FROM THE BRIDGE ☆ ☆ ☆

JUNE 1984

At long last ..... summer is at hand. Whence spring? Ours not to question why, ours but to ----- enjoy what is ahead.

A new large "Old Glory" is flying at the Club. Also, the state of Ohio pennant and a colorful windsock.

Members seeing the Commodores Lounge and the new main entry into the clubhouse have all expressed pleasure at the results of our planning. Docks are being repaired. An additional Laser rack should be here very soon. The roofing has been replaced with repairs to some wood sheathing underneath.

But the big change is in our Boatyard at Eastport. The board and trustees are working together and exchanging methods, end results desired and of course, finances. The timetable is now set for an early June opening of the completed yard for trailer and boat storage.

Enjoy the summer. Enjoy the Club.

See you there!

# ENTERTAINMENT

## R.C. Marty Headlee

The first thing I want to do is thank Gladys Travis and Phyllis Flynn for all of their work to make Ice Breakers such a success.

The Las Vegas Party put on by the Auxillary April 28th was a fantastic party! Everyone really enjoyed themselves. Thanks to all of those who helped so much to make this a very successful party for the ladies.

By the time you receive this Log, the Commodores Ball will be a past event. I hope most of you attended as this is always a wonderful evening, and a special chance for us to honor those who have worked so hard for our club.

Check the dates below for coming events...The Commodores Steak Fry June, 16 is always outstanding! This is one time we can all see the Commodores working again so that we can have an enjoyable evening. Additional information elsewhere in this Log.

Make a note of the Independence Day events. Since the 4th is on a Wednesday this year, we will celebrate Wednesday, Saturday and Sunday. If there are any additions to the schedule in this Log, we will let you know as soon as possible.

Plan now to attend the Entertainment functions at the club. You pay for these parties through your dues so you are all entitled to attend and enjoy them. The money charged at club events pays for your dinner that evening. Your dues pay for the bands and free cocktails, so do plan to attend and enjoy these lovely functions. Our committees put a lot of effort in these parties to make them enjoyable for all of us.

The storage area is secured with an 8' chain link fence topped with barbed wire and is lighted during dark hours. Access is by car from Rt. 79 or by foot from the hoist and tow path. For questions or reservations contact Gov. John Doneff.

# JUNIOR TRAINING

**Gov. Tom Erickson**

June is the month of the Junior Sailing Camp. At this writing there are only 12 Juniors signed up for the Sailing Camp. For those parents of Juniors in the age range of 9 to 17 years old, I would like to remind you of the benefits of having your children participate in the program.

The Beginners program is structured to provide the basics in sailboat nomenclature, sailboat handling, and seamanship. When Juniors have completed the beginning course, they will have been exposed to the basic skills required for sailing.

The Intermediate program includes instruction in the racing theory and tactics. When Juniors have completed the intermediate course, they will have the skills necessary to participate in sailboat races as a crew member.

The Advanced program provides a review of racing rules and tactics. It is the frequent practices of starting and racing that teaches the Juniors to become a proficient sailboat skipper. Mini-regattas are held to help the Juniors perfect their skills.

Sailing Camp is a fun experience as well as an opportunity to learn from experienced sailors who have been through the BLYC Junior Program and have represented the BLYC at Put-In-Bay regattas. Karl Erickson is the lead instructor and Amy Dressel is the associate instructor.

Please help us have another successful Sailing Camp. Sign your Juniors up as soon as possible. It is very difficult to take late registrants after classes have started.

## STATUS REPORT ON THE JUNIOR DRIVE TO BUY AN INTERLAKE

Currently we have received approximately \$1200 in donations toward the purchase of the Interlake for the Bemis Team. The price of a new boat is around \$5000. We welcome your tax-deductible contribution to help the Juniors reach their goal.

# LADIES AUXILIARY

The May meeting was held at the Club on the 9th. As usual, John served a delicious lunch to the ladies.

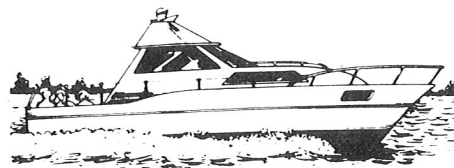

Lorraine O'Donnell would like to thank everyone who helped with the Las Vegas Party. We cleared \$942.97.

