence, Kentucky. We got to 3519 Sellers Drive at 16:30. Cleaned up and went to B.L.Y.C. for the Junior's Spaghetti dinner.

This then is our trip to Florida. Total mileage, 3099. We had a wonderful time and were surprised at the number of B.L.Y.C. members enjoy the warm climate of Florida. Try it sometime, you will like it.

JUNIOR TRAINING

GOVERNOR MIKE JACOBS

I would like to give a special thanks to all of you who so generously supported the Junior Sailing Fund. Your contributions enabled us to buy a new Flying Junior for our junior sailing program. This boat plus two others purchased by the club has been delivered, please make an effort to look them over. Thanks again for your contributions.

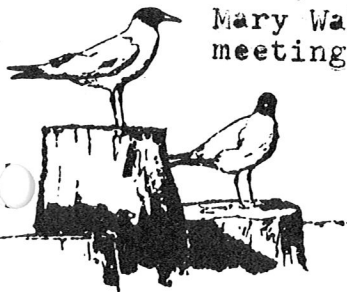

The Junior Sailing Camp registrations have been coming through daily. If you know of someone interested or you have not yet registered one of your children, don't miss this great opportunity. The advanced classes start June 21st, and the beginners and intermediates start July 1st. Call me at 927-7212 if any questions.

Also please note the life jacket release forms posted on the bulletin board at the club. If you feel your child under 12 years of age need not wear a life preserver on the club grounds, a release form must be signed.

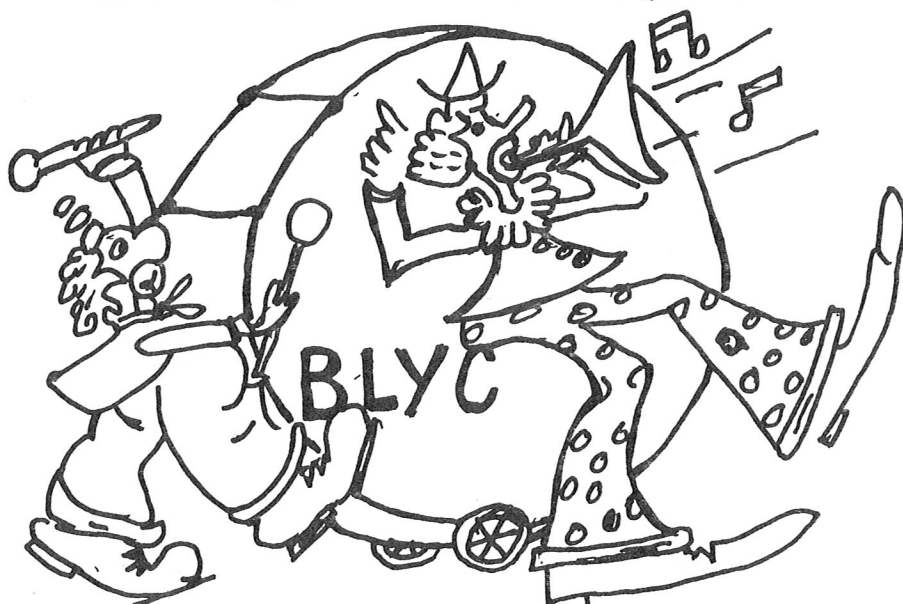

The Ladies Auxiliary of B.L.Y.C. met May 11 at the club for a delightful spring luncheon. President Nancy Dressel thanked everyone for their participation in the Las Vegas night and for work day. Judy Ballenger reported many new items in the show case and more to come in. (Get this ladies) Judy will be starting an aerobic dancing class on Tue. and Thursday evening from 6:30 to 7:30 on June 22 and 24. More later about this. NOTICE OF PROPOSED BY-LAWS CHANGE

The BLYC Constitution now requires publication of proposed By-Laws changes before they are considered by the Board of Governors.

