LOG

FROM THE BRIDGE ☆ ☆ ☆

July, 1985

Our summer activities at B.L.Y.C. are off and running. Many events are scheduled for your enjoyment. Check last months log for a complete listing of activities planned thru the end of this year. (Please note one change, Snowball I, October 5th and 6th has been cancelled.)

Sailing Camp began June 24th with approximately 30 juniors participating. It is good to see so much interest in our fine Junior Program. The program has produced many championship sailors. One of which is Willy Petersilge, who along with Tami Headlee are this year's instructors.

No less than four past juniors have just sailed in the Lightning World Championships held in New Jersey. The latest report, although unconfirmed at this time, said that Bill Shore of Shore Sails, had finished first and Matt Fisher of B.L.Y.C. came in fourth. Congratulations to Matt! Sorry, but I could not find out how our other sailors fared.

Improvements have been made to the launching ramp at Eastport. Hopefully this will eliminate the fear of crashing your boats on the rocky shoreline.

The Commodores' Steak Fry held on June 15th, was a big success, considering the rainy weather.

Boy, did I learn a lot of new ways to cook steaks! From well, well done, to medium well with pink center, to drag it across the coals once and slap it on my plate-rare!

The new propane triple grill, donated to us last fall by the past Commodores' Association, performed brilliantly.

July 6th will be the Independence Day dance, July 13th, the Cancer Ray Party, and July 28th thru August 1st will be Junior Bay Week at Put-In-Bay on Lake Erie.

Traditionally, our club has had many members attend Bay Week to support our Junior Sailors. I hope we can have a large turn out again this year. There is fun for all, try to make it. The best of luck to all representing our club.

See you at the Club,

Mike

HOUSE PORCH AND GROUNDS

Since the last log article was written we have tried to improve on a number of problems which have been on the agenda for some time. The big beautiful maple tree on the north side of the club has been trimmed, rotten branches, some 14 to 18 inches in diameter removed and the tree is back in shape again.

The cement walk onto the island has been patched and the dangerous cracks no longer exist. Our work crew has spruced up the club in many ways. porch and patio wrought iron furniture painted, porch railings painted, siding and on and on. They have done an excellent job. The flowers are coming on beautifully and we are ready to roll into summer.

Anytime a member sees something that should be checked or improved on, please pass the word. WE appreciate the help.

Thanks

The Commodores Ball, held in late May was enjoyed by the 150 members and guests who attended. Much work went into the planning and execution of this event and therefore thanks go to John Doneff for an ambitious and daring menu, Vice Commodore Don White and his guest Sheila for hosting, and to Bill and Dianne Koman for manning the door.

The Commodores grilled steaks for everyone on June 15 and even though the skies did not cooperate, everything else went well. The steaks were perfect, the crowd was large, and everyone had another patented BLYC "good time".

The Fourth of July weekend extended from July 4 through July 7 and included picnic, the Independence Day Dance, sailboat racing, flagraising ceremonies by the past Commodores, a fly-over by the Air National Guard, and much more. Hopefully, you have received your special flyer concerning this long weekend and have made plans to attend.

Things slow-up during the end of the month while many BLYC'ers trek to Put-In-Bay to support the Juniors in their Bay Week events. If you need information on where or when, contact Vice Commodore Don White.

And one final word. Comments concerning the planning of BLYC events are solicited and appreciated. Don't hesitate to voice your opinion to me or any Board member concerning the band, the meal, the advertising, or whatever. I may disagree with you (if so, I'll tell you why) or I may agree (probably) and therefore be able to plan better in the future. BLYC events only improve with member input. As a result of member suggestion, I am dropping the different prices for members and guests for the remainder of the year. All events will be at one price. It would greatly help the people manning the door if members would pay for themselves **AND ALL THEIR GUESTS** and then have their guests reimburse them personally.

Businesses have always been an integral and important part of the lake. Many of their owners were members of the Buckeye Lake Yacht Club and have been very active in the club. Some of these businesses, like the Dell Fisher Boat Line Company, were operated by a first year (1906) member, but no longer exist. Others, such as the Sayre Brothers Marina, were operated by an initial member and still flourish this one under the modern day operation of Bud and Zenna Sayre.

In 1932 a directory and guide of Buckeye Lake was published and sold for 25 cents. It contained a listing of people living around the lake in the various subdivisions, information about businesses and included much advertising for local businesses. Alice Rosebraugh has a copy and was kind enough to allow me to copy it. I thought it would be fun to reproduce a few of the ads which might have a familiar connection to the Yacht Club in some manner.

I can't help but notice the phone numbers. Walters Sales Co. had the phone number 10, while Sayre Bros. was 108-R3.

I particularly notice that Sayre Bros. advertised that they were available for charter and thrill rides. I wonder if they still have thrill rides available. Maybe at the antique wooden boat show at the Yacht Club, fifty three years after this ad, Sayre Bros. will again be available for charter and thrill rides.

LADIES AUXILIARY

Lois Rosser is asking for dessert recipes. Lois also is working on the Handicap Entrance. This project is still in the planning stage, your input on this subject is welcome.

The committee for the Ice Cream Social is looking for intertainment for this special event. If you know of any Barber Shop Quartets or Sweet Adaline groups, call Pat Forster, 439-7759 or Ginny Fulgham, 866-9190.

Buckeye Lake is having it's first Tour of Homes, Sunday, July 7, 1985, 1:00pm till 5:00pm. You can buy tickets at several areas around the lake. I know you will be very pleasantly surprised when you view these five gorgeous homes. We are so proud to have these outstanding homes in our neighborhood.

The Ladies Auxiliary made a donation to the Department of Natural Resourses and they have placed an 8' section in the boardwalk on Crandberry Marsh bearing the name Buckeye Lake Yacht Club Ladies Auxiliary. The next time you visit the bog, you may enjoy looking for it.
