NOTICE

THE SEMI-ANNUAL MEETING
OF THE
BUCKEYE LAKE YACHT CLUB
WILL BE HELD ON
SUNDAY, MAY 5th AT
1500 HOURS (3:00P.M.)

Please plan to attend. A quorum, which means in excess of 50 voting members, is necessary. This is your club and your attendance at this meeting is an excellent time for you to express your thoughts and concerns about the club and also hear the plans of the board of governors.

Activity around the club has been picking up recently. Committee meetings during the latter part of February and early March brought a number of members to Watkins Island. Early planning makes for a more organized and fun-filled summer. But you don't need to be on a committee to visit B.L.Y.C. Stop by anytime during normal operating hours.

The March Ice Breakers party had a super turnout. The St. Patrick's Day theme was apparent by all the pretty green decorations and clothing. Not all the green was pretty though. Really Burt---Green Popcorn?!

I want to thank Jim and Maxine McBride, chairpersons, for the wonderful job they have done for us this winter. April will bring the last Ice Breakers of the year, plan to attend.

April will really be a busy month starting with Easter on the 7th. The Junior Spaghetti Dinner will be held on the 13th. Governor Hardy and his committee are well prepared and hoping for a good attendance. Come on out and bring the entire family.

Following the Spaghetti Dinner will be Spring Work Day on Sunday, April 14th. The purpose of this day is to help get our club in ship shape condition for the summer. Governor Joe Kerr will have a list of items that need to be done. Contact him for any items you may wish to work on.

Las Vegas Night will be on April 27th. Always one of the best events of the year. Don't miss this evening of fun and entertainment, sponsored by the Ladies Auxiliary.

See you at the club,

Mike Jacobs, Commodore

GOV. JOE KERR

HOUSE PORCH AND GROUNDS

SUNDAY APRIL 14, 1985 WORK DAY !!!!
10:00 A M TILL ???

We need all the help we can get from you ladies and gentlemen. The more we have the faster we can wipe it out. Vice Commodore Don White will be outside on docks, etc. Rear Commodore Greg Alspach will be inside to direct operations.

Jim McBride who fought wind and rain painting the porch last work day will help painters get started. Jim says bring your own brush. We're looking forward to a big day and some good weather. John will serve his usual delicious lunch and will tap a keg.

SEE YOU WORK DAY

Thanks

Thanks to Eddie and Jodi Gaiser, the Western Round and Square Dance held March 23 was quite a success. Their creative and innovative decorations were unique (Have you ever tried to change a yacht club into a ranch...) and their helping and hosting very much appreciated.

Congratulations also to Jim and Maxine McBride, who drew well over 100 people out to the St. Patrick's Day Ice Breaker. By the time everyone was done singing some old Irish tunes around the piano there was no time left for Trivial Pursuit. Maybe next time...

April is a busy season at the club as the forthcoming season begins to blossom. The ladies, the men, and the juniors all have events planned that will offer a little of everything to the membership. And all the while your Rear Commadore is granted the month off to complete the multitude of plans for the summer season.

The Juniors get the month off to a flying (junior?) start with their annual Spaghetti Dinner on the 13th. Be sure to attend this one - Gov. Hardy and the BLYC Juniors need your support!

Gov. Kerr has a long list of projects to keep us busy on Work Day - April 14. Hopefully the weather will be nice and we can all get out and stretch some of those muscles we forgot about over the winter.

The Ladies Auxiliary has their annual Las Vegas Night fund raiser on Saturday, April 27. This club function is one of the most exciting of the year, with excellent food, superb pit bosses, attractive cocktail waitresses, and worthwhile prizes. Make your reservations early for this one.

And then May is upon us with racing, porch sitting, and the Semi-Annual Meeting. The latter occurs early in May so mark your calendar now.

See you at the club!