The Board approved for publication the following proposal for amending the By-Laws: Invoices for annual dues and rentals must be mailed to members during the first week in January. The bills would be due on February 1. A member would be delinquent 30 days thereafter. If the bills are issued late, the due date and delinquency date are postponed a number of days equal to the delay in issuance. A dock which is assigned to a member who is delinquent (i.e. 30 days late) will be reassigned to the next eligible applicant if the member does not pay the full amount to the Club within 10 days of his receiving actual notice by registered mail that such reassignment will occur.

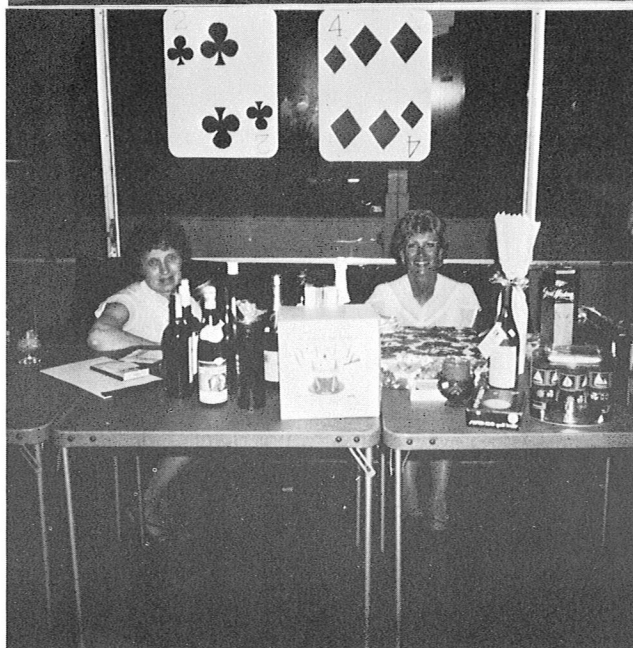

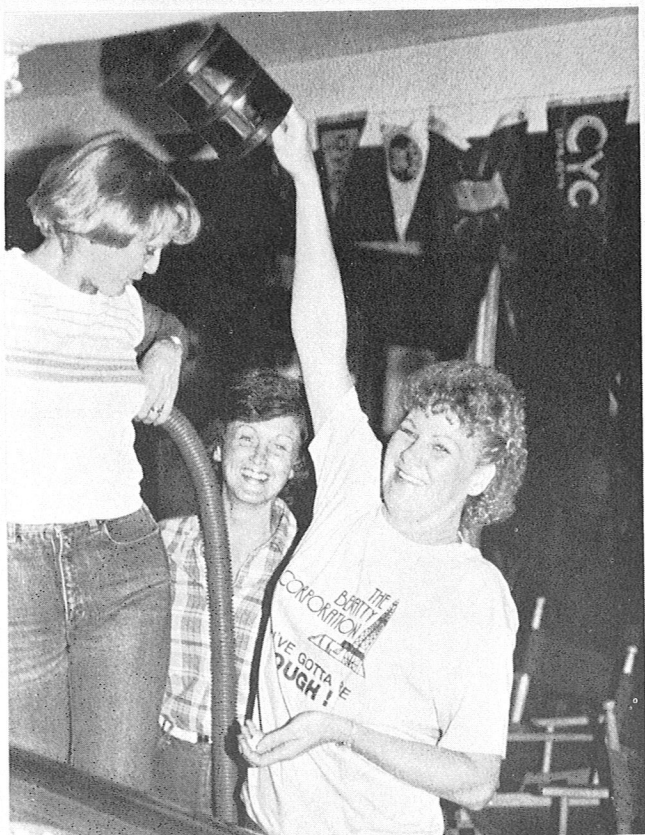

The following are some of the reasons for these changes:

