LOG

FROM THE BRIDGE ☆ ☆ ☆

MARCH, 1986

THE TIDE IS ALMOST IN

I saw a robin the other day and that means the 'Snowbirds' will be returning soon. They should be getting homesick by now! Bring some sunshine and smiles back with you.

The robin also means the MacVenture Fleet will be in the water before long. I'll bet the power boats will be in first?

Coming up this month is the Western Party, the 8th of March (with a special caller favorite of the Varners); Icebreaker on the 21st; and that's without mention of the wearing of the 'green' and Easter - the "blond" made me say that about the green. What day do we celebrate the green, Rick or John?

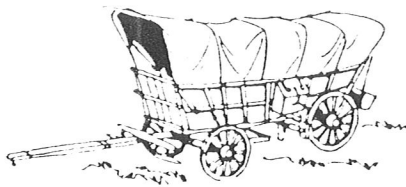

The bids for electrical work in the Club and on the docks will be in by the next log. The Swimming Pool Committee has come up with some interesting ideas. More on that next month.

The "Captain's Table Dinner Club" group has found this to be a very good deal and a lot of fun being with friends at the Club on Saturday's. To John Doneff - a Big Thanks!!!! Oh, for those who do not know what this is, ask John or Sis.

'Oh tiz the luck of the Irish to be at Buckeye Lake Yacht Club'.

BAR and KITCHEN

V C Greg Alspach

If you have noticed the Commodore's monthly articles, he makes mention of the ebb and flow of the tide at Buckeye Lake. Accordingly, the lake is on the rise from a low in December. Well, I could have told him that! The tide of members using the bar and kitchen has been on the rise since late fall. More and more members are discovering the quality and value at BLYC. Wednesdays, Fridays, Saturdays, are all nights to see your many friends at the club. Even in the dead of winter.

John is in the initial stages of stocking a variety of wines for you to enjoy (by the bottle) with your meal. Many members have mentioned their desire for this - it should be an enjoyable addition to the menu. If you have any favorite selections, please mention them to John (or leave a message on his answering service) so that he can investigate providing them.

Also available are specialty beers. Samuel Smith's Light Pale Ale, the Vice's favorite, is currently available from the bar (at the same prices I pay in Lancaster and Columbus restaurants) and others can be provided. I understand that several members like Elephant Beer, whatever that is. Again, let John know your preferences.

Thanks to your indulgence in the Table Reduction Act of 1986, we were successful in our attempts to achieve a lower sewer rate. It's amazing what can be accomplished when we all work together.

See you at the club.

RACE AND REGATTA

I wish to thank Commodore Don White and the B.L.Y.C. Board of Governors for my appointment as Governor of Race and Regatta. I look forward, with great enthusiasm, to serving B.L.Y.C. and its great members during the upcoming race season. I will do my best to make it another great season for all the racing sailors at B.L.Y.C.

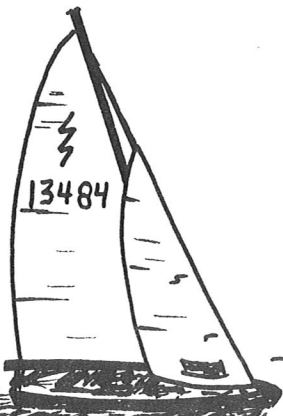

Because of the large number of races conducted, I would really like to hear from some volunteers. We need people (with power boats) to set marks, and people to start and finish races. If you are not sure how it is done, we will give you all the instruction and help you need to become a qualified (and much appreciated) race committee person. It is a lot of fun and you will meet some great people. Please call me at home at 653-2556 or at work at 687-1440, or drop off your name and phone number with John, or in my box at the club. I will be in touch. I would also appreciate any suggestions you may have about different kinds of races. I would really like to run a couple of "novice races" for anyone (all types of boats) who would like to get into racing in a less competitive way. We will hold pre-race instructions on the porch using the blackboard and conduct several "dry-run starts", then have a couple short races and end up with a critique afterwards. More on this later.

