## FROM THE BRIDGE ☆ ☆ ☆

NOVEMBER, 1986

The weather couldn't have been more perfect for a Snowball Regatta than the weekend that was ordered-up by George Suplee and his committees. Sixteen Lightnings, nine Cruising Boats and many club members enjoyed a fine weekend of racing, relaxing, and revelry at BLYC.

Saturday night, October 25, many members turned out for the "new" BLYC Awards Night. Past Gov. Tom Eisert did a commendable job in re-establishing this event as one for the entire club. The giant video of this year's Race and Regatta events was certainly a drawing card.

The following day, Gov. Conrad orchestrated a successful Work Day. The Club is in good condition as we approach winter with no major areas of concern. We hope to have the new porch wind screen installed prior to November 15. Thanks to all those members and spouses who turned out.

Two items are noteworthy from the October Board of Governors' Meeting. First was the announcement that \$30,000 worth of notes have been sold and the money collected toward construction of the swimming pool. Installation is planned for yet this fall so it will be ready next spring. For those who purchased notes, they will be issued to you soon with the record date for interest being September 1, 1986.

Second, the following appointments were approved by the Board:

Fleet Captains - Sail and Chairmen: Snowball Regatta	George Suplee George Zukovs
Fleet Captains - Power and Chairmen: Antique Boat Regatta	Bill Hoermle John Hoermle
Fleet Surgeon	Dr. Karl Kumler
Fleet Measurer	Dick Bemis
ILYA Delegate	Comm. Gustav Schell
OICYA Delegate	Jud Ortman
Historian	Comm. Frank Foster
Parliamentarian	Comm. George Fisher
Ice Breakers	Larry & Donna Hoover
Gun Club Coordinators	John Doneff/Frank Foster

If you have any ideas or comments in any of these areas, or you want to get involved, please contact the person listed.

Coming up in November is the always popular **OSU Band Party** on **Saturday, November 8**. The first **Ice Breaker** is on **Friday, November 21**, and right around this time **Gun Club** will be holding its **first shoot**. Mark your calendars accordingly.

Finally, when you arrange to take your boat out for the winter and if you plan to use the hoist at Eastport, remember that the gate key has been changed and that you have to get the key from John Doneff at the Club. Since winter hours are now in effect, you may have to make arrangements several days in advance. I apologize in advance to those who will be inconvenienced by this. We are working toward a better plan. Please be patient.

See you at the Club.

Commodore Greg Alspach

## S N O W B A L L   R E P O R T

This year's Snowball Regatta proved to be a great success with a total of 17 Lightnings participating from eight different clubs. There were also a total of nine cruising boats from B.L.Y.C. participating. The party Saturday night was enjoyed by all who attended. A special thanks to Rick Fulgham for selecting such a good band, and also thanks go to John Doneff for his culinary talents.

I would also like to thank all those who helped to make this year's Snowball the success it was. Thanks to Phyllis Rogers who organized the registration committee; Jim McBride who organized the use of the hoist at Eastport; Dick Godfrey who arranged the mailings; Dick Wolf and Bill Hoermle for the use of their power boats; Jackie Cote for supplying her nursing skills; and Marguerite Crane, Sandy Alspach, and the Ladies Auxiliary for supplying the hors d'oeuvres on Saturday night. I would especially like to thank George Fisher for organizing all aspects of the race series. All of these people made what they were doing seem easy, but each one devoted considerable time to their particular area making this year's regatta the success that it was. I hope next year's Snowball Chairman is fortunate as I was in having so many good, capable people willing to help.

George Suplee  
1986 Snowball Chairman

## RACE & REGATTA - 1987

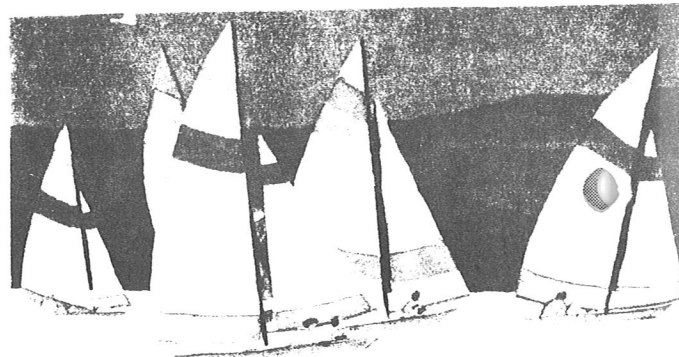

Commodore Alspach has extended me the privilege to govern the Race and Regatta events for our Club year of 1987. And while I'm a long way from being an expert in the field, I'm happy to report the generous amount of help offered from those I've talked to thus far; including Messers. Boehm, Foster and Foster, Suplee, Hoermle, Limes et al.

