SEPTEMBER 1984

## THE ANNUAL MEETING OF BUCKEYE LAKE YACHT CLUB

WILL BE SUNDAY, SEPTEMBER 16TH AT 3:00 P.M.

Are you a voting member of the club? Or, are you a qualified but non-voting member of the club? Our annual elections (when your opinion really counts) is the third Sunday of this month. Be a part of it. Come to the election eve party, if possible, but especially come to the Sunday "brunch" on the porch and vote your choice of candidates for board members to govern our club this coming year.

Last year, 147 members voted for the board candidates; there were 263 qualified electors. Let's go over the 200 voter mark this year. There will be twelve candidates for the nine openings on the board. I have appointed the trustees as Teller Committee with Senior Trustee Carl Petersilge as its chairman.

For newer members, I would like to expand on the "board" mentioned above. Each of the candidates will have a table assigned to him on the porch and will serve a food or drink of his choice. It is a walk-around, free buffet for all members and family. Much fun and good fellowship. Even a little "politicking".

In this my final article "from the bridge", I would like to express my thanks to all members and families who have so well supported my endeavors this year. The comments I received, helped me to know that I was doing what was needed and you approved. Also, to my board of officers and governors who worked so hard and made important decisions that were vital to the health of the club. The trustees were there constantly with comment, advice and voting support when needed.

Without the support of Mac Wood and his knowledge, his contacts, his sub-contractors, I would not have been able to get the amount of improvements accomplished for the affordable prices that prevailed.

I will always: See you at the club!

# BAR AND KITCHEN

## V.C. Mike Jacobs

Summer is again trying to rush to an end. So our activities are picking up at this time and the September calendar reflects it. The Labor Day Party and Races will be over by the time you receive this LOG as will the Junior Sail Offs. But the elections will be getting underway. The future well-being of our yacht club will be in the hands of the men elected to the Board of Governors. Be sure to cast your votes for the candidates of your choice on Sunday, September 16th.

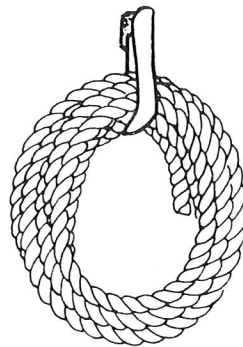

Don't forget the Election Eve Party, Saturday night, September 15th. You have an opportunity to meet the candidates and listen to each one speak on his behalf. Also, don't miss the Porch Breakfast sponsored by the candidates on Sunday morning.

The General Meeting will be held after breakfast and voting is over. Results of the voting will be announced during the meeting.

October will also be a busy month. Snowball I and II will be held the weekends of October 6th and 13th respectively. Work Day (aka Fun Day) will be Sunday, October 21st. The Halloween Dance will be October 27th.

As this will be my last article for the year, I wish to express thanks to you from John Doneff, his staff, and myself for your patronage at the Bar and Kitchen.

Come out to BLYC, soon and often!

# JUNIOR RACE AND REGATTA

After many hours (days) of practice Junior Bay Week finally arrived. The wind was light to medium (sometimes nonexistent) and shifty for most of the week. The Sears Team started out by winning the first race in the Commodores Series and ended up third overall in the Commodores Series by week's end. The Bemis (Interlake) Team placed fifth with Cristy Hardy and Mike Jacobs third and ninth respectively in the Smyth.

The Juniors feel that putting Sears, Bemis, and Smyth together was a good idea. Everyone had a good time and the level of competition was increased simply by the three series being run altogether. The organizers provided nice functions for the team members such as swim parties at Crew's Nest and a trip to the tall ship *PROVIDENCE* which was anchored at Put-In-Bay most of the week.

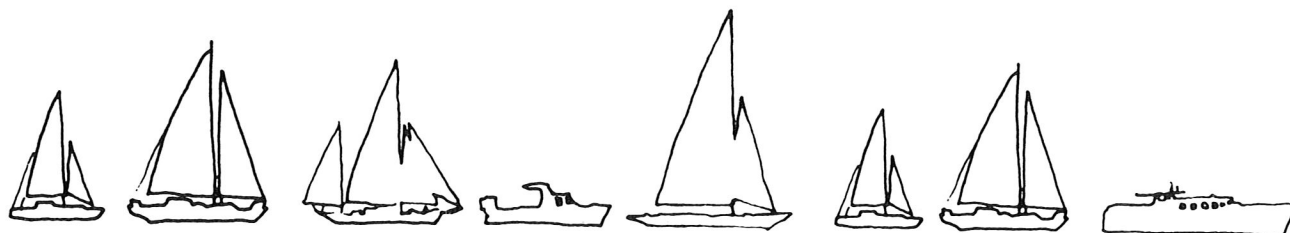

The BLYC party was also fun and the teams would like to thank everyone for their support and encouragement. It was nice to know there was a cheering section on the course!

