

Buckeye Lake Yacht Club

LOG

FROM THE BRIDGE ☆ ☆ ☆

JULY 1984

The Boatyard at Eastport is open for and doing business. Mac Wood was the first to pay the fee for year 'round storage of a boat and trailer. He was quickly followed by P. C. Chris Lambrecht and myself. Others are now bringing their trailers to the Boatyard to clear the driveway or back yard at home. How about you? Do it now and you will be helping the club and yourself.

Because of the changing scene at the Boatyard, I am revising some appointments for the balance of this board-year. In addition to their present assignments, I am naming V. C. Mike Jacobs and R. C. Marty Headlee as a team to develop the plans of using the Boatyard. They will be responsible for everything there including the apartment building, the hoist, any landing docks, etc. The main item is to initiate and implement plans for space assignments, invoicing and the continued improvement of the area. Immediately, this means final grading, gravel, completion of the fill area, signs, etc. For a number of years, this will be one of our most important board positions and beginning with the new board-year on September 16th, it should be filled by one person, preferably a flag officer who has no other assignment.

For the record, I would like to restate our position with the total Eastport property. Shortly after I took office, we were faced with the problem of a tenant moving out of the old bar building. We tried to rent it to other businesses but failed in this because of the deteriorating condition of the structure. Finally, after much study and many meetings of the board and trustees, we arranged for the removal of the building by the Ohio (State) Fire Academy. Then we commenced to develop a paying facility that would answer the needs of and be used by many club members. At the same time we will be receiving a better income to help with our payments for the property. Drive by the Boatyard (especially at night) and see the progress we have made.

See you at the Club !

Dick

Dick Wolf, Commodore

ENTERTAINMENT

R.C. Marty Headlee

The Commodores Ball was held May 26th and was attended by 157 members and guests. The dinner served by John was excellent and I'm sure everyone had a good time dancing, and honoring our Present and Past Commodores. A special thank you to Mike and June Jacobs for helping Sue and I with this event.

Just around the corner are the Independence Day Celebrations. On Wednesday the 4th of July there will be sailboat races and good food available at the club all day. The dance and other club events will be held on the following weekend. The dance is July 7th, and weather permitting will be out on the patio. John has some very nice meals planned, so plan to spend your holiday at the club.

Saturday July 14 is the annual Cancer Ray Picnic. The proceeds from this event are donated to the Cancer Clinic. Plan to support this worthwhile event. Lunch is from 12 noon until 3:00.

Check the calendar below for other coming events and make plans to attend as many as possible.

See you at the club!

Last minute "unofficial" results of the Memorial Day Long Distance Race are listed below. Complete official results will be posted July 4.

			Elapsed Time	Calculated Time
First Place	13250	Lightning	1:26:57	1:36:49
Second Place	10956	Lightning	1:27:20	1:37:15
Third Place	11640	Lightning	1:27:37	1:37:34

IN MEMORIAM

We have learned of the passing last March of
Mrs. Lester B. (Helen) Newkirk.

**WE LOVE OUR
COMMODORES!**

THRU
THE
YEARS

JUNIOR TRAINING

Gov. Tom Erickson

At this writing we have completed one week and are ready to start the second week of the Junior Sailing Camp. During the first week, there were 16 Juniors in a combined advanced and intermediate class. The weather cooperated, more or less; we would have liked to have more air but we took what we got. The instructors, Karl Erickson and Amy Dressel, had done a good job preparing the course outline and daily lesson plans. The result of an anonymous written survey of the Juniors indicated that they both had fun and learned a lot about sailing. The final exam was in three parts--a written test of the book knowledge, a test on knot knowledge and ability, and a practical test on boat handling. The results showed a broad range of capabilities among the Juniors.

As Governor of Junior Training, I conclude that we should promote the Juniors based on their knowledge and capability. Therefore, this year the certificates will designate those areas successfully completed, i.e., book knowledge, knots, boat handling. This will give the Junior sailor an indication where to concentrate during the coming year so that s/he can advance at next year's sailing camp.

An additional observation is that no one can become an expert sailor by going to sailing camp for one week. If parents want their Juniors to participate as a BLYC representative, I recommend providing them a Laser or other equivalent sailboat on which to practice, practice, PRACTICE.

I'd like to thank the people who sent their Juniors to the sailing camp. I'd also like to pass on an observation Governor Don White made that bears repeating. Five young people who have gone through the BLYC Junior Training Program are employed this summer to train other young people:

Mike Hein Jr. in San Diego, California
Julie Oberfield in the Poconos, Pennsylvania
Charlie Ballenger in Maine
Karl Erickson and Amy Dressel here at BLYC

That is a very positive statement about what can result from the BLYC Junior Training Program.

Finally, I'd like to thank my wife, Carolyn, who provided all those services that are taken for granted. Without her, Karl and Amy would have had a more difficult time. Thanks to all those who contributed to the success of the BLYC 1984 Sailing Camp.

LADIES AUXILIARY

Twenty-seven members and one guest were present at the June meeting of the Ladies Auxiliary. Hostesses were Helen Limes, Rosalie McAtee, and Lexie Montague.

The Style Show - Card Party was a great success thanks to Chairperson Debbie Lynch. THANK YOU to everyone who attended, helped, and donated.