I'm looking forward to learning a lot and welcome any suggestions or input that can improve or smooth out the Race & Regatta program.

## \* LOCAL SAILORS HAVE AN EDGE

For those of you who may have missed the accompanying picture and article featuring Commodore George Fisher, we thought it would be appreciated by our membership to repeat it in the Log (Hopefully Mr. Porch won't mind).

## \* Local sailors have an edge

If there are any waves around Columbus, they're amber waves of grain. This town is an island in a sea of soybeans and corn.

A seafaring tradition in a landlocked community? Forget it.

If that's so, why is there such a disproportionate number of Columbus sailors in the Champion of Champions regatta this week? Three out of 20 one-design crews selected from winners nationwide have Columbus addresses.

"I CAN answer that," said Craig Tovell, the 1986 U.S. champion in Windmill sailboats.

"We sit around bars and talk about that all the time. We have four reservoirs around Columbus and a lot of competition between Buckeye Lake, Hoover and Leatherlips (sailing clubs). It's all racing. Nobody wants to cruise around a little lake."

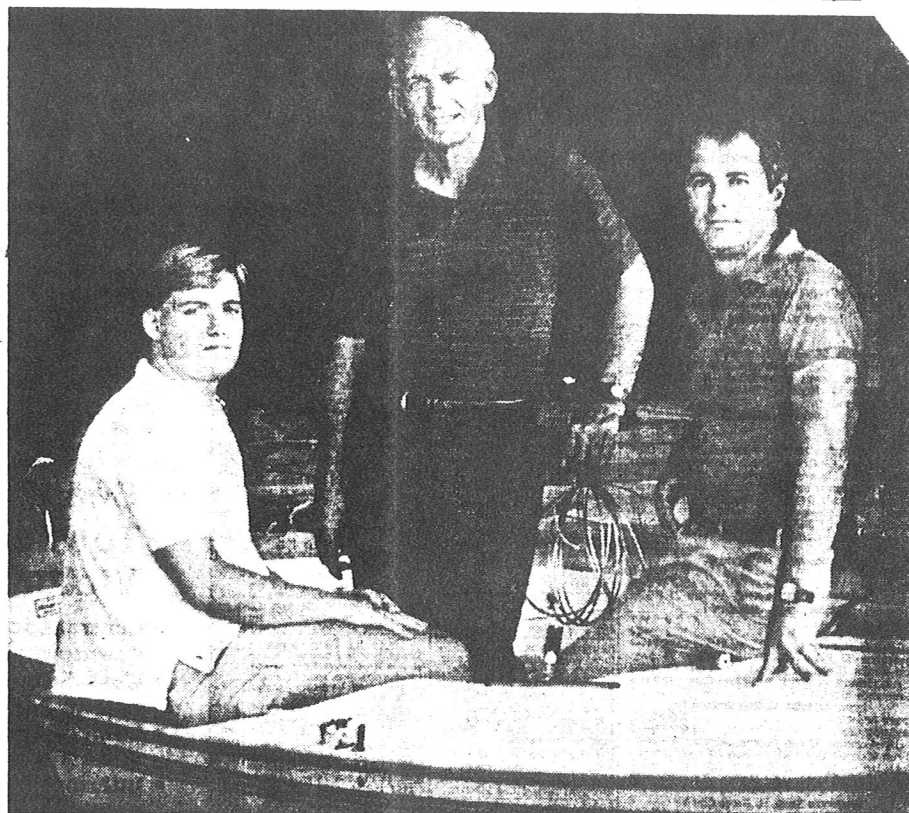

The relatively small impoundments, the narrow confines of the Scioto River and their irregular shorelines make local waters hard to sail. Winds come and go in puffs that turn a dead calm into a chop instantly.

"In San Diego the winds are almost always out of the northwest," Tovell said. "I remember sailing there. They just go out and drag race, sail in a straight line."

"Around here you have to change tack 40 times upwind because the winds are so unpredictable," said Tovell, 24 and a publicist for the Ohio Department of Transportation.

"SO WE can go out there and pick it up (coastal sailing conditions) in a couple of races. But guys on the East and West coasts are holed up there. They don't want to compete around here because it's so different from what they're used to."

Want to or not, crews from

Dispatch photo by Dave Emery

Local sailing contingent, from left, Craig Tovell, George Fisher, Steve Carter

other sections of the country will have to handle winds on Sandusky Bay starting today.

The series to decide the Champion of Champions will take place in 20 identical Inter-Lake class sailboats. After practice today, crews will sail two races each of the next three days.

The man to beat is George Fisher, a six-time U.S. or North American champion in Inter-Lakes, the boat that is being used for this year's series. Fisher's best finish in five Champion of Champions regattas was fifth in 1985.

