## FROM THE BRIDGE ☆ ☆ ☆

November 1983

The 1983 Snowball Regatta was beautiful! Excellent weather, good air most of the time, great sailors. The socials and parties were on a par with the sailing. Thanks to all who aided and those who competed. The Newark Advocate gave us terrific coverage with camera and story.

Fall work-day is also behind us and the clubhouse facilities expect to be ready for the onslaughts of winter. Many hands turned out Sunday and the good spirit of club members was bubbling over. That last final downspout was connected to the lake. Great! Everywhere from the "swimming slide" to Area 8 and Eastport, crews were working together. Special thanks to brand new members who turned out.

Special Report on the October Board of Governors' Meeting. Gov. Bob Zeiher handed his resignation from the board to Comm. Walters. Bob cited business reasons for his action and stressed that he would like the board to call on him any time for special assignments. His resignation was accepted with regret and his volunteering for short term jobs was appreciated.

Comm. Walters acted according to the club's constitution and by-laws in conducting an election by the board to fill this vacancy. Bob Boehm was elected and has accepted this post.

Then Comm. Walters also resigned from the board. He informed us that his new out-of-state business had mushroomed much faster than he had anticipated and he has already taken up residence in Tennessee (a house by a lake of course). He had flown in to Columbus late that afternoon for the board meeting and was flying right back early the next morning.

Comm. Walters then conducted an election for his successor. I was elected Commodore and conducted the balance of the meeting. I then held elections in which Mike Jacobs was elevated to Vice-Commodore and Marty Headlee was elected to Rear-Commodore. After that, one more election was held to fill the vacancy on the board and Don White was chosen to be a Governor.

As Commodore, I have made two re-assignments of duties. This was done for the good of the club and only with the desires of the men involved. Rear-Comm. Headlee will stay with his previous assignment to Entertainment. Gov. Doneff will handle Docks and Facilities. Gov. Erickson will see to Junior Training. Gov. Boehm is assigned Membership and Directory. Gov. White will cover Race and Regatta.

We have an excellent group working on the board this year. All are leaders. Many of these men will progress up through the ranks of flag officers. We are united and ready to go for a great 1984!

Back to Basics: Boating, camaraderie, socializing, sports - - - fun!

See you at the club!

## BAR AND KITCHEN

### V.C. Mike Jacobs

We at BLYC are fortunate to have such fine facilities for our pleasure and enjoyment, not only for the spring and summer, but fall and winter too!

"Ice Breakers" will be starting this month. Come out to the club for a good meal and to enjoy the warm fire and friendly conversation. Try it, you'll like it.

If you have any questions, or suggestions pertaining to the Bar and Kitchen, please contact me.

# ICE BREAKERS

November 18, begins our first of six Ice Breakers planned for the winter. Always occurring on the second Friday of the months November through April, Ice Breakers are a chance to enjoy a warm fire and a hearty meal, to continue friendships made over summer and make new ones by the fireside.

In the early 1960s, a group of BLYC members called the Snake Hunters got together at the club on Friday nights once a month. This habit continued on and off through 1968. In 1969, Howard Glenn reorganized the Snake Hunters and they continued to meet until April of 1970. At the May, 1970 semi-annual meeting, it was decided to make this tradition a permanent part of BLYC activities and to change the name to Ice Breakers. Mr. Howard Glenn was the first host.

Ice Breakers are a great opportunity to come to the club and have a casual get-together with friends and members. By all means bring your guests. Sit by the fire, lie to your friends, play cards, whatever.

The year's hosts, Paul Brewer and Gladys Travis, are sure to make you feel welcome and will be glad to introduce you around.

# GUN CLUB

## ATTENTION Trap Shooters

**November 13th. 1:30pm. BLYC**

On Sunday, November 13, at 1:30 PM, Gun Club will have a meeting to organize the 1983-84 Trap Season. We have planned some interesting shoots for this season and would like your input and suggestions.

We hope to shoot a round or two after the meeting so come prepared. By the way, where are all the lady shooters I've heard so much about???

