

Buckeye Lake Yacht Club

LOG

FROM THE BRIDGE ☆ ☆ ☆ SEPTEMBER 1985

THE ANNUAL MEETING

OF THE

BUCKEYE LAKE YACHT CLUB

WILL BE SUNDAY, SEPTEMBER 15th AT 3:00P.M.

The annual elections will also be held September 15th. Polls will be open from 9:00AM until 1:00PM. Come out to cast your ballot for selecting next year's Board of Governors. During the voting, each of the twelve candidates will be serving breakfast on the porch. Always a fun time for the entire family. Make it a point to be there.

You will have a chance to meet all the candidates and their families on Saturday night, September 14th at the Election Eve Party.

Junior Bay Week was held the last week in August at Put-In-Bay Yacht Club. Our team was repeat winners of the "Ship Shape Award". Congratulations to each of you. Competing in the Commodore's Series, the finishes were as follows: Sears - Christy Hardy, Tracy Hein and Cathy Dressel - tied for 6th place. Bemis - Chad Headlee and Jennifer Forester took 4th place. Smythe - Sara Crompton, 7th place and Lori Kumler finished 8th.

The annual BLYC Bay Week Party was held at Tom and Patti Greiner's beautiful home on the Island. Many thanks to them for having us. I wish also to thank Commodore Jim Dressel and Nancy for organizing this super party.

The New Member's Party and Luau was held on August 10th. A large and very colorful group of members and guests were treated to a great evening, with fine food and entertainment.

Mike Hein II recently won his division at Senior Bay Week sailing in the Interlake. This adds to his list of many sailing accomplishments, but the biggest is yet to come. Mike has been selected by the San Diego Yacht Club to be one of their crew members in the America's Cup. Skipper for the San Diego Yacht Club will be Dennis Conner. Congratulations Mike, and Good Luck in your new endeavor.

As this is my last article from the bridge at BLYC, I would like to express my sincere gratitude to all who helped make this year a success. To the Board of Governors, Trustees, and Secretary/Treasurer who worked hard the entire year; the Ladies Auxiliary for their continuing efforts to improve our club; the many various chairmen and their committees; and to all the individuals who volunteered their time and efforts - - I THANK YOU!!

See You at the Club,

Mike

Bill and Joan Ford hosted 183 members and guests to a successful LUAU on August 10. This popular event was enjoyed by all who attended. Thanks also to V.C. Don White who helped coordinate the evening while I sailed in the North Channel.

The Labor Day activities will be completed by the time you receive this LOG. Amazing, isn't it, how fast the summer passes! Thanks (somewhat prematurely) to Pat Patterson for hosting the Labor Day Party. He has been doing so many things around the club this summer - I know you will want to thank him too when you see him.

AND DON'T FORGET - our annual ELECTION EVE PARTY on Saturday, September 14 followed on Sunday by the PORCH BREAKFAST, CLUB ELECTION, AND ANNUAL MEETING. This entire weekend is a fun-filled one for all. Plan on attending both Saturday and Sunday and coming to the Annual Meeting at 3:00 PM Sunday.

This marks the final entertainment event that I will be in charge of at BLYC. I have certainly enjoyed them all - mostly because of the nature of BLYC members who are so willing to donate time and energy to their club. Special thanks to all my hosts and hostesses and to everyone else who helped make this year's entertainment schedule a successful one.

HOUSE PORCH AND GROUNDS

This being the last article submitted to the log

for House, Porch and Grounds, I would like to thank

those of you who cooperated in many ways.

Under the leadership of Commodore Mike Jacobs I feel

we have accomplished most of the projects we planned.

A special thanks to John Doneff. John helped in many

ways and always with a cheerful attitude.

Those of you who gave their time, talent and muscle

on the two work days, we appreciate you.

I thank my wife Jan and daughter Vicki for their help

planting all the flowers in May and continuing to care

for them the rest of the summer.

It's been a learning experience and an enjoyable year.

Thanks Again

LADIES AUXILIARY

The Ladies Auxiliary met Wednesday afternoon, August 14th. John Doneff served a lovely lunch. It was Pat Forster's last meeting as president. Pat announced she enjoyed her year and feels it went very fast. Pat received a round of applause for a job well done.