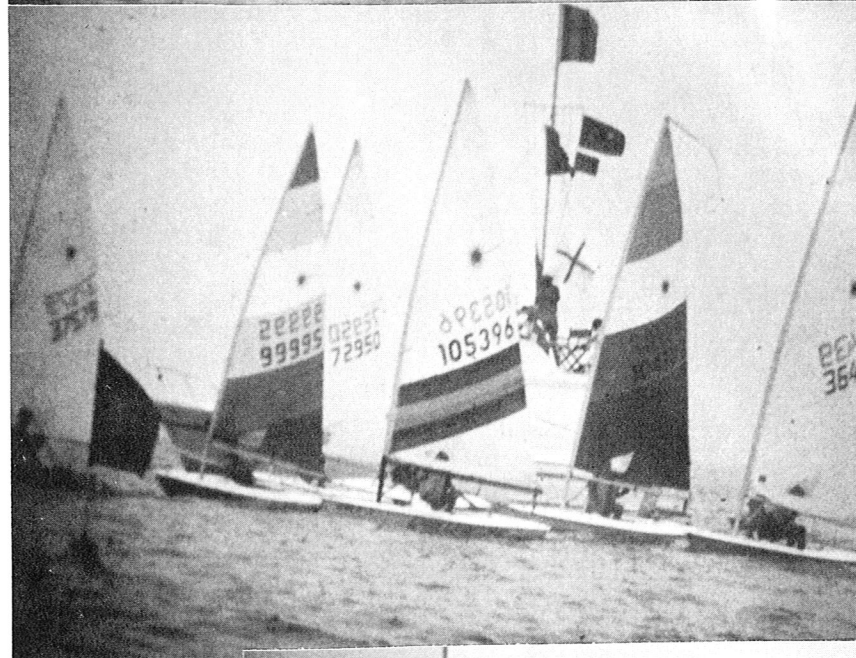

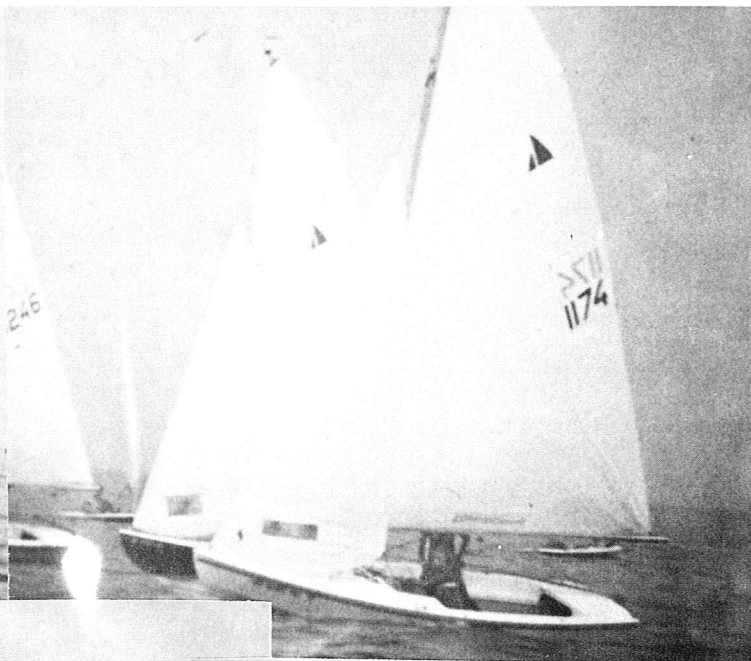

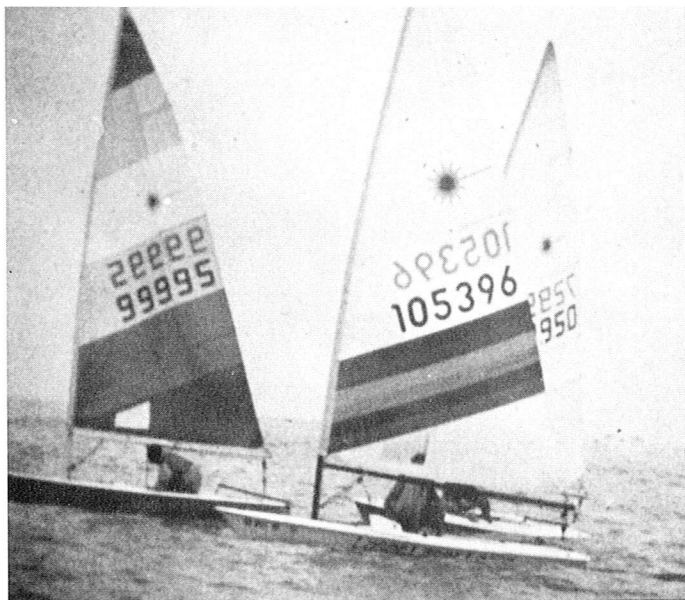

Bay week afforded all of us a chance to improve on our sailing skills among other championship sailors. It is truly a first class event and one the juniors look forward to every year.

## BAY WEEK RESULTS

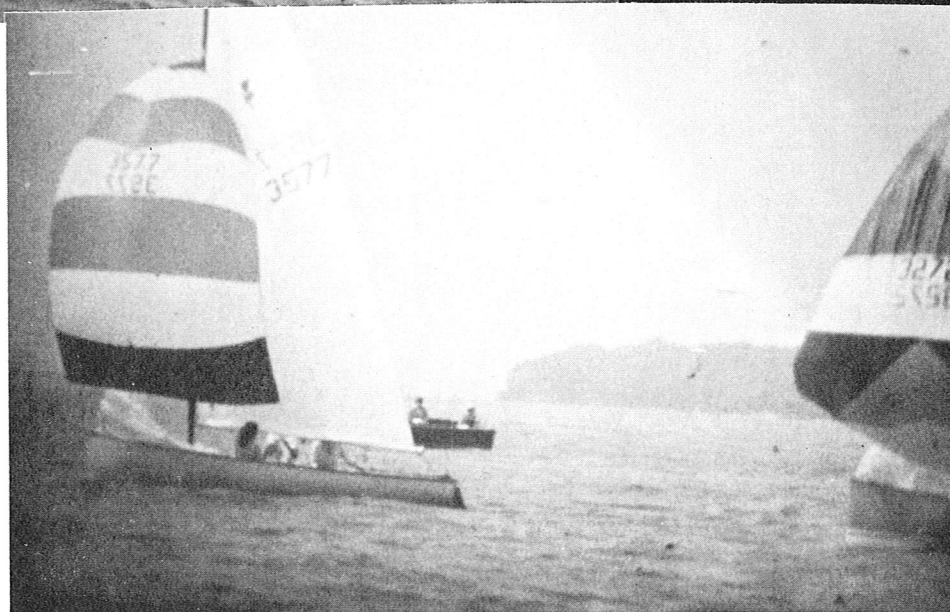

Third -	Sears Cup (Thistle)	Tami Headlee, skipper Tracey Hein, Bill Kumler
Fifth -	Bemis Cup (Interlake)	Lori Kumler, skipper Barbie Hein
Third -	Smyth Cup (Lasers)	Cristy Hardy
Ninth -	Smyth Cup (Lasers)	Mike Jacobs

# ENTERTAINMENT

## R.C. Marty Headlee

The New Members Luau was one of our most successful parties of the year, and was the best attended with 176 people enjoying the moonlight dancing. Due to the weather, this is the first time this summer we have been able to dance under the stars. I especially want to thank Jeff and Marianne Wagner, and their committee, for all of their work. The decorations were really great, and they did a wonderful job hosting the party! Many positive comments have been made regarding this event. John served a delicious dinner, and the Hawaiian music made the evening complete.

The Labor Day celebrations may be over by the time some of you receive this Log. This weekend seems to mean the end of summer, but it is certainly not the end of the activities at Buckeye Lake Yacht Club! We have many plans for the fall so be sure to mark your calendars.