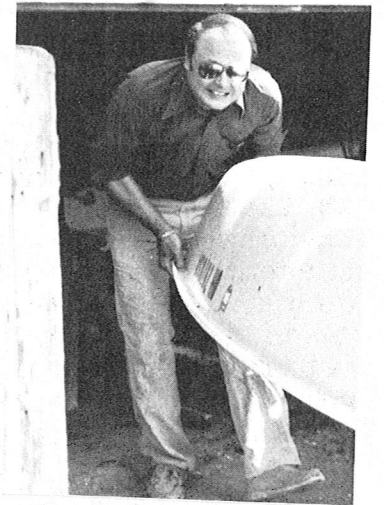

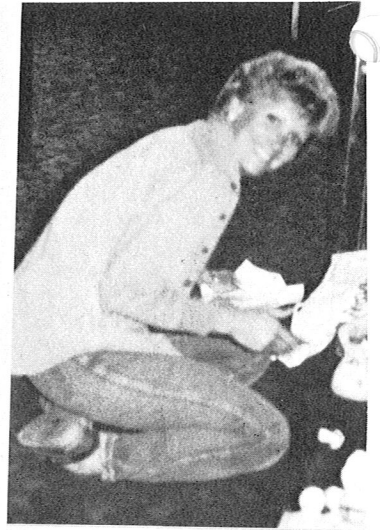

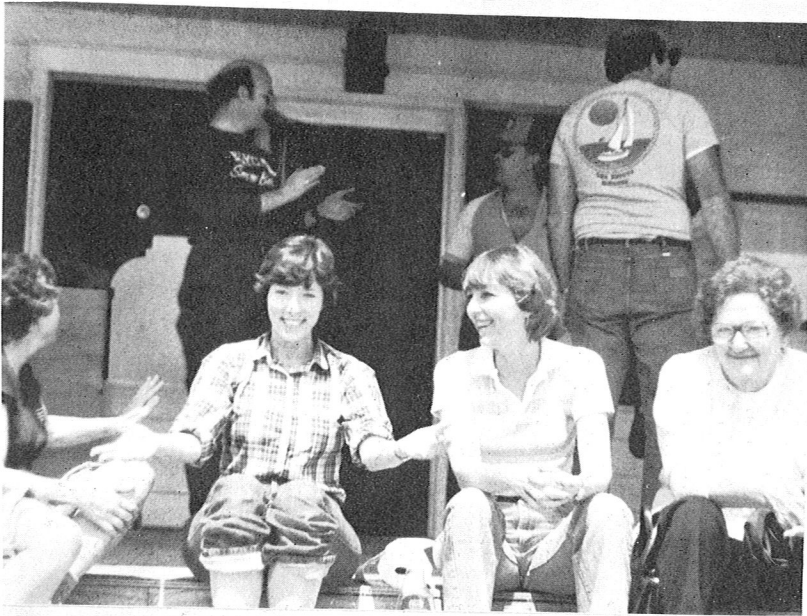

(1) We currently have a shortage of dock space. There are not enough docks for all members who want them, especially for the larger boats. This means that some members are forced to find whatever other dockage they can upon the lake. Some members seek to arrange for docks at the state docks opposite the Club. This is a particularly convenient second choice if one cannot dock at the Club. The problem is that the state must know during the month of March whether a boater will take his state dock but a boater does not want the state dock if he can get his first choice dock at BLYC. Under current practice, the Governor in Charge of Docks is not able to tell people what docks they will get until at least May 15 and often not until substantially later. This is well into the boating season and too late for people to make other arrangements. Therefore, the first reason for proposing the earlier February 1 date for payments is that it will allow the Governor in Charge of Docks to make decisions early enough to tell people in March whether they will get a dock. This would enable people to retain their State dock if they do not get a BLYC dock and additionally will allow people without State docks to make whatever other arrangements they might be able to make until such time as they can get a BLYC dock.