Once again Pat held a moment of silence, this time for Helen Limes, who passed away July 25, 1985. Pat reflected on the great loss the Auxiliary has had this year with the passing of Lillian Kinnell, Emmabelle Benedick, Kay Leach and Helen Limes. It is naturally sad to think about the sudden void of four very beautiful ladies. Their empty chairs are very obvious at our meetings.

We are still working on the Storm Blind for the west end of the porch. The blind will fold up out of sight and only be visible when needed on windy days.

The Ice Cream Social was fun and we certainly did a lot of laughing. It was apparent I worked the hardest, because my apron was wearing the most ice cream. I'm sure there are deep seeded physiological reason for some of the combinations of ice cream and toppings you selected for what was called on the menu as the "Crews Choice". The report of profit is not known at this time, but we never stopped dipping from 1:00p till 5:00p. The view from the porch, of the "woodies" showing off for the judges was great. I'm so happy I had the opportunity to be part of this very enjoyable day.

The Handicap project is becoming very exciting. Zenna and Bud Sayre announced to the Auxiliary Board, that they are donating \$1,000.00, in the name of Kay Leach, towards this undertaking. Thank you Bud and Zenna, all of the members appreciate this and in time will benefit from it. We will now have two plaques, Jane Keck and Kay Leach.

Ginny Sherrard made the announcement for the nominating committee that Virginia Conrad will run for Treasure, Marianne Wagner, Secretary, Carole Donnelly, Vice President, Ginny Fulgham, President.

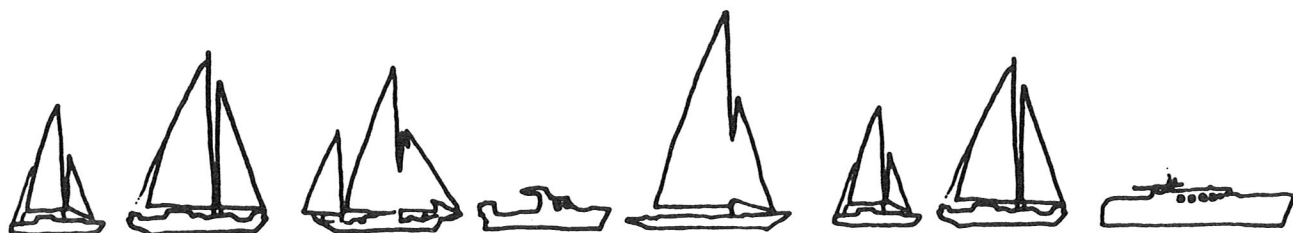

Lois Rosser announced the completion of the cook book. The members gave Lois a hand, to show their appreciation for her hard work on this task.

Ginny Fulgham is checking for interest in having a dinner meeting at the Bryn Du. The Dispatch featured the Du, Sunday Aug. 4th, in the section called Capitol. The Mansion is located in Granville and has a very interesting history, including the fact that one of it's owners was one of the developers of Naples, Florida. It has 52 gorgeous rooms and is full of antiques. They only serve the public for Sunday brunch. Their business

is private parties and business groups, if you are interested in having a meeting at the Du, it is important you let Ginny know. It will be more expensive than we're use to, but a unique opportunity for most of us.

Don't forget the annual meeting on Sunday, September 15th at 3:00pm. Everyone welcome; old members, new members, non members. Dues are accepted that day and are still \$10.00. If you aren't a member, come join us. It's been a good year. Thanks.