The climax of any BLYC sailing season is the Snowballs. This year's regatta was no different and were superior to other years, The weather was unusual. Indian summer encompassed the two weekends. The first weekend - Snowball I, eighteen Lasers, thirteen Highlanders, and five Lidos raced four races. Snowball II had five races for eleven MacVentures and nineteen Lightnings.

The winners from Snowball I were the following. Lasers: 1, Ken Hopkins of Caesar Creek Sailing Association; 2, Bryce Dryden of Indianapolis Sailing Club; Willy Petersige, 3, of BLYC; 4, Tami Headlee of BLYC; and 5, Debbie Hopkins of CCSA. Lidos: 1, Jack Woods of CAC; 2, M. Bankiewicz of Leatherlips and 3, Jerry Jones of BLYC. Highlanders: 1, George Fisher of BLYC; Steve Carter, 2, of Hoover and 3, Tom Martin of Hoover.

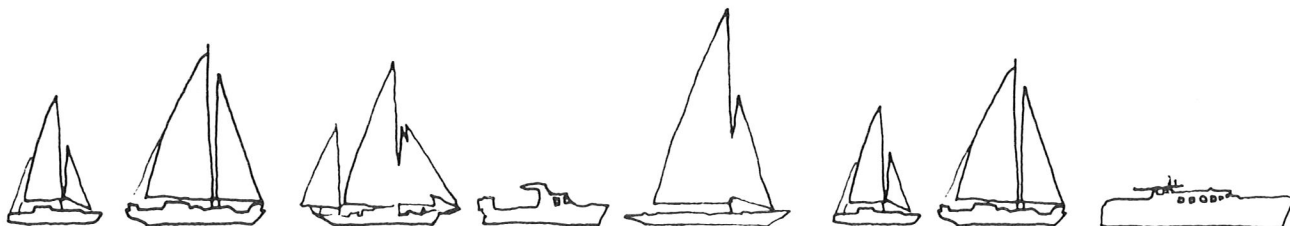

The winners of Snowball II were: Lightnings - 1, Bill Shore; 2, Tom Allen of Buffalo Canoe Club; 3, Jack Mueller of Cleveland Yacht Club - all of the A Division; 9, Dick Mitchell of Hoover; 11, Carl Clipp of Leatherlips; and 12, John Werly of Pymatuning YC - all of the B Division. MacVentures - 1, Phil Ragno; 2, Dave Miller; and 3, Russel Crist.

The Snowball Regattas this year had a new diversion - the new ORANGE hoist at Eastport. Mac Wood constructed the pad and erected the hoist in time for the Regatta. We watched Jim Dressel hoist his boat the weekend before. A few of us held our breath as the Lightning went over the wall and on to the trailer. The ORANGE hoist worked as designed.