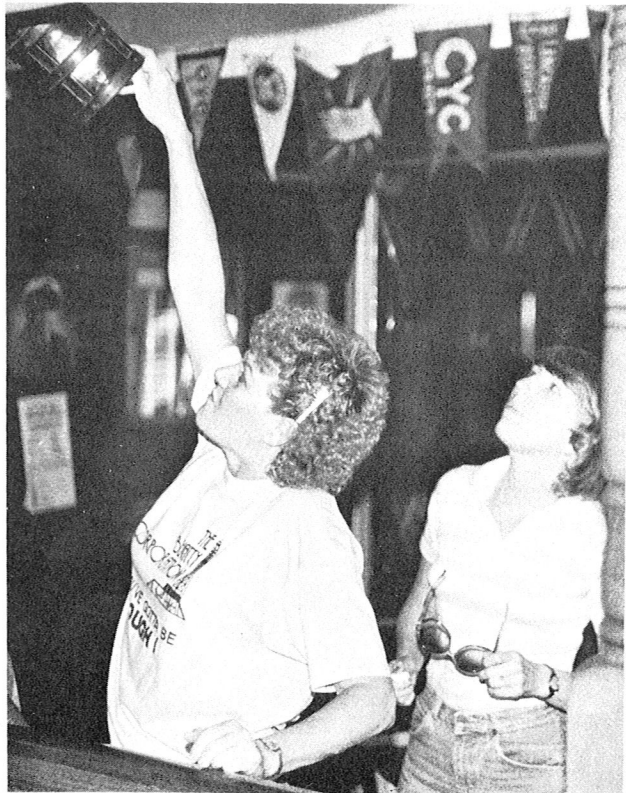

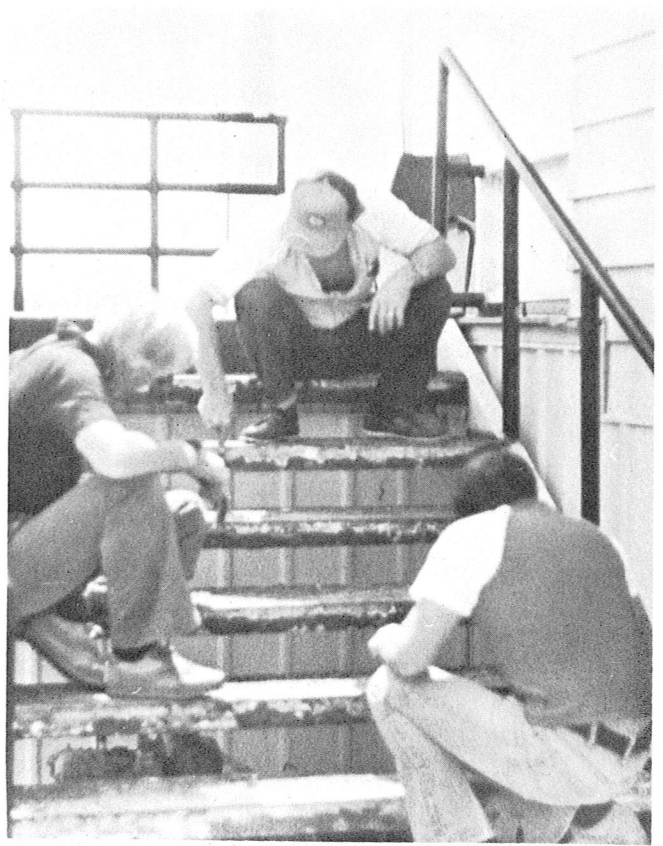

(2) The second reason for proposing the change is that by moving the date for payment back to February, we can reduce the shortage of cash which occurs during the winter. This would enable the Governors to complete projects before our busy season rather than delay until the cash was on hand.

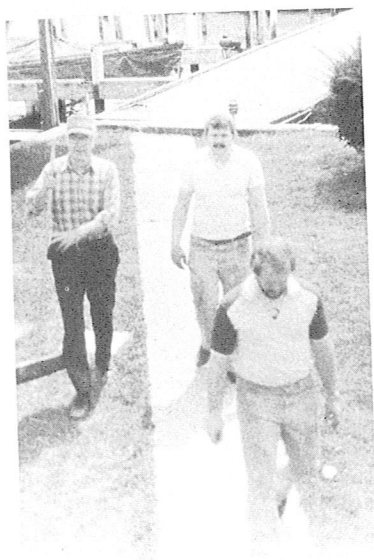

(3) By moving bills back to February 1 we may be able to beat Uncle Sam to our money.

(4) By moving the billing back we may be able to get further away from the busiest portion of the tax season for accountants.