Now that our yearly functions are over, the Ways and Means Committee reports we had a profitable year. How do we spend the monies? At present we are planning for new draperies in the dining room. Sue Headlee and Phyllis Flynn are getting estimates. We hope to have them installed soon. Other re-decorating projects are being investigated.

Have you seen the new display case? THANK YOU, Tim Ryan and the Governors. Check it out along with the new items in the showcase. If you want an item and Judy Ballenger or Carole Donnelly aren't about, ask John or Bart; they can help you. Your support is appreciated.

The next Auxiliary meeting will be on Wednesday, July 11. Jan Kerr and Gladys Travis are hostesses. Watch for your invitation cards for time and place. All ladies are invited; you don't have to be an Auxiliary member. Come join us, we would love to have you. Hope to see you on July 11.

Ginny Fulgham, Secretary

Giles and his wife Georgi
reside in Columbus. He is
associated with Giles Turk
Investigative Specialists.

sponsored by Bernard Kathe, seconded by Commodore Dick
Wolf

Richard D. Besser

Richard and his wife Patricia
Ann reside in Upper Arlington.
He is president and CEO of
Schuler Inc.

sponsored by Jim Dressel, seconded by Tom Flynn

Ivor M. Rusk

Ivor and his wife Loretta
reside in Columbus. He is
Vice-president at Carson
Production.

sponsored by Ed Levison, seconded by Jeffrey Cooper

RACE AND REGATTA

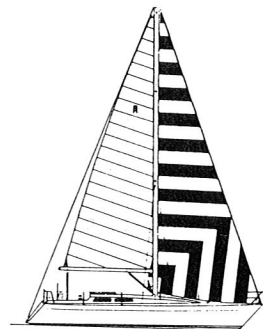

Just a reminder that Junior Bay Week is July 29-August 2 at Put-in-Bay on South Bass Island. This is the first year that all three Junior series will be at the "Bay". All series will follow the same pattern as the Sears Cup. The first two days, Monday and Tuesday, will be qualifying races to pick the top five competitors. The top five will sail for the Sears, Bemis, and Smythe honors on Wednesday and Thursday.

The BLYC representatives are:

Sears: Tami Headlee, Skipper
Bill Kumler
Tracey Hein

Bemis: Lori Kumler, Skipper
Barb Hein

Smythe: Mike Jacobs, Skipper
Christy Hardy, Skipper

So come on up and root our teams on!

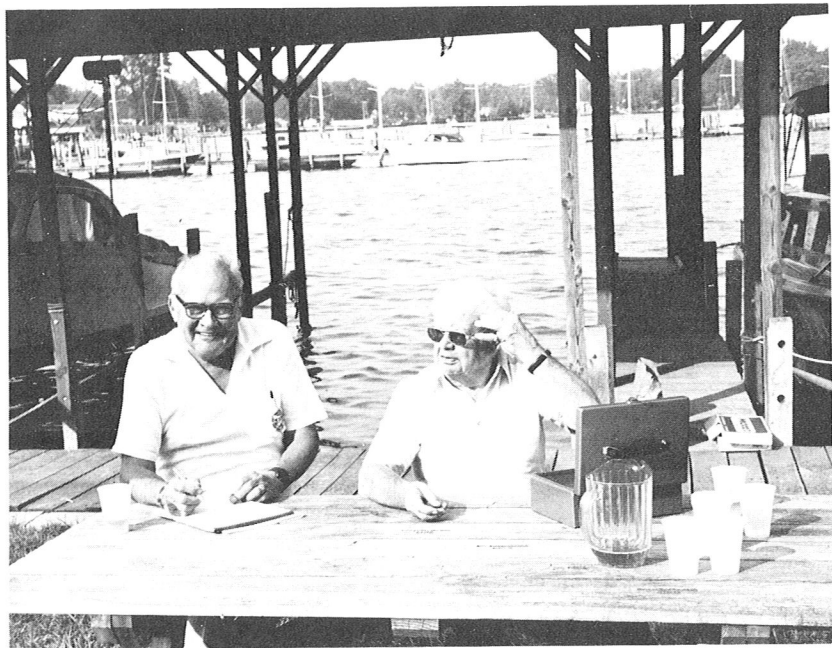

!!! INTERLAKE IS HERE !!!

Thanks to Commodore George Fisher, BLYC has taken delivery of the new Interlake, which is to be used by the Bemis sailing team. The quick action will give BLYC's team an opportunity to sail more competitively by having good equipment on which to practice, practice, practice.

Not only did Commodore George Fisher arrange the purchase of the Interlake at a very reasonable price, but he also donated his jib from his own boat. Incidentally, George won the Nationals in an Interlake in 1983 and this jib was used in that competition. He further has arranged to have the Nationals third place winner donate his sails. So, the Junior Bemis team is going to be well-equipped to compete.

All of the Junior fund efforts to raise money have left us about \$3000 short of paying off the new boat. Dr. Karl Kumler has agreed to give the Junior Fund an interest-free loan for one year. Our goal is to pay off that loan as soon as possible.

So come out and see this new beautiful boat and make a contribution to help the BLYC Junior program.
