LOG

FROM THE BRIDGE ☆ ☆ ☆

AUGUST 1986 - THE TIDE IS IN AT LAST!!

Since we last talked, things have happened - both good and bad. The good things: It has rained on Buckeye Ocean and the boats are floating. The Junior Pig was a success due to the Junior Sailors, the Kumlers and Dressels and Rogers and so many more.

The 4th of July ceremony was perfect due to the precise timing of General (Commodore) Preston and the fly over by the Air Guard. If you missed it, shame on you. It was a very good weekend at B.L.Y.C.

To the bad things. . . We had a lot of complaints about kids in the Commodore's Lounge. The new rules are elsewhere in this log. I found the Buckeye Lake Boat Wash - it cleans your boat inside and out. For a couple of drinks at the bar or dinner, I might tell you about it. This adventure ought to be worth something. You sailors keep out of this.

We are saddened by the loss of Commodore George Offenberger and Dale Gosnell on the 4th weekend. Our prayers are with you, Hannalee and Dazie.

Remember, children must wear life jackets on the Island or the parents must sign a waiver or release to the Club. This releases the Club from the responsibility of lawsuit by the parents if the child is injured in the lake around the Island.

Maybe next month I will start or finish a Poseidon Adventure sequel.

See you at the Club!

I hope you were able to get out to one or all four fantastic days of fun over the July 4th weekend. From the flag raising to the Sunday porch picnic, it was a great weekend and the weather certainly cooperated.

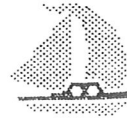

Mark August 9th on your calendar for the annual Luau and New Members Party. Get out your hula skirt or "Jams" and plan to have a good time. Don and Dot Best will host this party so it will be a fun one. They have some great things planned. The Ricky(Don Ho)Monroe Band will play for your dancing pleasure. See you there.

LADIES AUXILIARY

The July meeting of the B.L.Y.C. Ladies Auxiliary was held at the Yacht Club. President Ginny Fulgham called the meeting to order. A moment of silence was held for the members who have passed away or lost a loved one.

The cement has been laid to widen the sidewalk for the lift. Hooking up electricity is the next step and then the lift will be ready to be installed.

Ginny reminded the members about the Ice Cream Social. It will be held on Saturday, August 16, during the Antique Power Boat Show. We will serve ice cream "goodies" from 11:30 to about 4:30. There will be four flavors of ice cream from which to choose. There will also be brownies and chocolate chip cookies to help create interesting desserts. Volunteers signed up to work during the Social and to donate baked goods. There will also be a sale of the Showcase items during the Social.

The Nominating Committee was announced. Pat Forster is Chairwoman. Debbie Eisert and Lauren Zukovs will serve as committee members. The slate of officers will be read during the August meeting.

Whitey Limes has made a beautiful case to hold the members' name tags. A special card was passed and signed thanking him for his thoughtfulness.

Ginny reminded members that the August meeting will be the last luncheon for the year. She asked all the members to make an effort to invite members to join us for this meeting.

Marian Petersilge and Helen Waites were thanked as our hostesses.

PROPOSED BY-LAW CHANGE

Pursuant to the BLYC Constitutional requirement that notification be given of consideration by the Board of Governors of a change in the By-Laws, notice is given that the Governors at their next meeting plan to consider a By-Law change relating to DOCK ASSIGNMENTS.

The Governors will consider an amendment which provides that a member on the dock request priority list will be offered a compatible slip only twice and if a compatible slip is declined by the member the second time and the member is warned that he will be removed from the dock priority list, then his name will be removed.

NOTICE. EFFECTIVE IMMEDIATELY
NEW RULES FOR THE COMMODORE'S LOUNGE

You must be at least 16 years of age to use the Commodore's Lounge.

Children under 16 must be accompanied by their parents or grandparents.

No playpens, strollers or the like permitted in the Lounge.

PLEASE HELP US.

THANK YOU

The Board of Governors, after much thought and debate, made these rules for the Commodore's Lounge. This was brought on by many, many, many complaints by members on the misuse of the Lounge. They complained of not being able to use the Lounge because of the kids in there. Kids jumping on the furniture or sleeping on the couches. The Club Manager, along with help from the Board of Governors and Trustees will enforce the rules. So, if you are reminded of the rules, please cooperate.

Thank you,

Commodore Don White

P.S. Kids must wear life jackets on the Island.

Congratulations to BLYC members "Port & Starboard" who won a million dollar lottery - a dollar a year for a million years.

Port & Starboard were standing on the corner when some streakers went flashing by, "Say, said Port" were those boys or girls?" "I don't know" said Starboard, "they were wearing masks!"

Port walked into a carpentry shop. "Hey he said, " can you make me a box fifty feet long and one inch square?" " I never built anything like that before," said Starboard "but it could be done, why would you want a box fifty feet long and one inch square?"

"My neighbor moved out of town," said Port, "and left his garden hose and now he wants me to ship it to him!"

Port was complaining to Starboard that his neighbor was always sneaking up on him and slapping him on the chest and breaking the cigars in his pocket. "But,"

said Port, "I figured out a way to teach him a lesson."

"What are you going to do?" ask Starboard.

"I'm going to fix him" said Port,

"The next time he slaps me on the chest, I'm going to have three sticks of dynamite in my pocket."

Laughing matter

Window signs:

Volkswagen dealer: "Our Rabbit won't eat your lettuce."

Shoe store: "Come in and have a fit."

Dress shop being remodeled: "Pardon us while we change into something more comfortable."

TV cable company: "Let us improve your image."

Seafood restaurant: "Our fish come from the best schools."

On board a cruise ship, the newlyweds asked the purser not to mention that they were on their honeymoon. The next day they were aware of some peculiar glances from their fellow passengers. Querying the purser, they asked if he had kept his promise. "Of course. When people asked if you were just married, I told them

"I'm afraid I'm going to have to punish you, with your permission, of course."

no, that you were just good friends."

After a few weeks the newly assigned clergyman had earned the praise of nearly all the members of the congregation. As he was greeting members after the sermon, one parishioner came to him and gushed,

"You're simply wonderful. Why, I never knew what sin was before you came here."

As he went to open the freezer one morning before going to work, the man turned to his wife and asked, "What shall I take out for dinner?" The woman turned and with a sweet smile said, "Me."

She was listening to her seven-year-old grandson trying to make polite conversation with a six-year-old girl cousin who was visiting for the first time. After a long, uncomfortable pause, he turned to the girl and asked, "Lost any teeth lately?"

Road sign at edge of small town: "Drive carefully—no doctor, no hospital, no ambulance."