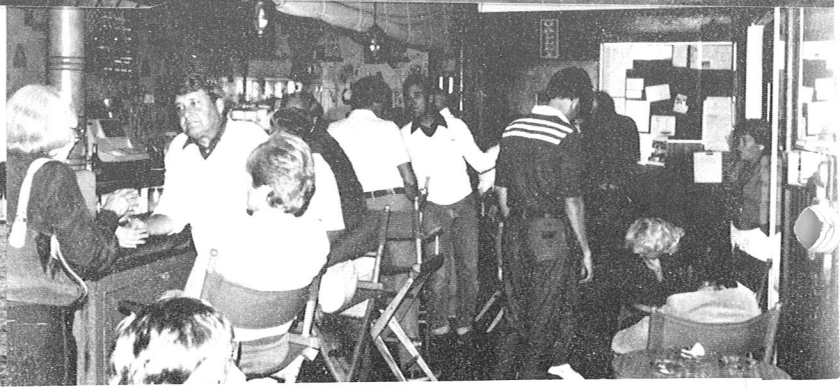

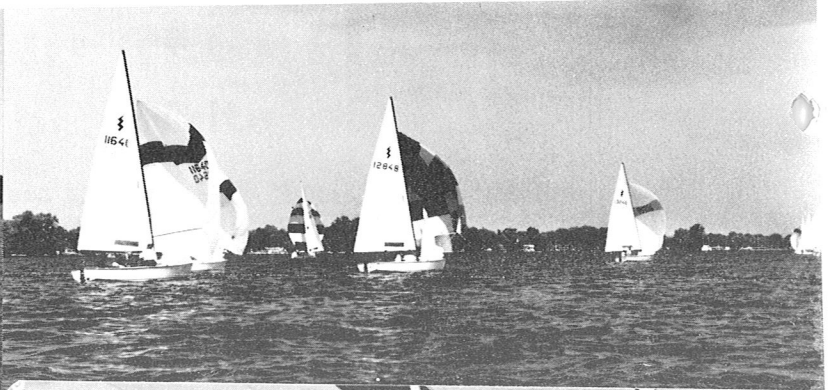

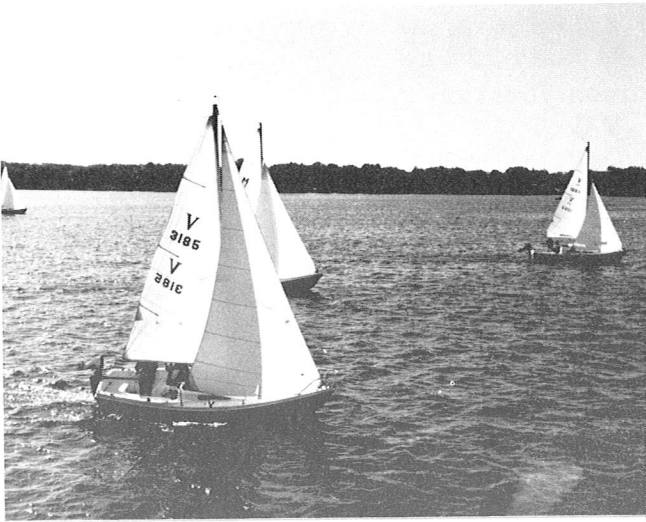

I want to take these few words to thank the many people who made those two weekends the Snowballs to remember. I won't give names because I would miss those who contributed. The Snowballs are yours and you are the Snowballs. Your contributions were appreciated by all. We thank you once again for continuing the Buckeye Lake Yacht Club tradition.