Election Weekend is the next important event, so mark the dates of Saturday, September 15 and Sunday, September 16 on your calendars. The Candidates Party will be Saturday evening, and the Voting and Porch Breakfast will be Sunday from 9:00 a.m. until 1:00 p.m. Many of you probably were not able to attend the Republican and Democratic Conventions this year... don't be upset because the best one is at BLYC! Don't miss this one!

This is my last Log article as Entertainment Chairman for BLYC. I sincerely want to thank all of you who helped and supported Sue and I. We all know it takes cooperation and work to plan successful parties, but it also takes all of you attending and enjoying them to be truly successful. I THANK ALL OF YOU FOR YOUR SUPPORT! WE HAVE A FANTASTIC GROUP OF MEMBERS AT BLYC!!!

## EASTPORT

The year has been very productive at Eastport. Many improvements have been made to the property for the present and future benefit of BLYC.

The Sundowner Bar was burned down by the State Fire Marshal's Department, the land cleared, holes filled, and a new eight foot security fence and lighting installed. Stop by to see it if you haven't already done so. This area is now being used to store boats and trailers, campers, RV's, etc. at very reasonable rates to our members.

Be sure to contact RC Marty Headlee or myself about storage space (An application was inserted in last month's LOG).

Please remember, when wishing to use the hoist, follow the "Hoist Rules" posted on the club bulletin board.

# LADIES AUXILIARY

The Ladies Auxiliary met August 8th at the Club. Thirtynine members and guests were present. John Doneff and Betty served a lovely lunch. It was Phyllis Flynn's last meeting as president. A round of applause to Phyllis for a job well done! Arthelda Haggard and Lois Rosser were hostesses at this meeting and they did something rather unique for the table decoration-door prizes. Lois made candies then printed the recipes in a booklet called Candy the Easy Way then sold them for fifty cents and gave the money to Ladies Auxiliary. Thanks ladies. A great idea.

The nominating committee has selected the candidates for officers for the next year starting in September. They are: President - Pat Forster, Vice President - Ginny Fulgham, Secretary - Carole Donnelly, and Treasurer - Lorraine O'Donnell. The election will be at the annual meeting in September. Nominations may be made from the floor by any member providing the consent of the candidate has been given.

THANK YOU ALL for your support this past year. You helped make our year a success. July was a great month for the Showcase sales. Since September 15, 1983, the Showcase has had sales totalling \$3103.65. Thank you Judy Ballenger for a great job as Showcase chairman.

The new blinds should be up for the annual meeting. You helped buy them with your support. Thanks again.

The plans for the fall and next year are shaping up. Watch for some new happenings from the Ladies Auxiliary. We think you will like them.

Don't forget the annual meeting on September 16th. Everyone welcome; old members, new members, non members. Dues are accepted that day and are still \$10.00. If you aren't a member, come join us. It's been a good year. Thanks.