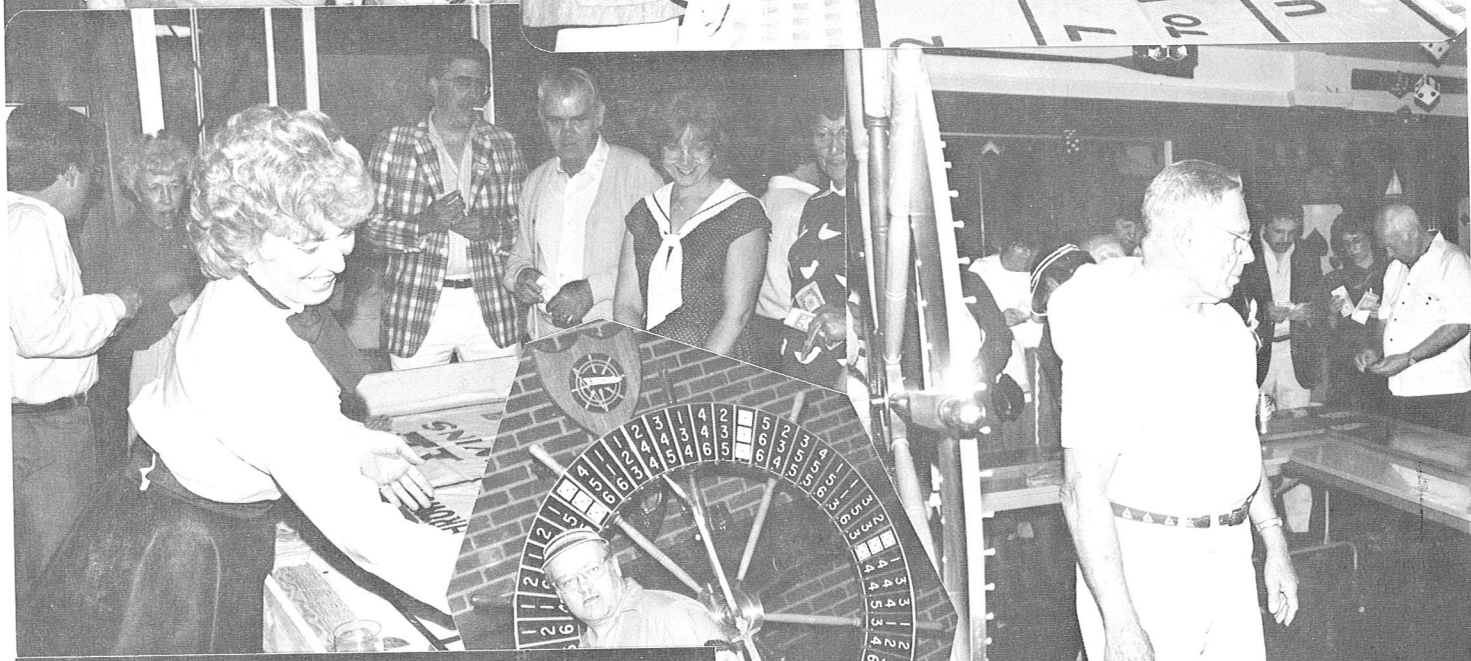

Check the showcase for some new shirts for the ladies with a different logo. Many different styles and colors. Most are reorderable. Judy Ballenger also has a new supply of sweat shirts. See her if you would like a different item. John is always willing to open the case for you. Look it over the next time you are at the Club. We need your support.

As soon as the new windows are in, the Auxiliary will be looking for new coverings for them. This is our big project for the year. Everyone's support is needed to make it a success.

JUNE 20th JUNE 20th JUNE 20th JUNE 20th JUNE 20th  
Remember that date. Mark your calendars. That is the day of our annual CARD PARTY AND STYLE SHOW. We need your help ladies. Ask your friends and have them ask their friends too. Tickets are \$8.00 per person. Join us for champaign, lunch, lovely clothes, a bake sale, door prizes, and much fun. Make reservations with John Doneff. Please come!

The June meeting will be a luncheon at BLYC on the 13th. See you then and on the 20th for the Card Party.

# EASTPORT

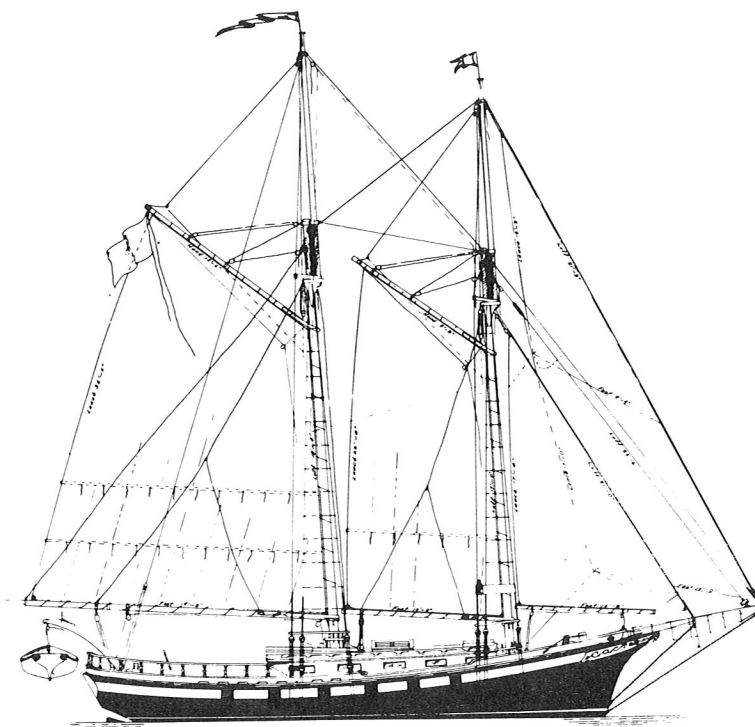

Danger buoys have been placed in the lake at Eastport. These markers indicate where the tallest of many pilings are located.

Be sure to navigate between them and the club. I understand that all of the other pilings have been cut off at 42" below spillway level. As of May 20, the water level was 6" below spillway level, making the pilings 36" below water level.

The State Park Office can tell you the current water level should you wish to know.

The hoist is now fully operational. Be sure to follow the "Hoist Rules" posted on the club bulletin board. An electrical outlet has been attached to the new hoist decking. And thanks to Wilber Wuellner we also have a water supply valve located below the deck.

Have a good summer and Happy Boating.
