## FROM THE BRIDGE ☆ ☆ ☆

February 1984

I am writing this as more snow is falling on the frozen Sahara wastelands of Buckeye Lake. What a winter! Beautiful. Exciting. Frigid. But -- the days are getting longer. It won't be long until boating season is at hand.

Invoices for annual dues, dock rentals, etc. are being mailed out now and will be due in thirty days. There has been no change in members' dues but the initiation fee has been increased by one hundred dollars.

Progress is being made on the improvements planned for the clubhouse this year. New roofing for the main dining room and front porch. New windows in the dining room and front porch area will be of insulated glass and thermo-barrier design to help tremendously in the winter for heating and comfort. Better, also, in the summer. It will eliminate those storm panels for the work day crews. I am exploring the possibility of improving our ventilation system from main club room up to the "lighthouse". It should help to better remove smoke and stale air and at the same time supply much more fresh air.

A wonderful New Years Eve party was enjoyed by well over a hundred people, thanks to Marty and Sue Headlee. Also the January Icebreaker was well attended. Thank you, Gladys Travis. Next Icebreaker will be February 17. Also, another good occasion will be the Sweethearts Ball on Feb. 11. Some of you members who have not been to the club since late summer could come to one of these February events and E-N-J-O-Y.

See you at the club!

## **R.C. Marty Headlee**

Once again I want to thank all of those who helped make the holiday parties such a success.

The New Years Eve party was delightful! John served a delicious dinner, and Rick Fulgham and his band did an excellent job entertaining all of us.

We're looking forward to a great year in 1984. To start things off, the Sweetheart Ball will be February 11. The band will be "Starburst" with a superb female vocalist. Your host and hostess for the evening will be Don and Jean Hardy. This is always a nice party, so plan now to attend.

The ice is thick enough for skating, or whatever you desire, so now is the time to enjoy the lake and warm up in the club with some hot soup or a delicious hot dinner.

There has been a change in the calendar for August, so make a note - the New Members Party and Dance will be August 11, and the Antique Boat Regatta will be August 18 and 19.

Mark your calendar for the coming events.

We love our Commodore but does God really smile on them? I'm a believer! Boaters Beware! The Turkey Shooting Commodore will get you if you don't sign-up for the race committee.

The LOG has recently learned of the death last April of Maxine B. Yoerger. Her widow, Norman Yoerger, joined BLYC 66 years ago in 1917. The LOG regrets the delay in making this announcement and urges those who know this long standing club member to contact him.