VICE COMM. DON WHITE

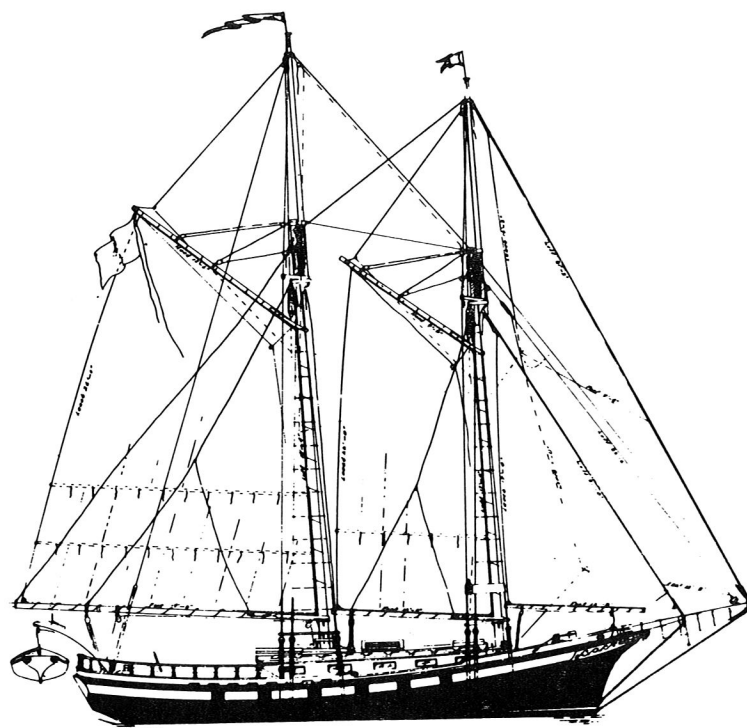

DOCKS AND FACILITIES

Yea!!! The weather has changed from snow to rain. Well, we don't have to shovel it. The weather was so bad, so long, when the members finally got to the Club, you had to shovel it or wear boots around the bar.

NOTICE #1:

IN THIS ISSUE, you will find a 'new' (or the first) DOCK APPLICATION FORM. Please save this. This is now the only official way to apply for a dock.

P.S. I am in charge of "Vice". I have had a number of requests for red heads, blonds, etc. I will have them there Workday. Come on out and see them!!

JUNIOR TRAINING

The "Spaghetti Gang" met last Sunday at the Club to plot your feast and entertainment for April 13. This group of Juniors and their Parents met to make this the best Spaghetti Dinner ever - volunteering to supply their labor, all the food, table settings, set-up and clean-up needed as their additional donations to the Junior Program. Even Gene Perrine, a non-member who frequently plays the guitar for us on Friday Nights, volunteered his and an accompanist's services. It's heartwarming support like this that makes the task of being Junior Governor worthwhile. The only thing missing so far is you - and I hope you will take advantage of this one opportunity the Juniors have to show their appreciation for your support and, raise money for future boat purchases, repairs, & ILYA Sailoff fees. Any other Juniors/Parents willing to help us that evening, please contact Sue Headlee in Columbus (837-3353), Tom Eisert in Lancaster (653-2556), or Christy Hardy in Newark (366-5945).

The "Spaghetti Dinner" details are on a separate page in this Log. Notice that we plan a brief (10 min.) Program at 7:30 where I will bring you up to date on the status of our Junior Program, recognize this years' ILYA Sailoff Racing Team, and, present Sailing Camp Certificates to Juniors who were unable to receive them at past awards ceremonies. The list of Juniors in this last category follows and I thus encourage their attendance if at all possible. Would you help me by notifying any who may not be Juniors of Club members?!