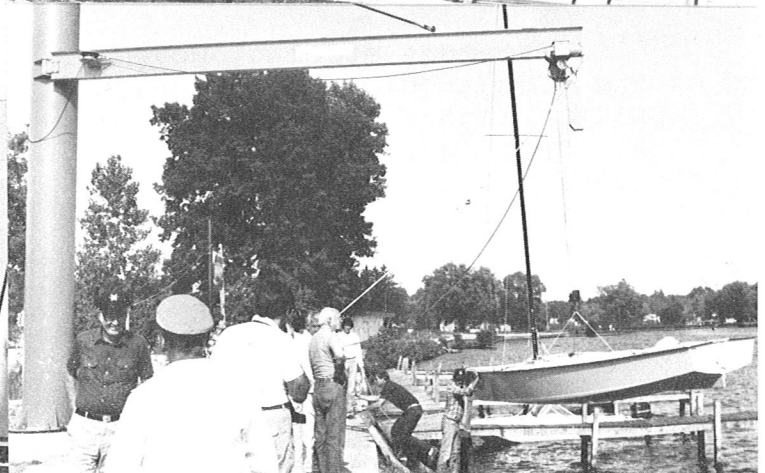

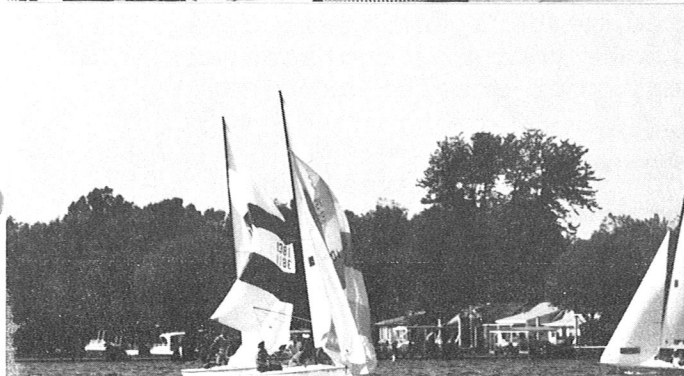

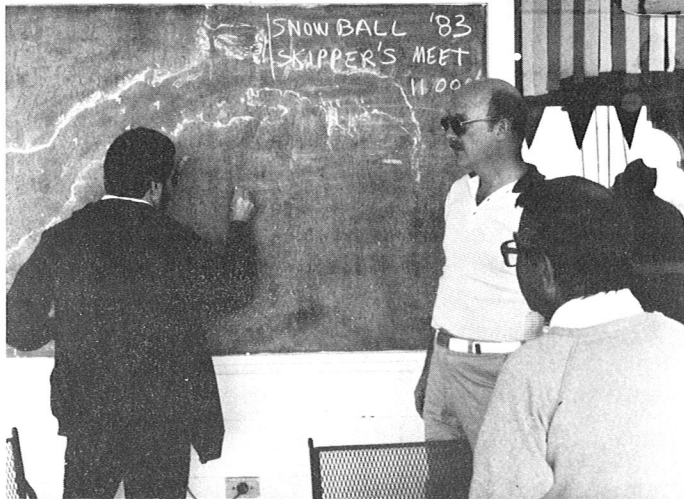

The Race Committee during the 1983 season held thirty six races for the MacVentures, eighteen races for the Lightnings, ten races for the Lidos and Lasers, respectively and nine races for the Highlanders with five races in the Master's Series. That is a total of 83 races for the summer. This count did not include the Snowballs. The MacVenture Fleet had seven series. The Lightnings had four series and the rest had one series. That is a lot of racing for a summer season.

The Master's Series was won by Mike Hein III representing the Lightnings. Tami Headlee placed second, representing the Lasers. The most Improved Sailer will be announced at the Awards Day. This will include most improved Junior Sailer. NOVEMBER 20th at 2 PM. Come to the Club for a meal before the AWARDS. This is Sunday, 2 PM, November 20th.

## ENTERTAINMENT COMMITTEE

The Snowball Regattas are over and what fun they were! Thanks to all the people who were there to make sure everything ran smoothly, the Snowballs were a great success. The ladies did their usual wonderful job of providing hors d'ouerves for the cocktail parties. Thank you ladies! Everyone seemed to really enjoy the parties and dancing to Rick Fulgham and his band.

Now that the boating season has come to an end for this year and the docks look pretty bare, we can all go inside the club and warm up at the winter parties. We've planned some fun times to keep everyone socially active so we don't become dull before the spring parties. Read on...this is only the beginning of a fun filled season.

As you can see by the schedule above the next two months will be pretty busy at the club, starting with Trophy Day on Sunday November 20. This is an important day for the members of BLYC to honor the sailors. This is the time that those who have excelled in the various races receive awards. Come out to the club and have lunch and watch the presentations. It's a fun way to spend a Sunday afternoon.

On Saturday evening, November 12, we will have 10 to 15 members of the OSU Marching Band plus their Drum Major (commonly known as TBDBITL), along with some of our talented members, entertain us at the club. This is always a good party so make your reservations early, and don't miss the fun. Remember...wear your Scarlet and Grey... Go Bucks!

The Ice Breakers is not a function of the Entertainment Committee, but I feel it should be mentioned because they are such fun. The first one will be Friday November 18, and will meet the third Friday of each month through April.

Mark these dates on your calendars and keep watching the Log for more exciting happenings at BLYC!

# POOPDECK

Following is a synopsis of the unapproved minutes of the Semi-Annual meeting held September 18, 1983.

Meeting called to order by Comm. Foster at 1500 hrs with a quorum of 55 members present.

Membership status: 263 active, 12 non-resident, 21 distaff, 14 junior. There were 29 new members in 1982-83. Eight more new members are up for approval at the October Board of Governors meeting.

Area 8 has a new security gate and is in generally good condition. The new bubbler system will be installed as soon as the necessary wiring is completed.

The clubhouse has a new furnace and improved drainage.

The Audit Committee reported that the books were found to be in good order. A system for approving expenses prior to disbursements is being discussed as a control on club spending and to allow each Governor to be more aware of the status of his budget.

The Perpetual Fund currently has \$31,000 earning 9½-10%.

The Past Commodores' Award for Meritorious service was awarded to Greg Alspach.