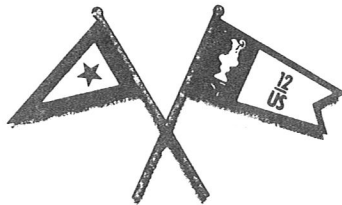

I am requesting that all Fleet Captains submit their fleet race schedules to me as soon as possible so I may begin making arrangements.

I look forward to a good time and lots of fun this race season. See you on the starting line.

NEW LADIES AUXILIARY BULLETIN BOARD

The Ladies Auxiliary recently received and installed a new bulletin board for announcing their upcoming activities and programs. The board is mounted on the wall facing the coat room – a position where it can't be missed as you enter the club.

The bulletin board is a hand-crafted gift from Commodore Whitey Limes in memory of his wife, Helen. It is a fitting memorial to this fine lady; the first president of the Ladies Auxiliary and certainly the first lady of BLYC.

Attention all sailors; June 28th and 29th, 1986 The Ohio Inter Club Yachting Association will hold it;s annual regatta at Buckeye Lake. This will mark the 40th anniversitt of the very first such Regatta of the OICYA held at Buckeye Lake in 1946. All classes that attend with three or more boats will be given a start. All classes are welcome.

Thanks,

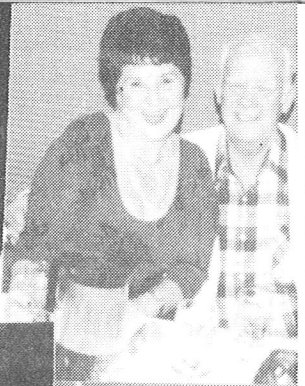

NOTICE TO MEMBERS OF THE BLYC PAST COMMODORES' ASSOCIATION

At our last meeting I promised to prepare a financial report and have now done so current through the end of calendar 1985. In addition, the minutes for the last meeting have been prepared.

Any member of the association who desires a copy before our next meeting is invited to call me at my office in Columbus, 464-2700, and request copies. They will be immediately forwarded to you. Copies will also be available at our next meeting.

Comm. Frank H. Foster

GLAD TO HAVE YOU ON BOARD
The Skipper and Mate welcome you on board. We look forward to your company during our cruise and ask

Please

DO NOT smoke or strike a match or cigarette lighter or touch off the galley stove while fueling or starting the engines.

DO NOT take chances on deck, especially if the sea kicks up. Remember rubber-soled shoes often slip on wet deck. DO NOT fall overboard or cause another to do so, while under way or at anchor.

DO NOT use any equipment with which you are not familiar. See the Skipper or Mate.

DO NOT jump from deck to dock without watching your footing. Landing on a rope-end usually results in a sprained ankle.

DO NOT jump over the side while wearing a life-belt; your chin may be the worse for wear.

DO NOT throw refuse overboard without instructions from the Mate.

DO NOT use the "head" for cigarettes, matches, chewing gum or bulky articles; plumbers are scarce afloat.

DO NOT wear hard-soled or high-heeled shoes on deck; a good varnish job is too hard to come by.

DO NOT use the Skipper's binoculars or chart without permission; he may need them in a hurry.

DO NOT intrude on the privacy of others.

* * *

The boss called one of his employees into the office. "Jones," he said, "I've been watching you. You get in early and leave late. You've never missed a day. You get all your work done and help Smith when he's overloaded; you've never complained and never asked for a raise. Tell me, just what the heck are you up to?"

* * *

"You mean you stopped drinking just because she asked you to?"

"Yes."

"And you gave up cigarettes for the same reason?"

"That's right."

"And you stopped gambling and racing cars just for her?"

"I did."

"Then after all that, why didn't you marry her?"

"Well, I figured I had become such a cleancut, desirable fellow, that I could do better."

* * *

A young mother, after putting her two children to bed one night, changed into a large, old sweatshirt and jeans and proceeded to wash her hair. she could hear the children growing wilder and noisier, so finishing as quickly as she could, she wrapped a large towel around her head, stormed into their room and put them back to bed with a stern warning to stay there.

As she left, she heard her two-year-old say to his sister in a trembling voice, "Who was that?"

* * *

And the way my wife looks in the morning! She ran after the garbage man and said, "Am I too late for the garbage?" He said, "No, jump in."
