YACHT CLUB ROCKS BUCKEYE LAKE

This headline is the only one appropriate after this year's Commodores Steak Fry. 400 members and guests dined on steaks expertly grilled by their favorite Commodore and then reveled to the sounds of Phil Dirt and the Dozers. The weather cooperated by scattering the rain around BLYC and the rest is history. More than one member told this Commodore that it was the best party they had attended at BLYC and one group observed that the lake hadn't "rocked like this since the days of the dance pavilion and the amusement park." Now that's a party!!

Much thanks to club manager John Doneff who, among other things, ar-ranged for additional staff, obtained enough chairs to seat 400 people,

rented additional table service, got a tent to cover us in the event of rain, and put a flotation collar around the island to keep it from sinking with all those people. Thanks also to Gale Roshon and the Commodores for agreeing to undertake such an intimidating event.

July 4th celebrates the birthday of this nation and the Buckeye Lake Yacht Club will pay tribute by having a flag raising ceremony and fly-over commencing approximately 1030 hours on Saturday, July 4. Your participation is both welcome and solicited.

The new BLYC Directories are available at the club bar.

There is one for each member with additional copies available for \$5.00. Please help save us the cost of mailing these by stopping by the club to pick-up yours.

The pool is completed and the changing room (former Junior Lounge) will be done by mid-July. Frank Foster and his crew have been working steadily on completing the final tasks and have done an excellent job. Your comments to Frank would be appreciated, I'm sure. Many thanks also to Wilbur and John Wuellner for their help with the alteration of the Junior Lounge. Not only did they "scare-up" much needed fixtures and pipe but they also laid the sewer line on a very hot, Sunday afternoon.

Our pool rules state that Article XI, Rule 7 of the By-Laws will be enforced. Rule 7 states that "No picnics shall be permitted anywhere on the club premises, except... upon permission by the House Governor." Ergo, PLEASE DO NOT BRING FOOD OR BEVERAGES ONTO THE ISLAND OR INTO THE POOL AREA. Drinks and snacks are available from John and his kitchen staff at poolside for a reasonable cost. The Board of Governors will be enforcing this rule.

John has modified his pop and snack prices somewhat in order to better provide both indoor and outdoor services. Canned pop is now 75¢ and popcorn outside the club has a modest charge. However, and my sailing friends take note, 16oz. fountain pop remains at 50¢ - the same bargain it always was.

This month ends with the Junior Bay Week Regatta at Put-In-Bay. Our juniors have been working hard, have new boats and new sails, and are anxious to represent BLYC. Why not plan on attending some or all of this event, July 27-30 at Put-In-Bay.

See you at the club.

JUNIORS

JUNIOR SAILOFF

Your opportunity to earn the privilege of representing BLYC during Junior Bay Week in the summer of 1988 at Put-In-Bay will begin August 22. In the traditional manner, juniors will race in Lasers in accordance with the published rules for that purpose to determine who will represent Buckeye Lake in each of the three series. See Gov. Jim Leichner for a copy of those rules.

Please sign the list at the club if you would like to participate and give your address and phone number so that we may communicate with you if necessary.

The first race will be at approximately 10:00 A.M. on Saturday morning, August 22. The Skipper's meeting will be at 9:30 A.M. Boats should be rigged and ready to launch before the Skipper's meeting. You will receive more detailed scheduling information at the Skipper's meeting.

Races will be held both days of each weekend until the series is completed, weather permitting. Races will be run in the weather conditions specified by the rules in the first two weekends. If the series is not completed in the first two weekends it will be completed in the third weekend regardless of air, so long as the lake is safe.

If you have questions please contact Gov. Jim Leichner or Frank Foster.

The Junior Sailoffs are not only an opportunity to sail and to represent BLYC, but are themselves an enjoyable series of races for juniors. You are encouraged to participate to win if you are an older junior and to gain valuable experience if you are a younger junior.

If you are aware of a junior who did not get this notice, please tell them to sign up and tell me who they are so I can include them in any other mailing.

Comm. Frank Foster, Race Committee Chairman

June Minutes BLMC Ladies Auxiliary

Members and guests of the BLYC Auxiliary gathered poolside on 6/10/87 for *Mimosas and social hour.

The only business was the distribution of the new raffle tickets for a free BLYC active membership.

The meeting was dispensed with as Bexley Cancer Crew No.2 presented a hilarious variety and style show. (Outfits courtesy of their Bexley Thrift Shop.)

All 64 present enjoyed this entertainment and we thanked Vice President Virginia Conrad for inviting them.

After the raffle and drawing for the centerpieces the meeting was adjourned.

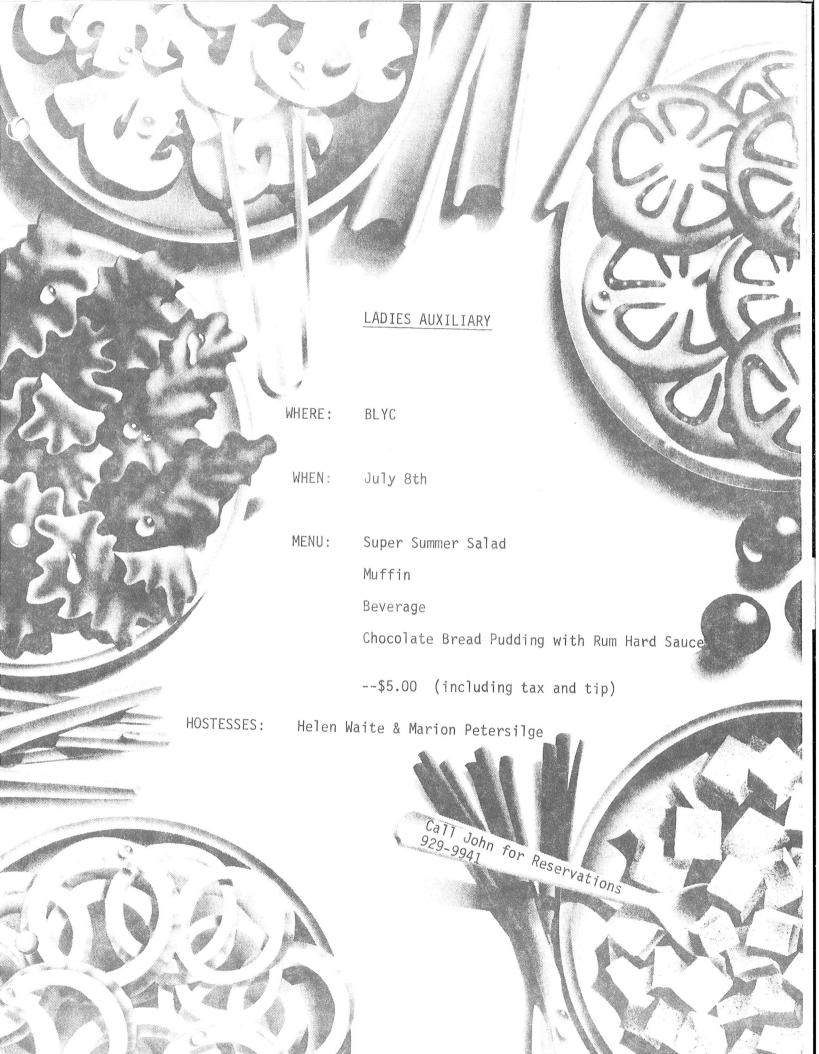

Respectively submitted,

Linda U. Wing Secretary