Respectfully submitted, Carole Donnelly, Secretary

POOPDECK

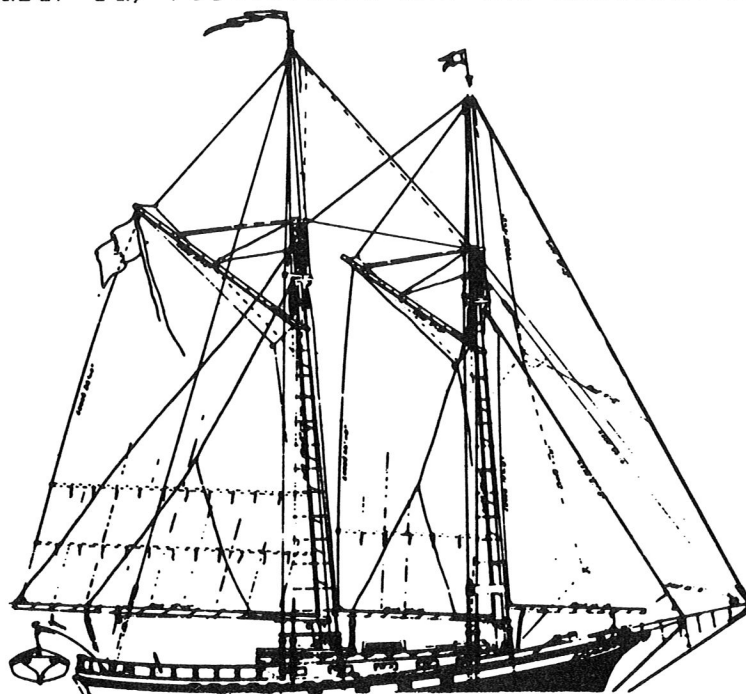

Well it is election time once again. It seems impossible that this year at BLYC is all but over. It has been an interesting year for everyone connected with BLYC, I'm sure. I know that it certainly has been for this editor of The BLYC Log. I have plenty of help and advise this year and to everyone involved I give a special thanks.

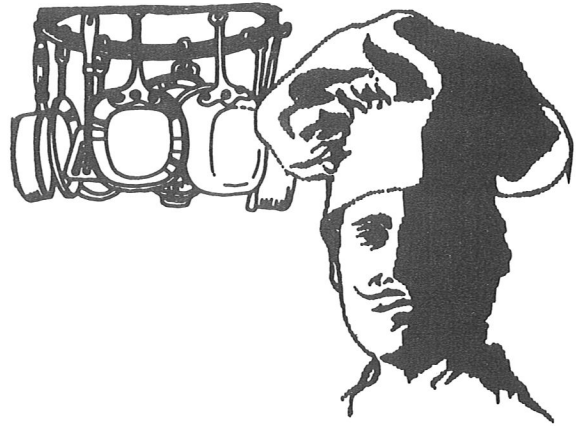

I would like to take this opportunity to thank all of the members of the Board of Governors for thier help and friendship. I have truly enjoied working with all of them. all of the governors were prompt in getting their articles to me and this was a great help. Especially when you consider that the board meetings were moved to the third week of the month in lieu of the second as in the past. This tended to make the delivery of the LOG later than in past years.

This has been an extremely busy year for me personally and has not allowed me to spend the time I would have liked working or enjoying the club. Hopefully that is behind me, and Dianne, Andrea and I will be able to spend more time enjoying the BLYC in the year to come.

To all of the candidates I say GOOD LUCK!!!
Remember the Labor Day Festivities and the ELECTION DAY FOOD on the porch.

THE WAY WE WERE

By Comm. Frank Foster, Historian

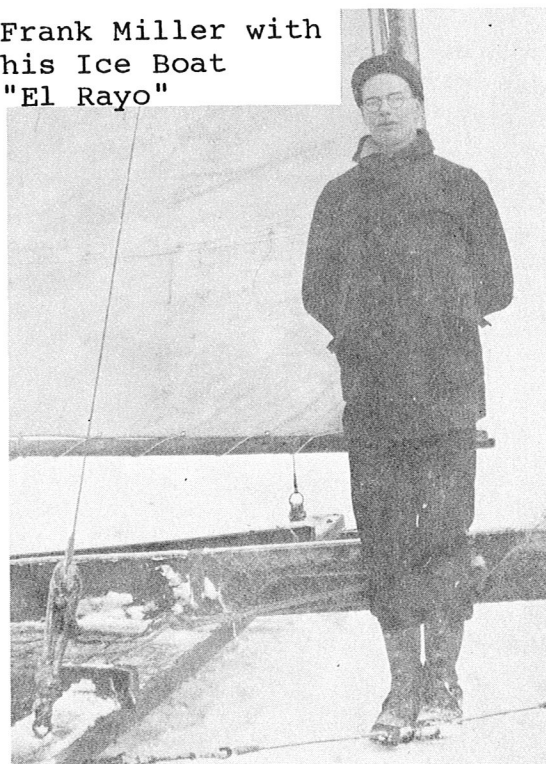

Comm. Claude McGinnis moved to a rest home recently. Mac was Commodore of BLYC in 1963. His daughter told my son Frank that she had some things of interest to the Yacht club which I picked up on behalf of the club. She gave me several old directories and the original plans for the steel dock in front of the club. She said Mac was in charge of docks when that was built.