We must begin planning for Sailing Camp now. At present, I plan to structure a two week camp, June 24-28 for our Advanced & Intermediate Juniors and, July 1-5 for Beginners. I must plan now since, if registration for any of these categories exceeds approx. 20 Juniors, I plan to schedule a third week of Camp immediately after the first two. Obviously, I can't do this and, may have difficulty scheduling instructors if you don't tell me how many Juniors to expect during one of these two weeks. Similarly, I won't overload these two classes at the last minute and defeat the potential for individual attention each registrant deserves. So, please help me to help you and the Juniors you plan to have participate. Fill out the application elsewhere in this Log. If you need help knowing what level your Junior is at, call me at 366-5945. I have made up a tentative list of Juniors qualified for each level of training.

Lastly, some very good news for this year's BLYC Sailoff

Candidates. Gov. Boehm has signed up Comm. Foster to be our Race Committee Chairman. Thanks Frank! Please contact him if you can help us try to conduct the best Sailoff competition ever. If you can, plan to watch it on August 24-25. It will be fun and - you get to preview your next year's Racing Team in action!

Class on Tactics

April 21

1:00 to 3:00

As of this printing the first class is completed. A big thanks to George Fisher.

Enclosed is the list of sailing dates and times for all classes. We need some volunteer power boaters to help. Please phone me at the office 875-9010 or home 875-5141. We are looking forward to a great sailing year and thanks to all the volunteers.

For Power Boaters over 21 and people who wish they were power boaters

With the help of Ed Gaiser we have put together six Wednesday night series starting at 6:00 p.m., June 5 & 19, July 10 & 24, Aug. 14 & 28.

From a standing start on the front porch you untie a small power boat (the roach) run a laid out flag course and return to the dock. This will be timed and boat weighted to insure fair (or almost fair) competition.

Then on a Saturday in September we will have a calcutta auctioning off the top 8 racers.

Come one come all to be or cheer on the competition.

Bob Boehm

LADIES AUXILIARY

The Ladies Auxiliary met March 12th, at the club, with a very enjoyable and informative evening. Mr. Abbott had an endless display of photos of our very early Yacht Club, showing a beautiful Lake in the days of virgin shorelines and swimmers in Crane Lake and the Summerland Beach area (Millersport). Thank You, to all responsible for the installation of the sewers.

Jan Kerr gave a report on the proposed marina on the South Bank.

Annette Lawler showed renderings of the proposed development on Maple Bay.

Theda Smith and Lee Eubanks came to represent the newly formed "Buckeye Lake Progressive Society", which is sponsoring a tour of renovated homes around the lake.

If any of you want to become involved with any of these projects, you may phone 928-1811.

A special thanks should go to the hostesses Kay Wolf and Marguerite Crane for going beyond the call of duty. The flowers were beautiful, we must know where those mints came from, they were delicious. When Kay and Marguerite found out the Log was going to be late, they started phoning. Thank you!

We stopped the mailing service at a savings of over \$600.00 a year, please mark your calendar for the second Tuesday of the month and make your reservation as soon as you have a pretty good idea you're coming, to help John complete his responsibilities.

Lois Rosser has the Salad Recipes ready for sale at \$1.00 and is collecting recipes for Meat and Fish Casseroles.

Our Sailboat Bulletin Board disappeared over the Christmas Holiday. Would each of you look around and see if you can find it.

The Junior Spaghetti Dinner is Saturday, April 13th, \$5.50. It's their chance to serve you, but they need your support also.

Las Vegas Night will be April 27th, \$10.00, menu Chicken.

Respectfully submitted Carole Donnelly, Secretary

THE WAY WE WERE

By Comm. Frank Foster, Historian

The new directory will be published soon. I saw the proof and it looks beautiful. Governors Boehm and Fulgham did a first class job. Thanks to member Warren Wyant I can publish another directory. Never mind that it is 79 years late. What you see on these two pages is the 1906 Directory complete with business descriptions and boat names. This was, of course, the first BLYC season. I count 84 members including two Sacketts, three Sayres and 6-8 lawyers. Power boats outnumbered sail boats by 34 to 19. Gov. Boehm's "Roach" races will probably revive that ratio.