The Heber Award, for Yachtsmanship, Character, and Sportsmanship, was awarded to Comm. Frank Foster.

There were some questions concerning the new club hoist recently installed on the Eastport property.

Several members questioned the club's liability insurance.

There were some inquiries concerning the possibility of air conditioning the rest of the clubhouse.

Comm. Foster, commenting on the recommendations of the 1976 Long-Range Planning Committee, was pleased to report that the following had been completed by his or previous administrations:

- \*Construction of covered boat houses & slips.
- \*Enlargement of the dining room.
- \*Increase in Fire & Casualty Fund contributions.
- \*Acquisition of property guaranteeing the club permanent access to the lake and club facility with potential for future expansion, trailer parking, and a hoist.

Comm. Foster indicated that the following recommendations had not been met yet:

- \*Install a new lounge floor.
- \*Install a sprinkler system for fire control.
- \*Provide additional transient & permanent docks & slips.

Comm. Walters and the new Board of Governors were introduced as were the members of the Ladies Auxiliary.

The meeting was adjourned at 1730 hrs.

# JUNIOR TRAINING

## JUNIOR SAIL-OFFS

On the weekend of August 27 and 28, the BLYC Junior Sail-Offs began with six of the nine scheduled races being completed. The remaining three were postponed due to lack of wind and were sailed the following weekend. Nine juniors participated in the competition with the results as follows:

1. Tami Headlee
2. Bill Kumler
3. Tracy Hein
4. Mike Jacobs
5. Cristy Hardy
6. Lori Kumler
7. Jenny Forster
8. Barbie Hein
9. Scott Ottenweller

Tami Headlee, as winner of the sail-offs, became the skipper of the BLYC Sears Cup Team. At the present time, the Sears Cup will be sailed at Put-In-Bay during Junior Bay Week, the final week of July. Tami selected Bill Kumler and Tracy Hein as her crew for this year.

Mike Jacobs and Cristy Hardy will represent the club in the Smyth competition and Lori Kumler will be the skipper of the Bemis Team with Barbie Hein as her crew. Both the Smyth and the Bemis will be hosted by Sandusky Sailing Club and sailed in Sandusky Bay.

## IN MEMORIAM

The club was saddened to learn about the death of Ruby Schott. Ruby was active in Ladies Auxiliary and was a familiar face at BLYC social functions. She will be deeply missed by those who knew her.

??????????????

Anyone knowing the location of the brass plate bearing the name Max Slaughter, which used to hang on the door to Room 4 above the club is asked to contact the LOG editor.

# LADIES AUXILIARY

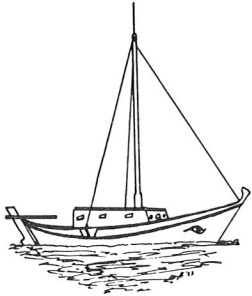

The Ladies Auxiliary met at Reeb's Restaurant on October 11. Twenty one members and seven guests were present.

A moment of silent prayer was held for Jane Keck and Ruby Schott. Judy Ballenger announced there are many new items in the showcase including stationary and insulated glasses with the BLYC insignia. Please keep these in mind for Christmas gifts. Judy is looking for a source for some plex-a-glass for the shelf opposite the showcase so it can be used as a display case.

Dues are due. They are \$10.00. If you have not paid, please send them to Carole Donnelly, 4405 N. Bank N.E., Millersport, Ohio, 43048.

The next meeting will be a luncheon at BLYC on WEDNESDAY, November 9, instead of Tuesday because of Election Day.

Ginny Fulgham  
Secretary

## JUNIOR TRAINING

I asked for assignment to Junior Training because in my opinion it is the most important one. It is through the juniors that we can insure the future of our Yacht Club. Junior sailors become the Fishers, Dressels, and Petersilges of the future. It is through young people that Buckeye Lake Yacht Club will maintain the reputation built by the champions who preceded them. The juniors have the benefit of example and the opportunity to participate in a training program that is better than most programs available.

Not everyone is cut out to compete at a high level of intensity. Not everyone wants to race. The Buckeye Lake Yacht Club Junior Program has room for all levels of interest and capability. So encourage all BLYC youth to try sailing and the sailing program; Try it, you may like it.