She reminisced about ice boating on Buckeye Lake with Frank Miller when she was a child. She said Frank and his wife would come to ice boat at Buckeye Lake and stay at Mac's house. This must have been in the mid 1950's. If I am lucky Frank Miller will tell me more.

As a coincidence Frank Miller recently was kind enough to send to me, through Comm. Gus Schell, some photos of ice boating on Buckeye Lake in the early 20's, obviously long before Mac's daughter did likewise. A couple are below.

Mac's daughter also told me that Mac sold, for Kyle Armstrong, copies of Kyle's book entitled THE HISTORY OF BUCKEYE LAKE. She was kind enough to give me many volumes which Mac still had. I have given them to the ladies to sell at the club. It is a paper bound book, which you may have seen, and describes the history of the entire lake. It should be on the required reading list for anyone interested in the history of the lake and I urge you to buy a copy from the ladies at the club and read it.

1985 ANTIQUE AND CLASSIC WOODEN BOAT REGATTA

The Classic Antique and Wooden Boat Regatta was held Friday and Saturday August 16, and 17th. There were twenty-seven boats registered; one coming as far away as Clarkston, Michigan.

The registrants were treated to a hospitality room and gifts from A.C.W.B.R. Committee.

All guests enjoyed the dining room facilities Friday evening, all day Saturday and returned Saturday night to dance to the music of the very talented group "Free Fall".

The highlight of the Saturday afternoon festivities was the ice cream social sponsored by the Ladies Auxilliary. They designed all of their own costumes and they looked "terrific". The social was a lucrative endeavor and we hope it will be an added attraction to the boat show for years to come.

There were many cameras clicking when all the boats led by Bud & Zenna Sayre raced by the Club to demonstrate their maneuverability. It was truly an exciting sight.