## JUNIOR LOUNGE

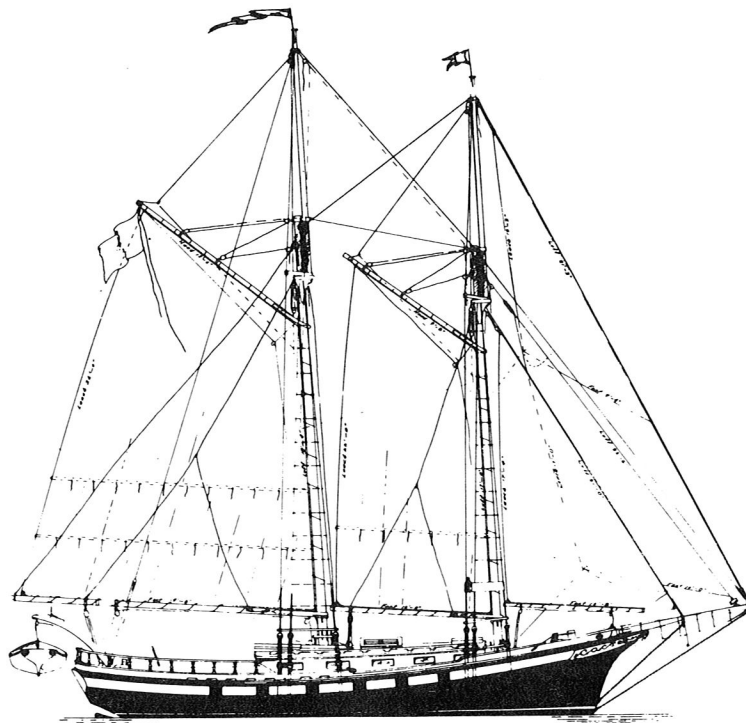

The Junior Lounge, which was completed last year, has been left in disarray on several occasions this year. Therefore, we must establish some rules to insure that the room and equipment is properly maintained. The Juniors have proposed the rules listed below to insure proper care and treatment of the Junior Lounge.

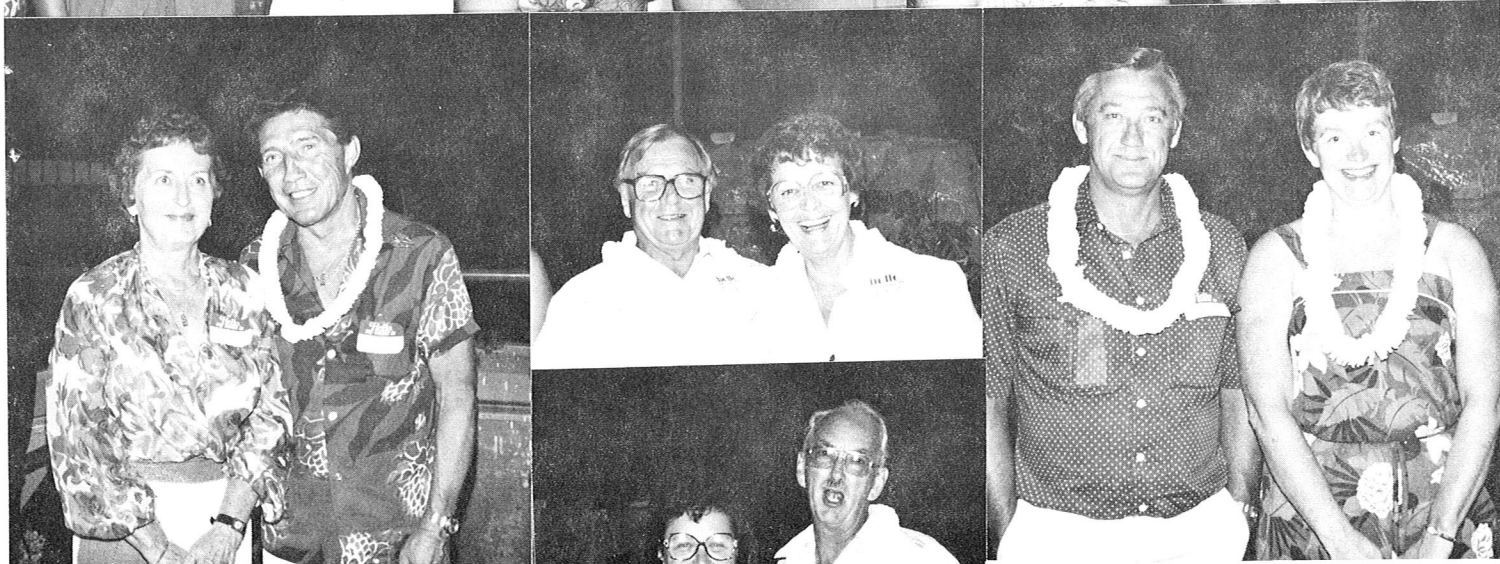

I especially appeal to the parents of all Juniors to recognize your responsibility for the actions of your children and whatever cleanup is required to maintain the Junior facilities in usable condition. There is no provision or budget to clean and maintain the Junior Lounge. If it isn't maintained by the users, it may have to be locked and the privilege removed.

The Junior Sailors have provided the following rules concerning the use of the Junior Lounge:

- \*No food!
- \*For use by Juniors eligible to participate in the Junior Sailing Program only! Anyone under 8 years of age must be accompanied by someone over 8 years old.
- \*The room must be kept neat at all times.
- \*No overnight sleeping.
- \*The Junior Room is closed when the Club closes in the evening.

This room has been designated for use by the Juniors but if its use is abused the privilege may be taken away.