I look forward with enthusiasm and excitement to my year with the Junior Program and I want to thank in advance all those in BLYC who willingly give of their time and effort to help the juniors do their best.

If we remember that success is a journey and not a destination, we will quickly realize that we must continually put forth our best effort just to stay even.

**Gov. Tom Erickson**

## HOUSE, PORCH, AND GROUNDS

### Gov. Tim Ryan

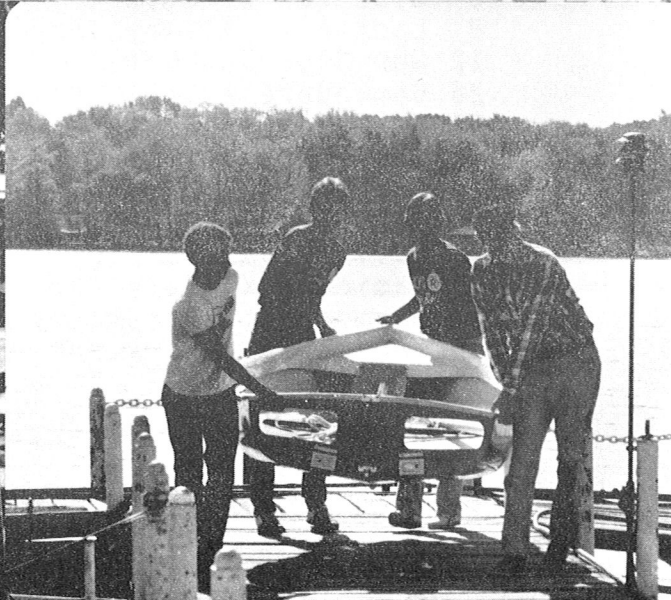

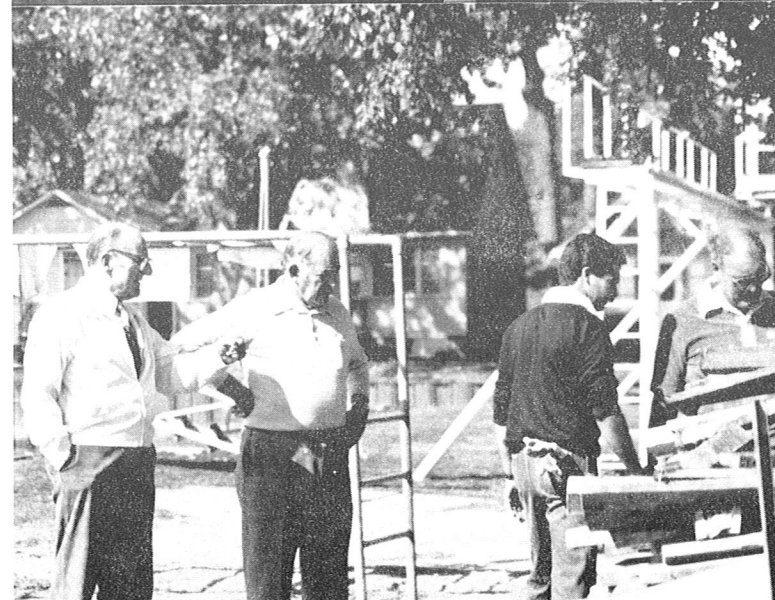

Sunday, October 16th was our Gala Work Day at BLYC. We had a great turn out and a great amount of work was done. I would like to take this opportunity to thank everyone that came out and lent a hand Sunday. There were too many people to thank personally, so I hope that this will suffice. Some of the tasks accomplished were the diggin of the last downspout, the storm windows installed, a lot of cleaning, and the bedding down of the East Port for the winter.

A couple of notes for your information - - Just because the East Port hoist is put away for the winter this doesn't mean that we can't use it. It will only take 10 - 15 extra minutes to get it operative. Also, a special thanks to the Ladies Auxiliary for lending a hand. Be sure to wear your sunglasses inside the Club, the clean windows sure let the sun shine in!

Thanks again to everyone! The work, the support, and the cooperation was much appreciated.