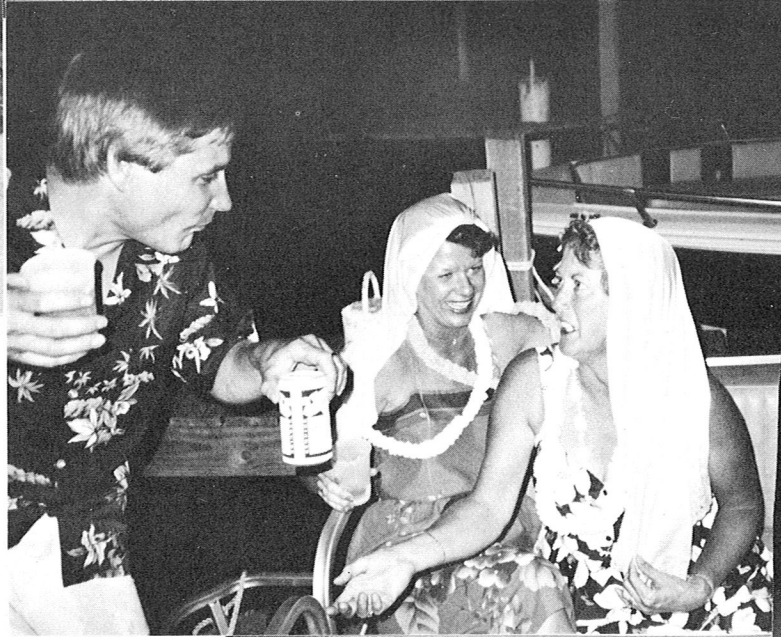

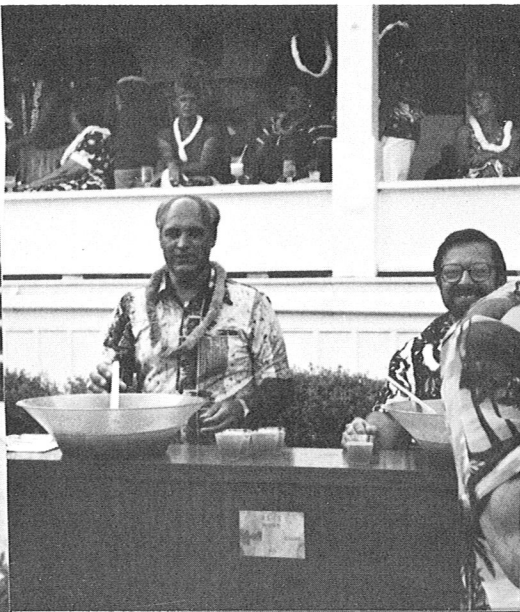

The show concluded with presentation of awards by Commodore Mike Jacobs who also welcomed all guests and thanked all who made the show a success.

We received many, many compliments from our guests about our club, its members and its facilities. It sort of makes it all worth while, doesn't it?

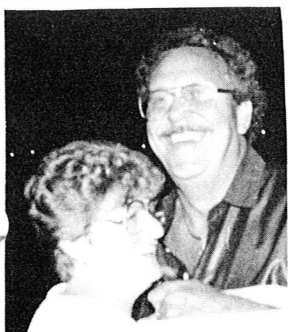

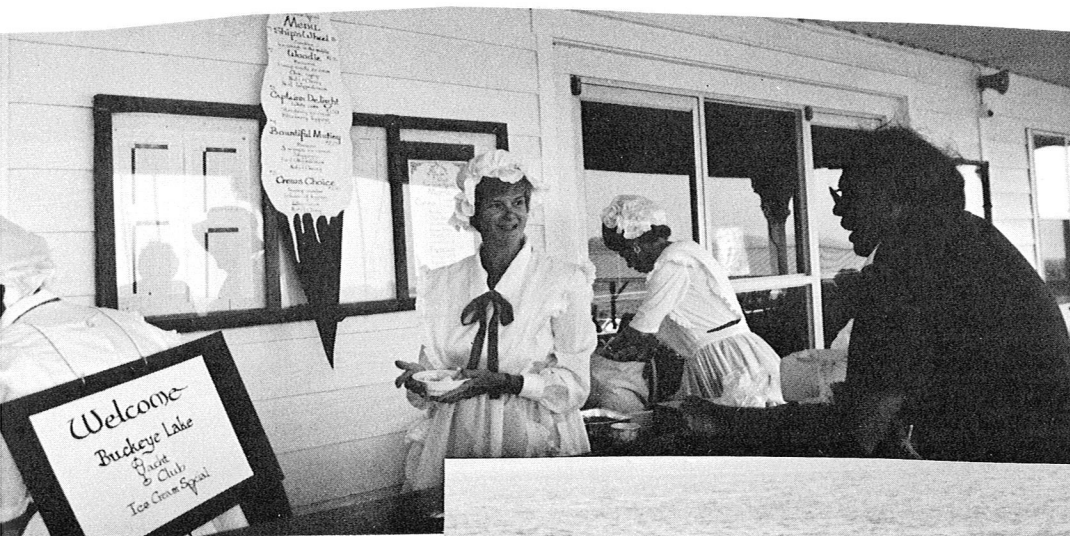

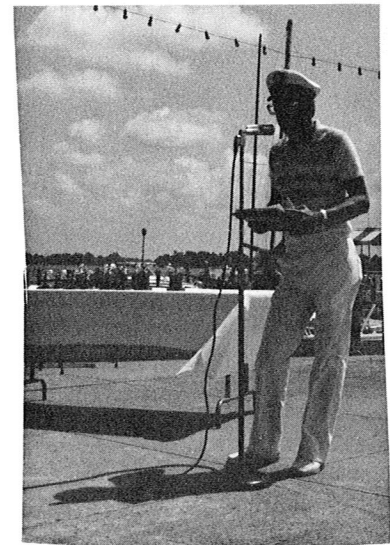

P.S. A very sincere thanks to Bud & Zenna Sayre without who's help the show would not have been as successful.