FISHER, 59, a lawyer in Columbus, will see at least a couple of familiar faces on competing boats. Tovell and Columbus resident Steve Carter, this year's Highlander class champion, are scheduled to race in the series.

Fisher said that what appears to be a drawback of local waters — small surface area — actually is beneficial.

"We can sail in wind they

wouldn't touch on Lake Erie," Fisher said. "Our small waters don't get the chop they do up there."

Like Little League, yacht clubs on the Scioto, Hoover Reservoir and Buckeye Lake funnel trained youngsters into adult competition.

"They get started early," Fisher said, "and that's good for proficiency."

Carter is an exception. Now 40, he played baseball as a youth and didn't get into sailing until he was 29.

"I didn't know any better," Carter said, describing his sailing origins. "I needed a hobby. I just went out and bought a boat."

He spent \$1,800 for a used Highlander, a fast-but-easy-to-handle 20-footer with mainsail, jib and spinnaker. It takes a crew of three.

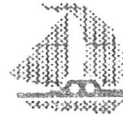

"Two or three couples had them," Carter said. "We'd go out with a case of beer, a couple of bottles of wine and float around. We ran into our share of docks."

## Sailing champs

Central Ohio is home port for more than a dozen present or former U.S. or North American sailing champions. These one-design winners include the following:

George Fisher,	Inter-Lake and Lightning classes
Greg Fisher	Flying Scot
	Thistle and Highlander classes
Matt Fisher	Lightning class
Steve Carter	Highlander class
Craig Tovell	Windmill class
Bob White	Thistle class
Dave White	Inter-Lake class
Mark Gilliland	Thistle class
Charles Steigerwald	Thistle class
Ron Marshall	Victoria 18 class
Jim Hunt	Comet class
Fred Meno	Inter-Lake class
Mike Hein	Lightning class

# GUN CLUB?

Yes, the BLYC Gun Club. If you are a relatively new member of BLYC and don't know much about the GUN CLUB, please be patient. First, I have to give the basic raw data to the old members - they have shorter attention spans.

Trap shooting begins Sunday, November 16 at 2:00 P.M. If you paid your \$15.00 annual dues in either of the last two years, you pay no dues this year. John assures us that the trap is in and will remain in good working order and that we will never run out of shells, birds, score pads, or pencils.

NOW, WHAT IS THE GUN CLUB? It's trap shooting from the patio in front of the club house. Boats are usually gone by then. It's amazing how fast the stragglers are removed after we shoot up a boat or two. Any remaining sailboats masts are rapidly worn away, like in a video game, by the shooters.

Bring a shotgun and shells. If you don't know how trap shooting works, just show up, ask and try it.

Most of us don't get too serious about this competition. With my scores I must be the least serious.

Five people at a time shoot in rotation at the clay birds for a total of 25 shots. Cost is \$2.00 a round to pay for birds. New members pay \$15.00 annual dues which is for an eventual end of year dinner and to provide operating capital. Shells are usually available for around \$5.00 per box of 25, enough for a round of shooting. Bring your wife, girl friend (but not both) and/or children who can handle a shot gun.

We shoot every Sunday, except at holiday times, until about March or we wear out. If you want to know more about what it's all about ask John Doneff. He doesn't know what it's all about, but he is a lot of fun to talk to.

Gun Club is an excuse to get out of the house, come to the club and shoot your shotgun on those beautiful fall and winter days. Every once in a while you even break a few birds.

### LADIES AUXILIARY

The October meeting of the BLYC Ladies Auxiliary was held Tuesday evening October 14th at the Yacht Club.

President Carole Donnelly called the meeting to order and introduced both Velma Lieberman, a former resident visiting from Sarasota, Florida and Jeanette Clark, a new club member.

The minutes were approved as read. Treasurer Terry Kochensparger reported a balance of \$2436.97 as of October 14, 1986. Ginny Fulgham announced that there was \$964.60 in the checking account with \$3507.00 of merchandise on hand for the showcase.

Our president asked for project suggestions and then stressed the importance of making all new members feel welcome by bringing them to the meetings if possible.

Since the mailing of postcards to announce the Ladies Auxiliary meetings has been discontinued, we are requesting volunteers who are willing to telephone members in their respective areas.

The \$5.00 Christmas gift exchange will be continued this year.

Ginny Fulgham announced that the chair lift was installed but not completely bolted down. George Conrad has agreed to finish this task.

Lorraine O'Donnell informed us that there are no restroom facilities for the handicapped. A unisex restroom or some suitable arrangement should be considered.

There being no further business the meeting was adjourned for card playing and socializing.

Respectfully Submitted,

  
Linda Wing
